PRESENT,

The QUEEN's Most Excellent Majesty in Council.

IN pursuance of section five of the Winter Assizes Act, 1876, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

The jurisdiction of the Justices and Judges of the Central Criminal Court, at any Session of Oyer and Terminer or Gaol Delivery, held for the Central Criminal Court District in the months of November, December, or January, shall extend to the following counties and parts of counties neighbouring to the said district (hereinafter referred to as counties and parts of counties to which this Order relates), viz.:—

The county of Sussex;

The county of Berks;

The county of Herts; and

Such parts of the counties of Essex, Kent, and Surrey as are not included in the Central Criminal Court District;

as if such counties and parts of counties were included in the Central Criminal Court District, and the Central Criminal Court Act shall apply to the said counties and parts of counties, and offences committed therein, as if the same counties and parts of counties were mentioned in that Act:

Subject, nevertheless, to the following modifications and exceptions:—

(1.) Nothing in this Order shall authorize the trial at the Central Criminal Court of any person who shall have been admitted to bail and shall not be in custody at the time of such trial, unless he be jointly charged with another person in actual custody, or of any person for any offence triable at Quarter Sessions, except in accordance with the provisions of Sections 18 and 19 of the Central Criminal Court Act.

(2.) For the purposes of this Order, the counties and parts of counties to which this Order relates shall be deemed to be included in the Commission in force for the time being for the Central Criminal Court.

(3.) Unless the Central Criminal Court shall otherwise direct, no person shall be summoned or returned from any of the counties or parts of counties to which this Order relates to serve on any Grand Jury or Petty Jury at the Central Criminal Court, but any Grand Jury or Petty Jury constituted in accordance with the provisions of the 4th section of the Central Criminal Court Act, shall have authority to inquire of, present, try, and determine all offences with respect to

which jurisdiction is by this Order conferred on the Central Criminal Court.

(4.) Until Her Majesty is pleased, by and with the advice of Her Privy Council, otherwise to order and direct, it shall be lawful for any Justice of the Peace or Coroner having jurisdiction within any county or part of a county to which this Order relates, to commit any person charged with having committed any offence with respect to which jurisdiction is by this Order conferred on the Central Criminal Court, and which has been committed or is alleged to have been committed within the jurisdiction of such Justice or Coroner, either to the Gaol to which, but for the said Winter Assizes Act and this Order, such person would have been committed, or to the Gaol of Newgate, there to remain until he can be tried in pursuance of this Order or in due course of law.

(5.) When in pursuance of this Order any person shall be committed to any Gaol other than Newgate, the Sheriff of the County in which the Gaol to which the prisoner is committed is situated, or the keeper of the same Gaol, shall, six days at least before the next sitting of the Central Criminal Court at which the prisoner can be tried, or at such other time as the Justices or Judges of the said Court, or any two or more of them, shall from time to time direct, cause such person, with his commitment and detainers, to be safely removed from the Gaol to which he was committed, without any Writ of Habeas Corpus or other Writ, to the Gaol of Newgate, there to remain until delivered by due course of law.

(6.) Where any person is committed for trial in any County or part of a County to which this Order relates, any of the Justices and Judges of the Central Criminal Court, or the committing Justice or Justices, or any two of the Justices of the County or place in which he was committed, may, upon the application of such prisoner, direct the Treasurer of the County or place where the prisoner was committed to advance to the prisoner a sum not exceeding £20, to enable him to defray the travelling expenses of his witnesses to and from the Central Criminal Court, and the Treasurer shall advance such sum and shall deduct it out of the amount allowed by the Court in respect of such witnesses.

(7.) Where, for the purposes of the trial of any offence, with respect to which Jurisdiction is by this Order conferred upon the Central Criminal Court, recognizances are entered into for attendance at any Court of Oyer and Terminer or General Gaol Delivery for any County to which this Order relates, such recognizances shall be deemed to have been entered into for attendance at the then next ensuing Session of Oyer and Terminer and Gaol Delivery to be holden for the Central Criminal Court District as enlarged by this Order, in the month of November, December, or January, as the case may be, and every person bound by such recognizance shall be bound to appear at such Session or forfeit his recognizance; provided that where such recognizance has been entered into prior to the date of this Order not less than 10 days' notice to appear at such Session shall have been given to such person, either by serving the same personally on him, or by leaving the same at the place of residence as of which he is described in the recognizance, and the Clerk to the committing Justices or Coroner, as the case may be, shall issue such notice as aforesaid.

(8.) If at the Summer Assizes for any of the Counties of Sussex, Berks, Herts, Essex, Kent, or Surrey, any prisoner or person charged with an offence with respect to which jurisdiction is by this Order conferred upon the Central Criminal

Court, be remanded for trial at a future time, it shall be lawful for the Court by which he is remanded to order and direct that he be tried either at the next General Session of Oyer and Terminer and Gaol Delivery to be holden for such County or at the Session of the Central Criminal Court to be holden in the month of November then next following; and in the latter case the Prosecutor and the Witnesses in attendance shall enter into recognizances for their appearance at such Session of the Central Criminal Court, and if an Indictment or Indictments has or have been found against the prisoner or person, the Clerk of Assize shall transmit the same with the Depositions and all other things relating thereto to the Clerk of the Central Criminal Court, together with a copy of the Order of Court, and such prisoner or person shall be tried upon such Indictment or Indictments in the Central Criminal Court as if such Indictment or Indictments had been found in the said Central Criminal Court, and for the purpose of such trial such prisoner may be removed to the Gaol of Newgate without Writ of Habeas Corpus but with a Copy of the Order of Court, and all such other proceedings shall be had and taken as if the prisoner or person had been originally committed for trial subsequent to the commencement of the Summer Assizes.

(9.) If the Central Criminal Court at its Session last held in the month of January cannot finally dispose of or for the purposes of justice is of opinion that it is inexpedient finally to dispose of the case of any prisoner or person committed for trial in any one of the Counties or parts of Counties to which this Order relates, then the said Central Criminal Court shall order the removal of such prisoner to the Gaol of the County or place whence he came in order that he may be tried at the next Spring Assizes, and the Prosecutor and Witnesses in attendance at the said Central Criminal Court shall enter into recognizances for their appearance at the said Assizes, and if an Indictment or Indictments has or have been found against the prisoner, the Clerk of the said Central Criminal Court shall transmit the Indictment or Indictments and the Depositions and all other things relating thereto to the Clerk of Assize at such Assizes, together with a copy of the Order of Court, and such prisoner or person shall be tried upon such Indictment or Indictments as if the same had been found at the said Spring Assizes, and such prisoner may be removed from the said Gaol of Newgate to the Gaol whence he came without Writ of Habeas Corpus, but with a copy of the said Order of Court, and all such other proceedings shall be had and taken as if the said prisoner or person had not been removed to the said Gaol of Newgate.

(10.) If in pursuance of the 18th section of the Central Criminal Court Act as applied by this Order, any Writ of Certiorari or Habeas Corpus be issued for the removal of any indictment or presentment, or of any person in custody from the jurisdiction of the Justices of the Peace for the Counties or parts of the Counties to which this Order relates, to the Central Criminal Court, one week's notice shall be given in manner required by that section.

(11.) Except where the context otherwise requires, the terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Act, 1876.

(12.) This Order, unless earlier revoked, shall be in force until the 1st day of October, 1877.

At the Court at *Balmoral*, the 23rd day of October, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

IN pursuance of the Winter Assizes Act, 1876, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

1. The Northern and Salford Divisions (as defined by the Order in Council of the 4th day of May 1864) of the county of Lancaster, the county of Cumberland, and the county of Westmoreland shall, for the purpose of Winter Assizes, be united together and form one county, under the name of the Winter Assize County, No. 1.

2. The Winter Assizes for the said Winter Assize County shall be held at Manchester.

3. The Court at the Winter Assizes at Manchester shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Act, such prisoner would have been tried, and for the purpose of giving effect to any sentence, whether it be capital or a sentence of penal servitude or imprisonment, shall have power to remit the prisoner back to the gaol from which he was sent for trial, there to be dealt with according to law.

4. The Sheriff of the County of Lancaster shall alone act for the purpose of the Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The precepts of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Lancaster, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. 8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorise the said Sheriff to carry sentences into

execution outside the county of Lancaster, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for any county comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize or the proper officer thereof any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority and be under the same obligation to attend at the Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize or the proper officer thereof such indictment, inquisition, recognizance, examination, deposition, or document.

This provision shall not apply to the Sheriffs of any of the counties constituting the said Winter Assize district other than the Sheriff of the County of Lancaster.

10. In all indictments and presentments at the said Winter Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 1."

11. Any person who in the said Winter Assize County after the date of this Order, and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, shall be bound to attend at the Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance, provided that not less than six days' notice to appear at such Winter Assizes shall have been given to such person, either by serving the same upon him personally, or by leaving the same at the place of residence as of which he is described in his recognizance, and the Clerks to the committing Justices or the Coroners, as the case may be, in the said Winter Assize County shall issue such notices as aforesaid.

