TUESDAY, JULY 25, 1876.

AT the Court at *Osborne House, Isle of Wight*, the 21st day of *July*, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act of Parliament made and passed in the Session of Parliament holden in the thirty-third and thirty-fourth years of the reign of Her present Majesty, intituled "An Act for amending the law relating to the Extradition of Criminals," and also by an Act of Parliament made and passed in the Session of Parliament holden in the thirty-sixth and thirty-seventh years of the reign of Her present Majesty, intituled "An Act to amend the Extradition Act, 1870," it was amongst other things enacted, that where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the twentieth day of May, one thousand eight hundred and seventy-six, between Her Majesty and the King of the Belgians, for the Mutual Extradition of Fugitive Criminals, which Treaty is in the terms following:—

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Majesty the King of the Belgians, having judged it expedient, with a view to the more complete prevention of crime within their respective territories, that persons charged with or convicted of the crimes hereinafter enumerated, and being fugitives from the justice of their country, should, under certain circumstances, be reciprocally delivered up; Their said Majesties have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say:—

when in the case of a person accused, the commission of the crime shall be so established as that the laws of the country where the fugitive or person accused shall be found would justify his apprehension and commitment for trial if the crime had been there committed; and in the case of a person alleged to have been convicted, on such evidence as, according to the laws of the country where he is found, would prove that he had been convicted.

In no case can the surrender be made unless the crime shall be punishable according to the laws in force in both countries with regard to extradition.

## ARTICLE II.

In the dominions of Her Britannic Majesty, other than the Colonies or foreign possessions of Her Majesty, the manner of proceeding shall be as follows:—

### I. In the case of a person accused—

The requisition for the surrender shall be made to Her Britannic Majesty's Principal Secretary of State for Foreign Affairs by the Minister or other Diplomatic Agent of His Majesty the King of the Belgians, accompanied by a warrant of arrest or other equivalent judicial document, issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in Belgium, together with duly authenticated depositions or statements taken on oath or upon solemn affirmation before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any particulars which may serve to identify him. The said Secretary of State shall transmit such documents to Her Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive.

On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

When the fugitive shall have been apprehended he shall be brought before the Police Magistrate who issued the warrant, or some other Police Magistrate in London. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoner, if the crime of which he is accused had been committed in England, the Police Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Government of His Majesty the King of the Belgians.

### II. In the case of a person convicted—

The course of proceeding shall be the same as in the case of a person accused, except that the warrant to be transmitted by the Minister or other Diplomatic Agent in support of his requisition shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced before the Police Magistrate shall

le cas d'une personnes accusée, que si la perpétration du crime est établie de telle façon que les lois du pays où le fugitif accusé sera trouvé justifieraient son arrestation et son emprisonnement si le crime avait été commis dans ce pays; et dans le cas d'une personne prétendument condamnée, que sur la production d'une preuve qui, d'après les lois du pays où le fugitif a été trouvé, établirait suffisamment qu'il a été condamné.

En aucun cas l'extradition ne pourra avoir lieu que lorsque le crime sera prévu par la législation sur l'extradition en vigueur dans les deux pays.

## ARTICLE II.

Dans les Etats de Sa Majesté Britannique autres que les Colonies ou les possessions étrangères de Sa Majesté, la manière de procéder sera la suivante:—

### I. S'il s'agit d'une personne accusée—

La demande d'extradition sera adressée au Premier Secrétaire d'Etat de Sa Majesté pour les Affaires Etrangères par le Ministre ou autre Agent Diplomatique de Sa Majesté le Roi des Belges. A cette demande seront joints au mandat d'arrêt ou autre document judiciaire équivalent, délivré par un Juge ou Magistrat dûment autorisé à prendre connaissance des actes imputés à l'accusé en Belgique, ainsi que les dépositions authentiques ou les déclarations faites sous serment ou sous affirmation solennelle devant ce Juge ou Magistrat, énonçant clairement les dits actes, et contenant, outre le signalement de la personne réclamée, toutes les particularités qui pourraient servir à établir son identité.

Le dit Secrétaire d'Etat transmettra ces documents au Premier Secrétaire d'Etat de Sa Majesté Britannique pour les Affaires Intérieures, qui, par un ordre de sa main et muni de son sceau, signifiera à l'un ou l'autre Magistrat de Police à Londres que la demande d'extradition a été faite, et le requerra, s'il y a lieu, de délivrer un mandat pour l'arrestation du fugitif.

