C. L. Peel,

At the Court at Windsor, the 29th day of June, 1882.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven; of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the thirty-seventh and thirty-eighth years of Her Majesty chapter sixty-three duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of May, in the year one thousand eight hundred and eighty-two, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England acting in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth chapter seventy-seven; of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen; and of the Act of the thirty-seventh and thirty-eighth years of Your Majesty chapter sixty-three have prepared and now humbly lay before Your Majesty in Council the following scheme with respect to the rural deaneries or some of them which are within one or other of the two Archdeaconries of the diocese of Liverpool, to wit, the Archdeaconry of Liverpool, and the Archdeaconry of Warrington.

"Whereas it has been represented to us by the Right Reverend John Charles, Bishop of the said diocese of Liverpool that the arrangements which are hereinafter recommended and proposed with respect to the said rural deaneries or some of them are desirable and should be carried into effect. And we are of opinion that the same may properly be carried into effect.

"And whereas the said arrangements involve the transfer of certain parishes or other cures not only from one rural deanery to another but also from one archdeaconry to another, that is to say, the transfer of three parishes or other cures from the Archdeaconry of Warrington to the Archdeaconry of Liverpool, and the transfer of one parish or other cure from the Archdeaconry of Liverpool to the Archdeaconry of Warrington.

"And whereas the thirdly hereinbefore mentioned Act was passed before the creation of the said diocese of Liverpool and therefore no schedule setting forth the portions or divisions of that diocese which at the time of the passing of the same Act were accounted and held to be rural deaneries has been or could have been prepared and it seems to us and to the said John Charles Bishop of Liverpool expedient that under the circumstances thus appearing, a schedule setting forth all the rural deaneries of the said diocese of Liverpool as the same will be after the arrangements hereinafter recommended and proposed as aforesaid shall have been effected should be annexed to this scheme.

"And whereas inasmuch as the said diocese of Liverpool was taken wholly out of the diocese of Chester the statutory schedule of rural deaneries within the said diocese of Chester which was prepared under the said thirdly hereinbefore

mentioned Act, affords the basis for the preparation of the schedule to be annexed to this scheme as aforesaid.

"Now therefore with the consent of the said John Charles, Bishop of Liverpool (in testimony whereof he hath set his hand and his episcopal seal to this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that as from the day on which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette and without any assurance in the law other than such duly gazetted Order, the Archdeaconry of Liverpool and the Archdeaconry of Warrington respectively shall comprise and consist of those rural deaneries, the names of which are set down in order under the name of each of the two said archdeaconries respectively in the schedule to this scheme annexed, and that the name which in the same schedule is given to any rural deanery shall be the name thereof, and that every parish or other cure the name and quality of which is set down in numbered order in the first column of the said schedule under the name of the Archdeaconry of Liverpool or under the name of the Archdeaconry of Warrington and under the name of any rural deanery in one or other of the same two archdeaconries shall belong to and be a part of the archdeaconry and of the rural deanery under the name of which it appears as aforesaid and shall be subject to the jurisdiction and authority of the archdeacon of the same archdeaconry and of the rural dean of the same rural deanery and shall not belong to or be a part of any other archdeaconry or rural deanery or be subject to the jurisdiction or authority of any other archdeacon or rural dean; the intent of this our recommendation and proposal being, that the said schedule to this scheme annexed shall as to the first column thereof, be (in so far as the same legally can or may be) an equivalent as from the day aforesaid for that statutory schedule of rural deaneries within the diocese of Liverpool which but for the circumstances above stated would have been prepared under the said hereinbefore thirdly-mentioned Act so that as from the day aforesaid the Archdeaconry of Liverpool shall as aforesaid comprise and consist of such rural deaneries as are in that behalf set out and named under the name of that archdeaconry in the said schedule to this scheme annexed and every rural deanery in the same archdeaconry shall comprise and consist of the parishes or other cures which are in that behalf set out and named under the name of each rural deanery in the said first column of the same schedule and so that the Archdeaconry of Warrington shall as aforesaid comprise and consist of the rural deaneries which are in that behalf set out and named under the name of that archdeaconry in the said schedule to this scheme annexed and every rural deanery in the said lastly-named archdeaconry shall comprise and consist of the parishes or other cures which are in that behalf set out and named under the name of each rural deanery in the said first column of the same schedule; the second column of the same schedule containing in the case of each of the said two archdeaconries a statement as to the name of the rural deanery within which any parish or other cure named in the first column of the said schedule has been heretofore situate and also as to each of the four parishes or other cures hereinbefore in this behalf mentioned, a statement as to the name of the archdeaconry within which the same has been heretofore situate and from which it is to be transferred as aforesaid.

