AT the Court at *Windsor*, the 3rd day of *May*, 1882.

PRESENT.

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirtieth day of March, in the year one thousand eight hundred and eight-two, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of your Majesty chapter thirty-seven and of the Act of the nineteenth and twentieth years of your Majesty chapter one hundred and four have prepared and now humbly lay before your Majesty in Council the following scheme for compensating two spiritual persons whose emoluments have been diminished by reason of proceedings under one or both of the said Acts.

"Whereas it has been made to appear to us that the fees dues or other emoluments of the two spiritual persons mentioned in the schedule to this scheme have been diminished by reason of the

constitution under the provisions of the said Acts or one of them of certain districts which have since become new parishes under the provisions of the same Acts or one of them and that the payment to the said spiritual persons of the annual sums respectively specified in the schedule to this scheme would provide a just and reasonable compensation for such diminution.

"Now, therefore, we the said Ecclesiastical Commissioners humbly recommend and propose that in respect of the new parishes mentioned in the first column of the said schedule to this scheme there shall be paid by us to the two spiritual persons vicars or incumbents who are named and described in the second column of the same schedule so long as they shall respectively continue to be the vicars or incumbents of the cures which they now hold respectively and no longer the annual sums mentioned and set opposite to their respective names in the third column of the same schedule: payment of such annual sums being in each case made in equal half-yearly portions upon the first day of May and the first day of November in each year; but with the right also in each case to a proportionate payment in respect of any period being less than half a year which may elapse between the first day of May and the first day of November (as the case may be) in any year and the determination from whatever cause of the incumbency during his tenure of which the spiritual person is entitled to an annual sum under the provisions of this scheme.

"And we further recommend and propose that the right of the said spiritual persons as such vicars or incumbents as aforesaid to receive the said annual sums respectively shall in each case be held to have accrued and that payment thereof shall accordingly be made as from the day upon which the cure in respect of the constitution of which such compensation is made became a new parish; that being the day upon which in each case the vicar or incumbent of the new parish became empowered to perform in the church thereof those offices and became entitled to retain for his own benefit those fees, in consideration of the loss of which to the vicar or incumbent of the mother parish or cure the amount in each case of the compensation grant in this scheme recommended and proposed has been fixed by us.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.

" SCHEDULE.