A la réception d'un semblable ordre du Secrétaire d'Etat, et sur la production de telle preuve qui, dans l'opinion de ce Magistrat, justifierait l'émission du mandat si le crime avait été commis dans le Royaume Uni, il délivrera le mandat requis.

Lorsqu'alors le fugitif aura été arrêté, il sera amené devant le Magistrat de Police qui a lancé le mandat, ou devant un autre Magistrat de Police à Londres. Si la preuve qu'on produira est de nature à justifier, selon la loi Anglaise, la mise en jugement du prisonnier dans le cas où le crime dont il est accusé aurait été commis en Angleterre, le Magistrat de Police l'enverra en prison pour attendre le mandat du Secrétaire d'Etat, nécessaire à l'extradition, et il adressera immédiatement au Secrétaire d'Etat une attestation de l'emprisonnement avec un rapport sur l'affaire.

Après l'expiration d'un certain temps, qui ne pourra jamais être moindre de quinze jours depuis l'emprisonnement de l'accusé, le Secrétaire d'Etat, par un ordre de sa main et muni de son sceau, ordonnera que le criminel fugitif soit livré à telle personne qui sera dûment autorisée à le recevoir au nom du Gouvernement de Sa Majesté le Roi des Belges.

### II. S'il s'agit d'une personne condamnée—

La marche de la procédure sera la même que dans le cas d'une personne accusée, sauf que le mandat à transmettre par le Ministre ou autre Agent Diplomatique, à l'appui de la demande d'extradition, énoncera clairement le crime pour lequel la personne réclamée aura été condamnée, et mentionnera le fait, le lieu, et la date du jugement. La preuve à produire devant le Magistrat

be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

After the Police Magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus*; if he should so apply, his surrender must be deferred until after the decision of the Court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant.

### ARTICLE III.

In the dominions of His Majesty the King of the Belgians, other than the Colonies or Foreign Possessions of His said Majesty, the manner of proceeding shall be as follows:—

#### I. In the case of a person accused—

The requisition for the surrender shall be made to the Minister for Foreign Affairs of His Majesty the King of the Belgians by the Minister or other Diplomatic Agent of Her Britannic Majesty, accompanied by a warrant of arrest or other equivalent judicial document issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in Great Britain, together with duly authenticated depositions or statements taken on oath or upon solemn affirmation before such Judge or Magistrate, clearly setting forth the said acts and containing a description of the person claimed, and any other particulars which may serve to identify him.

The Minister for Foreign Affairs shall transmit the warrant of arrest, with the documents thereto annexed, to the Minister of Justice, who shall forward the same to the proper judicial authority, in order that the warrant of arrest may be put in course of execution by the Chamber of the Council (*Chambre du Conseil*) of the Court of First Instance of the place of residence of the accused, or of the place where he may be found.

The foreigner may claim to be provisionally set at liberty in any case in which a Belgian enjoys that right, and under the same conditions. The application shall be submitted to the Chamber of the Council (*Chambre du Conseil*).

The Government will take the opinion of the Chamber of Indictments or Investigation (*Chambre des Mises en Accusation*) of the Court of Appeal, within whose jurisdiction the foreigner shall have been arrested.

The hearing of the case shall be public, unless the foreigner should demand that it should be with closed doors.

The public authorities and the foreigner shall be heard. The latter may obtain the assistance of Counsel.

Within a fortnight from the receipt of the documents, they shall be returned, with a reasoned opinion, to the Minister of Justice, who shall decide and may order that the accused be delivered to the person duly authorized on the part of the Government of Her Britannic Majesty.

#### II. In case of a person convicted—

The course of proceeding shall be the same as in the case of a person accused, except that the conviction or sentence of condemnation issued in original or in an authenticated copy, to be transmitted by the Minister or other Diplomatic Agent in support of his requisition, shall clearly set forth the crime of which the person claimed has been convicted, and state the fact, place, and date of his conviction. The evidence to be produced shall be

de Police sera telle que d'après la loi Anglaise elle établirait que le prisonnier a été condamné pour le crime dont on l'accuse.

