Published by Authority.

FRIDAY, DECEMBER 6, 1878.

Her Majesty's Most Gracious Speech, delivered by the Lords Commissioners, to both Houses of Parliament, on Thursday, December 5, 1878. My Lords, and Gentlemen,

I REGRET that I have been obliged to call for your attendance at an unusual and, probably, to most of you, an inconvenient season.

The hostility towards my Indian Government manifested by the Ameer of Afghanistan, and the manner in which he repulsed my friendly Mission, left me no alternative but to make a peremptory demand for redress.

This demand having been disregarded, I have directed an expedition to be sent into his territory, and I have taken the earliest opportunity of calling you together, and making to you the communication required by law.

I have directed that papers on the subject shall be laid before you.

I receive from all foreign Powers assurances of their friendly feelings, and I have every reason to believe that the arrangements for the pacification of Europe, made by the Treaty of Berlin, will be successfully carried into effect.

Gentlemen of the House of Commons,

The Estimates for the ensuing year are in course of preparation, and will in due time be submitted to you.

My Lords, and Gentlemen,

I propose that after full deliberation upon the matters which have led me to anticipate your usual time of meeting, and after a suitable recess, you should proceed to the consideration of various measures for the public benefit which will then be laid before you.

I confidently commit to your wisdom the great interests of my Empire, and I pray that the blessing of Almighty God may attend your counsels.

AT the Court at Windsor, the 27th day of November, 1878.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

HER Majesty in Council was this day pleased to declare Her Consent to a Contract of Matrimony between His Royal Highness the

Prince Ernest Augustus William Adolphus George Frederick, Duke of Cumberland and Teviotdale, Earl of Armagh, Knight of the Most Noble Order of the Garter, and Her Royal Highness the Princess Thyra Amélie Caroline Charlotte Anne, daughter of His Majesty the King of Denmark, which consent Her Majesty has also caused to be signified under the Great Seal.

AT the Court at Windsor, the 27th day of November, 1878.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourteenth day of November, in the year one thousand eight hundred and seventy-eight, in the words following, that is to say;

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of your Majesty chapter thirty-seven, sections six and eight have prepared and now humbly lay before your Majesty in Council the following scheme for authorizing the sale and disposal of certain property situate in the parish of Bishopwearmouth in the county of Durham and now vested in us.

"Whereas under and by virtue of a certain indenture bearing date the twelfth day of February one thousand eight hundred and sixty-nine and made or expressed to be made between the Consett Iron Company Limited of the first part Jonathan Priestman of Shotley Bridge in the county of Durham Iron Manufacturer of the second part Henry Ritson of Benfieldside in the said county of Durham Coal Owner of the third part, and us the Ecclesiastical Commissioners for England of the fourth part a certain piece or parcel of land situate in the parish of Bishopwearmouth in the county of Durham more particularly described in the schedule hereunto annexed, became with its appurtenances, and is now, vested in us.

"And whereas the said land is not subject to any outstanding beneficial lease or grant, but is

now in our possession, but some portion thereof on account of its character and situation, is unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas with a view to the advantageous appropriation of the same, or of the proceeds thereof for the ultimate improvement of our common fund, it is expedient that the said land or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such land, or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now therefore we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of, and duly to convey according to the provisions of the said Act, all or any of the said land so vested in us as aforesaid with its appurtenances, and all our estate right title and interest therein, or in part or part thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs executors administrators or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall upon due calculation and enquiry, appear to us to be just and reasonable it being our intention to invest the proceeds of such sale from time to time as occasion may arise, in the purchase of other lands tithes rent-charges, tenements or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the mean time to invest the said proceeds in some Government or Parliamentary stock, or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them in accordance with the provisions of the said Acts, or of any other Act of Parliament.

"SCHEDULE.

"All that freehold close field or parcel of ground situate in the parish of Bishopwearmouth in the county of Durham containing one acre three roods and two perches or thereabouts which close field or parcel of ground is more particularly described in the first part of the schedule annexed to the indenture referred to in this scheme and is delineated by a pink colour on the plan upon the third skin of the same indenture."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

NAVAL PRIZE MONEY.

Department of the Accountant-General of the Navy and Comptroller of Navy Pay, Admiralty, December 5, 1878.

NOTICE is hereby given to all persons interested therein, that preparations are now being made for the intended distribution of the tonnage bounty awarded for the slave dhow, "Yasmin," captured on the 22nd of March, 1878, by Her Majesty's ship "London."

Agents or other persons having any just and legal demand, unliquidated, against the award, are required to transmit the particulars of any such demand to the Registrar of the Admiralty Division of Her Majesty's High Court of Justice, in order that the same may be examined, taxed, and allowed by that Officer, and paid under the sanction of the Judge of the said Court.

Due notice will be given, by future advertisement in the London Gazette, of the date proposed for the commencement of distribution; and, at the same time, the amount of an individual's share in the respective classes will be announced.

SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the Next of Kin or others entitled, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the London Gazette, and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as Next of Kin should be addressed by letter to "The Under-Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—EFFECTS, 1877-8.

RALPH THOMPSON.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Pension Service throughout the United Kingdom.