"And we further recommend and propose that

nothing herein contained shall prevent us from recommending and proposing any other matter or thing with respect to the matters aforesaid or any of them under or by virtue of the said Acts or of either of them or of any other Act of Parliament.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Liverpool.

C. L. Peel.

AT the Court at Windsor, the 29th day of June, 1882.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighth day of June, in the year one thousand eight hundred and eighty-two, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen of the Act of the sixth and seventh years of Your Majesty chapter thirty-seven and of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four, have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken out of the parish of Llanyre in the county of Radnor and in the diocese of Saint David's and out of the parish of Llanafan-fawr in the county of Brecknock and in the diocese of Saint David's aforesaid.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Llanyre and of the said parish of Llanafan-fawr which are hereinafter mentioned and described should be constituted a separate district in manner hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas George Stovin Venables Esquire of Llysdinam in the said county of Brecknock one of Your Majesty's Counsel learned in the Law has contributed and paid to the credit of our account at the Bank of England a sum of three thousand

pounds sterling in aid of the endowment of the district hereinafter recommended to be constituted and so soon as the said district shall have become a new parish under the provisions of the secondly hereinbefore mentioned Act then of the said new parish and of the maintenance of the minister or incumbent thereof for the time being and we have in respect of such sum agreed with the said George Stovin Venables and have undertaken to provide and pay by equal half-yearly payments on the first day of May and the first day of November in each and every year to such minister or incumbent as aforesaid when duly licensed in accordance with the provisions of the lastly-mentioned Act the sum of one hundred pounds per annum so long as the said capital sum shall continue in our hands.

"And whereas the said sum of three thousand pounds sterling has been so contributed and paid as aforesaid upon the understanding and condition that we should also make and pay out of the common fund created by the firstly herein named Act to the minister or incumbent for the time being of the said district or new parish when duly licensed as before-mentioned a grant of fifty pounds per annum and upon the further understanding and condition that (such arrangement appearing to us to be expedient) we should recommend and propose to Your Majesty in Council that the whole right of patronage of the said district or new parish and of the nomination of the minister or incumbent thereof should be assigned to the Bishop for the time being of the said diocese of Saint David's.

"And whereas we have undertaken and agreed to make the said grant of fifty pounds per annum as aforesaid by an instrument to be executed by us under our common seal in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty chapter one hundred and eleven.

"Now therefore with the consent of the Right Reverend William Basil Bishop of the said diocese of Saint David's (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish of Llanyre and of the said parish of Llanafanfawr which are described in the schedule hereunder written all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Newbridge-on-Wye.'

"And we further recommend and propose that the whole right of patronage of the said district so recommended to be constituted and when such district shall have become a new parish as aforesaid then of the said new parish and of the nomination of the minister or incumbent thereof shall without any assurance in the law other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid be assigned to and be absolutely vested in and shall and may from time to time be exercised by the said William Basil Bishop of the said diocese of St. David's and by his successors Bishops of same diocese for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures

relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Newbridge-on-Wye being:—

"All that portion of the parish of Llanyre, in the county of Radnor and in the diocese of Saint David's which is bounded on the north by an imaginary line commencing upon the boundary which divides the parish of Disserth in the said county and diocese from the parish of Llanyre aforesaid at a point in the middle of Disserth Suspension Bridge which carries the public road leading from Disserth to Newbridge-on-Wye over the River Ithon and extending thence north-westward along the middle of the said road for a distance of thirty-three and a half chains or thereabouts to the point where it bends sharply to the west and is joined by the ancient road or bridleway which leads across the high road from Newbridge to Llanyre and past the houses called or known as Pengelly to the house called or known as Lower Dole and continuing thence that is from the last-mentioned point of junction still north-westward along the middle of the said ancient road or bridleway for a distance of sixty-four chains or thereabouts to its junction with the road which leads along the northern side of the Llanyre Public Turbary towards Newbridge-on-Wye and extending thence first westward and then south-westward along the middle of the last-described road for a distance of fifty-eight chains or thereabouts to its junction on the eastern bank of the River Wye with the turnpike road leading from Rhayader to Newbridge-on-Wye and extending thence that is from the last-described point of junction in a direction due west and in a straight line for a distance of three chains or thereabouts to the county boundary in the middle of the said River Wye which boundary divides the said parish of Llanyre from the hereinafter mentioned Hamlet of Llysdinam in the parish of Llanafanfawr in the county of Brecknock and in the diocese of Saint David's aforesaid; all which said hereinbefore described portion of the said parish of Llanyre is bounded upon the remaining sides other than upon the north that is to say upon the west and upon the south-east as follows upon the west by the county boundary in the middle of the said River Wye or in other words partly by the Hamlet of Llysdinam aforesaid and partly by the parish of Llanvillhangel Bryn Pabuan in the said county of Brecknock and in the diocese of Saint David's aforesaid and upon the south-east by the River Ithon aforesaid or in other words by the parish of Disserth aforesaid.

"And also all that contiguous portion of the said parish of Llanafanfawr which is comprised within and is co-extensive with the limits of the Hamlet of Llysdinam aforesaid; all which said hamlet is bounded upon its three sides that is to say upon the east upon the north and upon the south-west as follows: upon the east by the county boundary in the River Wye aforesaid or in other words by the said parish of Llanyre (being for the most part the above described portion of such parish) upon the north by the parish of Llanwrthwl and upon the south-west by the said parish of Llanvillhangel Bryn Pabuan both which last-named parishes are in the county of Brecknock and diocese of Saint David's aforesaid."

And whereas drafts of the said scheme have, in accordance with the provisions of the secondly hereinbefore mentioned Act, been transmitted to

the patrons and to the incumbents of the said parishes of Llanfyr and Llanafan-fawr out of which it is intended that the district recommended in such scheme to be constituted shall be taken. And whereas the patrons of the said two parishes of Llanfyr and Llanafan-fawr have respectively signified their assent to such scheme: and whereas the incumbents of the same two parishes have offered certain objections or observations to or upon the said scheme. And whereas the said scheme has notwithstanding such objections or observations as last-mentioned, been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Saint David's.

C. L. Peel.

AT the Court at Windsor, the 29th day of June, 1882.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the seventh and eighth years of Her Majesty chapter ninety-four and of the Act of the thirty-second and thirty-third years of Her Majesty chapter ninety-four duly prepared and laid before Her Majesty in Council a scheme or representation bearing date the eighth day of June, in the year one thousand eight hundred and eighty-two, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England acting under the provisions of the Act of the seventh and eighth years of Your Majesty chapter ninety-four, and of the Act of the thirty-second and thirty-third years of Your Majesty chapter ninety-four have prepared and now humbly lay before Your Majesty in Council the following scheme or representation for altering the boundaries of the new parish of Saint John the Evangelist Holdenhurst in the county of Southampton and in the diocese of Winchester.

"Whereas by the authority of an Order of Your Majesty in Council bearing date the twelfth day of February in the year one thousand eight hundred and seventy-six and published in the London Gazette upon the twenty-ninth day of the same month a part of the parish of Christ Church in the county and diocese aforesaid was assigned as a district chapelry to the consecrated church called Saint John the Evangelist situate within the limits of the said parish of Christ Church and the same district chapelry was called 'The District Chapelry of Saint John the Evangelist, Holdenhurst.'