Après que le Magistrat de Police aura envoyé la personne accusée ou condamnée en prison pour attendre l'ordre d'extradition du Secrétaire d'Etat, cette personne aura le droit de réclamer une ordonnance d'*habeas corpus*; l'extradition doit alors être différée jusqu'après la décision de la Cour sur le renvoi de l'ordonnance, et elle ne pourra avoir lieu que si la décision est contraire au demandeur.

### ARTICLE III.

Dans les Etats de Sa Majesté le Roi des Belges, autres que les Colonies ou possessions étrangères de Sa dite Majesté, on procédera de la façon suivante:—

#### I. S'il s'agit d'une personne accusée—

La demande d'extradition sera adressée au Ministre des Affaires Etrangères de Sa Majesté le Roi des Belges par le Ministre ou autre Agent Diplomatique de Sa Majesté Britannique; à cette demande seront joints un mandat d'arrêt ou autre document judiciaire équivalent délivré par un Juge ou Magistrat dûment autorisé à prendre connaissance des actes imputés à l'accusé dans la Grande Bretagne, ainsi que les dépositions authentiques ou les déclarations faites sous serment ou sous affirmation solennelle devant ce Juge ou Magistrat, énonçant clairement les dits actes, et contenant, outre le signalement de la personne réclamée, toutes les particularités qui pourraient servir à établir son identité.

Le Ministre des Affaires Etrangères transmettra le mandat d'arrêt, avec les pièces annexées, au Ministre de la Justice, qui fera parvenir les documents à l'autorité judiciaire, à l'effet de voir rendre le dit mandat d'arrêt exécutoire par la Chambre du Conseil du Tribunal de Première Instance du lieu de la résidence de l'inculpé, ou du lieu où il pourra être trouvé.

L'étranger pourra réclamer la liberté provisoire dans le cas où un Belge jouit de cette faculté et dans les mêmes conditions. La demande sera soumise à la Chambre du Conseil.

Le Gouvernement prendra l'avis de la Chambre des Mises en Accusation de la Cour d'Appel dans le ressort de laquelle l'étranger aura été arrêté.

L'audience sera publique, à moins que l'étranger ne réclame le huis-clos.

Le Ministère public et l'étranger seront entendus. Celui-ci pourra se faire assister d'un Conseil.

Dans la quinzaine à dater de la réception des pièces, elles seront renvoyées avec l'avis motivé au Ministre de la Justice, qui statuera et pourra ordonner que l'inculpé soit livré à la personne qui sera dûment autorisée au nom du Gouvernement de Sa Majesté Britannique.

#### II. S'il s'agit d'une personne condamnée—

Le cours de la procédure sera le même que dans le cas d'une personne accusée, sauf que le jugement ou l'arrêt de condamnation délivré en original ou en expédition authentique, à transmettre par le Ministre ou l'Agent Diplomatique à l'appui de la demande d'extradition, énoncera clairement le crime pour lequel la personne réclamée aura été condamnée, et mentionnera le fait, le lieu, et la date du jugement. La preuve

such as would, according to the Belgian laws, prove that the prisoner was convicted of the crime charged.

## ARTICLE IV.

A fugitive criminal may, however, be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the person issuing the warrant, justify the issue of a warrant, if the crime had been committed or the prisoner convicted in that part of the dominions of the two Contracting Parties in which he exercises jurisdiction: Provided, however, that, in the United Kingdom, the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall be discharged, as well in the United Kingdom as in Belgium, if within fourteen days a requisition shall not have been made for his surrender by the Diplomatic Agent of his country, in the manner directed by Articles II and III of this Treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes specified in this Treaty, committed on the high seas on board any vessel of either country which may come into a port of the other.

## ARTICLE V.

If the fugitive criminal who has been committed to prison be not surrendered and conveyed away within two months after such committal (or within two months after the decision of the Court upon the return to a writ of *habeas corpus* in the United Kingdom), he shall be discharged from custody, unless sufficient cause be shown to the contrary.

## ARTICLE VI.

When any person shall have been surrendered by either of the High Contracting Parties to the other, such person shall not, until he has been restored or had an opportunity of returning to the country from whence he was surrendered, be triable or tried for any offence committed in the other country prior to the surrender, other than the particular offence on account of which he was surrendered.

## ARTICLE VII.

No accused or convicted person shall be surrendered, if the offence in respect of which his surrender is demanded shall be deemed by the party upon which it is made to be a political offence, or to be an act connected with (*connexe à*) such an offence, or if he prove, to the satisfaction of the Police Magistrate, or of the Court before which he is brought on *habeas corpus*, or to the Secretary of State, that the requisition for his surrender has in fact been made with a view to try or to punish him for an offence of a political character.

