Published by Authority.

TUESDAY, AUGUST 30, 1881.

Her Majesty's Most Gracious Speech, delivered by the Lords Commissioners, to both Houses of Parliament, on Saturday, August 27, 1881.

My Lords, and Gentlemen,

THE time has arrived when I am at length enabled to release you from your unusually severe and protracted labours.

My relations with all foreign Powers continue to be amicable and cordial.

Progress has been made since I last addressed you in the territorial arrangements of the Levant. A Treaty has been concluded, with the sanction of all the Great Powers, for the cession of Thessaly to the Greek Kingdom; and its peaceful execution has begun.

Recent events in Tunis have led to communications between my Government and the Government of France; and I have received satisfactory assurances from the Republic as to the rights secured to me by Treaty with the Bey, and as to the relations between the Regency and the neighbouring Ottoman territory of Tripoli.

The Convention has been signed, which secures to the European population of the Transvaal, subject to important conditions therein set forth, a complete internal self-government. It awaits ratification by a Representative Assembly of the people. I trust that, when confirmed, it will contribute effectually to the tranquillity of South Africa and to stability in its affairs.

The hopes in which I indulged on the last occasion of my addressing you, with respect to the war in Basutoland, have been fulfilled; and I have to notice, with much satisfaction, the termination of hostilities in that country.

In the month of April my troops were withdrawn from Candahar, and the Government of Southern Afghanistan was assumed by the Ameer Abdur Rahman.

I have no reason to anticipate any disturbance of peace on the north-western frontier of my Indian dominions from the contest with the Ameer into which Ayoub Khan has since entered.

It will be my object, while respecting the independence of the Afghan people, to promote, by my friendly offices, as opportunity may arise, the restoration of peace.

Gentlemen of the House of Commons,

I thank you for the supplies which you have provided to meet the public charge, and for the contribution you have liberally made towards the expenses of the recent war in Afghanistan.

My Lords, and Gentlemen,

The commercial negotiations with France have

been suspended; but I continue desirous on every ground to use my best efforts for the conclusion of a Treaty on terms favourable to extended intercourse between the two nations, to whose close amity I attach so great a value.

The Act for the Regulation of the Forces gives full legislative effect to the plans approved by Parliament for connecting regiments with the districts in which they will be mainly raised, and for combining together more closely the several branches of my land forces. This completion of the series of arrangements adopted by a former Parliament cannot fail to render more efficient the military organization of the country.

I warmly appreciate the zeal and assiduity with which you have devoted yourselves to the task of maturing a measure for improving the relations between the owners and occupiers of land in Ireland, and for otherwise bettering the condition of its agricultural population. It is my earnest hope that the new law may be productive of benefits commensurate with the care you have bestowed upon its enactments.

I regret that it has been found impossible to proceed with many measures on subjects of importance, which have been, or were prepared to be, submitted to you; and that, notwithstanding exertions almost unparalleled, you have been unable adequately to provide the country with legislation adapted to its growing wants.

It has been my study to use the exceptional powers confided to me in Ireland by two Acts of this Session with vigilance and firmness, but with discrimination; while I earnestly desire that the condition of that country may so improve as to enable me to dispense with, or to abate, the use of temporary and exceptional provisions.

Finally, I ask you to join me in imploring the blessing of the Almighty on our united efforts for the peace, greatness, and happiness of the Empire.

Then a Commission for proroguing the Parliament was read; after which the Lord Chancellor said:

My Lords, and Gentlemen,

By virtue of Her Majesty's Commission, under the Great Seal, to us and other Lords directed, and now read, we do, in Her Majesty's name, and in obedience to Her commands, prorogue this Parliament to Saturday, the twelfth day of November next, to be then here holden; and this Parliament is accordingly prorogued to Saturday, the twelfth day of November next.

C. L. Peel.

AT the Court at *Holbrood Palace*, the 26th day of August, 1881.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the sixty-sixth section of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the twentieth section of the Act of the fourth and fifth years of Her Majesty chapter thirty-nine duly prepared and laid before Her Majesty in Council a scheme bearing date the fourteenth day of July, in the year one thousand eight hundred and eighty-one, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England acting in pursuance of the sixty-sixth section of the Act of the third and fourth years of your Majesty chapter one hundred and thirteen, and of the twentieth section of the Act of the fourth and fifth years of your Majesty chapter thirty-nine, have prepared and now humbly submit to your Majesty in Council the following scheme intended to provide for the more efficient performance of the duties of the Cathedral Church at Chester and for the maintenance of part of the fabric of the same church.