13. Ten days before the day fixed for the opening of the Commission at Manchester, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be to the Sheriff of the County of Lancaster, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Manchester.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the Winter Assizes for the said Winter Assize County are appointed to be held,

to send, without any writ of Habeas Corpus, such prisoners to the Gaol at Salford for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial.

15. The expenses of and incidental to the removal of a prisoner to the Gaol at Salford for the purposes of his trial, and of his maintenance in such Gaol, and of his removal after trial from such Gaol to the Prison of the county or place in which he shall have been committed for trial, shall be paid by the Prison authority of the Prison from which he was originally removed, and any difference between the Prison authorities as to the amount of such expenses shall be determined by the Secretary of State for the Home Department for the time being, and his decision shall be final.

16. The Clerk of the Crown for the county of Lancaster shall be the Clerk of the Crown at the Winter Assizes for the said Winter Assize County, and shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed may, upon the application of such prisoner, direct the Treasurer of the county or place where the prisoner was committed to advance to the prisoner a sum not exceeding £20 to enable him to defray the travelling expenses of his witnesses, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

17. In any case where money is ordered by the Court at the Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Act and this Order; and every such Treasurer or some known agent shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

18. Where the Court at the Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a Prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly without any writ of Habeas Corpus.

19. Nothing in this Order shall authorise the trial at the Winter Assizes for the said Winter Assize County of any person who shall have been admitted to bail, and shall not at the time of the holding of such Winter Assizes for the said Winter

Assize County be in custody, unless such person is jointly charged with another person in actual custody.

20. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Act, 1876.

21. This Order, unless earlier revoked, shall be in force until the 1st day of October, 1877.

11. Any person who in the said Winter Assize County, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery shall be bound to attend at the Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance, provided that not less than six days notice to appear at such Winter Assizes shall have been given to such person, either by serving the same upon him personally, or by leaving the same at the place of residence as of which he is described in his recognizance, and the Clerks to the committing Justices or the Coroners, as the case may be, in the said Winter Assize County shall issue such notices as aforesaid.

13. Ten days before the day fixed for the opening of the Commission at Lincoln, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall,

17. In any case where money is ordered by the Court at the Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the County or place by whom the same would have been payable had a like Order been made by a Court of Oyer and Terminer or Gaol Delivery in the County where the trial would have taken place but for the Winter Assizes Act and this Order; and every such Treasurer or some known Agent shall attend

the said Winter Assizes during the sitting of the Court to pay all such Orders.

18. Where the Court at the Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

19. Nothing in this Order shall authorise the trial at the Winter Assizes for the said Winter Assize County of any person who shall have been admitted to bail, and shall not at the time of the holding of such Winter Assizes for the said Winter Assize County be in custody, unless such person is jointly charged with another person in actual custody.

10. In all indictments and presentments at the said Winter Assizes the venue laid in the margin thereof shall in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 6."

11. Any person who in the said Winter Assize County, after the date of this Order and before

the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, shall be bound to attend at the Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes or forfeit his recognizance, provided that not less than six days' notice to appear at such Winter Assizes shall have been given to such persons, either by serving the same upon him personally, or by leaving the same at the place of residence as of which he is described in his recognizance, and the Clerks to the committing Justices or the Coroners, as the case may be, in the said Winter Assize County shall issue such notices as aforesaid.

13. Ten days before the day fixed for the opening of the Commission at Norwich, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the county of Norfolk, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Norwich.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to the Gaol at the Castle of Norwich for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial.

17. In any case where money is ordered by the Court at the Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Act and this Order; and every such Treasurer or some known Agent shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

18. Where the Court at the Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a Prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

19. Nothing in this Order shall authorise the trial at the Winter Assizes for the said Winter Assize County of any person who shall have been admitted to bail, and shall not at the time of the holding of such Winter Assizes for the said Winter Assize County be in custody, unless such person is jointly charged with another person in actual custody.

20. Except where the context otherwise requires, terms used in this Order shall have the same meanings as that which the same terms have in the Winter Assizes Act, 1876.

21. This Order, unless earlier revoked, shall be in force until the 1st day of October, 1877.

16. The Clerk of Assize at the Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize of the County where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

18. Where the Court at the Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a Prison in the County or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly without any Writ of Habeas Corpus.

19. Nothing in this Order shall authorise the trial at the Winter Assizes for the said Winter Assize County of any person who shall have been admitted to bail, and shall not at the time of the holding of such Winter Assizes for the said Winter Assize County be in custody, unless such person

is jointly charged with another person in actual custody.

20. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Act, 1876.

21. This Order, unless earlier revoked, shall be in force until the 1st day of October, 1877.

At the Court at *Balmoral*, the 23rd day of October, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

IN pursuance of the Winter Assizes Act, 1876, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

1. The County of Devon, the County of Cornwall, the County of Somerset, and the County of the City of Bristol shall, for the purpose of Winter Assizes, be united together and form one county, under the name of the Winter Assize County, No. 10.

2. The Winter Assizes for the said Winter Assize County shall be held at Exeter.

3. The Court at the Winter Assizes at Exeter shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Act, such prisoner would have been tried, and for the purpose of giving effect to any sentence, whether it be capital or a sentence of penal servitude or imprisonment, shall have power to remit the prisoner back to the gaol from which he was sent for trial, there to be dealt with according to law.

4. The Sheriff of the County of Devon shall alone act for the purpose of the Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The precepts of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Devon, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. The precepts of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Winter Assize County who under the provisions of this Order will have to be tried at Exeter, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any writ of Habeas Corpus.

7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if

he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorise the said Sheriff to carry sentences into execution outside the county of Devon, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for any county comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize or the proper officer thereof any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority and be under the same obligation to attend at the Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize or the proper officer thereof such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriffs of any of the counties constituting the said Winter Assize County, other than the Sheriff of the County of Devon.

10. In all indictments and presentments at the said Winter Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 10."

11. Any person who in the said Winter Assize County, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, shall be bound to attend at the Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance, provided that not less than six days' notice to appear at such Winter Assizes shall have been given to such person, either by serving the same upon him personally, or by leaving the same at the place of residence as of which he is described in his recognizance, and the Clerks to the committing Justices or the Coroners, as the case may be, in the said Winter Assize County, shall issue such notices as aforesaid.

13. Ten days before the day fixed for the opening of the Commission at Exeter, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Devon, and the said Sheriff

shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Exeter.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any writ of Habeas Corpus, such prisoners to the Gaol at the Castle of Exeter for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial.

15. The expenses of and incidental to the removal of a prisoner to the Gaol at the Castle of Exeter for the purposes of his trial, and of his maintenance in such Gaol, and of his removal after trial from such Gaol to the prison of the county or place in which he shall have been committed for trial, shall be paid by the Prison authority of the Prison from which he was originally removed, and any difference between the Prison authorities as to the amount of such expenses shall be determined by the Secretary of State for the Home Department for the time being, and his decision shall be final.

16. The Clerk of Assize at the Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, may, upon the application of such prisoner, direct the Treasurer of the county or place where the prisoner was committed to advance to the prisoner a sum not exceeding 20*l.* to enable him to defray the travelling expenses of his witnesses; and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

17. In any case where money is ordered by the Court at the Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Act and this Order; and every such Treasurer, or some known agent, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

18. Where the Court at the Winter Assizes

for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial, as to the Court seems just, and the prisoner may be removed accordingly without any writ of Habeas Corpus.

19. Nothing in this Order shall authorise the trial at the Winter Assizes for the said Winter Assize County of any person who shall have been admitted to bail, and shall not at the time of the holding of such Winter Assizes for the said Winter Assize County be in custody, unless such person is jointly charged with another person in actual custody.

20. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Act, 1876.