## ARTICLE VIII.

Warrants, depositions, or statements on oath, issued or taken in the dominions of either of the two High Contracting Parties, and copies thereof, and certificates of or judicial documents stating the fact of conviction, shall be received in evidence in proceedings in the dominions of the other, if purporting to be signed or certified by a Judge, Magistrate, or officer of the county where they were issued or taken.

à produire sera telle que, conformément aux lois Belges, elle établirait que le prisonnier a été condamné pour le crime dont on l'accuse.

## ARTICLE IV.

Un criminel fugitif peut, cependant, être arrêté sur un mandat délivré par tout Magistrat de Police, Juge de Paix, ou autre autorité compétente dans chaque pays, à la suite d'un avis, d'une plainte, d'une preuve, ou de tout autre acte de procédure qui, dans l'opinion de la personne délivrant le mandat, justifierait ce mandat, si le crime avait été commis ou la personne condamnée dans la partie des Etats des deux Contractants où elle exerce juridiction: pourvu que, cependant, s'il s'agit du Royaume Uni, l'accusé soit, dans un pareil cas, envoyé aussi promptement que possible devant un Magistrat de Police à Londres. Il sera relâché, tant dans le Royaume Uni qu'en Belgique, si dans les quatorze jours une demande d'extradition n'a pas été faite par l'Agent Diplomatique de son pays, suivant le mode indiqué par les Articles II et III de ce Traité.

La même règle s'appliquera aux cas de personnes poursuivies ou condamnées du chef de l'un des crimes spécifiés dans ce Traité et commis en pleine mer, à bord d'un navire de l'un des deux pays et qui viendrait dans un port de l'autre.

## ARTICLE V.

Si le criminel fugitif qui a été arrêté n'est pas livré et emmené dans les deux mois après son arrestation (ou dans les deux mois après la décision de la Cour sur le renvoi d'une ordonnance d'*habeas corpus* dans le Royaume Uni), il sera mis en liberté, à moins qu'il n'y ait un motif suffisant de le retenir en prison.

## ARTICLE VI.

Lorsqu'une personne aura été extradée par l'une des Hautes Parties Contractantes, cette personne jusqu'à ce qu'elle soit rentrée dans le pays d'où elle a été extradée, ou qu'elle ait eu occasion de le faire, ne sera poursuivie pour aucun délit commis dans l'autre pays avant l'extradition autre que celui pour lequel l'extradition a eu lieu.

## ARTICLE VII.

Aucune personne accusée ou condamnée ne sera extradée, si le délit pour lequel l'extradition est demandée est considéré par la partie requise comme un délit politique ou un fait connexe à un semblable délit, ou si la personne prouve, à la satisfaction du Magistrat de Police ou de la Cour devant laquelle elle est amené pour l'*habeas corpus*, ou du Secrétaire d'Etat, que la demande d'extradition a été faite, en réalité, dans le but de la poursuivre ou de la punir pour un délit d'un caractère politique.

## ARTICLE VIII.

Les mandats, dépositions, déclarations sous serment, délivrés ou recueillis dans les Etats de l'une des deux Hautes Parties Contractantes, les copies de ces pièces, ainsi que les certificats ou les documents judiciaires établissant le fait de la condamnation, seront reçus comme preuve dans la procédure des Etats de l'autre partie, s'ils sont revêtus de la signature ou accompagnés de l'attestation d'un Juge, Magistrat, ou fonctionnaire du pays où ils ont été délivrés ou recueillis.

Provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath or solemn affirmation of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of State.

#### ARTICLE IX.

The surrender shall not take place if, since the commission of the acts charged, the accusation, or the conviction, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the country where the accused shall have taken refuge.

#### ARTICLE X.

If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes committed upon their respective territories, his surrender shall be granted to that State whose demand is earliest in date; unless any other arrangement should be made between the Governments which have claimed him, either on account of the gravity of the crimes committed or for any other reasons.

#### ARTICLE XI.

If the individual claimed should be under prosecution, or condemned by the Courts of the country where he has taken refuge, his surrender may be deferred until he shall have been set at liberty in due course of law.

In case he should be proceeded against or detained in such country, on account of obligations contracted towards private individuals, his surrender shall nevertheless take place, the injured party retaining his right to prosecute his claims before the competent authority.

