

held in accordance with the following conditions :

- (i.) That the sale is held on a farm or premises not in a place infected with foot-and-mouth disease :
- (ii.) That no animal on the farm or premises is affected with foot-and-mouth disease :
- (iii.) That every animal exposed for sale has been on the farm or premises not less than twenty-eight days immediately before the sale :
- (iv.) That no animal exposed for sale has been in contact with any animal brought on to the farm or premises within those 28 days.
- (b.) A movement licence for the movement of an animal exposed for sale as aforesaid shall not be granted except on a declaration such as is indicated in the form given in the Schedule hereto, or to the like effect, made by the occupier of the farm or premises on which the sale is held, or his agent authorized in writing for that purpose.
- (c.) The declaration required by this Article shall be in addition to and not in substitution for any other declaration or any certificate required by any Order of Council as a condition precedent to the granting of a movement licence.
- (d.) The Forms of movement licence (other than Occupation Licences) prescribed by any Order of Council may be used for the movement of animals in the cases provided for by this Article and be varied accordingly.
- (e.) A person or company moving or conveying any animal on a movement licence shall not be bound to inquire whether or not the additional declaration prescribed by this Article has been made in relation to that animal.