"Whereas the parish of Saint Oswald at Chester (which is a parish partly within and partly without the walls of the city of Chester) has no parish church and the parishioners of that parish have of long time past accustomedly used the south transept of the said Cathedral Church at Chester as their parish church.

"And whereas the Dean and Chapter of the said Cathedral Church at Chester have represented to us that they would be better enabled to provide for the efficient performance of the services of their said Cathedral Church if the use of the south transept of the said Cathedral as the parish church of the parish of Saint Oswald Chester were made to cease.

"And whereas a church dedicated to Saint Thomas has been erected upon certain land granted by us the said Ecclesiastical Commissioners for the purpose situate within that part of the said parish of Saint Oswald which is without the walls of the city of Chester; and the same church has been consecrated.

"And whereas the parishioners of the said parish of Saint Oswald Chester are desirous that the said church when provision shall have been made for enlarging and improving the same in manner hereinafter mentioned shall by a legal

substitution to be effected by us under the statute in that case made and provided become and be the parish church of the said parish of Saint Oswald in lieu of the said south transept of the said Cathedral Church at Chester now so customably used as such parish church as aforesaid, which desire of them the said parishioners has been expressed to us by a resolution passed at a vestry meeting of the said parish held on the twenty-first day of April in this present year one thousand eight hundred and eighty-one of which meeting the Reverend William Henry Lawrence Cogswell, Clerk in Holy Orders, Vicar of the same parish, was the chairman.

"And whereas the parishioners of the said parish of Saint Oswald Chester are also desirous that after the said substitution shall have been effected a certain part of the same parish (to wit, so much of the same parish as is within the walls of the said city of Chester) shall be annexed to the parish of Saint Peter within the same city to which last-named parish it is also proposed that portions of two other parishes within the said city of Chester shall at the same time be annexed.

"And whereas after such annexation as aforesaid, the parish church of the said parish of Saint Peter Chester will be the parish church of so much of the said parish of Saint Oswald Chester as is within the walls of the said city of Chester.

"And whereas it has been made to appear to us that in order adequately to accommodate both the parishioners of the present parish of Saint Peter Chester and also the parishioners of that part of the parish of Saint Oswald Chester and of those portions of the two other parishes at Chester before-mentioned which are to be annexed to the said parish of Saint Peter the fabric of the said present parish church of Saint Peter should be either re-arranged and improved or enlarged or rebuilt, or that a new church should be substituted for the existing church of Saint Peter.

"And whereas the resolution of the parishioners of the said parish of Saint Oswald at Chester, which was passed on the twenty-first day of April one thousand eight hundred and eighty-one as aforesaid was passed upon an understanding inter alia that we should provide first, a sum of one thousand and five hundred pounds for or towards meeting the cost of enlarging and otherwise improving to our satisfaction the said church of Saint Thomas, when the same church shall have become the parish church of the said parish of Saint Oswald Chester as aforesaid and secondly a further sum of two thousand pounds for or towards meeting the cost either (1) of enlarging or re-arranging and improving to our satisfaction the said present church of Saint Peter Chester or (2) of rebuilding the same church of Saint Peter to our satisfaction on a new site.

"And whereas when the south transept of the said Cathedral Church shall have ceased to be used as the parish church of the parish of Saint Oswald aforesaid and shall by such cesser have become available wholly and solely for the services of the said Cathedral Church it will become necessary or expedient that certain works of repair and improvement should be executed in and about the same south transept and it has been made to appear to us by the said Dean and Chapter that a sum of one thousand pounds at the least will be required for the purpose of executing such works to our satisfaction.

"And whereas under the circumstances aforesaid it appears to us proper and expedient that we should be enabled to provide the three several sums of money aforesaid that is to say one thousand and five hundred pounds, two thousand

pounds and one thousand pounds which said several sums amount together to four thousand and five hundred pounds, and should be enabled to apply the same in the manner and for the purposes hereinbefore mentioned and hereinafter specified.