#### ARTICLE XII.

Every article found in the possession of the individual claimed at the time of his arrest shall, if the competent authority so decide, be seized, in order to be delivered up with his person at the time when the surrender shall be made. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to every thing that may serve as proof of the crime. It shall take place even when the surrender, after having been ordered, shall be prevented from taking place by reason of the escape or death of the individual claimed.

The rights of third parties with regard to the said property or articles are nevertheless reserved.

#### ARTICLE XIII.

Each of the High Contracting Parties shall defray the expenses occasioned by the arrest within its territories, the detention, and the conveyance to its frontier, of the persons whom it may consent to surrender in pursuance of the present Treaty.

#### ARTICLE XIV.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of the two High Contracting Parties.

The requisition for the surrender of a fugitive criminal who has taken refuge in a Colony or foreign Possession of either Party, shall be made to the Governor or Chief Authority of such Colony or Possession by the Chief Consular

Pourvu que ces mandats, dépositions, déclarations, copies, certificats, et documents judiciaires soient rendus authentiques par le serment ou affirmation solennelle d'un témoin, ou par le sceau officiel du Ministre de la Justice ou d'un autre Ministre d'Etat.

#### ARTICLE IX.

L'extradition n'aura pas lieu si, depuis les faits imputés, les poursuites, ou la condamnation, la prescription de l'action ou de la peine est acquise d'après les lois du pays où le prévenu s'est réfugié.

#### ARTICLE X.

Si l'individu réclamé par l'une des Hautes Parties Contractantes, en exécution du présent Traité, est aussi réclamé par une ou plusieurs autres Puissances, du chef d'autres crimes commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date, à moins qu'il n'existe entre les Gouvernements qui l'ont réclamé un arrangement qui déciderait de la préférence, soit à raison de la gravité des crimes commis, soit à raison de tout autre motif.

#### ARTICLE XI.

Si l'individu réclamé est poursuivi ou condamné par les Tribunaux du pays où il s'est réfugié, son extradition pourra être différée jusqu'à ce qu'il ait été mis en liberté selon le cours régulier de la loi.

Dans le cas où il serait poursuivi ou détenu dans le même pays à raison d'obligations par lui contractées envers des particuliers, son extradition n'en aura pas moins lieu, sauf à la partie lésée à faire valoir ses droits devant l'autorité compétente.

#### ARTICLE XII.

Tout objet trouvé en la possession de l'individu réclamé au moment de son arrestation sera, si l'autorité compétente en a ainsi ordonné, saisi pour être livré avec sa personne lorsque l'extradition aura lieu. Cette remise ne sera pas limitée aux objets acquis par vol ou banqueroute frauduleuse, mais elle s'étendra à toute chose qui pourrait servir de pièce de conviction. Elle se fera même si l'extradition, après avoir été accordée, ne peut s'accomplir par suite de l'évasion ou de la mort de l'individu réclamé.

Sont, cependant, réservés les droits des tiers sur les objets susmentionnés.

#### ARTICLE XIII.

Chacune des Hautes Parties Contractantes supportera les frais occasionnés par l'arrestation sur son territoire, la détention, et le transport à la frontière des personnes qu'elle consentirait à extraire en exécution du présent Traité.

#### ARTICLE XIV.

Les stipulations du présent Traité seront applicables aux Colonies et Possessions étrangères des deux Hautes Parties Contractantes.

La demande d'extradition d'un criminel fugitif qui s'est réfugié dans une Colonie ou Possession étrangère de l'une des Parties sera faite au Gouverneur ou au fonctionnaire principal de cette Colonie ou Possession par le principal Agent

Officer of the other in such Colony or Possession ; or, if the fugitive has escaped from a Colony or foreign Possession of the Party on whose behalf the requisition is made, by the Governor or Chief Authority of such Colony or Possession.

Such requisition may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the respective Governors or Chief Authorities, who, however, shall be at liberty either to grant the surrender, or to refer the matter to their Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of Belgian criminals who may there take refuge, on the basis, as nearly as may be, of the provisions of the present Treaty.

#### ARTICLE XV.

The present Treaty shall come into operation ten days after its publication in conformity with the laws of the respective countries.

"We therefore humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such order with respect thereto as to your Majesty, in your Royal wisdom, shall seem meet.

