**W**HEREAS by an Act passed in the 37th year of Her Majesty's reign, chapter 88, intituled "The Slave Trade Act, 1873," it was amongst other things provided that "where any Treaty in relation to the Slave Trade is made after the passing of that Act, by or on behalf of Her Majesty with any Foreign State, Her Majesty may, by Order in Council, direct that, as from such date, not being earlier than the date of the Treaty, as may be specified in the Order, such Treaty shall be 'deemed' to be an existing Slave Trade Treaty within the meaning of the Act and it was further provided that "thereupon (as from the said date, or, if no date is specified, as from the date of such "Order") all the provisions of the Act shall apply and be construed accordingly.

And whereas on the 29th day of March 1879 a Treaty or Convention was concluded between Her Majesty Government and the Government of the German Empire, extending to the German Empire the provisions of the Treaty made on the 20th day of December 1841 between Great Britain, Austria, France, and Russia, for the suppression of the Slave Trade, in the following terms, that is to say:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, the Most Honourable Robert Arthur Talbot Gascoyne Cecil, Marquis of Salisbury, Viscount Cranborne, Baron Cecil, a Peer of the United Kingdom, a Knight of the Most Noble Order of the Garter, Member of Her Majesty's Most Honourable Privy Council, Her Majesty's Principal Secretary of State for Foreign Affairs;

NACHDEM Ihre Majestät die Königin des Vereinigten Königreichs von Grossbritannien und Irland, und Seine Majestät der Deutsche Kaiser, König von Preussen, es für wünschenswerth erachtet haben, dass der zwischen Grossbritannien, Preussen, Oesterreich, Frankreich und Russland am 20. #### ARTICLE I.

All the rights and obligations hitherto devolving on Prussia in virtue of the above-mentioned Treaty and the Annexes thereto shall, subject to certain modifications contained in Article II of this Convention, henceforth devolve on the German Empire, as if that Empire had been a Contracting Party to the said Treaty.

#### ARTICLE II.

In the place of the 11th and 12th paragraphs under Head V of the Instructions to Cruizers appended to the aforesaid Treaty as Annex B, the following stipulations shall be adopted :—

All German vessels which shall be detained on the stations of America or Africa by the cruizers of the other Contracting Parties shall be taken to Cuxhaven, and be delivered up by the authorities there to the jurisdiction of that German State to which the home port of the vessel belongs.

But if slaves shall be found on board any such German vessel at the time of her detention, the vessel shall, in the first instance, be sent to deposit the slaves at that port to which she would have been taken for adjudication if she had been sailing under the English flag. The vessel shall afterwards be sent to Cuxhaven, and shall be delivered up to the competent German jurisdiction as above stipulated.

#### ARTICLE III.

The present Convention shall be ratified, and the ratifications exchanged at London as soon as possible after the Governments of Austria-Hungary and Russia, parties to the Treaty of the 20th December, 1841, have signified their consent to the modifications of that Treaty, agreed to in the present Convention.

In witness whereof the Undersigned have signed the present Convention in Duplicate, and have affixed thereto their seals.

Wenn aber an Bord eines solchen deutschen Schiffes im Augenblick seiner Beschlagnahme Sklaven vorgefunden werden, so ist das Schiff zovörderst, um die Sklaven abzusetzen, in denjenigen Hafen zu führen, wohin es, wenn es unter englischer Flagge gefahren wäre, geführt worden sein würde, um vor Gericht gestellt zu werden. Demnächst ist das Schiff nach Cuxhaven zu führen und der zuständigen deutschen Jurisdiktion, wie oben vereinbart, zu überliefern.

#### ARTIKEL III.

Die gegenwärtige Uebereinkunft soll ratifizirt werden und der Austausch der Ratifikationen soll, nachdem die Regierungen von Oesterreich-Ungarn und Russland als Betheiligte an dem Verträge vom 20. Dezember 1841 ihre Zustimmung zu den in gegenwärtiger Uebereinkunft verabredeten Abänderungen jenes Vertrages erklärt haben werden, sobald als möglich in London stattfinden.