"And whereas the said district chapelry of Saint John the Evangelist Holdenhurst has under the provisions of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four become a new parish of the character contemplated by that Act and by the Act of the sixth and seventh years of Your Majesty chapter thirty-seven and by the said above-mentioned Act of the thirty-second and thirty-third years of Your Majesty chapter ninety-four.

"And whereas it has been represented to us and it appears to us to be expedient that the

boundaries of the said new parish of Saint John the Evangelist Holdenhurst should be altered by way of extension so that they shall include a further part of the said parish of Christ Church.

"Now therefore with the consent of the Right Reverend Edward Harold Bishop of the said diocese of Winchester (in testimony whereof he has signed and sealed this scheme or representation) we the said Ecclesiastical Commissioners humbly represent recommend and propose that from and after the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme or representation the boundaries of the said new parish of Saint John the Evangelist Holdenhurst shall be altered by way of extension so that they shall include all that part of the said parish of Christ Church which is described in the schedule hereunder written and is delineated and set forth upon the map or plan hereunto appended and is thereon coloured pink and that from and after the day of the same date and without any other assurance in law the said part of the parish of Christ Church so to be included as aforesaid shall become and be and form part of the said new parish of Saint John the Evangelist Holdenhurst.

"And we further represent recommend and propose that nothing herein contained shall prevent us from representing recommending or proposing any other measures relating to the matters aforesaid in accordance with the provisions of the hereinbefore-mentioned Acts or of either of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme or Representation has reference.

"The territory proposed to be annexed to the new parish of Saint John the Evangelist, Holdenhurst, in the county of Southampton, and in the diocese of Winchester, being:—

"All that part of the parish of Christ Church in the said county and diocese wherein the present incumbent of such parish now possesses the exclusive cure of souls which is bounded on the east on the north and on the west by an imaginary line commencing upon the boundary which divides the said new parish of Saint John the Evangelist Holdenhurst from the parish of Christ Church aforesaid at a point in the middle of the River Stour at Blackwater Ferry and extending from such boundary north-eastward for a distance of one chain and twenty links or thereabouts to the road leading from Christ Church through Blackwater to Herne and extending thence north-westward along the middle of the last-described road for a distance of six and a half chains or thereabouts to its junction with the public footpath which passes to the west of Blackwater Hill and leads on to Town Common and extending thence first north-eastward and then northward along the middle of the said public footpath for a distance of twenty-four chains or thereabouts to a point at or near to the south-eastern end of the fence which divides the said Town Common from Ramsdown Plantation and extending thence generally north-westward along the last-described fence for a distance of sixty-three chains or thereabouts to the point where the same fence bends in a south-westerly direction towards Herne Bridge and extending from the lastly-mentioned point northward and in a direct line for a distance of one chain or thereabouts to the point in the middle of the road leading from Herne Bridge aforesaid to Herne Bridge railway station where it is crossed by the boundary of the parliamentary borough of Christ Church and extending thence first alternately northward and westward and then north-eastward along the said parliamentary