And whereas the said representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Canterbury.

C. I. Peel.

At the Court at Osborne House, Isle of Wight, the 21st day of July, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the twenty-seventh and twenty-eighth years of Her Majesty, chapter seventy, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifteenth day of June, in the year one thousand eight hundred and seventy-six, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of an Act of the twenty-seventh and twenty-eighth years of your Majesty chapter seventy, have prepared and now humbly lay before your Majesty in Council, the following scheme for effecting the transfer to us and our successors of certain lands and hereditaments now belonging to the subchanter and vicars choral of the Cathedral Church of Saint David's and for substituting in lieu thereof an annual money payment.

"Whereas it is by the same Act enacted that it shall be lawful under the authority of a scheme prepared by us, and of an Order of your Majesty in Council ratifying the same, with the consent in writing under the common or corporate seal of any vicars choral, priest vicars, senior vicars, custos and vicars, warden and vicars, or minor canons, who may constitute a corporation aggregate in any cathedral church

in England, and of their visitor, for the said vicars choral, priest vicars, senior vicars, custos and vicars, warden and vicars, or minor canons, to transfer to and vest in us, for the purposes of the Acts relating to us, and subject to the provisions thereof and to the conditions which may be specified in any such scheme and Order, all the lands and hereditaments belonging to such corporation for and in consideration of any annual or other money payment to be made by us to such corporation.

"And whereas the subchanter and vicars choral of the Cathedral Church of Saint David's constitute a corporation aggregate within the meaning of the said hereinbefore recited Act and have agreed with us that, with the view of effecting such a transfer of certain lands and hereditaments now belonging to them as is contemplated by the said Act, the following arrangement shall be recommended by us to your Majesty in Council.

"Now, therefore, with the consent of the said subchanter and vicars choral of the Cathedral Church of Saint David's and of the Dean and Chapter of the said cathedral church as visitors of the said Corporation (testified by their having hereunto affixed their respective corporate seals) we humbly recommend and propose that immediately upon the gazetting of any Order of your Majesty in Council ratifying this scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, all lands and hereditaments whatsoever now belonging to the said subchanter and vicars choral, excepting the payment of fifty-eight pounds three shillings and four pence per annum made to them by the Dean and Chapter of the said cathedral church, and excepting also any right of ecclesiastical patronage, shall together with all the estate, right, title and interest in the same of the said subchanter and vicars choral, be, for the consideration hereinafter mentioned, transferred by and from the said subchanter and vicars choral to us, and shall then and thereupon become and be absolutely vested in us and our successors for the purposes of the Acts relating to us, and subject to the provisions of the same Acts, and that we shall upon such gazetting as aforesaid be entitled to the rents, profits, and proceeds of the said lands and hereditaments hereby proposed to be transferred to us as from the twenty-fifth day of March now last past, and that in consideration of and for such transfer there shall be paid by us to the said subchanter and vicars choral the sum of eight hundred pounds per annum by equal half-yearly payments on the twenty-fifth day of March, and the twenty-ninth day of September in every year, and that the first of such half-yearly payments as aforesaid shall be made by us on the twenty-ninth day of September next.

"And we further recommend and propose that the receipt or receipts of the subchanter of the said cathedral church for the time being shall be a good and valid discharge to us for all or any and every such sum or sums of money as shall therein be expressed to have been paid by us to the said subchanter and vicars choral under the authority of this scheme when ratified as aforesaid.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any other Act of Parliament."

And whereas the said scheme has been ap-

proved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Saint David's.

C. L. Peel.

AT the Court at *Osborne House, Isle of Wight*, the 21st day of July, 1876.

### PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-third and thirty-fourth years of Her Majesty, chapter thirty-nine, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of June, in the year one thousand eight hundred and seventy-six, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England acting in pursuance of the Act of the thirty-third and thirty-fourth years of your Majesty chapter thirty-nine and of the Acts therein-mentioned have prepared and now humbly submit to your Majesty in Council the following scheme for effecting a transfer of the advowson of the church and cure (being a perpetual curacy or vicarage and being hereinafter called the said benefice) of Stoak, otherwise Stoke in the county palatine of Chester and in the diocese of Chester.