(c) that they have followed the Sea Service as their profession throughout the time they have served as Midshipmen in the Royal Naval Reserve.

2. The names of Midshipmen who fail to obtain these qualifications for promotion at 25 years of age to be removed from the Lists of the Royal Naval Reserve, except in any special case to be judged by us, where prolonged service abroad is the cause of the failure to qualify under these Regulations.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the fourth and fifth years of Her Majesty, chapter thirty-nine, of the Act of the seventeenth and eighteenth years of Her Majesty, chapter eighty-four, of the Act of the thirty-first and thirty-second years of Her Majesty, chapter one hundred and fourteen, and of the Act of the thirty-third and thirty-fourth years of Her Majesty, chapter thirty-nine duly prepared and laid before Her Majesty in Council a scheme, bearing date the tenth day of June, in the year one thousand eight hundred and eighty, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of your Majesty chapter one hundred and thirteen of the Act of the fourth and fifth years of your Majesty chapter thirty-nine of the Act of the seventeenth and eighteenth years of your Majesty chapter eighty-four of the Act of the thirty-first and thirty-second years of your Majesty chapter one hundred and fourteen and of the Act of the thirty-third and thirty-fourth years of your Majesty chapter thirty-nine have prepared and now humbly lay before your Majesty in Council the following scheme for making better provision for the cure of souls within the district chapelry of Saint Peter Curdridge in the county of Southampton and in the diocese of Winchester.

"Whereas the said district chapelry of Saint Peter Curdridge is a cure taken out of the parish of Bishop's Waltham in the said county of Southampton and diocese of Winchester and the advowson of the rectory and parish church (hereinafter called 'the said benefice') of Bishop's Waltham aforesaid is vested in the Bishop of Winchester for the time being in right of his See.

"And whereas the advowson of the said district chapelry of Saint Peter Curdridge and of the church thereof (which said church and cure are hereinafter called 'the said benefice of Curdridge') is vested in the rector of the said benefice of Bishop's Waltham for the time being.

"And whereas the said benefice of Bishop's Waltham and the said benefice of Curdridge are (each of them) now full of a Clerk.

"And whereas the endowments of the said benefice of Bishop's Waltham are already subject to a charge of one hundred pounds per annum in favour of the said benefice of Curdridge which charge was created by a deed dated the twenty-ninth day of July one thousand eight hundred and thirty-five under the provisions of the Act one and two William the Fourth chapter forty-five section twenty-one) and made between the Reverend William Brock Clerk M.A. then and now (as hereinafter is mentioned) rector of the parish church of Bishop's Waltham in the county of Southampton and diocese of Winchester of the first part the Right Reverend Charles Richard Lord Bishop of Winchester patron and ordinary of the said rectory of the second part and the Reverend Richard Chenevix Trench, Clerk perpetual curate or chaplain of the chapel called Curdridge Chapel in the parish and limits of the said parish or rectory of Bishop's Waltham of the third part and notwithstanding such charge the said endowments as enjoyed by the rector of the said benefice of Bishop's Waltham are of considerable amount.

"And whereas it has been proposed to us by the Right Reverend Edward Harold now Bishop of Winchester acting as patron of the said benefice of Bishop's Waltham with the consent of the Reverend William Brock Clerk in Holy Orders now rector of the same benefice that the endowments of the said benefice of Bishop's Waltham shall be further apportioned as is hereinafter recommended and proposed and that in order to render such apportionment legally practicable the transfer of patronage hereinafter recommended and proposed shall be effected.

"And whereas it has been made to appear to us that such further apportionment is expedient and under the circumstances aforesaid we are of opinion that the transfer of patronage hereinbefore mentioned and hereinafter recommended and proposed will tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage to be transferred arises or exists that is to say in the said district chapelry of Saint Peter Curdridge.

