Bury Improvement.

(Purchase of Lands by Agreement in Connection with Waterworks Undertaking; Extension of Time for Completion of the Ogden Reservoir; Power to Levy a Water Rate outside the Borough; Further Provisions as to Appointment of Auditor and the Supply of Gas; Increase and Recovery of Gas Rates and Rents; Gas Fittings, &c.; Electric Lighting; Street Improvements; Compulsory and other Provisions as to Purchase of Lands; Powers as to Streets, Buildings, Sewers, Sanitary Matters; Infectious Disease, Hospitals, Burial of Dead and other Powers for Prevention of the Spread of Infection; Provisions as to Adulteration of Food; Further Provisions as to Police Stations, Special Constables, Bicycles, Betting, Indecent Notices, and Police Matters; Regulation and Licensing of Dancing Rooms and Places of Public Amusement; Application of Funds; Levying, Alteration, and Increase of Rates and Tolls; Additional Borrowing Powers; Consolidation of Loans; Creation and Issue of Stock for that and other Purposes; Provisions with reference thereto; Provisions as to Auditors and in Bankruptcy; Byelaws; Penalties; Amendment and Repeal of Acts and other Purposes.)

NOTICE is hereby given, that the Mayor, Aldermen, and Burgesses of the Borough of Bury, in the County Palatine of Lancaster,

being also the Urban Sanitary Authority for the borough (hereinafter called the Corporation), intend to apply to Parliament in the next Session for leave to bring in a Bill (hereinafter called the Bill) for all or some of the following purposes, that is to say:—

To empower the Corporation to purchase by agreement or to take on lease any lands, houses, and buildings, situate in the township of Musbury, in the parish of Bury, and the township of Haslingden, in the parish of Whalley, in the county of Lancaster, in order to prevent the streams communicating with the waterworks of the Corporation from being polluted, and generally for the purpose of protecting the said waterworks.

To extend the period limited by the Bury Improvement Act, 1872, for the construction of the Ogden Reservoir on the Ogden Brook, situate wholly in the townships of Musbury, in the parish of Bury, and Haslingden, in the parish of Whalley, in the county Palatine of Lancaster, by that Act authorised.

To empower the Corporation to assess and levy, for fire and other purposes, a public water-rate upon the owners of dwelling-houses and other buildings and premises within their water-limits in the parishes of Whalley, Bury, Radcliffe, Bolton-le-Moors, Prestwich-cum-Oldham, and the extra-parochial places of Hen Heads and Dunnockshaw, in the county of Lancaster.

To repeal, alter, and amend Sections 58 and 66 of the Bury Gas Act, 1857, and to provide that the Corporation shall themselves appoint the auditor by Section 58 of that Act directed to be appointed, and that the whole of the profits (if any) realised by the Corporation upon the sale and manufacture of gas, after making the several payments directed by Section 66 of the said Act, shall be paid over to the Borough Fund, instead of being applied as provided by that section.

To repeal, alter, or amend Section 84 of the Bury Gas Act, 1857, and to empower the Corporation to increase the price to be paid for gas by consumers outside the limits of the borough.

To repeal, alter, or amend Section 85 of the Bury Gas Act of 1857, and to empower the Corporation to increase the quality of the gas hereafter to be supplied by them.

To empower the Corporation, upon such terms and conditions as they may prescribe, to supply gas gratuitously to hospitals, infirmaries, public baths, or wash-houses, or to any other institutions maintained out of the public rates, or by voluntary subscriptions within the borough, and if the Corporation shall so determine to supply gas gratuitously for any other purpose within the borough.

To empower the Corporation to acquire, hold, and use patent rights or licences and authorities under letters patent for the use of inventions and apparatus for or in relation to the manufacture, supply, and distribution of gas, and the utilisation and conversion of residual products, to authorise the Corporation to manufacture, sell, purchase, hire, or otherwise deal in meters, stoves, and fittings, and other apparatus, articles, and things for or in relation to the production and supply of gas or electricity, whether for lighting or heating purposes.

To provide that all gas pipes, gas meters, and fittings furnished by the Corporation to any person or body of persons shall, unless and until paid for, remain the property of the Corporation and be exempt from legal process.

To empower the Corporation within their gas-limits to produce and to supply electricity for public and private purposes, and for that pur-