21. This Order, unless earlier revoked, shall be in force until the 1st day of October 1877.

**A**T the Court at *Balmoral*, the 23rd day of *October*, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS, by "The Merchant Shipping Act Amendment Act, 1855," it was enacted, that in any case in which any light-house, buoy, or beacon had been, or should be thereafter, erected or placed on or near the coasts of any British possession, by or with the consent

of the Legislative Authority of such possession, Her Majesty might, by Order in Council, fix such dues in respect thereof to be paid by the owner or master of every ship which passes the same or derives benefit therefrom as Her Majesty might deem reasonable, and might in like manner from time to time increase, diminish, or repeal such dues; and that from the time specified in such Order for the commencement of the dues thereby fixed, increased, or diminished, the same should be leviable throughout Her Majesty's dominions in manner thereinafter mentioned:

And whereas a lighthouse was, by and with the consent of the Legislative Authority of the Colony of Newfoundland, erected on Cape Race, in the said Colony, and a light exhibited therein; and a steam fog whistle has also been erected at that station:

And whereas by an Order in Council dated the thirtieth September one thousand eight hundred and seventy-three, Her Majesty was pleased to direct that the dues to be paid in respect of ships passing and deriving benefit from the said light and fog signal, as in the said Order in Council appearing, should be one-twelfth of a penny per ton of the burden of every such ship:

And whereas it is expedient, having regard to the expenditure incurred in the erection of such fog signal, and to the expense of maintaining such lighthouse and fog signal, that the due now leviable in respect of the same under the Order in Council of the thirtieth September one thousand eight hundred and seventy-three should cease, and that an increased due of one-eighth of a penny a ton should be levied instead thereof, in respect of the said lighthouse and steam fog whistle:

And whereas the several classes of ships following; that is to say,

- (1.) All ships, whether sailing ships or steam ships, navigating from any port or ports in the British Colonies in North America to any port or ports in the United Kingdom:
- (2.) All ships, whether sailing ships or steam ships, navigating from any port or ports in the United Kingdom to any port or ports in the British Colonies in North America:
- (3.) All ships, whether sailing ships or steam ships, bound from any port or ports in the British Colonies in North America upon any transatlantic voyage:
- (4.) All ships, whether sailing ships or steam ships, arriving at any port or ports in the British Colonies in North America, after any transatlantic voyage:
- (5.) All ships, whether sailing ships or steam ships, arriving at any port or ports in the United Kingdom from New York or any port in the United States north of New York:
- (6.) All steam ships leaving any port or ports in the United Kingdom for New York, or any port in the United States north of New York:

will pass the said lighthouse and steam fog whistle, and will derive benefit therefrom:

Now therefore, Her Majesty, in exercise of the powers vested in Her by the said recited Act, by and with the advice of Her Privy Council, is pleased to direct, that from and after the 1st December one thousand eight hundred and seventy-six, the dues leviable in respect of the said lighthouse and steam fog whistle upon Cape Race, under the said Order in Council of the thirtieth September one thousand eight hundred and seventy-three, shall cease; and that from and after the said first December one thousand eight

hundred and seventy-six the dues in respect of the lighthouse upon Cape Race, and of the steam fog whistle to be paid by every such ship as aforesaid shall be one-eighth of a penny per ton of the burden of every such ship for every such voyage as aforesaid.

But no such dues as aforesaid shall be levied in any Colony unless and until the Legislative Authority in such Colony has, either by address to the Crown, or by an Act or Ordinance duly passed, signified its opinion that the same ought to be levied in such Colony.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Corporation of the Guild or Brotherhood of Masters and Pilots Seamen of the Trinity House in Kingston-upon-Hull, hereinafter called the said Corporation, by prescription or otherwise, have hitherto levied and received, and do levy and receive certain buoyage and beaconage dues in respect of ships or vessels passing or having the benefit of any of the lights, buoys, or beacons placed and maintained by the said Corporation between Kingston-upon-Hull and the sea: And whereas the said Corporation are desirous of making a reduction of ten per centum in such dues: And whereas by the second section of "The Local Light Dues Reduction Act, 1876," it was enacted that any local authority not otherwise empowered might, and was thereby authorized and empowered, from time to time, with the consent of Her Majesty in Council, to reduce all or any dues for the time being receivable by such local authority in respect of lighthouses, buoys, or beacons: And whereas the said Corporation have applied for the consent of Her Majesty in Council to the proposed reduction of the said buoyage and beaconage dues, and Her Majesty has been pleased to approve thereof.

Now therefore Her Majesty by virtue of the power vested in Her by the said recited Act, and by and with the advice of Her Privy Council, is pleased to and doth hereby signify Her consent that a reduction of ten per centum shall be made in the said buoyage and beaconage dues which shall from time to time be levied and received by the said Corporation from and after the date of this Order.

**A**T the Court at *Balmoral*, the 23rd day of *October*, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and forty-two, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighteenth day of May, in the year one thousand eight hundred and seventy-six, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the twenty-third and twenty-fourth years of your

Majesty, chapter one hundred and forty-two, have prepared, and now humbly lay before your Majesty in Council, the following scheme for effecting an union of two benefices, situate within the city and diocese of London; to wit, the benefice (being an united rectory) of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, and the benefice (being a rectory) of Saint Dionis Backchurch.

"Whereas the Right Honourable and Right Reverend John, Bishop of the said diocese of London, has caused proposals (being amended proposals) for a scheme for effecting an union of the said two benefices to be laid before us, which proposals are prepared under the seventh and eighth sections of the said Act, and are approved by the said John, Bishop of the said diocese of London, and are assented to by the Dean and Chapter of the Cathedral and Metropolitan Church of Christ at Canterbury, who are the patrons of the said united rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, and are also the patrons of the said rectory of Saint Dionis Backchurch, and the same proposals are also assented to by the vestries of the four parishes concerned; that is to say, by the vestry of the parish of All Hallows, Lombard-street, by the vestry of the parish of Saint Benet Gracechurch, by the vestry of the parish of Saint Leonard Eastcheap, and by the vestry of the parish of Saint Dionis Backchurch.

"And whereas it appears to us to be expedient that the said proposed union of the said two benefices should be effected, and that such arrangements relating thereto and to the other matters hereinafter contained should be made as are hereinafter mentioned.

"And whereas the said John, Bishop of the said diocese of London, and the said patrons of the said two benefices, and the said vestries of the said four parishes, are willing that the scheme for effecting the said union should embody certain modifications of the said amended proposals, and this present scheme does embody the same modifications accordingly, but otherwise is based upon and accords with the said amended proposals.

"And whereas we intend to recommend hereafter to your Majesty in Council the formation, under the New Parishes Acts, or under the Church Building Acts, or under some other statute or statutes enabling us in that behalf, of a new district within the limits of the Metropolis, which shall bear the name of Saint Dionis, and shall have a church and an endowment or a part endowment provided as in this scheme is recommended and proposed, and the patronage of which said district, and the church thereof, shall be vested in the Bishop of the said diocese of London, as is hereinafter recommended and proposed.

"Now, therefore, with the consent of the said John, Bishop of the said diocese of London (in testimony whereof he hath to this scheme set his hand and his episcopal seal), and with the consent of the said Dean and Chapter of the Cathedral and Metropolitan Church of Christ at Canterbury (in testimony whereof they have to this scheme set their common or corporate seal), and with the consent of the vestry of the said parish of All Hallows, Lombard-street, and of the vestry of the said parish of Saint Benet Gracechurch, and of the vestry of the said parish of Saint Leonard Eastcheap and of the vestry of the said parish of Saint Dionis Backchurch (in testimony whereof this scheme is signed in the case of each vestry by the chairman of a meeting of the same vestry duly convened for the purpose of giving such

consent), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose all that is in this scheme contained under the several parts or headings hereinafter mentioned, as follows :

"PART I.

"As to the said proposed union itself, and certain immediate incidents thereof affecting incumbents, we recommend and propose :

"1. That the said benefice of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, and the said benefice of Saint Dionis Backchurch, be united into one benefice under the style of 'The United Rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch, Saint Leonard Eastcheap, and Saint Dionis Backchurch.'

"2. That if upon the day when this present scheme, being duly ratified by an Order of your Majesty in Council, shall be published in the London Gazette both of the said present benefices shall be vacant, the union shall forthwith take effect; and if one only shall be then vacant, the union shall also forthwith take effect if the incumbent of the other of the said present benefices shall consent to become the incumbent of the united benefice; but if he shall not so consent, then the union shall take effect upon the then next vacancy of his benefice, and the then incumbent of the other of the said present benefices shall be the first incumbent of the united benefice; and if upon the day when this present scheme shall be so published as aforesaid, both of the said present benefices shall be full, then the union shall take effect upon the next vacancy of either of them if the incumbent for the time being of the other of the said present benefices shall consent to become the incumbent of the united benefice, and he shall be the first incumbent of the united benefice; but if he shall not so consent, then the union shall take effect immediately upon the next vacancy of his benefice and the then incumbent of the other of the said present benefices shall be the first incumbent of the united benefice; and that in either case it shall be lawful for the Bishop to admit to the united benefice such first incumbent (if an incumbent for the time being of either of the existing benefices) without any form or fee of or for presentation, and he shall thereupon become the incumbent of the united benefice. Provided always, that until the time of the union taking effect the said two present benefices shall remain separate, and the rights and liabilities of each of them, and of the incumbent of each of them as such, shall remain unaffected.