"Now therefore with the consent of the Right Honourable and Most Reverend Archibald Campbell Archbishop of Canterbury (in testimony of which consent he the said archbishop has signed this scheme and sealed the same with his episcopal seal) and with the consent of the said Edward Harold Bishop of Winchester (in testimony of which consent he the said bishop has signed this scheme and sealed the same with his episcopal seal) and with the consent of the said William Brock (in testimony of which consent he the said William Brock has signed and sealed this scheme) we the said Ecclesiastical Commissioners for England humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of the said benefice of Curdridge shall be transferred from the said William Brock in whom as rector of the said benefice of Bishop's Waltham the said advowson or perpetual right of patronage is now vested as aforesaid and from his successors in the same rectory and shall thereupon become and be absolutely vested in and shall and may from time to time be fully and freely exercised by the said

Edward Harold or other the person then being Bishop of Winchester and his successors Bishops of Winchester for ever.

"And we further recommend and propose with the like consents testified as aforesaid that without any conveyance or assurance in the law other than as aforesaid all and singular the lands tithes rent-charges in lieu of tithes and other (if any other) endowments which now belong or which may hereafter belong to the said benefice of Bishop's Waltham shall as from the next avoidance of the same benefice be chargeable and for ever thereafter be charged with one clear annual sum of one hundred pounds in favour of the incumbent of the said benefice of Curdrige and his successors to whom the same annual sum or yearly charge of one hundred pounds shall as from the date last aforesaid be due and payable in addition to the said other charge of one hundred pounds per annum created by the said deed dated the twentieth day of July in the year one thousand eight hundred and thirty-five as aforesaid the same yearly charge of one hundred pounds hereby proposed to be created as aforesaid to be apportionable between any outgoing incumbent of the said benefice of Curdrige or his representatives or representative and his successors in the same incumbency and to be receivable by each such incumbent by equal half-yearly payments on the first day of May and on the first day of November in every year and to be recoverable as against the person or persons who for the time being shall be beneficially entitled to the endowments of the said benefice of Bishop's Waltham.

"And we further recommend and propose that the incumbent for the time being of the said benefice of Curdrige shall have the following powers for recovering the said rent-charge of one hundred pounds per annum hereby proposed to be created as aforesaid (that is to say) power if and whenever any part of the said rent-charge shall at any time be unpaid for twenty-one days after any of the times appointed for the payment thereof (although there shall not have been any legal demand made thereof) to enter into the receipt of the endowments charged therewith or any part thereof and to receive and take the same until he shall thereby or otherwise be paid and satisfied the same rent-charge and the arrears thereof due at the time of such entry or afterwards to become due during his being in possession of the same premises together with all costs and expenses occasioned by the non-payment thereof and for the purpose of collecting receiving and recovering such endowments or any of them to use exercise and enjoy all such powers and remedies for collecting recovering and enforcing payment thereof and of the annual sums payable for or towards the raising or making up the same as may be statutorily exercised or exercisable by him under the law then in force.

"Provided always that if at any time the incumbent for the time being of the said benefice of Bishop's Waltham shall by any deed duly executed by him under his hand and seal in accordance with the provisions of any statute in that behalf enabling him grant convey and annex to the said benefice of Curdrige any part or parts of the rectorial endowments belonging to the said benefice of Bishop's Waltham which shall in the opinion of the Bishop of Winchester for the time being be a just and fair equivalent or not less than an equivalent for the said yearly charge of one hundred pounds hereby proposed to be created as aforesaid then the same annual sum or yearly charge of one hundred pounds shall thereupon and thenceforth cease and determine and be no

longer payable as hereinbefore recommended and proposed.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Winchester.

