Board of Trade.—Session 1883.

"Electric Lighting Act, 1882."

Bury Saint Edmunds Electric Lighting.

(Power to the Provincial (Brush) Electric Light and Power Company, Limited, to produce, supply and store Electricity for lighting and other purposes, and for those purposes to break up public and private streets and other places in the borough of Bury Saint Edmunds, in the county of Suffolk, and to erect, lay down, provide and maintain wires and other apparatus and works, acquire land and other rights, and supply lamps, meters and fittings; Powers to the Local Authority and others, and agreements with them; Power to demand and recover rents and charges, &c., and to make regulations as to fittings, &c.; Incorporation of Acts.)

NOTICE is hereby given, that application is intended to be made by The Provincial (Brush) Electric Light and Power Company, Limited, of No. 110, Cannon-street, in the city of London (hereinafter called "the Company"), to the Board of Trade, on or before the 21st day of December next, under the provisions of the "Electric Lighting Act, 1882," for a Provisional Order for the following purposes:—

To authorise and empower the Company to supply and store electricity, as defined by the said Act, for all or some of the public and private purposes, as defined by the said Act, within the area hereinafter mentioned, and for those purposes to enter upon, break up, and interfere with all streets, roads and public places, ways, footpaths, railways, tramways, canals, towing paths, bridges, culverts, sewers, gas and water mains and pipes, and telegraph and pneumatic tubes and pipes in the said area, and to lay down, set up, maintain, renew, or remove either above or under ground or otherwise pipes, tubes, wires, posts, apparatus, or other works or things required for enabling the Company to supply, produce, store, convey, transmit or distribute electricity for the several private and public purposes aforesaid within the said area, and all other works to carry into effect the objects of the proposed undertaking.

To enable the Company to purchase, hold, acquire, or take on lease any lands, or interests or easements in land, and to erect, maintain, use, and work upon such land all necessary stations, together with all storehouses, engines, machinery,

apparatus, works, and appliances for the production, storage, and distribution of electricity.

To authorise the Company to manufacture, hire, sell, and let all necessary machines, lamps, accumulators, fittings, plant, machinery, and other matters or things of whatever description required for the purposes aforesaid.

To authorise the Company to enter upon any houses, buildings, lands, and premises supplied by them for any purpose relative to such supply.

To enable the Company on the one hand, and the local authority on the other hand, to enter into agreements as to the supply of electricity, and as to the breaking-up and interfering with any streets, roads, ways, public footpaths, and public places as aforesaid, and if necessary to authorise such local authority to exercise the powers with respect to the breaking-up of streets and other places, and all or any of the other powers proposed by the intended Order to be conferred upon the Company.

To incorporate with the Provisional Order, and extend and apply to the proposed undertaking and works, and to the Company as undertakers of the same, all or some of the provisions of the "Electric Lighting Act, 1882," and of the Acts or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply hereinafter mentioned, that by the "Electric Lighting Act, 1882," are conferred upon undertakers as defined by such Act, and so far as may be necessary for the purposes of the Provisional Order, or as may be deemed expedient to alter, amend, repeal, or extend all or some of the provisions of those Acts, and to confirm or give effect to any agreement with any local authority or other corporation or person relative to the said Order or the undertaking proposed to be authorised thereby, and to make all such other regulations and conditions as the said Act authorises or requires, or the Board of Trade may prescribe with respect to all or any matters in connection with the proposed undertaking.

To authorise the Company to take, collect, and recover rates, rents, and charges, and to prescribe the same and to enable the same to be from time to time revised.

The area of supply within which it is proposed that the provisions of the said Order shall be in force and have effect is the borough of Bury St. Edmunds, in the county of Suffolk.

The streets and other places in, over, or along which it is proposed to place any electric lines or other works are all the streets and other places within the said area of supply, and among such streets and places it is more particularly proposed to place electric lines and works in, over, or along the following streets and places (but not to the exclusion of the other streets and places within the said area); that is to say:—

St. John's-street, from a point in that street 20 yards north of St. John's Church to Brentgovel-street.

Guildhall-street.

Cornhill, including the Town Hall, Butter Market, Provision Market, and Corn Hall.

Abbey Gate-street, from Guildhall-street to Upper Baxter-street.

Upper Baxter-street.

Brentgovel-street, from Upper Baxter-street to St. John's-street.

The railways and tramways which the Company propose to take power to break up are as follows: The Great Eastern Railway.

The canals and navigable rivers which the Company will be empowered to cross are as follows: River Lark.
