In the Matter of Letters Patent for the United Kingdom of Great Britain and Ireland, granted to Heinrich Caro, Chemist to the Badische Aniline and Soda Works, of Mannheim, in the Empire of Germany, for the invention of "improvements in the production of coloring matters suitable for dyeing and printing." Dated the 8th day of October, 1877. No. 3731.

NOTICE is hereby given, that the Badische Aniline and Soda Fabrik, the assignees of the said Letters Patent, have applied by petition to the Commissioners of Patents, according to the statute in that case made and provided, for leave to file in the Great Seal Patent Office, a Disclaimer and Memorandum of Alteration of certain parts of the specification of the said Letters Patent; and that any person intending to oppose such application must leave notice thereof at the office of the Attorney-General, No. 1, New-court, Temple, London, within ten days from the date hereof.—Dated this 30th day of December, 1881.

J. Henry Johnson, 47, Lincoln's-inn-fields, London, Agent for the said Badische Aniline and Soda Fabrik.

SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the Next of Kin or others entitled, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the London Gazette, and the "Army List," and is also to be seen at the Brigade Depôts and at the Quarters of the several Staff Officers for the Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as Next of Kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—EFFECTS, 1880-81.

By order of the said Principal Secretary,
RALPH THOMPSON.

NOTE.—A copy of this Notice is to be seen at the Regimental Districts and at the Quarters of the several Staff Officers for the Pension Service throughout the United Kingdom.