"Now therefore we the said Ecclesiastical Commissioners for England humbly recommend and propose that in pursuance of the hereinbefore mentioned Acts or one of them and upon or at any time after the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme we shall be authorized to pay and apply without interest thereon out of our common fund monies amounting in the whole to the capital sum of four thousand and five hundred pounds for or towards the several objects and in the several proportions next hereinafter specified that is to say:—

"I. A sum of one thousand and five hundred pounds part of the said sum of four thousand and five hundred pounds, to be applied in or towards the enlargement or improvement to our satisfaction of the fabric of the said church of Saint Thomas in the said parish of Saint Oswald at Chester when the same shall have become by a legal substitution as aforesaid the parish church of the said parish of Saint Oswald.

"II. A sum of two thousand pounds other part of the same sum of four thousand and five hundred pounds to be applied as and when we shall see fit either (1) in or towards the cost of enlarging or re-arranging and improving to our satisfaction the fabric of the said present church of Saint Peter Chester or (2) in or towards the cost of re-building to our satisfaction the same church of Saint Peter upon some site duly approved by and conveyed to us or of building and providing a new church to be substituted for the existing church of Saint Peter.

"III. A sum of one thousand pounds, being the residue of the said sum of four thousand and five hundred pounds to be applied in or towards the repair or improvement to our satisfaction of the said south transept of the said Cathedral Church at Chester.

"Provided always and we further recommend and propose that the time or times and the mode or modes at and in which the said three several sums of one thousand and five hundred pounds, and two thousand pounds, and one thousand pounds, and each of them and every part of each of them shall be payable and paid by us for the purposes hereinbefore specified respectively, shall be wholly in the discretion of us the said Ecclesiastical Commissioners for England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other matters or things relating to the matters aforesaid or any of them under the hereinbefore mentioned Acts or either of them or under any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Chester.

AT the Court at *Holyrood Palace*, the 26th day of *August*, 1881.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-eighth day of July, in the year one thousand eight hundred and eighty-one, in the words following, that is to say:—

“ We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of your Majesty chapter thirty-seven sections six and eight have prepared and now humbly lay before your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Prebend of Compton Bishop in the Cathedral Church of Wells and now vested in us.

“ Whereas on the vacancy of the said prebend which occurred on or about the tenth day of June in the year one thousand eight hundred

and seventy-nine by the decease of the Reverend *Frederick Beadon* the then prebendary all the lands tithes tenements and hereditaments then belonging to the said prebend (except rights of patronage) became by virtue of the Act of the third and fourth years of your Majesty chapter one hundred and thirteen, absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us.

“ And whereas the lands tithes tenements and hereditaments which became so vested in us as aforesaid consist for the most part of reversions expectant upon beneficial leases and grants for lives and produce during the subsistence of such leases and grants only a small annual revenue, and on that account and partly on account of the character or situation of the property, are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

“ And whereas by an Act of the twenty-third and twenty-fourth years of your Majesty chapter one hundred and twenty-four power is given to lessees holding under us in the event of our declining to enter into a treaty for the sale of our reversions or the purchase of the leasehold interests to require us to purchase such leasehold interests at a valuation.

“ And whereas with a view to the advantageous appropriation of the said lands tithes tenements and hereditaments, or of the proceeds thereof, for the ultimate improvement of our common fund, it is expedient that the said lands tithes tenements and hereditaments or such parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to dispose of our interest therein or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act of the sixth and seventh years of your Majesty's reign with the consent of the holder or holders thereof (if any) to be testified by his her or their being made parties to such instruments all or any of the said lands tithes tenements and hereditaments so vested in us as aforesaid with their appurtenances and all our estate right title and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same and his her or their heirs executors administrators or assigns, or otherwise as he she or they shall direct or appoint and for such consideration as shall upon due calculation and inquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time, as occasion may arise in the purchase of other lands, tithes, rent-charges, tenements or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary stock or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Bath and Wells.

C. L. Perl.

Privy Council Office, August 26, 1881.

THE following Statute, made on the 17th day of August, 1881, by the University of Oxford Commissioners, under the Universities of Oxford and Cambridge Act, 1877, for the Cathedral or House of Christ Church, in the University of Oxford, has been submitted for the approval of Her Majesty, and notice of its having been so submitted is published in accordance with the provisions contained in the said Act.

WE, the University of Oxford Commissioners, under and by virtue of all and every the powers in this behalf enabling us contained in the Universities of Oxford and Cambridge Act, 1877, do, by this present Instrument under our Seal, make the Statute hereunto annexed for the Cathedral or House of Christ Church in Oxford, concerning Westminster Scholarships within the said Cathedral or House.