boundary for a distance of a mile and a quarter or thereabouts which said parliamentary boundary is for that distance the boundary which divides the said parish of Christ Church from the parish of Sopley in the county and diocese aforesaid thereby skirting the western side of Sopley Common and also skirting the western side of Avon Common to the point where the said parliamentary boundary diverges from the said parish boundary (near to the north-eastern corner of the plantation known as Fillybrook) and extending thence that is to say from the lastly mentioned point in a direction for the most part either westward or south-westward along the said parliamentary boundary for a distance of nearly two miles to a point at or near to the cottage called or known as Greenland at the northern end of the occupation road or footway which leads from the said cottage into the road leading from Herne Bridge to East Parley and extending thence that is from the last described point southward for a distance of forty-four chains or thereabouts along the middle of the last described occupation road or footway to its junction with the road leading from Herne Bridge to East Parley as aforesaid and extending thence westward along the middle of the last-described road for a distance of four and half chains or thereabouts to its junction with the road leading to Merritown and extending thence southward along the middle of the last-described road for a distance of nine chains or thereabouts to its junction with the public footpath leading from Merritown to Parley Green and extending thence generally westward along the middle of the last-described public footpath for a distance of ten chains or thereabouts to a point at or near to the northern end of the fence which divides the close numbered 637 upon the ordnance survey map of the said parish of Christ Church on the $\frac{1}{2500}$ scale, published in the year one thousand eight hundred and seventy, and upon the map hereunto annexed, from the close numbered 604 upon the same maps and extending thence that is from the last-described point south-westward along the said fence for a distance of eight chains or thereabouts to its junction with the fence or watercourse which forms the eastern boundary of the Ozier Bed forming a part of the close numbered 638 upon the said maps and extending thence generally south-eastward along the last-described fence or watercourse for a distance of five and a half-chains or thereabouts to the River Stour aforesaid and extending thence due southward and in a direct line to the boundary in the middle of the said River Stour which boundary divides the said parish of Christ Church from the new parish of Saint John the Evangelist Holdenhurst aforesaid; all which said part of the parish of Christ Church aforesaid is bounded upon the remaining side other than upon the east, the north and the west as aforesaid that is to say upon the south by the new parish of Saint John the Evangelist Holdenhurst aforesaid."

And whereas drafts of the said scheme or representation have been transmitted to the patrons and to the incumbents of the cures affected by the arrangements which are contemplated by such scheme or representation and such patrons and incumbents have respectively signified their assent thereto.

And whereas the said scheme or representation has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme or representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from

and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Winchester.

C. L. Peel.

AT the Court at Windsor, the 29th day of June, 1882.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted that, in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burials, shall be discontinued wholly or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation one month before such representation is so considered: provided also, that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish:

And whereas by another Act passed in the session of Parliament held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit:

And whereas Her Majesty was pleased, by Her Order in Council of the twenty-eighth December, one thousand eight hundred and sixty-six, to

direct the discontinuance of burials in Pudsey, which directions were in the words following:—

CALVERLEY.—Forthwith wholly in the church of Pudsey, and in the Baptist, the Independent, the Methodist New Connexion, and in the Independent Methodist Chapels, and in the churchyard and in the burial-grounds of those chapels, the official regulations for new burial-grounds, omitting the third, to be observed.

And whereas the Right Honourable Sir William Vernon Harcourt, one of Her Majesty's Principal Secretaries of State, after giving to the Incumbent and Churchwardens of Pudsey ten days' previous notice of his intention to make such representation, has made a representation stating that he is of opinion that for the protection of the public health the said Order of Her Majesty in Council of the twenty-eighth December, one thousand eight hundred and sixty-six, as affecting burials in Pudsey should be varied by the omission of the words after "chapels" to "observed" and by the substitution in their stead of the following words "and in the parish churchyard, in the "burial-grounds of the Independent, the Methodist "New Connexion and the Independent Methodist "Chapels, respectively, except as follows:—

"(a.) In such vaults and wholly walled graves "as are now existing burials may be allowed on "condition that every coffin buried therein be "separately enclosed by stonework or brickwork "properly cemented: (b.) In such partly walled "graves as are now existing, provided that "the earth above them can be opened to the "depth of five feet without exposing coffins "or disturbing human remains, burials may be "allowed of so many of the relations of those "already interred therein as can be buried at "or below that depth:—and also forthwith and "entirely in the burial-ground of the Baptist "Chapel, Richardshaw-lane."

And whereas Her Majesty was pleased by Her Order in Council of the third day of May last to give notice of such representation: and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on the twenty-first day of June, one thousand eight hundred and eighty-two; and such Order has been published in the London Gazette and copies thereof have been affixed as required by the said Act:

Now therefore Her Majesty by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that burials be discontinued in the undermentioned parish as follows, viz.:—

CALVERLEY.—Forthwith in the parish churchyard of Pudsey and in the burial-grounds of the Independent, the Methodist New Connexion, and the Independent Methodist Chapels, respectively, except as follows:—

(a.) In such vaults and wholly walled graves as are now existing burials may be allowed on condition that every coffin buried therein be separately enclosed by stonework or brickwork properly cemented:

(b.) In such partly walled graves as are now existing, provided that the earth above them can be opened to the depth of five feet without exposing coffins or disturbing human remains, burials may be allowed of so many of the relations of those already interred therein as can be buried at or below that depth:—and also forthwith and entirely in the burial ground of the Baptist Chapel, Richardshaw-lane.

