One-fifth on the 23rd August, 1877.

One-fifth on the 24th September, 1877.

One-fifth on the 23rd October, 1877.

One-fifth on the 23rd November, 1877.

The whole or any part of the amount stated in any tender may be paid at any time after its acceptance is notified; and interest upon the amount of each payment will be paid in advance, from the date when such payment is received, to the 31st January next.

7. Payment of the amount stated in any accepted tender may be made to the account of the Government in one of the Presidency Banks of Bengal, Madras, or Bombay, or in any branch of any of the Presidency Banks, or into any Government treasury or treasuries in India that may be named in the tender.

8. Each tender must be accompanied by a receipt from one of the Presidency Banks of Bengal, Madras, or Bombay, or one of their branches, or from an officer in charge of some Government treasury, or by a cheque on a banker in Calcutta, Madras, or Bombay, or by Government promissory notes made payable to the Comptroller-General for a sum of not less than one-hundredth part of the amount for which tender is made; this deposit of one per cent. will be considered as in part payment of the last instalment, and will be forfeited if the allotment is not fully taken up; a cash deposit may, after the tender in support of which it is made is accepted, be replaced by a Government promissory note.

9. Scrip receipts for instalments paid will be given by the Presidency Banks of Bengal, Madras, and Bombay, or their branches, or by the officers in charge of the Government treasuries at which payment is made; these receipts will, as soon as possible, be exchanged for promissory notes.

The rate stated in a tender must not contain a fraction of an anna: if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out, and the tender treated as if the rate did not contain such fraction of an anna.

11. Tenders at the recorded minimum rate, and at rates above the recorded minimum, will be accepted in the order of the rates tendered, beginning with the highest rates; the amount allotted at the lowest rate at which tenders are accepted will be divided amongst those who have tendered at this rate, in proportion, as nearly as may be found convenient, to the amounts of their tenders.

12. The names of the persons whose tenders