"3. That if after the day aforesaid, and before the union shall have taken effect, the incumbent for the time being of either of the said present benefices shall with the consent of the Bishop retire from his incumbency in order that the union may take immediate effect, the incumbent so retiring from his incumbency shall be entitled during the period hereinafter specified to receive out of the annual income of the united benefice and by way of compensation an annual sum equal to the net annual value of the tithe and tithe rent-charge and other endowments belonging to his incumbency, exclusive in the case of the incumbent of the said benefice of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, of any annual charge of one hundred pounds, which may hereafter be charged upon the emoluments and endowments of that benefice by virtue of an Order of your Majesty in Council dated the first day of November one thousand eight hundred and sixty-four, and published in the London Gazette on the fourth day of the same month,

and exclusive of a certain appropriated sum of one thousand five hundred pounds, in the same Order mentioned, which annual compensation shall be computed on the average receipts of the three years immediately preceeding the year in which the said incumbent shall so retire, and shall commence as from the day on which the union shall take effect, and shall be payable by equal half-yearly payments in every year, the first half-yearly payment thereof to become due at the end of six calendar months next after the day on which the union shall take effect, the said annual compensation to be payable to the retiring incumbent during the remainder of his life, or until he shall accept any other church preferment of equal or greater net annual value; upon his accepting which preferment, the said annual compensation shall absolutely cease to be payable; but if he shall accept other church preferment of a less net annual value (to be ascertained without reference to and exclusively of the house of residence, if any), then the said annual compensation to be reduced in each year by a sum equal in amount to the net annual sum (to be ascertained as aforesaid) which is payable to him for the same year in respect of such other preferment, but if the same annual compensation shall cease by his death, or by his acceptance of such church preferment, as the case may be, on any other than one of the half-yearly days of payment, then he or his executors or administrators shall be entitled to a proportionate part of the said annual compensation for the period which at the time of such cesser shall have elapsed of the current half year, the same proportionate part to be payable at the end of the current half year.

"4. That the said annual compensation shall be charged upon the annual income of the united benefice, and shall be payable out of the same by the incumbent for the time being of the united benefice, and that, as between the incumbent for the time being of the united benefice and the retiring incumbent and his assigns, the said annual compensation shall be a first charge at law and in equity upon the income of the united benefice, except as to such part of the said income as by any Order in Council to be framed under the authority of the said hereinbefore mentioned Act of the twenty-third and twenty-fourth years of your Majesty, chapter one hundred and forty-two, and the said Order of your Majesty in Council of the first day of November, one thousand eight hundred and sixty-four, shall be charged with the said annual rent-charge of one hundred pounds, and shall be a charge upon such last-mentioned part of the said income ranking next in priority to such annual rent-charge of one hundred pounds, and the incumbent of the united benefice shall be deemed to have accepted the same subject to a trust to pay to the retiring incumbent or his assigns the said annual compensation out of the income of the said united benefice, and for that purpose to use all due diligence to receive and collect the income of the said united benefice, and that if such annual compensation or any part thereof shall at any time be in arrear and unpaid for more than twenty-one days after any of the said half-yearly days of payment, and the fact of the same being so in arrear shall be verified by the declaration of the incumbent who shall have so retired or his assigns or in such other manner as shall be required by the Bishop of the diocese, then it shall be lawful for the said Bishop to make an order upon the incumbent for the time being of the united benefice requiring him to pay the amount in arrear within a time to be specified in such order; and if the same be not paid within such period, then it shall

be lawful for the said Bishop to sequester the profits of the united benefice until all such arrears and the costs of the sequestration shall have been paid and satisfied. But that the power to be so conferred on the said Bishop shall not in any wise abridge or interfere with the rights of the incumbent who shall have so retired or his assigns to recover the said annual compensation and all arrears thereof by proceedings at law, or in equity, or with the legal and equitable rights of the incumbent for the time being of the united benefice to recover from a preceding incumbent of the united benefice, his executors or administrators, any arrears of the said annual compensation which ought to have been paid by such preceding incumbent.

"5. That if the union shall have taken immediate effect by reason of the incumbent for the time being of either of the existing incumbencies having retired from his incumbency, and such incumbent shall be living when the united benefice shall for the first time after such union become vacant, the incumbent who shall have so retired shall (if in the opinion of the said Bishop not disqualified by age or otherwise) be entitled to fill such vacancy, and may be admitted by the Bishop to the united benefice without any form or fee of or for presentation, and he shall upon such admission become the incumbent of the united benefice, and the annual compensation hereinbefore made payable to him shall thenceforth absolutely cease to be payable.

"6. That the house which is mentioned in Part IV, clause 5, of this scheme as being a new parsonage house for the rector of the united rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, shall become and be the parsonage house for the rector of the united benefice proposed to be hereby created:

#### "PART II.

"As to the parish church of the united benefice and certain matters connected therewith, and as to certain officers of the church of Saint Dionis Backchurch, we recommend and propose:

"1. That upon the union taking effect, the church of All Hallows, Lombard-street, shall become and thereafter continue to be the parish church of the united benefice.

"2. That after the union, the expense of maintaining the fabric of the parish church of the united benefice and providing the things requisite for Divine service therein shall be defrayed by the four parishes of the united benefice, and shall, as between the same four parishes, be provided in the following proportions; that is to say, three equal fifth portions of such expense shall be defrayed by the three parishes of All Hallows, Lombard-street, Saint Benet Gracechurch, and Saint Leonard Eastcheap, and the two remaining equal fifth portions shall be defrayed by the parish of Saint Dionis Backchurch, and that the aforesaid three equal fifth portions shall be defrayed by the said three first-mentioned parishes in the following proportions; namely, six eleventh parts of the said three fifths shall be defrayed by the parish of All Hallows, Lombard-street, three eleventh parts of the same by the parish of Saint Benet Gracechurch, and the remaining two eleventh parts by the parish of Saint Leonard Eastcheap.

"3. That upon the union taking effect, the font, communion table, and sacramental plate used in the church of Saint Dionis Backchurch shall be transferred to the parish church of the united benefice; but if not needed for such church, then that the same, or such of them, or so much of the

said plate as shall not be so needed, shall be appropriated for the use of the church to be provided for the intended new district of Saint Dionis, which is hereinbefore and hereinafter mentioned, or to such other church or chapel within the diocese of London as the Bishop shall select.

"4. That upon the union taking effect, if the tables of fees used in the two churches of All Hallows, Lombard-street, and Saint Dionis Backchurch, be alike in all particulars, the table of fees used in the church which will become the church of the united benefice shall, until revised or altered by proper authority, be the table of fees for all the four parishes of the united benefice; but if such tables of fees be not alike in all particulars, then the same shall be of no authority, and a new table of fees shall be made by the proper authority for the use of the same four parishes, as if the same were one parish.

"5. That if upon the union taking effect the present sextoness of the parish of Saint Dionis Backchurch shall hold the office of sextoness of that parish, she shall then cease to hold the same, and shall receive during the remainder of her life, by way of compensation for the loss of such office, the annual sum of fifty-five pounds; and if the present organist and the present beadle of the church of Saint Dionis Backchurch shall upon the union taking effect respectively hold those offices, they shall respectively cease to hold the same, and shall during their several lives receive by way of compensation for the loss of office the annual sums following, viz., the present organist thirty pounds, and the present beadle fifteen pounds; and if the present joint sextoness of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, who was formerly sextoness of the two parishes last-named, shall upon the union taking effect hold the office of joint sextoness of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, she shall then cease to hold such office, and shall receive during the remainder of her life, by way of compensation for the loss of such office, the annual sum of thirty pounds; which several annual sums of fifty-five pounds, thirty pounds, fifteen pounds, and thirty pounds shall be provided out of the proceeds of the sale or sales hereinafter mentioned of the site of the church of Saint Dionis Backchurch, and shall commence as from the day on which the purchase money for the sale of the site or any portion of the site of the said church shall become payable to us the said Ecclesiastical Commissioners, and that the said several annual sums shall be payable half-yearly, the first half-yearly payment to be made (together with the arrears, if any, which shall have become due) on such days as we, the said Ecclesiastical Commissioners for England, shall determine after we shall be in possession of funds available for that purpose arising from the said intended sales.

"6. That upon the union taking effect, the person who at that time shall hold the office of parish clerk of the parishes of All Hallows, Lombard-street, Saint Benet Gracechurch, and Saint Leonard Eastcheap shall, without any further appointment, become the parish clerk of all the four parishes of the united benefice; and the person who at the time of the union taking effect shall hold the office of sexton of the parishes of All Hallows, Lombard-street, Saint Benet Gracechurch, and Saint Leonard Eastcheap shall, without any further appointment, become sexton of all the four parishes of the united benefice, and any future vacancy in the office of sexton shall be filled up by the joint vestry of the same four parishes; but no parish clerk or sexton of the said four

parishes shall have any larger estate or interest in his office than he shall have possessed in his original office before the union.

"7. That (in the event of the vestry of Saint Dionis Backchurch expressing in writing under the hands of the churchwardens their desire for such removal) the register books belonging to the church of Saint Dionis Backchurch shall be removed to the custody of the Registrar-General, if he can and will receive the same, but in the event of the Registrar-General being unable or unwilling to undertake the custody of the said books, or of the said vestry not expressing as aforesaid their desire for such removal, the said books shall be transferred to the church of the united benefice.