Given under our Common Seal
this seventeenth day of August,
in the year of our Lord
one thousand eight hundred
and eighty-one.

No 25010.

B

A STATUTE FOR THE CATHEDRAL OR HOUSE OF CHRIST CHURCH IN OXFORD CONCERNING WESTMINSTER SCHOLARSHIPS WITHIN THE HOUSE.

Number.

1. Three Scholarships within the House (except as hereinafter provided) shall be filled up at Westminster School on the Tuesday in Rogation Week in each year, or on such other day as the Electors shall from time to time determine, by election from those boys who shall have been for three years previously in the School, and shall have been under the age of nineteen years upon the twenty-fifth day of March next preceding, and who shall have been presented as candidates by the Head Master of the said School.

Value.

2. These Scholarships shall be called Westminster Scholarships and shall be of the value of eighty pounds a year each. These sums shall be charged upon the corporate revenues of the House except so far as they may be defrayed from Trust Funds at the time available for the purpose.

Tenure.

3. These Scholarships shall be tenable for two years from the twenty-fifth day of July next following the day of election, and shall then determine, unless the Governing Body of the House shall by resolution have declared themselves satisfied with the industry and good conduct of the Scholar, in which case the Scholar's tenure shall be renewed for a further term of three years. Provided always, that nothing in this clause shall prevent the exercise at any time for sufficient cause of the power given by the Statutes of the House in force for the time being to the Governing Body of the House to deprive a Scholar of his Scholarship for any misconduct which in their judgment shall merit deprivation, subject to such appeal to the Visitor as is in the same Statutes provided, nor of that of inflicting any fines or penalties less than deprivation under any Bylaw of the House for the time being in force.

Election.

4. The Electors shall be those persons who under the Statutes of the Governing Body of Westminster School are entitled to elect to Junior Studentships on the present Foundation. The candidates shall be examined in such manner as the said Governing Body of Westminster School may from time to time appoint, and those candidates shall be elected whom after such examination the electors shall deem to be of the greatest merit, and who shall desire to proceed to Christ Church, and shall in the judgment of the Dean of Christ Church, or his duly appointed representative present at the election, be in all respects fit to be admitted Scholars of the House.

Postponed Election.

5. Whenever there shall be no duly qualified candidate for a Westminster Scholarship of sufficient merit for election in the judgment of the majority of the Electors, and fit as aforesaid to be admitted a Scholar of the House, the election to such Scholarship shall be postponed to the next annual election day; but if there shall then be no duly qualified candidate of sufficient merit for election and fit as aforesaid, such Scholarship shall be thrown open for that turn to general competition as an Open Scholarship, and the election thereto shall be held at Christ Church by the same persons, after public notice for the same time, and after an examination conducted in the same manner, as an ordinary election to an Open Scholarship.

6. The first election to Scholarships under this Statute shall take place in the year 1883.

7. The provisions of the Ordinance contained in the Schedule to the Christ Church, Oxford, Act, 1867, which relate to Westminster Junior Studentships, shall be henceforth void; but this repeal shall not revive any Ordinance or Statute repealed by the said Act, or any provision of any such repealed Ordinance or Statute, and shall be without prejudice to the holding in the year 1882 of elections to Westminster Junior Studentships in the same manner and under the same conditions as if the repealed provisions had continued to be in force.

All Westminster Junior Students elected before the year 1883 shall, notwithstanding such repeal, be entitled to hold their Studentships for the same period, with the same emoluments, and subject to the same conditions of tenure, as if the aforesaid provisions had continued to be in force and this Statute had not been made.

This Statute is a Statute wholly for Christ Church within the meaning of the Universities of Oxford and Cambridge Act, 1877, section 30.

L. S.

A STATUTE FOR THE QUEEN'S COLLEGE, OXFORD, CONCERNING EXHIBITIONS WITHIN THE COLLEGE.

I. EXHIBITIONS IN GENERAL.

1. Subject to the provisions of section 13 of the Universities of Oxford and Cambridge Act, 1877, as to any emolument to which that section is applicable, and subject also to the provisions for the regulation of the Hastings Exhibitioners, the following provisions shall apply to all Exhibitioners within the College.

2. They shall be subject to the same conditions of residence, tenure, instruction, and discipline as are laid down in the Statutes of the College for the time being for the Scholars of the College, and may be fined or deprived, and shall vacate their Exhibitions, for the same causes as Scholars.

