

houses, buildings, lands, and premises supplied by them for any purpose relative to such supply.

To enable the Company on the one hand, and the Local Authority on the other hand, to enter into agreements as to the supply of electricity, and as to the breaking-up and interfering with any streets, roads, ways, public footpaths, and public places as aforesaid, and if necessary to authorise such Local Authority to exercise the powers with respect to the breaking-up of streets and other places, and all or any of the other powers proposed by the intended Order to be conferred upon the Company.

To incorporate with the Provisional Order, and extend and apply to the proposed undertaking and works, and to the Company as undertakers of the same, all or some of the provisions of "The Electric Lighting Act, 1882," and of the Acts or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply, hereinafter mentioned, that by "The Electric Lighting Act, 1882," are conferred upon undertakers as defined by such Act, and so far as may be necessary for the purposes of the Provisional Order, or as may be deemed expedient to alter, amend, repeal, or extend all or some of the provisions of those Acts, and to confirm or give effect to any agreement with any Local Authority or other corporation, or person, relative to the said Order, or the undertaking proposed to be authorised thereby, and to make all such other regulations and conditions as the said Act authorises or requires, or the Board of Trade may prescribe with respect to all or any matters in connection with the proposed undertaking.

To authorise the Company to take, collect, and recover rates, rents, and charges, and to prescribe the same, and to enable the same to be from time to time revised.

The area of supply within which it is proposed that the provisions of the said Order shall be in force and have effect is the borough of Rochdale, in the county of Lancaster.

The streets and other places in, over, or along which it is proposed to place any electric lines or other works, are all the streets and other places within the said area of supply, and among such streets and places it is more particularly proposed to place electric lines and works in, over, or along the following streets and places (but not to the exclusion of the other streets and places within the said area), that is to say:—
