

of the seventeenth and eighteenth years of Her Majesty, chapter eighty-four duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifteenth day of July, in the year one thousand eight hundred and eighty, in the words following, that is to say :

"We the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty chapter one hundred and thirteen and of the Act of the seventeenth and eighteenth years of your Majesty chapter eighty-four have prepared and now humbly lay before your Majesty in Council the following scheme for the apportioning the income of the benefice (being the rectory) of Newton with Saint Mary's Chapel in the Marsh annexed (which said benefice is hereinafter called by the name of Newton only) in the county of Cambridge and in the diocese of Ely between that benefice and two other benefices namely the benefice (being a vicarage) of All Saints Newmarket and the benefice (being a vicarage) of Great Shelford each of which said last two named benefices is situate in the said county of Cambridge and in the said diocese of Ely.

"Whereas the Bishop of the said diocese of Ely is the patron in right of his See of the said benefice of Newton and also of each of the said two benefices of All Saints Newmarket and Great Shelford.

"And whereas it has been made to appear to us that the said two benefices of All Saints Newmarket and Great Shelford are at present insufficiently endowed and that the said benefice of Newton has endowments of such an amount as that after the two charges hereinafter recommended and proposed to be made shall have been placed upon the same endowments the said benefice of Newton will still be sufficiently endowed.

"And whereas the Right Reverend James Russell Bishop of the said diocese of Ely has represented to us and we are of opinion that it is desirable that additional provision should be made for the cure of souls within the parish of All Saints Newmarket aforesaid and within the parish of Great Shelford aforesaid by means of that apportionment of the income of the said benefice of Newton which is hereinafter recommended and proposed.

"And whereas the said benefice of Newton is now full of a clerk.

"Now therefore with the consent of the Right Honourable and Most Reverend Archibald Campbell, Archbishop of Canterbury acting as Archbishop of the Province within which each of the said three benefices is situate and with the consent of the said James Russell Bishop of the said diocese of Ely acting as such Bishop and also as the patron in right of his See of each of the said three benefices as aforesaid (in testimony whereof they the said consenting parties have respectively signed this scheme and sealed the same with their several episcopal seals) we the said Ecclesiastical Commissioners humbly recommend and propose that without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same and as from the day of the date at which the said benefice of Newton shall from whatsoever cause be next avoided all the tithe rent-charges glebe lands and all (if any) other the endowments which shall at the date of the next avoidance of the said benefice of Newton or which may thereafter belong to the same benefice shall be charged and for ever thereafter chargeable in favour of the incumbent for the time being of the said benefices of All Saints Newmarket and Great Shelford respectively

with the annual sums or yearly charges herein-after mentioned that is to say a clear annual sum or yearly charge of one hundred pounds in favour of the incumbent for the time being of the said benefice of All Saints Newmarket and a clear annual sum or yearly charge of one hundred pounds in favour of the incumbent for the time being of the said benefice of Great Shelford the same annual sums or yearly charges of one hundred pounds and one hundred pounds respectively to be as from the day aforesaid due and payable the one of them to the incumbent of the said benefice of All Saints Newmarket and the other of them to the incumbent of the said benefice of Great Shelford respectively and each of the same annual sums or yearly charges to be apportionable between any outgoing incumbent of the benefice in favour of which the same is charged as aforesaid or his representatives on the one hand and his successor in the same incumbency on the other hand ; and to be receivable by the incumbent in whose favour it is charged as aforesaid by equal half-yearly payments on the first day of May and the first day of November in every year.

"And we further recommend and propose that that the several incumbents for the time being of the said benefices of All Saints Newmarket and Great Shelford respectively shall each of them have the following powers for recovering the said rent-charge of one hundred pounds per annum hereby proposed to be created in favour of the benefice of which he is incumbent as aforesaid (that is to say) power, if and whenever any part of the said rent-charge shall at any time be unpaid for twenty-one days after any of the times appointed for the payment thereof (although there shall not have been any legal demand made thereof) to enter into the receipt of the endowments charged therewith or any part thereof and to receive and take the same until he shall thereby or otherwise be paid and satisfied the same rent-charge and the arrears thereof due at the time of such entry or afterwards to become due during his being in possession of the same premises together with all costs and expenses occasioned by the non-payment thereof and for the purpose of collecting receiving and recovering such endowments or any of them to use exercise and enjoy all such powers and remedies for collecting recovering and enforcing payment thereof and of the annual sums payable for or towards the raising or making up the same as may be statutorily exercised or exercisable by him under the law then in force.

"Provided always that if at any time the incumbent for the time being of the said benefice of Newton shall by any deed or deeds duly executed by him under his hand and seal in accordance with the provisions of any statutes or statute in that behalf enabling him grant convey and annex to the said benefice of All Saints Newmarket or to the said benefice of Great Shelford or to each of them respectively any part or parts of the rectorial endowments then belonging to the said benefice of Newton which shall in the opinion of the Bishop of the said diocese of Ely for the time being be a just and fair equivalent or not less than an equivalent for that one of the said two yearly charges of one hundred pounds hereby recommended to be created as aforesaid which is so proposed to be created in favour of the benefice to which such part or parts of the same rectorial endowment shall be so granted conveyed and annexed as aforesaid or for both of the same two yearly charges then the same annual sum or yearly charge of one hundred pounds (or as the case may be both of the same sums) shall there-