3. No person shall be eligible to any Exhibition other than those maintained out of the Exhibition Fund, who shall have exceeded the eighth term from that of his matriculation inclusive.

4. In elections to any Exhibition no person shall be entitled to any preference by reason of his having been educated at any particular school, unless he shall have been educated at such school for the two years at least last preceding the day of election, or last preceding his matriculation in the

University; but no greater period shall in any case be required notwithstanding anything contained in any instrument of foundation.

5. The election to Exhibitions, the election to which is or shall be vested in the Provost and Fellows, shall be held in the same manner and after the same notice, as is in the Statutes of the College for the time being provided for the election of Eglesfield Scholars, and, in default of duly qualified persons entitled to preference according to the provisions of the instrument of foundation and of such Statutes, the election shall proceed in the manner in the said Statutes of the College provided in the case of failure of duly qualified candidates for an Eglesfield Scholarship.

6. The Provost and Fellows shall not admit as an Exhibitioner any person nominated or elected to any Exhibition who shall not in their judgment be fit to be an Exhibitioner of the College. Every Exhibitioner who shall marry, be elected to a Fellowship, or cease to be a member of the College, shall thereby vacate his Exhibition.

7. Whenever an Exhibition shall be vacant, not being an Exhibition, the election to which is or shall be vested in the Provost and Fellows, the Provost and Fellows shall certify the vacancy to the elector or electors; and the elector or electors shall proceed to fill up the vacancy within two months, and shall certify the election to the Provost and Fellows. If the elector or electors fail to fill up the vacancy within two months, or if the candidate so elected shall not in the judgment of the Provost and Fellows be fit to be an Exhibitioner the Provost and Fellows shall proceed to fill up the vacancy with a candidate entitled to preference under this Statute, if such candidate may be found. If there be no candidate so entitled to preference whom the Provost and Fellows shall judge to be of sufficient merit for election, the Exhibition shall be declared open for that turn to general competition, and it shall be lawful for the Provost and Fellows to elect for that turn any person of sufficient merit who would be eligible to one of the Scholarships of the College.

8. No Scholarship or Exhibition shall be tenable with any Scholarship or Exhibition within the College in any case in which the aggregate income of the emoluments shall exceed 110% per annum.

9. No exhibition shall be of a greater value than 100% per annum. When the income of any Foundation has increased so as to make the annual value of any Exhibition greater than 100% per annum, it shall be lawful for the Provost and Fellows to increase the number of Exhibitioners on that Foundation by so many as may be necessary to reduce the emoluments of each Exhibitioner below that sum.

10. Subject to the provisions hereinbefore contained, the Exhibitioner on the Foundation of Frederick Tylney, Esq., may be nominated by the person for the time being entitled to nominate according to the instrument of Foundation, who shall nominate a poor and deserving person, not being less than sixteen nor more than twenty years of age on the day of nomination.

11. Subject to the provisions hereinbefore contained, the Exhibitioners on the Foundation of Dr. John Thomas, Bishop of Rochester, shall be nominated by the Bishop and Dean of Carlisle, and the Provost of the College, or the majority of them, who shall on the occasion of each vacancy nominate the son of a clergyman of the diocese of Carlisle, who shall have been taught in the Collegiate or Free School in the city of Carlisle, or failing such then the son of a clergyman of the said diocese, who shall have had his education at the public school of Saint Bees, near Whitehaven,

or failing such then the son of a clergyman who shall have been for three years resident in the diocese of Carlisle.

12. Subject to the provisions hereinbefore contained, the Exhibition of the Foundation of Henry Wilson for persons educated at the Free Grammar School of Kirkby Lonsdale shall be held by that candidate whom the Provost and Fellows shall judge to be of the greatest merit and fitness of those who shall have been educated at that school: and the Exhibition of the same Foundation for persons educated at the Free Grammar School of Kendal shall be held by that candidate whom the Provost and Fellows shall judge to be of the greatest merit and fitness of those who shall have been educated at the said Free Grammar School of Kendal.

In case there shall be no candidate for the former Exhibition from Kirkby Lonsdale School or for the latter from Kendal School whom the Provost and Fellows shall judge to be of sufficient merit and fitness, it shall be lawful for them to elect for that term from the other of the two schools; and in case there shall be no candidate of sufficient merit and fitness from either school, then the Provost and Fellows may elect for that turn any native of Cumberland or Westmoreland whom they shall judge to be of sufficient merit and fitness.