16.—(a.) A public or private sale of a pig or swine, fat or store, may be held in a Swine-Fever Infected Area, without a licence of the Local Authority, in any case where the sale is held in accordance with the following conditions (namely):

- (ii.) That no pig on the farm or premises is affected with swine-fever:
- (iii.) That the pig or each pig exposed at the sale has been on the farm or premises not less than fourteen clear days immediately before the day on which the sale is held, without having been moved therefrom except under a Swine-Fever Occupation Movement Licence (in this Order provided for):
- (iv.) That no pig exposed at the sale has been in contact with any pig brought on to the farm or premises within those fourteen days, except under such a Swine-Fever Occupation Movement Licence.

(b.) A pig that has been exposed at a public or private sale under this Article may be moved from the farm or premises on which the sale is held with a Swine-Fever Movement Licence of the Local Authority (Form G) granted on a declaration (Form B) and in addition to that declaration either a certificate of a Veterinary Inspector or, instead of that certificate, if in any case the Local Authority think fit, such a declaration (Form A) as is described in that Swine-Fever Movement Licence.

(c.) If the movement is to be into the district of another Local Authority, whether into a Swine-Fever Infected Area or not, there must also be a Swine-Fever Movement Licence of that other Local Authority indorsed on or referring to the first-mentioned licence; which second licence must be granted before the pig is moved into the district of that other Local Authority.

Sale by Licence of Privy Council.

17. Without prejudice to the foregoing provisions and in addition thereto, a public or private sale of a pig or of swine, fat or store, may be held

in a Swine-Fever Infected Area in any circumstances, with a licence of the Privy Council.

Attendance at Sales.

18.—(a.) A fit person or a sufficient number of fit persons appointed by the Local Authority shall attend at every public sale, being a market or fair, licensed under this Order, and shall, without fee or charge, grant thereat on behalf of the Local Authority such Swine-Fever Movement Licences as are required under this Order.

(b.) A fit person appointed by the Local Authority may, if the Local Authority think fit, on the request of the person holding any public sale licensed under or authorized by this Order, other than a market or fair, or any private sale licensed under or authorized by this Order, attend thereat, and grant thereat on behalf of the Local Authority such Swine-Fever Movement Licences as are required by this Order.

Movement in or into or out of Swine-Fever Infected Area.

19. Except as authorized by Articles 15 (b. and c.) and 16 (b. and c.) of this Order, no pig shall be moved in, into, or out of a Swine-Fever Infected Area otherwise than in accordance with the following Regulations (that is to say):

(Regulation A.—Movement in.)

- (i.) Swine may be moved in a Swine-Fever Infected Area with a Swine-Fever Movement Licence of the Local Authority (Form N) granted either on a certificate of a Veterinary Inspector or, instead of that certificate, if in any case the Local Authority think fit, on such a declaration (Form A) as is described in that Swine-Fever Movement Licence, the movement being wholly in the district of the same Local Authority.
- (ii.) If the movement is to be in the districts of more Local Authorities than one, there must also be a Swine-Fever Movement Licence of each of those Local Authorities; and every such second or subsequent Swine-Fever Movement Licence must be indorsed on or refer to the first Swine-Fever Movement Licence, and be granted before the swine are moved into the district of the Local Authority granting the second or subsequent licence.
- (iii.) Swine may be moved in a Swine-Fever Infected Area from one part of a farm or of farms, in the same occupation to another part of that farm or of those farms, or from and to a farm or premises to and from a common or grazing-land or watering-place which the occupier of the farm or premises is entitled to use for the swine, with a Swine-Fever Movement Licence of the Local Authority (Swine-Fever Occupation Movement Licence, Form J) granted either on a certificate of a Veterinary Inspector or, instead of that certificate, if in any case the Local Authority think fit, on such a declaration (Form A) as is described in that Swine-Fever Movement Licence, the movement being wholly in the district of the same Local Authority; and a Swine-Fever Occupation Movement Licence may authorize movement from time to time for fourteen days and no longer; but a fresh like licence may be granted from time to time on a fresh like certificate or declaration.

