THE Secretary of State for the Home Department hereby gives notice, that the Dorset Industrial School for Boys, at Milborne St. Andrew, near Blandford, in the county of Dorset, has been certified by him as fit to be an Industrial School for the reception of Boys, not exceeding 45 in number, under the provisions of "The Industrial Schools Act, 1866."

FACTORY AND WORKSHOP ACT, 1878.

41 Vict., c. 16. s. 53.

OVERTIME.—ADDITIONAL TWO HOURS.

Order of Secretary of State extending Special Exception.

WHEREAS the Factory and Workshop Act, 1878, contains a special exception to the effect that the regulations of the Act with respect to the employment of young persons and women shall not prevent the employment in the factories and workshops or parts thereof to which the exception applies of young persons and of women during a period of employment beginning at 6 A.M. and ending at 8 P.M., or beginning at 7 A.M. and ending at 9 P.M., or beginning at 8 A.M. and ending at 10 P.M., if they are employed in accordance with the following conditions; namely,

(1.) There shall be allowed to every such young person and woman for meals during the period of employment not less than two hours, of which half an hour shall be after five o'clock in the evening; and

(2.) Any such young person or woman shall not be so employed on the whole for more than 5 days in any one week, nor for more than 48 days in any 12 months.

And whereas the special exception is by the Act declared to apply to the factories and workshops referred to in the said section;

And whereas it has been proved to my satisfaction that in the class of workshops mentioned in the schedule hereunder, it is necessary, by reason of press of work arising at certain recurring seasons of the year, and of the liability of the business to a sudden press of orders arising from unforeseen events, to employ young persons and women in manner authorized by this exception, and that such employment will not injure the health of the young persons and women affected thereby;

Now I, the Right Honourable Sir William Vernon Harcourt, one of Her Majesty's Principal Secretaries of State, by this Order, made under Part 2 of the said Act, extend this exception accordingly. Provided that nothing in this Order shall be taken to apply:

(a.) Where persons are employed at home, that is to say, to a private house, room, or place which, though used as a dwelling, is, by reason of the work carried on there, a factory or workshop within the meaning of this Act, and in which neither steam, water, nor other mechanical power is used, and in which the only persons employed are members of the same family dwelling there; or

(b.) To a workshop, or part thereof, which is conducted on the system of not employing any child or young person therein.

This Order shall come into effect on Tuesday, the 11th of October, 1881; and shall, unless previously revoked, continue in force until 31st December, 1882, and no longer.

W. V. Harcourt.