13. Subject to the provisions hereinbefore contained, the Exhibition on the Foundation of Thomas Sandes shall be tenable by a poor student educated at the Free Grammar School of Kendal.

14. Subject to the provisions hereinbefore contained, the Exhibition on the Foundation of James Rigg shall be tenable by a poor student educated at the Free Grammar School of Heversham, or, failing such, then by a poor student educated at any school in Westmoreland or Cumberland.

15. Subject to the provisions hereinbefore contained, the Exhibition on the Foundation of Edmund Grindall shall be held by that candidate whom the Provost and Fellows shall judge to be of the greatest merit and fitness of those who shall have been educated at St. Bees School.

16. Subject to the provisions hereinbefore contained, the Exhibition on the Foundation of Thomas, Earl of Thanet, shall be tenable by poor students natives of Westmoreland and educated at Appleby School, and failing such then by poor students natives of Westmoreland who have had their education in any other school of the same county.

17. The existing ordinances and regulations relating to the Exhibitions hereinbefore mentioned shall be henceforth void, except in so far as it may be necessary to refer thereto in aid or explanation of the provisions of this Statute, and so as not to affect the rights of any person now holding an Exhibition under such ordinances or regulations.

II. THE HASTINGS EXHIBITIONS.

1. The following regulations shall apply to the Exhibitions of the foundation of the Lady Elizabeth Hastings within the College.

2. The Exhibitions shall be so many as the revenues of the foundation shall from time to time allow, and shall be maintained out of the revenues of the estates and funds of the said foundation.

3. The annual value of the Exhibitions shall be not less than seventy-five pounds each, if the revenues of the foundation shall be of sufficient amount, nor more than ninety pounds each. The Exhibitions shall be subject as to tenure to the same conditions as are in the Statutes of the College for the time being provided for the Scholarships of the College.

4. The election of Exhibitioners shall be made at Oxford by the Provost and Fellows of the College on a stated day in each year, to be appointed by the Provost and Fellows. The system of examination shall render the Exhibitions accessible in each year to excellence in 1, Classics; 2, Mathematics; 3, Natural Science; 4, Modern History, Languages, and Literature. Each candidate shall be required to select one branch to be examined in and the electors shall choose those candidates who, after such examination, shall appear to them to be of the greatest merit, and most fit to be Exhibitioners of the College. Every school now or hereafter entitled to send candidates for the Exhibitions of this foundation shall have the liberty of sending two candidates for each vacancy, provided that the Head Master of the school send with the candidate a certificate that he is, in the Head Master's opinion, qualified for election in respect of his attainments and moral character, and has been educated in the school for the two years at least last preceding. No person shall be ineligible by reason of his not having entered upon the nineteenth year of his age, or not having been educated for more than two years at his school.

5. It shall be lawful for the Provost and Fellows to pay a sum not exceeding five pounds apiece to not more than six unsuccessful candidates, who shall be deemed meritorious by the electors, for the purpose of defraying their expenses in attending the examination.

6. Any Exhibition for which there shall be no candidate of such attainments as to make it probable, in the judgment of the Provost and Fellows, that he will be qualified to pass with credit, during the tenure of his Exhibition, or the examinations required by the University for the Degree of Bachelor of Arts shall be thrown open for that turn to general competition, and it shall be lawful for the Provost and Fellows to elect for that turn any person of sufficient merit who would be eligible to one of the Scholarships of the College.

7. The Provost and Fellows shall determine, as occasion shall arise, for which of the above-mentioned branches of study any Exhibition thrown open to general competition shall be awarded.

8. Every Exhibitioner shall be subject to such regulations as to residence, instruction, discipline, and attendance on Divine Worship (subject to the provisions of the Universities Tests Act, 1871), as the Provost and Fellows shall from time to time determine; and may be fined or deprived of his Exhibition by the Provost and Fellows for any misconduct which in their judgment shall merit fine or deprivation, subject in the case of deprivation to such appeal to the Visitor as is provided in the Statutes of the College for the time being in the case of Scholarships. Every Exhibitioner who shall marry, be elected to a Fellowship, or cease to be a member of the College, shall thereby vacate his Exhibition.