#### "PART III.

"As to the church of Saint Dionis Backchurch and the site thereof, we recommend and propose :

"1. That upon the union taking effect, the whole fabric, including the vestry room, of the church of Saint Dionis Backchurch shall be taken down, and its materials and site (except as hereinafter proposed) sold by us the said Ecclesiastical Commissioners for England, the sale to be made either by public tender or (if it shall appear to us expedient) by public auction, and to be made at one time or at more times than one, as may in our opinion be convenient; the pulpit, clocks, organ, and other furniture and fittings being reserved to be appropriated (if required by the Bishop of London to be so appropriated) for the use of the church to be provided as aforesaid for the intended new district of Saint Dionis which is hereinbefore and hereinafter mentioned, but if not so required and appropriated that the same shall be sold, and the proceeds dealt with in the same manner, as is hereinafter recommended and proposed with respect to the proceeds of the sale of the materials and site of the church, and that all moneys arising from the sale or sales of the materials, site, furniture, or fittings of the said church of Saint Dionis Backchurch shall be paid over to us the said Ecclesiastical Commissioners for England for the purposes hereinafter mentioned.

2. That the bells in the tower of the said church of Saint Dionis Backchurch be re-erected in the tower of the church of the united benefice, the cost of the removal and re-erection of such bells to be defrayed out of the proceeds of the sale of the materials and site of the church of Saint Dionis Backchurch, and that the bells now in the tower of the church of the united benefice (that is to say, the church of All Hallows, Lombard-street), be at the like cost removed from that tower, and be appropriated for the use of the proposed new church of Saint Dionis before mentioned, or of such other church in the metropolis as may be designated for the purpose by the Bishop of London.

"3. That before any portion of the site of the church of Saint Dionis Backchurch shall be offered for sale, a portion of such site fronting upon Lime-street, not exceeding ten feet in depth from east to west at the south end, and running to a point at the north end, shall be offered by us the said Ecclesiastical Commissioners for England to the Commissioners of Sewers, for the widening of Lime-street, and the Commissioners of Sewers shall signify to us in writing their acceptance or refusal of such offer within forty-two days next after we shall have made such offer; and that if the Commissioners of Sewers shall elect to accept the land so offered, such land shall be appropriated

for widening Lime-street, and shall be dedicated to the public for that and for no other purpose.

"4. That if the said Commissioners of Sewers shall elect to accept the land so offered, they shall, in return and in consideration of such offer, set aside and for ever appropriate, free of cost, a sufficient portion of ground within the cemetery known as the City of London Cemetery, at Ilford, to be approved for the purpose by the rector of the united benefice and by the churchwardens of the parish of Saint Dionis Backchurch for the interment therein of the remains of the dead now being within and under the fabric and site of the said church of Saint Dionis Backchurch, which remains shall accordingly be removed thither and there interred.

"5. That if the said Commissioners of Sewers shall not elect to accept the land so to be offered them as aforesaid, then the said land shall be sold by us the said Ecclesiastical Commissioners for England in the manner hereinbefore mentioned either together with the remainder of the site of the said church of Saint Dionis or separately as may seem to us to be most convenient, and the remains of the dead now being within and under the fabric and site of the said church shall be re-interred in accordance with the provisions in that behalf of the seventeenth section of the said Act of the twenty-third and twenty-fourth years of your Majesty, chapter one hundred and forty-two.

#### "PART IV.

"As to the proceeds of any sale or sales of the materials, site, furniture, and fittings of the said church of Saint Dionis Backchurch, we recommend and propose :

"1. That out of the said proceeds, in addition to paying the sums which in Part III, Clause 2, of this scheme are proposed to be paid thereout, there shall be set apart by us a capital sum sufficient when invested in Three Pounds per centum Consolidated Bank Annuities to provide all the annuities hereinbefore mentioned; and that as and when such annuities shall respectively cease to be payable, then the sum so appropriated for the payment thereof shall, to the extent of such cesser, be appropriated in like manner as the residue of the said proceeds: which residue we recommend and propose shall be appropriated as follows; that is to say:—

"2. In the first place, a sum of four thousand pounds shall be appropriated by us as a fund for defraying the cost of a new vestry room, which shall be also a muniment room, for the parish of Saint Dionis Backchurch; and the same sum shall for this purpose be dealt with as follows; that is to say,—When and so soon as we shall be satisfied that a binding contract has been entered into for a legal conveyance to the said parish of Saint Dionis Backchurch, or to some person or persons, body or bodies, on behalf of the same parish, of some building within that parish capable in our opinion of being or of being made into such a vestry and muniment room as aforesaid, or of some sufficient site within the same parish upon which in our opinion such a room may properly be erected, then we may and shall pay the said sum of four thousand pounds, the same being then actually in our hands, either at one time or (if we think fit) at more times than one, to the churchwardens for the time being of the said parish of Saint Dionis Backchurch, whose receipt for the same sum and sums shall be a sufficient discharge to us in respect of the appropriation aforesaid, and who shall be deemed to have received the same sum and sums from us.

upon trust to apply it and them in building or otherwise acquiring and providing a vestry and muniment room for the said parish of Saint Dionis Backchurch as aforesaid.

"3. In the next place, a sum not exceeding ten thousand pounds shall be appropriated and set apart for and expended upon the two following objects; namely, the erection of a church within and for the proposed new district of Saint Dionis, which is hereinbefore and hereinafter mentioned, the same church to be erected upon a site to be approved by the Lord Bishop of London for the time being, and duly conveyed to us the said Ecclesiastical Commissioners for England; and the provision of an endowment of one hundred pounds per annum net, to be secured by us for the benefit of the same church, and of the district to be created for the same, as hereinafter is mentioned.

4. In the next place, a sum of seven hundred pounds shall be appropriated and shall be set apart for and expended by us upon the cost of works of reparation or improvement executed or to be executed to our satisfaction at the church of the new parish of Saint James, Kennington, in the county of Surrey and diocese of Winchester.

"5. In the next place, a sum of five hundred pounds shall be added to the sum of one thousand and five hundred pounds which, under the provisions of the said Order of your Majesty in Council dated the first day of November one thousand eight hundred and sixty-four, has been appropriated and set apart for the erection of a new parsonage house for the rector of the united rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, whereby such sum of one thousand and five hundred pounds will be increased to the sum of two thousand pounds.

"6. In the next place, a sum of one thousand and five hundred pounds shall be appropriated for or towards the purchase or erection of a house of residence for the minister or incumbent of the said proposed new district of Saint Dionis, and a sum of five hundred pounds shall be appropriated towards the providing of a house of residence for the incumbent of the new parish of Saint Benet, Stepney, provided that each of these two houses of residence shall be or shall have been built according to plans approved by us, and the site thereof conveyed and secured to our satisfaction.

"7. In the next place, such a sum shall be appropriated as when invested in Three Pounds per centum Consolidated Bank Annuities will yield an annual income of one hundred pounds; and the same sum shall be by us so invested accordingly, and the income of such investment, that is to say, one hundred pounds per annum, shall be paid by us to the Reverend Charles Mackenzie, Clerk in Holy Orders, now rector of the united rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, in case he shall be the first incumbent of the united benefice, and so long as he shall continue to be incumbent thereof or only until the twenty-fourth day of June one thousand eight hundred and eighty-five, if that day shall arrive whilst he is still incumbent thereof, the said payment of one hundred pounds per annum to be held to have accrued due and to be payable to the said Charles Mackenzie as from the same day as that from which any rent-charge of one hundred pounds per annum to be charged on the endowments of the present united rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, in favour of the said new parish of Saint Benet, Stepney, as here-

inafter mentioned, shall take effect and be payable: and after the cesser of the same annual payment, the capital monies invested to provide the same as aforesaid to be dealt with as part of the residuary proceeds which are mentioned in the clause (numbered eight) next hereinafter following.

"8. The remainder of the said proceeds shall constitute part of the fund created by the twenty-second section of the said Act of the twenty-third and twenty-fourth years of your Majesty, chapter one hundred and forty-two.

#### "PART V.

"Upon the subject of patronage, we recommend and propose as follows; namely,

"1. That the perpetual advowson and whole right of patronage of and presentation to the united benefice of All Hallows, Lombard-street, with Saint Benet Gracechurch, Saint Leonard Eastcheap, and Saint Dionis Backchurch, shall belong to the Dean and Chapter of the said Cathedral and Metropolitan Church of Christ at Canterbury and their successors, in whom the advowson of each of the two benefices which will form the said united benefice is now vested as aforesaid.

"2. That the perpetual advowson and whole right of patronage of and presentation to the cure of the said proposed district of Saint Dionis and of the church thereof shall as from the date of the formation of the same district, be vested in the Bishop of London for the time being and his successors, by way of exchange for the patronage of the benefice of Saint Matthew, Upper Clapton, next hereinafter mentioned.

"3. That the perpetual advowson and whole right of patronage of and presentation to the cure of the district or new parish of Saint Matthew, Upper Clapton, in the county of Middlesex and in the said diocese of London, shall by virtue of any Order of your Majesty in Council ratifying this scheme, and as from the date of the publication of such Order in the London Gazette, and without any other conveyance or assurance in the law, be transferred from the Bishop for the time being of the said diocese of London, in whom and in whose successors the same is now vested, and shall thereupon become and be vested in the Dean and Chapter of the said Cathedral and Metropolitan Church of Christ at Canterbury and their successors.