C. L. Peel.

At the Court at Windsor, the 28th day of June, 1880.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty, King William the Fourth, chapter seventy-seven, and of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the thirty-seventh and thirty-eighth years of Her Majesty, chapter sixty-three, duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of May, in the year one thousand eight hundred and eighty, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England acting in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth chapter seventy-seven and of the Act of the third and fourth years of your Majesty chapter one hundred and thirteen and of the Act of the thirty-seventh and thirty-eighth years of your Majesty chapter sixty-three have prepared and now humbly lay before your Majesty in Council the following scheme relating to the Archdeaconry of Durham within the diocese of Durham.

"Whereas the said Archdeaconry of Durham now comprises within the limits of its area seven rural deaneries being the rural deaneries which are specified in the schedule under the hand and seal of the Bishop of the said diocese of Durham which was prepared in pursuance of the lastly hereinbefore mentioned Act and which is deposited in the Registry of the same diocese setting forth the portions or divisions of the diocese of Durham which at the time of the passing of the same Act were accounted and held to be rural deaneries.

"And whereas (as by the said schedule appears) the said seven rural deaneries comprised within the said Archdeaconry of Durham are now named respectively as follows that is to say:—

1. The Rural Deanery of Chester Eastern Division.
2. The Rural Deanery of Chester Western Division.
3. The Rural Deanery of Darlington Northern Division.
4. The Rural Deanery of Darlington Southern Division.

5. The Rural Deanery of Easington, Northern Division.
6. The Rural Deanery of Easington, Southern Division.
7. The Rural Deanery of Stockton.

"And whereas the Right Reverend Joseph Barber now Bishop of the said diocese of Durham has made it appear to us that the said seven rural deaneries now comprised within the said Archdeaconry of Durham are inconveniently large in area, and that the benefices now comprised within the same archdeaconry are inconveniently distributed as amongst the said seven rural deaneries, and has also made it appear to us to be expedient that the said seven rural deaneries shall be dealt with in such manner as that the name of each of them, except the name of the Rural Deanery of Stockton, shall be altered or varied, and in such manner as that the same area which is now comprised within and continuous with the said seven rural deaneries taken together shall henceforth be divided amongst and comprised within eleven rural deaneries instead of seven only, being the eleven rural deaneries in this scheme and in the schedule thereto mentioned and named and described; which said eleven rural deaneries contain within one or other of them all the benefices now comprised within the said present seven rural deaneries; and which said eleven rural deaneries do as to each of seven of them represent (so far as may be) in point of area, some part of one or other of the said present seven rural deaneries.

"Now therefore with the consent of the said Joseph Barber Bishop of the said diocese of Durham (in testimony of which consent he has to this scheme set his hand and his episcopal seal) we the said Ecclesiastical Commissioners for England humbly recommend and propose as follows, namely:—

"That upon and from the day on which any Order of your Majesty in Council ratifying this scheme shall be published in the London Gazette the rural deaneries within the said Archdeaconry of Durham shall be eleven in number and no more, and that each of the said eleven rural deaneries shall bear the name which in the schedule to this scheme annexed is given to it and shall comprise and consist of the several cures which in the same schedule are set down under that name, each of which said cures is now in its entirety within some one of the said seven rural deaneries of the said Archdeaconry of Durham and will also henceforth be in its entirety within some one of the said eleven proposed rural deaneries of the same archdeaconry; and each of which said eleven proposed rural deaneries represents in point of area some part or parts of one or more of the said seven present rural deaneries.

"And we further recommend and propose that each of the said eleven rural deaneries in the said schedule to this scheme named and described shall be (as each of the said seven present rural deaneries now is) a rural deanery within the said Archdeaconry of Durham in the said diocese of Durham and that the rural deans of the said eleven rural deaneries respectively shall be each of them under and subject to the jurisdiction and control of the archdeacon for the time being of the said Archdeaconry of Durham and that the clergy and other inhabitants of the same eleven rural deaneries respectively shall be under and subject to the jurisdiction, authority and control of the rural dean of that one of the same eleven rural deaneries of which they are inhabitants and not to the jurisdiction authority and control of any other rural dean.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing to your Majesty in Council any other matter or thing relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or any of them or of any other Act of Parliament.