9. The whole revenues of the Foundation, whether consisting of rents, or the income of accumulations, or arising from any other source, shall be applicable to the maintenance of the said Exhibitions, and the other purposes aforesaid. If at any time the income available for the purposes of the Foundation be more than sufficient to maintain thirty Exhibitions, each of the annual value of ninety pounds, the surplus shall be applied in increasing the number of Exhibitions, or to any other purpose connected with the Foundation which the Visitor shall approve. The emoluments of vacant Exhibitions accruing during the vacancy thereof shall be applied in the same manner.

10. The number of schools enjoying the benefits

of the Foundation shall not exceed eighteen so long as the number of Exhibitions shall not exceed fifteen; and of such eighteen schools not more than twelve shall be in Yorkshire, not more than three in Cumberland, and not more than three in Westmoreland. If and when the number of Exhibitions is greater than fifteen, the College shall have power to appoint one additional school in Yorkshire for every five Exhibitions in excess of the number of fifteen, and one additional school in Cumberland and one additional school in Westmoreland for every ten Exhibitions in excess of the same number of fifteen. Every school so appointed shall have the same advantages and be subject to the same rules and conditions as the other schools enjoying the benefits of the Foundation.

11. If any school entitled to send candidates shall, in twenty successive years, have no candidate either elected to an Exhibition, or deemed in the judgment of the electors meritorious, such school shall cease to enjoy the benefits of the Foundation; but shall not be incapable of being afterwards appointed to participate therein under the powers of the last foregoing clause.

12. No Exhibitions shall be tenable with any Scholarship, Exhibition, or Bible-Clerkship, within the College, in any case in which the aggregate income of the two emoluments shall exceed one hundred and ten pounds per annum.

13. If in any case it shall appear to the Visitor that by reason of any change in the value of money, any specific sum fixed by this Statute has become insufficient or excessive, and that such insufficiency or excess is productive of injustice or hardship, or is injurious to the interests of the Foundation, it shall be lawful for the Visitor from time to time, for the purpose of correcting or obviating such injustice, hardship, or injury, to direct that such sum shall be increased or diminished as he shall think fit, and the increased or diminished sum shall thenceforth be substituted for and stand in the place of the sum originally fixed as aforesaid.

14. All the existing ordinances and regulations relating to the foundation of Lady Elizabeth Hastings shall be henceforth void, except in so far as it may be necessary to refer thereto in aid or explanation of the provisions of this Statute, and so as not to affect the rights of any person now holding an Exhibition under such ordinances or regulations.

This Statute is a Statute wholly for the Queen's College within the meaning of the Universities of Oxford and Cambridge Act, 1877, section 30.

PORT OF LONDON (FOREIGN ANIMALS WHARF) ORDER OF 1881.

AT the Council Chamber, Whitehall, the 27th day of August, 1881.

By Her Majesty's Most Honourable Privy Council.

PRESENT:

Lord President.

Lord Monson.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Short Title.

1. This Order may be cited as THE PORT OF LONDON (FOREIGN ANIMALS WHARF) ORDER OF 1881.

Commencement.

2. This Order shall commence and take effect from and immediately after the eleventh day of September, one thousand eight hundred and eighty-one.

Interpretation.

3. In this Order—

The wharf means the foreign animals wharf known as the Foreign Cattle Market, at Deptford, in the Port of London:

Corporation means the Corporation of London: Other terms have the same meaning as in The Animals Order.

4. Chapter 27 (Foreign Animals subject to slaughter) of The Animals Order shall not apply to the wharf, and in lieu thereof the provisions of this Order shall, as from the commencement of this Order, apply to foreign animals landed in and to persons and things in the wharf.

Employment of Special Staff.

5. The Corporation shall specially employ a sufficient number of men to receive animals on landing at the wharf, in this Order referred to as landing-men.

Disposal of Animals on Landing.

6. Animals when landed at the wharf shall be driven by landing-men to some lair or other proper place adjacent to the place of landing, set apart for the reception of the animals, there to await the examination of the Inspector of the Privy Council, and the animals shall not be moved from that lair or other place or be allowed to come in contact with any other animals, except in accordance with the provisions of this Order.

All persons before leaving that landing-place, pier, quay, or other part of the wharf where the animals are landed, or the lair or other place aforesaid, and all persons that have in any way come in contact or been with such animals, shall take such means, by washing and disinfecting themselves, and by changing or disinfecting their clothes, or otherwise, as the Privy Council shall, from time to time, in order to prevent the spreading of disease, direct.

