All the intended tramways hereinbefore described will be made in the borough, in the township of Bootle-cum-Linacre, in the parish of Walton-on-the-Hill, and in the county of Lancaster.

The tramways are intended to be constructed on a gauge of 4 feet 8½ inches, and it is not proposed to run thereon carriages or trucks adapted for use upon railways.

The intended Provisional Order will incorporate with itself the whole or some of the provisions of the Tramways Act, 1870, with such alterations and amendments thereof as may be deemed expedient, and will enable the Promoters to exercise the powers granted by that Act to parties who are therein called Promoters, as well as the powers hereinafter mentioned, that is to say :

To enable the Promoters when, by reason of the execution of any work affecting the surface or soil of any street, road, or highway, or otherwise, it is necessary or expedient to remove or discontinue the use of any tramways, or any part thereof respectively, from time to time to make and lay down in the same or any adjacent or convenient street, road, or other highway in the borough, and to maintain so long as occasion may require a temporary tramway or temporary tramways in lieu of the tramway or part of a tramway so removed or discontinued, to be used or found expedient so to be.

To empower the Promoters from time to time to lay down, make, maintain, alter, and remove all such crossings, passing places, sidings, junctions, curves, turnouts, and other works in addition to those hereinbefore particularly specified as may from time to time be necessary or convenient to the efficient working of the tramways, or any of them, or for facilitating the traffic of the streets in which the same are laid, or for providing access to any stables or carriage sheds or works of the Promoters, or their lessees or licensees. And also to empower the Promoters to substitute double line or lines for single line or lines.

To authorize the use on the proposed tramways, or any of them, or any part or parts thereof, respectively, of carriages and engines moved by steam or other mechanical power.

To authorize the Promoters, their lessees and others, to pass over and use with their carriages and servants any tramway communicating either directly or indirectly with any of the Promoters' intended tramways, and to fix the tolls and charges to be paid in respect thereof—or otherwise to

provide for the same—and to confirm and carry into effect any agreements made before the granting of the Provisional Order relating to such user, tolls, and charges.

To authorize and empower the Promoters and the Local or Sanitary Authority of any adjoining or neighbouring district and any tramway, omnibus, gas, or water company, or any of them, to enter into and carry into effect agreements with reference to the construction, working, using, maintenance, leasing, and management of the said tramways, or any of them, or any part thereof, the forwarding and interchange of carriages, traffic at junctions, the appointment, removal, and payment of officers and servants, and the fixing, collection, division, apportionment, and appropriation of tolls, rates, and charges, or to any other matters connected with the said tramways, or incidental thereto, and to confirm any such agreement entered into prior to the confirmation of the intended Provisional Order.

To authorize the Promoters to grant leases of the tramways, or any of them, or any part or parts thereof, or grant licenses to use the same, and to reserve in any such lease the right for the Promoters and any other local authority or local authorities to use the same for conveyance for sanitary purposes, and to make provisions in such leases for the running of workmen's carriages at reduced fares.

To authorize the levying of tolls, rates, and charges for the use of the tramways.

To confer on the Promoters all such other powers, rights, and privileges as may be necessary or convenient for carrying into effect the objects of the intended Order, and to vary or extinguish all existing powers, rights, and privileges which would in any manner impede or interfere with any of such objects.

To alter or amend the provisions of the Tramways Act, 1870, or any Order or confirming Act made thereunder, and also to alter or amend the Liverpool Tramways Act, 1880, and all other Acts and Orders relating to the tramway undertakings of the Mayor, Aldermen, and Citizens of the city of Liverpool, and of the Liverpool United Tramways and Omnibus Company, or either of them.