C. L. Peel.

At the Court at Windsor, the 28th day of June, 1880.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her

Majesty, chapter seventy ; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven ; of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five ; and of the Act of the thirty-fourth and thirty-fifth years of Her Majesty, chapter eighty-two ; duly prepared and laid before Her Majesty in Council a representation, bearing date the twenty-ninth day of April, in the year one thousand eight hundred and eighty, in the words following ; that is to say :—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of your Majesty chapter seventy of the Act of the fourteenth and fifteenth years of your Majesty chapter ninety-seven of the Act of the nineteenth and twentieth years of your Majesty chapter fifty-five and of the Act of the thirty-fourth and thirty-fifth years of your Majesty chapter eighty-two have prepared and now humbly lay before your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Stephen situate at Hammerwood in the parish of East Grinstead in the county of Sussex and in the diocese of Chichester.

"Whereas at certain extremities of the said parish of East Grinstead and of the parish of Hartfield in the county and diocese aforesaid which said extremities lie contiguous one to another and are described in the schedule hereunder written there is collected together a population which is situate at a distance from the several churches of such parishes respectively.

"And whereas it appears to us to be expedient that such contiguous portions of the said parish of East Grinstead and of the said parish of Hartfield should be formed into a consolidated chapelry for all ecclesiastical purposes and that the same should be assigned to the said church of Saint Stephen situate at Hammerwood as aforesaid.

"Now, therefore, with the consent of the Right Reverend Richard Bishop of the said diocese of Chichester with the consent of the Right Honourable Mortimer Baron Sackville the patron of the vicarage of the said parish of East Grinstead and with the consent of the Right Honourable Reginald Windsor Earl Delawarr the patron of the rectory and vicarage of the said parish of Hartfield (in testimony whereof they the said consenting parties have respectively signed and sealed this representation) we the said Ecclesiastical Commissioners for England humbly represent that it would in our opinion be expedient that all those contiguous portions of the said parish of East Grinstead and of the said parish of Hartfield which are described in the schedule hereunder written all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed should be united and formed into one consolidated chapelry for the said church of Saint Stephen situate at Hammerwood as aforesaid and that the same should be named 'The Consolidated Chapelry of Saint Stephen, Hammerwood.'

"We, therefore, humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration and to make such Order in respect thereto as to your Majesty in your Royal wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint Stephen, Hammerwood, being :—

"All that portion of the parish of East Grinstead in the county of Sussex and in the diocese of Chichester wherein the present incumbent of

AT the Court at Windsor, the 28th day of June, 1880.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the fourth and fifth years of Her Majesty chapter thirty-nine, of the Act of the seventeenth and eighteenth years of Her Majesty, chapter eighty-four, of the Act of the thirty-first and thirty-second years of Her Majesty, chapter one hundred and fourteen, and of the Act of the thirty-third and thirty-fourth years of Her Majesty, chapter thirty-nine, duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of May, in the year one thousand eight hundred and eighty, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of your Majesty chapter one hundred and thirteen of the Act of the fourth and fifth years of your Majesty chapter thirty-nine of the Act of the seventeenth and eighteenth years of your Majesty chapter eighty-four of the Act of the thirty-first and thirty-second years of your Majesty chapter one hundred and fourteen and of the Act of the thirty-third and thirty-fourth years of your Majesty chapter thirty-nine have prepared and now humbly lay before your Majesty in Council the following scheme for making better provision for the cure of souls within the parish of Woodlands in the county of Kent and in the diocese of Canterbury.

"Whereas the advowson of the rectory and vicarage and parish church of Wrotham in the said county and diocese is vested in the Archbishop of Canterbury for the time being in right of his See.