Examination and Consequences.

8. The animals shall be examined in the said lair or other place by an Inspector of the Privy Council during daylight.

9. If on such examination all the animals landed from the same vessel are found free from disease, the Inspector of the Privy Council may permit the animals to be taken charge of by the owners or consignees, or by their drovers or servants, and in that case those animals may be moved into such other parts of the wharf as the Corporation or their officers direct or permit.

10. If on such examination any one or more of the animals landed from a vessel is or are found to be affected with disease, then all the diseased animals shall be slaughtered in that lair or other place, and, after the diseased animals have been so slaughtered, the Inspector of the Privy Council may, if he thinks fit, permit the animals not so diseased to be taken charge of by the owners or consignees, or by their drovers or servants, and may permit other persons to enter that lair or other place for the purpose of purchasing such animals, but those animals, if moved out of that lair or other place, shall only be moved direct to a slaughter-house situate in the wharf for the purpose of being there slaughtered, and shall not be moved elsewhere.

Time for Slaughter.

Disinfection of Dung, Manure, and Wharf.

13. Dung and manure shall, before being removed from the wharf, be disinfected to the satisfaction of an Inspector of the Privy Council.

14. Where an animal in the wharf is affected with disease, the portion of the wharf where the diseased animal is or has been shall not be used for animals unless and until that portion has been cleansed and disinfected to the satisfaction of the Privy Council.

Feeding and Watering.

15. Animals landed in the wharf shall, until they are taken charge of by the owners or consignees, be supplied by the Corporation with requisite food and water, and the expenses incurred by them in respect thereof shall be defrayed by the owners or consignees of the animals, and may be recovered by the Corporation from the owners or consignees by proceedings in any court of competent jurisdiction.

Offences.

16. If an animal is moved in contravention of this Order, the owner of the animal, and the person for the time being in charge thereof, and the person causing, directing, or permitting the movement, and the person moving or conveying the animal, and the consignee or other person receiving or keeping it, knowing it to have been moved in contravention as aforesaid, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1878.

TO be sold, pursuant to an Order of the High Court of Justice, Chancery Division, made in an action Birks v. Hughes's Locomotive and Tramway Engine Works Limited and others, 1881, B., No. 440, with the approbation of the Honourable Mr. Justice Fry, the Judge to whose Court this action is attached, by Mr. Edwin Fox, of the firm of Fox and Bousfield, at the Mart, Tokenhouse-yard, London, on Wednesday, September 21st, 1881, at two o'clock precisely, the valuable and important freehold property, distinguished as the Falcon Engine and Tramcar Works, together with the goodwill of the very large and profitable trade there carried on as a going concern, and the machinery, including the book debts and plant, in one lot.

It is admirably situate at Loughborough, in the county of Leicester, adjoining the station on the main line of the Midland Railway, with a siding therefrom in connection with the works. The situation is particularly adapted for carrying on a manufacturing trade, as railway communication is afforded with all parts of the country, and there is a large supply of labour at a moderate rate in the immediate neighbourhood. The premises cover an area of about seven acres, about half of which is vacant land and gardens, and the remainder occupied by buildings most substantially built of brick and slate roofs, and lighted with iron glazed frames with ventilators; they are very conveniently planned for economizing labour and conducting the trade upon the most improved principles. They comprise the following, viz., two erecting shops, machine and fitting shop, brass finishers' shop, foundry with drying-room and small brass foundry, boiler shop, smith's shop, tramcar shop, and paint shop adjoining machine shop, and wood store, manager's house, drawing office, &c., two chimney shafts, also a substantial detached residence, containing eight bed-rooms, drawing-room, dining-room, and complete domestic offices, surrounded by a well-planted garden. A very extensive trade in the manufacture of locomotive engines and tramcars is now being carried on by the Liquidator, 110 hands being employed, and with the supervision of a proprietor this can be very largely increased, and an opportunity is afforded to capitalists and others for the acquiring of a very remunerative concern such as is not often met with.

A plan of the works, and an inventory of the fixed and loose plant, stores, &c., can be inspected on the premises.

There are seventeen tramway engines, seven now working at Bristol, and ten at Glasgow, and particulars of the property may be obtained at the Mart; of Messrs. Walter Webb and Co., Solicitors, 23, Queen Victoria-street, London; and of Messrs. Edwin Fox and Bousfield, 99, Gresham-street, Bank, London, E.C.
