Then the following regulations shall apply (namely):

#### *A.—Swine affected with Swine-Fever.*

(a.) Where swine fever is found to exist, the Inspector of the Local Authority shall seize and detain all the swine affected with that disease.

(b.) The diseased swine so seized shall, if not slaughtered at the place where they are seized, be moved to the nearest available slaughter-house, for the purpose of being there forthwith slaughtered, with a licence of the Inspector.

(c.) The licence shall be available for twelve hours, and no longer.

(d.) The licence shall specify the slaughter-house to which the swine are to be moved for slaughter, and they shall not be moved to any other slaughter-house or place.

(e.) If the swine are to be moved into the district of another Local Authority, there shall also be requisite a licence of that other Local Authority indorsed on or referring to the first-mentioned licence.

(f.) The swine so moved shall be moved to the specified slaughter-house, under the direction and in charge of an Inspector or other officer of the Local Authority out of whose district they are moved; and he shall enforce and superintend the immediate slaughter there of the swine, and shall forthwith report to both the Local Authorities the fact of the slaughter there.

#### *B.—Swine not affected with Swine-Fever.*

(g.) All swine being in or on the market, fair, sale-yard, place of exhibition, lair, landing-place, wharf, railway station, land, water, sty, shed, field, yard, farm, park, or other place aforesaid at the same time with swine found to be affected with swine-fever, shall be dealt with in all respects as if swine-fever had not been found therein or thereon.

#### *C.—Declaration of Infected Place by Privy Council only.*