#### "PART VI.

"As to the endowments of the united benefice of All Hallows, Lombard-street, with Saint Benet Gracechurch, Saint Leonard Eastcheap, and Saint Dionis Backchurch, we recommend and propose:

"1. That upon the union taking effect, all the property constituting the endowments of the united rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, and of the rectory of Saint Dionis Backchurch, shall, without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same be transferred to and annexed to the united benefice as the endowment thereof. Provided always, and we recommend and propose—

"2. That so much of the same property as now constitutes the endowments of the present united rectory of All Hallows, Lombard-street, with Saint Benet Gracechurch and Saint Leonard Eastcheap, shall, by virtue of the said Order of your Majesty in Council of the first day of November, one thousand eight hundred and sixty-four, and by virtue of any Order of your Majesty in Council ratifying this scheme, be subject in perpetuity to the payment of one annual rent-charge of one

## PRESENT.

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixteenth and seventeenth years of Her Majesty, chapter fifty, and of the Act of the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and twenty-four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the third day of August, in the year one thousand eight hundred and seventy-six, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixteenth and seventeenth years of your Majesty chapter fifty and of the Act of the twenty-third and twenty-fourth years of your Majesty chapter one hundred and twenty-four have prepared and now humbly lay before your Majesty in Council the following scheme for effecting an exchange of

a certain portion (being every alternate turn or right of nomination and presentation) of the advowson of the benefice (being a rectory) of Saint Anne and Saint Agnes with Saint John Zachary, in the city of London and in the diocese of London, for a certain portion (being every alternate turn or right of nomination and presentation) of the advowson of the benefice (being a rectory) of Saint Clement Eastcheap with Saint Martin Orgar in the same city and diocese.

"Whereas the Bishop for the time being of the said diocese of London and his successors, and the Dean and Chapter of the Cathedral Church of Saint Paul in the said city of London and their successors, are together seized in fee of the whole advowson or perpetual right of patronage of and to each of the said two benefices of Saint Anne and Agnes with Saint John Zachary, and Saint Clement Eastcheap with Saint Martin Orgar and the respective churches thereof, the said Bishop being entitled upon every alternate vacancy in the said benefice of Saint Anne and Agnes with Saint John Zachary and upon every alternate vacancy in the said benefice of Saint Clement Eastcheap with Saint Martin Orgar, to present a clerk to fill each such alternate vacancy, and the said Dean and Chapter being entitled upon every other alternate vacancy in the same two benefices respectively, to present a clerk to fill each such lastly mentioned vacancy.

"And whereas the Right Honourable and Right Reverend John now Bishop of the said diocese of London and the very Reverend Richard William Church, Clerk in Holy Orders Master of Arts now Dean of the said Cathedral Church of Saint Paul in the said city of London and the Chapter of the same church have respectively signified to us their desire that the patronage of the said two benefices and of the churches thereof respectively may be rearranged by way of exchange in manner herein-after recommended and proposed.

"And whereas we have made due enquiry and calculation as to the circumstances and relative values of the said benefices and patronage, and we do hereby certify to your Majesty that the circumstances, and present values of the said benefices respectively are as set forth in the schedules hereunto annexed.

"Now therefore with the consent of the said John Bishop of the said diocese of London (in testimony of which consent he has to this scheme set his hand and affixed his episcopal seal) and with the consent of the said Richard William Church, the Dean of the said Cathedral Church of Saint Paul in the said city of London, and of the Chapter of the same church (in testimony of which consent the said Dean and Chapter have to this scheme affixed their common or corporate seal) we humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the alternate turn or right of nomination and presentation to the said benefice of Saint Anne and Agnes with Saint John Zachary being the whole of that portion of the advowson or perpetual right of patronage of and to the same benefice and the church thereof (that is to say, the church of Saint Anne and Agnes) of which the Dean and Chapter of the said Cathedral Church of Saint Paul in the said city of London are seized or entitled to as aforesaid, shall be assigned and transferred from the said Dean and Chapter and from their successors and shall become and be abso-

lutely vested in and shall and may from time to time be exercised by the said John, Bishop of the said diocese of London and his successors for ever, and that in exchange for the same the alternate turn or right of nomination and presentation to the said benefice of Saint Clement Eastcheap with Saint Martin Orgar, being the whole of that portion of the advowson or perpetual right of patronage of and to the same benefice and the church thereof (that is to say, the Church of Saint Clement Eastcheap) of which the Bishop for the time being of the said diocese of London is seized or entitled to as aforesaid shall in like manner upon and from the day aforesaid be assigned and transferred from the said John Bishop of the said diocese of London and his successors and shall become and be absolutely vested in and shall and may from time to time be exercised by the said Dean and Chapter of the said Cathedral Church of Saint Paul in the said city of London and their successors for ever. By

means of which exchange of patronage so recommended and proposed as aforesaid the whole advowson and perpetual right of patronage of and to the said benefice of Saint Anne and Agnes with Saint John Zachary and the church thereof, will become and be vested in the said John Bishop of the said diocese of London and his successors and the whole advowson and perpetual right of patronage of and to the said benefice of Saint Clement Eastcheap with Saint Martin Orgar and the church thereof, will become and be vested in the Dean and Chapter of the said Cathedral Church of Saint Paul in the said city of London and their successors.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

"FIRST SCHEDULE to which the foregoing Scheme has reference.

AT the Court at Balmoral, the 23rd day of October, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty,

chapter seventy; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven, of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five; and of the Act of the thirty-fourth and thirty-fifth years of Her Majesty, chapter eighty-two; duly prepared and laid before Her Majesty in Council a representation, bearing date the third day of August in the year one thousand eight hundred and seventy-six, in the words following; that is to say,

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of your Majesty chapter seventy, of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven, of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, and of the Act of the thirty-fourth and thirty-fifth years of your Majesty, chapter eighty-two, have prepared, and now humbly lay before your Majesty in Council, the following representation as to the assignment of a consolidated chapelry to the consecrated church of Emmanuel situate at Maida Hill in the district

"And whereas it appears to us to be expedient that such contiguous portions of the said district parish of Christ Church Saint Marylebone, of the said new parish of Saint Stephen, Portland Town and of the said new parish of Saint Saviour, Paddington should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Emmanuel situate at Maida Hill as aforesaid.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her Majesty chapter thirty-seven, of the Act of the seventeenth and eighteenth years of Her Majesty chapter eighty-four, of the Act of the nineteenth and twentieth years of Her Majesty chapter one hundred and four, and of the Act of the thirty-first and thirty-second years of Her Majesty chapter one hundred and sixty, duly prepared and laid before Her Majesty in Council a scheme, bearing date the ninth day of August, in the year one thousand eight hundred and seventy-six, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of your Majesty chapter one hundred

and thirteen of the Act of the sixth and seventh years of your Majesty chapter thirty-seven of the Act of the seventeenth and eighteenth years of your Majesty chapter eighty-four of the Act of the nineteenth and twentieth years of your Majesty chapter one hundred and four and of the Act of the thirty-first and thirty-second years of your Majesty chapter one hundred and sixty have prepared and now humbly lay before your Majesty in Council the following scheme for constituting a separate district for spiritual purposes out of the parish of Camden Town out of the parish of the Holy Trinity Haverstock Hill and out of the parish of Saint Matthew Bedford New Town all within the original limits of the parish of Saint Pancras in the county of Middlesex and in the diocese of London and for effecting an apportionment of the income of the rectory of Saint Peter-le-Poer with the perpetual curacy of Saint Benet Fink annexed in the city of London and in the said diocese of London.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Camden Town of the said parish of the Holy Trinity Haverstock Hill and of the said parish of Saint Matthew Bedford New Town which are hereinafter mentioned and described should be constituted a separate district in manner hereinafter recommended and proposed.

"And whereas there is not at present within the limits of the said proposed separate district so to be taken out of the parishes of Camden Town of the Holy Trinity Haverstock Hill and of Saint Matthew Bedford New Town as aforesaid any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas certain hereditaments and premises situate within the said parish of Saint Pancras have become vested in us under the provisions of and for the purposes of the herein mentioned Acts or of some of them and we have in respect of such hereditaments and premises agreed to make and pay out of the common fund created by the firstly herein mentioned Act to the incumbent of the district hereinafter recommended to be constituted so soon as one shall have been appointed and licensed in accordance with the provisions of the secondly herein mentioned Act and to his successors a grant of one hundred and fifty pounds per annum. And also so soon as a church shall have been erected within and for such district and shall have been approved by us and shall have been consecrated as the church of such district and such district shall have thereupon become a new parish within the meaning of the secondly hereinbefore mentioned Act to make to the incumbent of the said new parish and his successors a further grant from the said fund of fifty pounds per annum.

"And whereas such grants as aforesaid will be made by an instrument or instruments to be executed by us under our common seal in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of your Majesty chapter one hundred and eleven.