granted either on a certificate of a Veterinary Inspector or, instead of that certificate, if in any case the Local Authority think fit, on such a declaration (Form A) as is described in that Swine-Fever Movement Licence, the movement being wholly in the district of the same Local Authority, whether out of a Swine-Fever Infected Area or not.

(v.) If the movement is to be out of a Swine-Fever Infected Area in the district of another Local Authority, there must be first a Swine-Fever Movement Licence (Form O) of that Local Authority granted either on a certificate of a Veterinary Inspector or, instead of that certificate, if in any case the Local Authority think fit, on such a declaration (Form A) as is described in that Swine-Fever Movement Licence, and, secondly, a Swine-Fever Movement Licence of the Local Authority into whose district the swine are to be moved, indorsed on or referring to the first Swine-Fever Movement Licence; which second licence must be granted before the swine are moved into the district of the last-mentioned Local Authority.

(vi.) If the movement is to be out of the district of another Local Authority, but not out of a Swine-Fever Infected Area, the only Swine-Fever Movement Licence required is a Swine-Fever Movement Licence (Form L) of the Local Authority into whose district the swine are to be moved granted either on a certificate of a Veterinary Inspector or, instead of that certificate, if in any case the Local Authority think fit, on such a declaration (Form A) as is described in that Swine-Fever Movement Licence, which licence must be granted before the swine are moved into the district of that Local Authority.

(Regulation C.—Movement out.)

(vii.) Swine may be moved out of a Swine-Fever Infected Area with a Swine-Fever Movement Licence of the Local Authority (Form P) granted either on a certificate of a Veterinary Inspector or, instead of that certificate, if in any case the Local Authority think fit, on such a declaration (Form A) as is described in that Swine-Fever Movement Licence, the movement being wholly in the district of the same Local Authority.

(viii.) If the movement is to be into the district of another Local Authority, whether into a Swine-Fever Infected Area or not, there must also be a Swine-Fever Movement Licence of that other Local Authority indorsed on or referring to the first-mentioned licence; which second licence must be granted before the swine are moved into the district of that other Local Authority.

Restriction as to Persons granting Swine-Fever Movement Licences.

20. No licence granted under this Order for movement of swine shall be available if granted by the owner of the swine to be moved or by his agent, or by the owner or consignee or other person selling the swine, or exposing the swine for sale, or by the purchaser thereof or by his agent, or by the auctioneer or other person conducting the public or private sale at which the swine are exposed, or by the occupier of the farm or premises or slaughter-house from or to which the swine are to be moved.

Delivery of Certificates and Declarations.

21.—(a.) A Swine-Fever Movement Licence

granted under this Order is not available except when accompanied by the certificate or by the declarations or declaration, if any, on which it is granted.

(b.) The person granting a Swine-Fever Movement Licence under this Order shall, for the identification of each certificate or declaration produced to him, mark the same by signing his name thereon, with the date of the production thereof to him.

(c.) The person granting the licence shall deliver the certificate and the declarations or declaration produced to him, when so marked, with the licence, to the person receiving the licence from him.

Agreements of Local Authorities respecting Movement.

22.—(a.) With respect to the movement of swine under this Order from a Swine-Fever Infected Area in the district of one Local Authority into the district of another Local Authority, whether into a Swine-Fever Infected Area or not, those Local Authorities may, if they think fit, from time to time, notwithstanding anything in this Order, agree that movement from a public sale of fat swine licensed under this Order to a specified slaughter-house, or movement in any other case specified in the agreement, or movement in all cases, may be made without a licence of the secondly-mentioned Local Authority indorsed on or referring to the Swine-Fever Movement Licence of the first-mentioned Local Authority.