"And whereas the advowson of the vicarage and parish church of Woodlands aforesaid is vested in Julia Vincent of Clapham Common in the county of Surrey Widow of Richard Vincent of Crockham Hill in the county of Kent deceased during her life and widowhood and after her decease or second marriage is vested in Richard Dacre Vincent now of Hythe in the same county a Lieutenant in Her Majesty's one hundred and third Regiment of Infantry the eldest son of the

said Richard Vincent and Julia his wife and his heirs and assigns for ever.

"And whereas the said benefice of Wrotham and the said benefice of Woodlands are (each of them) now full of a Clerk.

"And whereas the endowments of the said rectory and vicarage forming the benefice of Wrotham are of considerable amount.

"And whereas it has been proposed to us by the Right Honourable and Most Reverend Archibald Campbell Archbishop of Canterbury acting as patron of the said rectory and vicarage of Wrotham and with the consent of the Reverend William Frederick Erskine Knollys Clerk in Holy Orders, now incumbent of the said rectory and vicarage of Wrotham and by the said Julia Vincent and Richard Dacre Vincent acting as such patrons as aforesaid of the said vicarage and benefice of Woodlands that the endowments of the said rectory and vicarage of Wrotham shall be apportioned as is hereinafter recommended and proposed and that in order to render such apportionment legally practicable the transfer of patronage hereafter recommended and proposed shall be effected.

"And whereas it has been made to appear to us that such apportionment is expedient and under the circumstances aforesaid we are of opinion that the transfer of patronage hereinbefore mentioned and hereinafter recommended and proposed will tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage to be transferred arises or exists that is to say in the said parish of Woodlands.

"Now therefore with the consent of the said Archibald Campbell Archbishop of Canterbury (in testimony of which consent he has signed this scheme and sealed the same with his episcopal seal) and with the consent of the said William Frederick Erskine Knollys and of the said Julia Vincent and of the said Richard Dacre Vincent (in testimony of which consent they also have respectively signed and sealed this scheme) we humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of the said vicarage and benefice of Woodlands shall be transferred from the said Julia Vincent and Richard Dacre Vincent according to their respective estates and interests therein as aforesaid and shall thereupon become and be absolutely vested in the said Archibald Campbell or other the person then being Archbishop of Canterbury and his successors Archbishops of Canterbury for ever.

"And we further recommend and propose with the like consents testified as aforesaid that without any conveyance or assurance in the law other than as aforesaid and as from the day aforesaid all and singular the lands tithes rent-charges in lieu of tithes and other (if any other) endowments which now belong or which may hereafter belong to the said rectory and vicarage of Wrotham shall be chargeable and for ever thereafter be charged with one clear annual sum of one hundred pounds in favour of the vicar or incumbent of the said benefice of Woodlands and his successors to whom the same annual sum or yearly charge of one hundred pounds shall be due and payable and that the same annual sum or yearly rent-charge of one hundred pounds shall be apportionable between any outgoing vicar or incumbent of the said benefice of Woodlands or his representatives or repre-

sentative and his successors in the same vicarage or incumbency and be receivable by each such vicar or incumbent by equal half-yearly payments on the twenty-fifth day of March and the twenty-ninth day of September in every year and that the first of such half-yearly payments calculated up to the twenty-fifth day of March now last past shall be made immediately after the publication in the London Gazette of any Order of your Majesty in Council which may be made ratifying this scheme and that the said annual sum or yearly rent-charge shall be recoverable as against the person or persons who for the time being shall be beneficially entitled to the endowments of the said rectory and vicarage of Wrotham, and that to that end the incumbent for the time being of the said vicarage and benefice of Woodlands shall have the following powers for recovering the said rent-charge (that is to say) Power if and whenever any part of the said rent-charge shall at any time be unpaid for twenty-one days after any of the times appointed for the payment thereof (although there shall not have been any legal demand made thereof) to enter into the receipt of the endowments charged therewith or any part thereof and to receive and take the same until he shall thereby or otherwise be paid and satisfied the same rent-charge and the arrears thereof due at the time of such entry or afterwards to become due during his being in possession of the same premises together with all costs and expenses occasioned by the non-payment thereof and for the purpose of collecting receiving and recovering such endowments or any of them to use exercise and enjoy all such powers and remedies for collecting recovering and enforcing payment thereof and of the annual sums payable for or towards the raising or making up the same as may be statutorily exercised or exercisable by him under the law then in force.