"And whereas the Dean and Chapter of the Cathedral Church of Saint Paul in London are the patrons of the said rectory of Saint Peter-le-Poer with the perpetual curacy of Saint Benet Fink annexed the endowments of which said rectory and perpetual curacy are of considerable amount and comprise certain annual sums of money payable in lieu of tithes which amount together to one thousand nine hundred and twenty-five pounds per annum or thereabouts.

"And whereas under the provisions of an

Order of your Majesty in Council bearing date the ninth day of August in the year one thousand eight hundred and seventy-two and published in the London Gazette on the thirtieth day of the same month and ratifying a scheme prepared by us the said Ecclesiastical Commissioners and bearing date the eleventh day of July in the same year the income of the said rectory and perpetual curacy was from and after the date of the avoidance of the said rectory and perpetual curacy which should happen next after the date of the said lastly mentioned scheme charged by way of apportionment with the payment of certain annual sums in favour of the several cures in the said Order mentioned.

"And whereas the said rectory of Saint Peter-le-Poer with the perpetual curacy of Saint Benet Fink annexed was avoided on the seventeenth day of April now last past, and the said rectory and perpetual curacy are at present vacant.

"And whereas the said Dean and Chapter of the Cathedral Church of Saint Paul in London have expressed to us a desire and it appears to us to be expedient that arrangements should be made for further apportioning in the manner hereinafter recommended and proposed the income of the said rectory of Saint Peter-le-Poer with the perpetual curacy of Saint Benet Fink annexed between the incumbent thereof and the incumbent of the district hereinafter recommended to be constituted as aforesaid and when such district shall have become a new parish as aforesaid then of such new parish.

"And whereas in consideration of the said further proposed apportionment of the income of the said rectory of Saint Peter-le-Poer with the perpetual curacy of Saint Benet Fink annexed it has been proposed to us and it appears to us to be expedient that the whole right of patronage of the said district hereinafter recommended to be constituted and when the said district shall have become a new parish as aforesaid then of the said new parish and of the nomination of the incumbent thereof should be assigned in the manner hereinafter mentioned.

"Now therefore with the consent of the Right Honourable and Right Reverend John Bishop of the said diocese of London (in testimony of which consent he has signed and sealed this scheme) and with the consent of the Dean and Chapter of the said Cathedral Church of Saint Paul in London as such patrons of the said rectory of Saint Peter-le-Poer with the perpetual curacy of Saint Benet Fink annexed as aforesaid (in testimony of which consent the said Dean and Chapter have affixed their common or corporate seal to this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish of Camden Town of the said parish of the Holy Trinity Haverstock Hill and of the said parish of Saint Matthew Bedford New Town which are mentioned and described in the schedule hereunder written and which are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Michael Camden Town.'

"And we further recommend and propose that from and after the day of the date of the publication in the London Gazette of an Order of your Majesty in Council ratifying this scheme as aforesaid and without any conveyance or assurance in the law other than such duly published Order there shall be charged upon all and singular the said annual

sums of money payable in lieu of tithes and other the endowments and revenues of the said rectory of Saint Peter-le-Poer with the perpetual curacy of Saint Benet Fink annexed aforesaid in favour of the incumbent for the time being of the said proposed district of Saint Michael Camden Town so hereinbefore recommended to be constituted as aforesaid and when the said district shall have become a new parish as aforesaid then of the said new parish the annual sum of one hundred pounds and that the same annual sum shall be payable to the said incumbent by equal half-yearly payments on the first day of May and the first day of November in each and every year and that the first of such half-yearly payments or a proportionate part thereof shall become due and payable upon the first day of May or the first day of November as the case may be next following the day of the date of the publication in the London Gazette of an Order of your Majesty in Council ratifying this scheme as aforesaid and that the incumbent of the said district or new parish of Saint Michael Camden Town and his successors shall have all legal remedies for enforcing payment of the said annual sum or any part thereof that may at any time be due and unpaid.

"And we further recommend and propose that the whole right of patronage of the said district or new parish of Saint Michael Camden Town and of the nomination of the incumbent thereof shall upon and from the day of the date of the publication in the London Gazette of an Order of your Majesty in Council ratifying this scheme as aforesaid and without any other conveyance or assurance in the law be assigned to and be absolutely vested in and shall and may from time to time be exercised by the said Dean and Chapter of the said Cathedral Church of Saint Paul in London and their successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The district of Saint Michael, Camden Town, being all those several contiguous portions of the parish of Camden Town of the parish of the Holy Trinity Haverstock Hill and of the parish of Saint Matthew Bedford New Town all within the original limits of the parish of Saint Pancras in the county of Middlesex and in the diocese of London which said portions of such parishes are comprised within and are bounded by an imaginary line commencing upon the boundary which divides the said parish of Camden Town from the parish of Saint Thomas Agar Town also within the original limits of the parish of Saint Pancras aforesaid at the centre of the bridge which carries the line of the North London Railway over Camden-street and extending thence westward along the said boundary thereby following the middle of the said line of railway to the point at the centre of the bridge which carries the same line of railway over the Kentish Town-road where the same boundary joins the boundary dividing the said parish of Camden Town from the parish of the Holy Trinity Haverstock Hill aforesaid and continuing thence still westward along the middle of the same line of railway (thereby following that branch of such line of railway which leads to the Chalk Farm Railway Station) to the centre of the bridge which carries the same line of railway over Chalk Farm-

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the ninth day of August, in the year one thousand eight hundred and seventy-six, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of your Majesty chapter thirty-seven, and of the Act of the nineteenth and twentieth years of your Majesty chapter one hundred and four have prepared and now humbly lay before your Majesty in Council the following scheme for compensating a certain spiritual person, to wit, the Reverend John Coulson, Clerk in Holy Orders, whose emoluments have been diminished by reason of proceedings under the said Acts, or one of them, to wit by the formation of the district (now the new parish) of Saint Mark, South Shields out of the new parish of the Holy Trinity, South Shields, in the county of Durham, and in the diocese of Durham, of which said new parish the said John Coulson was at the date of such formation and is now the vicar or incumbent.

"Whereas it has been made to appear to us that the fees dues or other emoluments of the said John Coulson as such vicar or incumbent as aforesaid have been diminished as aforesaid and that the payment to him the said John Coulson of the annual sum of twenty pounds would provide a just and reasonable compensation for such diminution.

"Now therefore we humbly recommend and propose that in respect of the new parish of Saint Mark, South Shields aforesaid there shall be paid by us to the said John Coulson so long as he shall continue to be vicar or incumbent of the said new parish of the Holy Trinity, South Shields, as aforesaid and no longer, the annual sum of twenty pounds, payment of such annual sum being made by equal half yearly payments upon the first day of May and the first day of November in each year; but with the right also in the said

John Coulson or, (as the case may be) in his representatives, to a proportionate payment in respect of any period being less than half a year which may elapse between the first day of May or the first day of November (as the case may be) and the day on which he the said John Coulson shall from whatever cause cease to be the vicar or incumbent of the said new parish of the Holy Trinity, South Shields.

"And we further recommend and propose that the right of the said John Coulson, as such vicar or incumbent as aforesaid, to receive the said annual sum of twenty pounds shall be held to have accrued, and that payment thereof shall accordingly be made, as from the twenty-sixth day of May in the year one thousand eight hundred and seventy-five, being the day upon which the vicar or incumbent of the said new parish of Saint Mark, South Shields became empowered to perform in the church thereof those offices, and became entitled to retain for his own benefit those fees, in consideration of the loss of which to the said John Coulson, as such vicar or incumbent of the said new parish of the Holy Trinity South Shields, as aforesaid, the amount of the compensation grant in this scheme recommended and proposed has been fixed by us.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

AT the Court at *Balmoral*, the 23rd day of *October*, 1876.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the ninth day of August, in the year one thousand eight hundred and seventy-six, in the words following, that is to say:

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of your Majesty chapter thirty-seven, and of the Act of the nineteenth and twentieth years of your Majesty chapter one hundred and four, have prepared and now humbly lay before your Majesty in Council the following scheme for constituting a separate district or new parish for ecclesiastical purposes partly out of the parochial chapelry of Saddleworth, within the limits of that part of the parish of Rochdale which is situate in the county of York and in the diocese of Manchester and partly out of that portion of the new parish of Christ Church Friezland which is situate in the same county and diocese.

"Whereas it has been made to appear to us that it would promote the interests of religion that all those portions of the said parochial chapelry of Saddleworth and of the said new parish of Christ Church Friezland which are hereinafter mentioned and described should be constituted a separate district or new parish for ecclesiastical purposes in manner hereinafter set forth.

"And whereas there is within the limits of the district or new parish so hereinafter recommended and proposed to be constituted as aforesaid a consecrated church in use for the purposes of Divine worship being the church of Saint Mary situate at Greenfield within the said parochial chapelry of Saddleworth, which church has recently been erected at the sole cost and charge of Richard Buckley of Hollyville in Greenfield Esquire.

