PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty chapter thirty-seven, sections six and eight duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-first day of June, in the year one thousand eight hundred and seventy-seven, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of an Act of the sixth and seventh years of your Majesty chapter thirty-seven, sections six and eight, have prepared and now humbly lay before your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Archdeaconry of Cardigan in the diocese of Saint Davids and now vested in us.

"Whereas under an Act of the third and fourth years of your Majesty chapter one hundred and thirteen and another Act of the thirteenth and fourteenth years of your Majesty chapter ninety-four, and by virtue of an Order of your Majesty in Council made under the provisions of the same Acts and bearing date the first day of August in the year one thousand eight hundred and sixty and duly published in the London Gazette on the third day of the same month all lands, tithes, tenements, and hereditaments whatsoever then belonging to the said archdeaconry: became absolutely vested in us for the purposes and subject to the provisions, applicable to other hereditaments vested in us.

"And whereas the lands tithes tenements and hereditaments aforesaid are not subject to any outstanding lease or grant, but are now in our possession but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas with a view to the advantageous appropriation of the said lands tithes tenements and hereditaments, or of the proceeds thereof, for the ultimate improvement of our common fund it is expedient that the said lands tithes tenements and hereditaments or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to dispose of our interests therein, or in any part or parts thereof in such manner as shall appear to us advisable.

"Now therefore we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of and duly to convey according to the provisions of the said Act of the sixth and seventh years of your Majesty's reign all or any of the said lands, tithes tenements and hereditaments heretofore belonging to the said Archdeaconry of Cardigan and so vested in us as aforesaid with their appurtenances and all our estate right title and interest therein or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his her or their heirs executors administrators or assigns or otherwise as he she or they shall direct or appoint and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable it being our intention to invest the proceeds of such sale from time to time, as occasion may arise in the purchase of other lands, tithes rent-changes, tenements or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the proceeds in some Government or Parliamentary stock, or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them in accordance with the provisions of the said Acts or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Saint Davids.

And whereas Orders in Council have been made directing the discontinuance of burials in the churchyards and burial-ground hereinafter

mentioned from the time specified in such Orders ; and whereas it seems fit to Her Majesty, by and with the advice of Her Privy Council, that the time for discontinuing burials in the said churchyards and burial-ground be postponed :

THE Civil Service Commissioners, with the concurrence of the Lords Commissioners of the Treasury, are pleased, in execution of their powers under the Orders in Council of the 19th August, 1871, and 12th February, 1876, and of all other powers enabling them in that behalf, to issue the following Regulations respecting Temporary Copyists in Public Departments.

REGULATIONS RESPECTING TEMPORARY COPYISTS IN PUBLIC DEPARTMENTS.

*** Revised Regulations may at any time be issued, which will apply to every Copyist who may accept or renew an engagement after their publication in the London Gazette.*

Civil Service Commission,

July 13, 1877.

1. A Register of Copyists for temporary employment in Public Departments will be kept by the Civil Service Commissioners.

2. This register will contain the names—

(a.) Of Candidates who, after the ordinary competitions for Clerkships of the Lower Division, have been placed on the list of successful competitors: but have not yet received appointments, *provided they signify their wish to the Civil Service Commissioners to be provisionally registered as Copyists.*

Men Clerks can only be registered as Men Copyists and Boy Clerks as Boy Copyists.

The appointment to permanent situations of Candidates thus provisionally placed on the Register of Copyists will continue to take effect according to clause 9 of the Order in Council of 12 February, 1876.

While they remain upon the Register they will be subject to whatever regulations apply to other Registered Copyists.

(b.) Of Candidates who, not having competed for Clerkships of the Lower Division, or not being placed on the list of successful Competitors, have satisfied the Civil Service Commissioners that they are of good health and character, and that they are duly qualified under the following regulations (3 and 4).

3. The limits of age in the case of Candidates not belonging to class (a) are:—

For Boy Copyists,—14 to 18.

MEN COPYISTS:

OBLIGATORY.*

1. Handwriting.
2. Orthography.
3. Copying Manuscript.
4. Copying Figures and Tabular Statements.

* Candidates should fully understand that only those who show themselves proficient in the obligatory subjects can be placed upon the Register, and that those who do not pass in arithmetic will be excluded from employment where Copyists are required for arithmetical work.

OPTIONAL.