(b.) Where a Swine-Fever Infected Area comprises the whole or parts of the districts of more Local Authorities than one, then, notwithstanding anything in this Order, those Local Authorities, or any two of them, may, if they think fit, from time to time, agree that swine may be moved out of the district of one of those Local Authorities agreeing into the district of another of those Local Authorities agreeing, without a licence of that other Local Authority.

(c.) Every agreement under this Article shall be expressed to be, and shall be deemed to constitute, a licence for movement in each case to which it relates.

(d.) Where any such agreement is in operation the Swine-Fever Movement Licence of the Local Authority out of whose district the movement is to be made (Form E, G, N, O, P) may be modified accordingly.

(e.) Every such agreement shall be in writing signed by the respective clerks of the Local Authorities, by special direction of the respective Local Authorities, and shall be published in such manner as the respective Local Authorities consider best fitted to insure publicity for the same, and may be at any time revoked by either of the Local Authorities parties thereto.

(f.) Notice in writing of every such agreement shall be given by the Local Authorities agreeing to every Railway Company having a railway in the district of either of those Local Authorities, and no Railway Company shall be bound to have regard to any agreement of which notice is not so given.

(g.) Notice of the revocation or determination of any such agreement shall be given in like manner to every such Railway Company; and every agreement of which notice is so given shall, as regards each Railway Company be treated as in force until notice of the revocation or determination thereof is so given.

(h.) If at any time the Privy Council are satisfied with respect to any such agreement that the same is objectionable in any particular, and direct

the revocation thereof, the same shall thereupon cease to operate.

General Limitations on Provisions respecting Movement in connexion with Swine-Fever Infected Areas.

23. Nothing in this Order respecting movement of swine—

WE, whose names are hereunder written, having been sworn this fifth day of July, one thousand eight hundred and eighty-two, before the Queen's Remembrancer, at Goldsmiths' Hall, in the city of London, have made the Assays and Trials of Her Majesty's Silver Coins in the Pyx of the Mint, and which, according to accounts produced by the Officers of the Mint, were coined in the said Mint from the first day of July, one thousand eight hundred and eighty-one, to the thirtieth day of June, one thousand eight hundred and eighty-two, both days inclusive. We ascertained that the number of coins of silver in each packet produced to us, corresponded with the number which the Officers of the Mint represented it to contain, and we took a coin or coins from each of such packets of Silver coins, making altogether seventeen half-crowns, eleven florins, twenty-six shillings, eighteen sixpences, one fourpenny piece, sixteen threepenny pieces, one twopenny piece, and one penny piece, and weighed each of the said Silver coins separately, so as to ascertain whether they were within the remedy of the First Schedule of the said Coinage Act, 1870. We found that there was no variation from the Standard of Weight specified in the said First Schedule of the said Act on the whole of such coins. We then melted the said Silver coins, so taken out and weighed, into an ingot, and assayed such ingot, comparing it with the Standard Silver Trial Plate produced by the Board of Trade, so as to ascertain whether the metal was within the remedy as to fineness prescribed in the said First Schedule to the said Act, and we found that the amount of variation from the Standard of Fineness specified in the said First Schedule to the said Act, was minus five ten-thousandths (or .005), and, therefore, that the said metal was within the prescribed remedy as to fineness. We weighed the residue of the said Silver coins in bulk, and we ascertained that they were within the remedy as to weight. We then took from such residue one half-crown, one florin, one shilling, one sixpence, and one threepenny piece, and weighed and assayed them separately, and we found that such half-crown weighed 217.431 grains, that such florin weighed 173.875 grains, that such shilling weighed 87.172 grains, that such sixpence weighed 43.696 grains, and that such threepenny piece weighed 21.798 grains.

We then assayed the said half-crown, the said florin, the said shilling, the said sixpence, and the said threepenny piece separately, and we found the millesimal fineness of such half-crown to be 924.9, of such florin to be 924.9, of such shilling to be 924.8, of such sixpence to be 924.9, and of such threepenny piece to be 925.8.