"Whereas certain hereditaments known as the Stanney Estate partly situate and being within the parish or parochial chapelry of Stoak otherwise Stoke aforesaid, were some time ago purchased by us the Ecclesiastical Commissioners for England and were duly conveyed to us and our successors by a deed bearing date the eleventh day of August one thousand eight hundred and fifty-nine and amongst the same hereditaments so conveyed the advowson of and perpetual right of nomination and presentation to the said benefice of Stoak otherwise Stoke was included and the said advowson and right of nomination and presentation was thereby and is now vested in us and our successors.

"And whereas by an Order of your Majesty in Council bearing date the third day of February one thousand eight hundred and sixty-six and published in the London Gazette on the sixth day of the same month some portion being the greater part of the hereditaments so purchased by us and conveyed to us as aforesaid such part comprising the whole or nearly the whole area of the parish of Stoak otherwise Stoke aforesaid was assigned as an endowment of the Dean and Chapter of the Cathedral Church of Chester and thereupon became and now is absolutely vested in the said Dean and Chapter and their successors.

"And whereas by means of the said assignment the said Dean and Chapter of Chester have, as the owners of the lands and hereditaments hereinbefore referred to, become largely interested in the good order of the said parish and in the proper pastoral supervision of the same.

"And whereas the said advowson and per-

petual right of patronage or nomination and presentation of and to the said benefice of Stoak otherwise Stoke was not included in the said assignment and the same now remains vested in us and our successors as aforesaid.

"And whereas the annual value of the said benefice appears to be one hundred and forty pounds or thereabouts and under the circumstances aforesaid we are of opinion that it will tend to make better provision for the cure of souls within the said parish or parochial chapelry of Stoak otherwise Stoke if the advowson and right of patronage or nomination and presentation of and to the said benefice of Stoak otherwise Stoke the same being the right of patronage or advowson which arises or exists in respect of that parish or parochial chapelry were transferred to the said Dean and Chapter of Chester and their successors and the same living would be thereby placed in public patronage as the same is defined by the regulations now and heretofore in force in reference to the administration of the common fund under our control.

"And whereas the Very Reverend John Saul Howson now Dean of the Cathedral Church of Chester and the Chapter of the same church are willing to accept a transfer to themselves and their successors of the said advowson and right of patronage or nomination and presentation of and to the said benefice of Stoak otherwise Stoke and the Right Reverend William Bishop of the said diocese of Chester whose consent as diocesan to the said transfer is made necessary by the Acts hereinbefore mentioned or some or one of them is also willing that the same transfer should be made.

"Now therefore with the consent of the said William Bishop of the said diocese of Chester in testimony whereof he has set his hand and his episcopal seal to this scheme and with the consent of the said John Saul Howson the Dean of the said Cathedral Church of Chester and the Chapter of the same Church in testimony whereof they the said Dean and Chapter have set their common or capitular seal to this scheme we the said Ecclesiastical Commissioners for England humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson and right of patronage or nomination and presentation of and to the said benefice of Stoak, otherwise Stoke now vested in us and our successors as aforesaid shall be transferred from us the said Ecclesiastical Commissioners for England and our successors, to the Dean and Chapter of the said Cathedral Church of Chester and their successors and shall thereupon and thereafter be vested in and at all times be exercised and exercisable by the said Dean and Chapter and their successors for ever."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Chester.

## NOTICE TO MARINERS.

(No. 90.)—TASMANIA—BANKS STRAIT.

*Existence of Sunken Rocks.*

1. INFORMATION has been received from Staff Commander Henry Stanley, R.N., in charge of Admiralty Survey, of the existence of a rock lying off the north-east coast of Tasmania, and in the track of vessels.

This danger (Salamander Rock), has 10 feet on it at low-water spring tides; it lies E. by S.  $\frac{1}{4}$  S.  $12\frac{1}{2}$  miles from Swan Island Lighthouse, and N.  $\frac{1}{4}$  E.  $5\frac{1}{2}$  miles from George Rock. These bearings and distances place the danger in lat.  $40^{\circ} 49' 40''$  S., long.  $148^{\circ} 21' 15''$  E.

This is considered to be the rock on which the s.s. "Salamander" struck in 1869, although the position is about 2 miles southward of that reported by the "Salamander."

The "Salamander, P.D." has consequently been removed from the chart.

2. Also, of the existence of a sunken rock (Harry Rock), having eighteen feet on it at low water, lying N.W. by W.  $\frac{3}{4}$  W. nearly 3 miles from Swan Island Lighthouse.
