India Office, May 12, 1879.

THE following extract of a Despatch has been received at the India Office:—

From Major-General F. S. Roberts, C.B., V.C., Commanding Kuram Field Force, to the Quartermaster-General in India, Army Head Quarters,—Head Quarters, Camp Matun, the 24th January, 1879.

SIR,—With reference to the correspondence forwarded with your No. 107 F-C of the 13th January, 1879, I have the honour to submit, in continuation of my despatch dated the 5th December, 1878, the following supplementary account of the operations which led to the capture of the Peiwar Kotal.

2. In paragraph 18 of my previous despatch, I reported that the following troops under Brigadier-General A. H. Cobbe were left in camp on the night of the 1st December, when the turning force under my personal command marched for the Spin Gawai Kotal, viz:—

2 guns F.A. Royal Horse Artillery; 3 guns G-3rd Royal Artillery; 12th Bengal Cavalry; 2-8th Foot (wing); 5th Punjab Infantry.

3. The guns under escort of a Company of the 8th Foot were placed in a position about 1,700 yards from the Peiwar Kotal shortly before day-break, and they opened on the enemy's artillery about a quarter-past six o'clock.

4. The infantry were at the same time extended under cover, and slightly in advance of the guns.

5. At 8 a.m., two companies of the 8th Regiment were pushed forward to within 1,300 yards of the enemy's line of defence.

6. At about eleven o'clock, the two Afghan guns which were placed to our left of the pass were silenced.

The infantry simultaneously advanced from ridge to ridge, and by noon had approached to within 1,400 yards of the top of the pass.

7. At this time Brigadier-General Cobbe was severely wounded, and the command of the troops devolved on Colonel Barry Drew, of the 8th Regiment.

8. The 5th Punjab Infantry, who were on the right of the attack, and who had succeeded in gaining a position close under the main ridge, now established communication with and joined the column which had come over the Spin Gawai Kotal.

9. Shortly after one o'clock, the remaining infantry, which consisted of five companies of the 8th Regiment, gained a crest, from which they were able to open fire at a distance of 800 yards upon the enemy's guns at the Kotal.

10. About 2 p.m., the enemy's defence appeared to be so much shaken that Colonel Drew resolved
