

area infected with foot-and-mouth disease (namely),—An area comprising the Isle of Wight, including the boroughs of Newport and Ryde,—is hereby declared to be free from foot-and-mouth disease, and that area shall, as from the commencement of this Order, cease to be an area infected with foot-and-mouth disease.

Edmund Harrison.

AT the Council Chamber, Whitehall, the 14th day of April, 1881.

By the Lords of Her Majesty's Most Honourable Privy Council.

THE Lords of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

1. This Order shall take effect from and immediately after the nineteenth day of April, one thousand eight hundred and eighty-one.

2. The petty sessional division of Chelmsford, in the county of Essex, which was declared by Order of Council to be an area or part of an area infected with foot-and-mouth disease, is, except the parishes of Good Easter, Chignal Smealy, and Mashbury, hereby declared to be free from foot-and-mouth disease, and that petty sessional division, except as aforesaid, shall, as from the commencement of this Order, cease to be an area or part of an area infected with foot-and-mouth disease.

3. The petty sessional divisions of Beacontree, Brentwood (with the exception of the lands and buildings at Thames Haven approved by the Privy Council for the landing and lairage of foreign animals), Epping, Hinckford North, Hinckford South, Lexden and Winstree, Orsett, and Tendring, and the parishes of Good Easter, Chignal Smealy, and Mashbury, in the petty sessional division of Chelmsford, in the county of Essex, shall continue to be and are hereby declared to be an area or areas infected with foot-and-mouth disease.

Edmund Harrison.

AT the Council Chamber, Whitehall, the 14th day of April, 1881.

By the Lords of Her Majesty's Most Honourable Privy Council.

THE Lords of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

1. This Order shall take effect from and immediately after the nineteenth day of April, one thousand eight hundred and eighty-one.

2. The petty sessional division of Aylesbury, in the county of Buckingham, which was declared by Order of Council to be an area or part of an area infected with foot-and-mouth disease, is, except the township of Waddesdon (with the exception of the detached part thereof known as Ham Green), and the parishes of Upper Winchendon, and Quarrendon, hereby declared to be free from foot-and-mouth disease, and that petty sessional division, except as aforesaid, shall, as from the commencement of this Order, cease to be an area or part of an area infected with foot-and-mouth disease.

3. The township of Waddesdon (with the exception of the detached part thereof known as

Ham Green), and the parishes of Upper Winchendon, and Quarrendon, in the petty sessional division of Aylesbury, in the county of Buckingham, and the borough of Chepping Wycombe, shall continue to be and are hereby declared to be an area or areas infected with foot-and-mouth disease.

Edmund Harrison.

AT the Council Chamber, Whitehall, the 14th day of April, 1881.

By the Lords of Her Majesty's Most Honourable Privy Council.

THE Lords of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

1. This Order shall take effect from and immediately after the nineteenth day of April, one thousand eight hundred and eighty-one.

2. That part of the parish of Enfield lying on the west side of the New River, in the petty sessional division of Edmonton, in the county of Middlesex, which was declared by Order of Council to be an area infected with foot-and-mouth disease, is hereby declared to be free from foot-and-mouth disease, and that area shall, as from the commencement of this Order, cease to be an area or part of an area infected with foot-and-mouth disease.

3.—(1.) The parish of Ealing, in the petty sessional division of Brentford, the parish of Harrow, in the petty sessional division of Gore, and the parish of Willesden, in the petty sessional division of Kensington ; (2.) the parish of Heston, in the petty sessional division of Brentford ; (3.) that part of the petty sessional division of Spelthorne bounded, on the south and west by the River Thames, on the north by the London and South-Western Railway, and on the east by the road leading from Feltham Station through Feltham and Feltham-Hill to Sunbury ; in the county of Middlesex, shall continue to be, and are hereby declared to be, areas infected with foot-and-mouth disease.

Edmund Harrison.

AT the Council Chamber, Whitehall, the 15th day of April, 1881.

By the Lords of Her Majesty's Most Honourable Privy Council.

THE Lords of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

1. This Order shall take effect from and immediately after the nineteenth day of April, one thousand eight hundred and eighty-one.

2. The petty sessional division of Hailsham, in the county of Sussex, which was declared by Order of Council to be an area or part of an area infected with foot-and-mouth disease, is hereby declared to be free from foot-and-mouth disease, and that petty sessional division shall, as from the commencement of this Order, cease to be an area or part of an area infected with foot-and-mouth disease.

3. The petty sessional divisions of Battle, Frant, and Hastings, in the county of Sussex, shall continue to be and are hereby declared to be an area or areas infected with foot-and-mouth disease.

Edmund Harrison.