"And whereas by a certain deed or memorandum of agreement bearing date on or about the eleventh day of August in the year one thousand eight hundred and seventy-four prior to the consecration of the said church and made or purporting to be made under the provisions of the Acts of the eighth and ninth years of your Majesty chapter seventy and of the eleventh and twelfth years of your Majesty chapter thirty-seven the patronage and right of nomination or presentation to the incumbency of the same church when the same should have been consecrated became vested in

the said Richard Buckley his heirs and assigns for ever.

"And whereas a permanent annual endowment of not less than one hundred and fifty pounds to wit freehold ground rents amounting together to one hundred and fifty-three pounds seventeen shillings per annum has been provided for the said church and for the minister or incumbent thereof by the said Richard Buckley.

"And whereas the said Richard Buckley is desirous that a separate district or new parish for ecclesiastical purposes should be constituted and set out for the said church by metes and bounds under the provisions of the Acts hereinbefore mentioned or some or one of them and in so far as it may be necessary or proper that the patronage of the same district or new parish should be so dealt with in order that it may become and continue to be vested in him the said Richard Buckley and his assigns in as full and ample a manner as is contemplated by the provisions of the said deed of the eleventh day of August in the year one thousand eight hundred and seventy-four in reference to the patronage of the said church, the said Richard Buckley is also desirous that the patronage or right of nomination or presentation to the incumbency of the said intended district or new parish should be assigned to him and his assigns in manner hereinafter mentioned, and we are of opinion that it is expedient that such arrangements should be made accordingly.

"Now therefore with the consent of the Right Reverend James Bishop of the said diocese of Manchester and of the said Richard Buckley (in testimony whereof they have respectively signed and sealed this scheme) we the said Ecclesiastical Commissioners for England humbly recommend and propose that all those portions of the said parochial chapelry of Saddleworth and of the said new parish of Christ Church Friezland which are delineated and set forth upon the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named (when such district shall have become, as it will by operation of law at once become, a new parish), 'The New Parish of Saint Mary Greenfield.'

"And we further recommend and propose that the said church of Saint Mary Greenfield being a consecrated church in use for the purposes of Divine worship and situate within the limits of the district or new parish hereinbefore recommended and proposed to be constituted shall as from the day last mentioned be, and for that purpose we hereby specify the same church as, the parish church of the said new parish of Saint Mary Greenfield.

"And we further recommend and propose with such consents and so testified as aforesaid that the whole advowson and perpetual right of patronage of the said proposed district or new parish that is to say of the new parish of Saint Mary Greenfield aforesaid and the right of nomination of the incumbent of the same new parish shall without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same, and as from the day aforesaid being the day of the date of the publication of such Order in the London Gazette be assigned to and become and be absolutely vested in and shall and may from time to time be exercised by the said Richard Buckley his heirs and assigns for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or to any of them in accordance with the provisions of the said Acts or any of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"And with the like consent of the said Richard Bishop of the said diocese of Chichester (testified

as aforesaid), we, the said Ecclesiastical Commissioners, further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at such church, and that the fees to be received in respect of the publication of such banns and of the solemnization or performance of the said offices should be paid and belong to the minister of the same church for the time being: Provided always, that nothing herein contained shall be construed as expressing any intention on the part of us the said Commissioners to concur in or approve the taking of any fee for the performance of the said office of baptism or for the registration thereof.

"We, therefore, humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such Order with respect thereto as to your Majesty, in your Royal wisdom, shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of Saint Andrew Portslade-by-Sea, being:—

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-third and thirty-fourth years of Her Majesty, chapter thirty-nine, and of the Acts

therein mentioned duly prepared and laid before Her Majesty in Council a scheme, bearing date the ninth day of August, in the year one thousand eight hundred and seventy-six, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the thirty-third and thirty-fourth years of your Majesty chapter thirty-nine, and of the Acts therein mentioned have prepared and now humbly lay before your Majesty in Council the following scheme relating to two benefices within the city and diocese of Exeter; namely the benefice (being a rectory) of Saint Sidwell Exeter, and the benefice (being a rectory) of Saint James; Exeter:

"Whereas the parish or parochial chapelry of Saint Sativola (commonly and in this scheme called Saint Sidwell) is situate within the original limits of the parish of Heavitree in the county of Devon and in the said diocese of Exeter:

"And whereas the district parish of Saint James within the city of Exeter was sometime part and parcel of the said parish or parochial chapelry of Saint Sidwell.

"And whereas under the circumstances aforesaid the vicar or incumbent for the time being of the said parish of Heavitree is, in right of his incumbency the patron of the church and cure (being the benefice and rectory aforesaid) of the said parish or parochial chapelry of Saint Sidwell and is also in the same right the patron of the church and cure (being the benefice and rectory aforesaid) of the said district parish of Saint James.

"And whereas the Dean and Chapter of the cathedral church of Saint Peter at Exeter are the patrons of the vicarage of the said parish of Heavitree.

"And whereas some years ago the permanent endowment of each of the said two benefices of Saint Sidwell and Saint James at Exeter was considerably augmented (that is to say was augmented by an annual sum of sixty-five pounds or thereabouts in the case of Saint Sidwell's and by an annual sum of sixty-five pounds or thereabouts in the case of Saint James's) by the said Dean and Chapter acting as such patrons as last aforesaid.

"And whereas in the case of each of the said two benefices of Saint Sidwell and Saint James the augmentation of endowment provided as aforesaid by the said Dean and Chapter was so provided and secured by the said Dean and Chapter upon an understanding and agreement with the then vicar or incumbent of the said parish of Heavitree that the whole advowson or perpetual right of patronage of and nomination to the said two benefices of Saint Sidwell and Saint James and each of them should be transferred from the vicar or incumbent of the said parish of Heavitree in whom as aforesaid such right of patronage and nomination is vested as such vicar or incumbent and should be transferred to and be vested in the Dean and Chapter of the said cathedral church of Exeter and their successors.

"And whereas owing to inadvertence no steps have been hitherto taken for carrying into effect the said transfers of patronage or either of them.

"And whereas the said Dean and Chapter have paid over to us a sum of one hundred pounds cash upon the understanding and condition that the whole advowson or right of patronage of and nomination to the said benefice of Saint Sidwell at Exeter aforesaid shall be transferred to them the said Dean and Chapter and their suc-

cessors and have also paid over to us another sum of one hundred pounds cash upon the understanding and condition that the whole advowson or right of patronage of and nomination to the said benefice of Saint James at Exeter shall in like manner be transferred to them the said Dean and Chapter and their successors and the said two sums of one hundred pounds and one hundred pounds have been so paid over to us by the said Dean and Chapter upon this further understanding namely that in the case of each of the said two benefices of Saint Sidwell and Saint James the said sum of one hundred pounds so paid over to us as aforesaid together with any accumulations thereof up to the date of such transfer of patronage as aforesaid shall continue to be held by us and that the annual interest or other proceeds to arise therefrom or from any investment thereof to be made by us, shall be paid over by us half yearly to the incumbent for the time being of the said benefice of Saint Sidwell or (as the case may be) of the said benefice of Saint James in further augmentation of the income of his benefice.

"And whereas the Reverend Reginald Henry Barnes Clerk in Holy Orders, a Prebendary of the said cathedral church of Exeter and vicar or incumbent of the said parish of Heavitree aforesaid is willing that the said proposed transfer of the advowson of the said benefice of Saint Sidwell and the said proposed transfer of the advowson of the said benefice of Saint James should be effected as hereinbefore is mentioned and hereinafter is proposed and (as appears by his execution of this scheme) hath requested us to recommend and propose the same transfers to your Majesty in Council by this scheme.

"And whereas the Right Reverend Frederick Bishop of the said diocese of Exeter hath also executed this scheme in token that the same has that consent of the diocesan which by the Acts in the said Act recited, or by some or one of them is made necessary.

"And whereas it appears to us that each of the said two transfers of patronage hereinbefore mentioned and hereinafter recommended and proposed will tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage or advowson to be transferred arises or exists that is to say in the said parish or parochial chapelry of Saint Sidwell at Exeter and in the said district parish of Saint James at Exeter respectively.

"Now therefore with the consent of the said Reginald Henry Barnes the vicar or incumbent of the vicarage of the said parish of Heavitree (in testimony whereof he hath signed and sealed this scheme) and with the consent of the said Frederick Bishop of the said diocese of Exeter (in testimony whereof he hath signed this scheme and sealed the same with his episcopal seal) we humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme the whole advowson or perpetual right of patronage of and nomination to the said benefice of Saint Sidwell in the city and diocese of Exeter aforesaid and the whole advowson or perpetual right of patronage of and nomination to the said benefice of Saint James in the same city and diocese shall be transferred from the said Reginald Henry Barnes, vicar or incumbent of the said vicarage of the said parish of Heavitree and from his successors in the same vicarage or incumbency to and shall and each of the said two advowsons shall thereupon become and thenceforth be absolutely vested in and shall and may at all times thereafter be exclusively exercised by

the Dean and Chapter of the said cathedral church of Saint Peter at Exeter and their successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from hereafter recommending and proposing any other measures relating to the matters aforesaid or any of them under the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Exeter.