5. Arithmetic.

BOY COPYISTS:

1. Handwriting.
2. Orthography.
3. Elementary Arithmetic.

5. Examinations, for the purpose of testing the qualifications of Candidates in the above-mentioned subjects, will be held by the Civil Service Commissioners from time to time as may be necessary, and a certain number, regulated by the probable demand from the Public Departments, of those who display the requisite amount of proficiency, will be placed upon the Register kept by the Commissioners.

6. The fee payable by persons attending these examinations will be 5s. for men, and 2s. 6d. for boys.

7. Registered Copyists will be summoned for employment in any of the Public Departments as they are wanted. When not wanted, they will have no claim to employment. Refusing to serve when called upon, except for reasons satisfactory to the Civil Service Commissioners, they will be removed from the Register. The order in which they may be employed, the Departments to which they may be assigned, and their retention generally on the Register, will be determined by the Civil Service Commissioners; but they will be subject to the orders of the Departments in which they are serving during the time of their actual employment, and will be liable to dismissal from them by the authorities thereof, without notice, for inefficiency or misconduct.

8. Copyists may be engaged by the hour, day, or week, or by the piece. The engagement of all Copyists, not engaged for a shorter period, will be by the week. Copyists engaged for a day or upwards will ordinarily be employed for the number of hours constituting the official day in the Department to which they are attached, but if they are required to give their services after official hours, they must do so, and they will be paid at the same rate, whether by the hour or by the piece, as in the official hours. A Copyist refusing to work after official hours on these terms without an excuse satisfactory to the authorities of the Department will be liable to dismissal by them without notice.

9. Men Copyists will be paid either at the rate of 10d. per hour, or at the rate of 1½d. for every 100 words well and correctly copied, as the authorities of the Department for which they are required may determine. Other rates for special kinds of work may be determined by the Civil Service Commissioners, with the previous approval of the Commissioners of the Treasury; but Copyists, as a rule, are not meant to be employed upon any work, except mere copying, or routine work, under the direct supervision of established officers.

10. No service, however much it may happen to be prolonged, will confer any claim to superannuation or compensation allowance.

11. The pay of Boy Copyists will commence at the rate of 4d. per hour; an addition of ½d. per hour may be allowed by the Civil Service Commissioners at the end of each year of approved service. Should any Boy Copyists be engaged by the piece they will be paid at such rates as may be fixed by the Civil Service Commissioners, with the approval of the Lords Commissioners of the Treasury. Boy Copyists will not be retained as such after they shall have reached the age of 19.

12. If a public holiday, on which the office is closed, fall within the period of a Copyist's

engagement, he may be paid in respect of it as for a working day. Copyists may, with the consent of the Department in which they are serving, or, if not at the time serving, with the consent of the Civil Service Commissioners, be allowed holidays, with pay, at the rate for the official day, in the proportion of one day for every 24 full days of actual and approved service previously rendered by them as registered Copyists. No Copyist shall be allowed to take more than twelve days' leave under these conditions, between the 1st day of January and the 31st day of December, both days inclusive, in any one year. In calculating the leave to be allowed in any given year, no service shall be counted before the 1st day of January of the preceding year.

13. Copyists who may fall ill while serving in any Department, and whose illness may be attested by medical certificate to the satisfaction of the authorities of such Department, may be allowed sick-leave, receiving three-fourths of the rate of pay for the official day; provided such Copyists have been borne on the Register one year or upwards, and provided that no Copyist shall be paid for holidays and sick-leave, taken together, for more than 28 days within any one year exclusive of public holidays.

14. Except in conformity with Regulations 11 and 12, Copyists will only receive pay for the hours, or parts of hours, during which they actually attend.

15. No person who has been trained, either wholly or partially, at the public expense, for the occupation of a teacher in schools in connection with the Committee of Council for Education, or the Board of National Education, Ireland, is eligible for employment as a Copyist, until the consent of those Departments, given in conformity with rules sanctioned by the Lords of the Treasury, has been notified to the Civil Service Commissioners. Persons employed in any branch of the Public Service whether Civil, Naval, or Military, will not be eligible unless they shall have produced to the Civil Service Commissioners at or before the time of examination the written consent of the authorities under whom they may be serving.

16. Copyists are not intended to travel during an engagement, nor will they, as a rule, be required to accept engagements at a distance from their residence; but any Copyist who may be ordered to travel, will be allowed such reasonable and customary expenses as the Lords of the Treasury may in each case approve.