"Provided always that if at any time the incumbent for the time being of the said rectory and vicarage of Wrotham shall by any deed duly executed by him under his hand and seal in accordance with the provisions of any statute in that behalf enabling him grant convey and annex to the said benefice of Woodlands any part or parts of the rectorial or vicarial endowments belonging to the said benefice of Wrotham which shall in the opinion of the Archbishop of Canterbury for the time being be a just and fair equivalent or not less than an equivalent for the said annual sum or yearly charge of one hundred pounds the same annual sum or yearly charge of one hundred pounds shall thereupon and thenceforth cease and determine and be no longer payable as hereinbefore recommended and proposed.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Canterbury.

*Metropolitan Board of Works.*

AT a Meeting of the Metropolitan Board of Works, held at their Office, Spring Gardens, this thirtieth day of April, one thousand eight hundred and eighty, it was ordered as follows :—

Whereas, by the Metropolis Management Amendment Act, 1862, it is enacted that when at any time, upon any account taken of the population by the authority of Parliament, any of the parishes within the metropolis not then divided into wards, for the purpose of electing vestrymen, shall be found to contain more than 2,000 rated householders, it shall be lawful for the Metropolitan Board of Works, upon the application, in writing, of the Vestry, or of not less than 500 rated householders of the parish, to divide such parish into wards, and to determine and set out the number, extent, limits, and boundary lines of such wards, but so, nevertheless, that no ward shall contain less than 500 rated householders, and that the whole number of wards shall not exceed 8; and the Metropolitan Board shall apportion among the several wards the number of vestrymen to be elected for such parish, and shall, in assigning the number of vestrymen to each ward, have regard, as far as in their judgment is practicable, as well to the number of persons rated to the relief of the poor in each ward, as to the aggregate amount of the sums at which all such persons are rated, and the number of vestrymen assigned to each ward shall be a number divisible by 3. And whereas the parish of All Saints, Poplar, is comprised

within the limits of the Metropolis Management Act, 1855, and is one of the parishes in Part I of Schedule B of that Act, and at the passing of the same Act the parish did not contain 2,000 rated householders, and consequently was not divided into wards. And the Vestry of the parish of All Saints, Poplar, have now applied to us, the Metropolitan Board of Works, to divide the said parish of All Saints, Poplar, into wards, according to the provisions of the 41st section of the Metropolis Management Amendment Act, 1862. And whereas it appears from the Census Return made by the authority of Parliament in the year 1871 that the number of inhabited houses in the parish was returned at 6,651, the number of rated householders at 6,460, and the rateable annual value of property at £246,904. Now, the Metropolitan Board of Works having ascertained by the account of the population taken by authority of Parliament, as contained in the said Census Return for the year 1871, that the number of rated householders for the parish of All Saints, Poplar, is 6,460, and having taken into consideration the number of persons rated to the relief of the poor in the same parish, and the aggregate amount of the rating, and all the circumstances connected with the aforesaid application, doth hereby order, that the said parish of All Saints, Poplar, be divided into three wards, to be distinguished by the names mentioned in the first column of the Schedule hereto, and do hereby set out the extent, limits, and boundary lines of the said wards, as the same are described in the second column of the Schedule hereto, in con-

junction with the names distinguishing such wards respectively, and having regard, as well to the number of persons rated to the relief of the poor in each ward, as to the aggregate amount of the sums at which all such persons are rated, do hereby apportion the number of vestrymen to be elected for the said parish among the said wards according to the respective numbers mentioned in the third column of the Schedule hereto in conjunction with such wards respectively.

## The SCHEDULE above referred to.
