

posts, apparatus, or other works or things required for enabling the Company to supply, produce, store, convey, transmit, or distribute electricity for the several private and public purposes aforesaid within the said area and all other works to carry into effect the objects of the proposed undertaking.

To enable the Company to purchase, hold, acquire, or take on lease any lands or interests, or easements in land, and to erect, maintain, use, and work upon such land all necessary stations, together with all storehouses, engines, machinery, apparatus, works, and appliances for the production, storage, and distribution of electricity.

To authorise the Company to manufacture, hire, sell, and let all necessary machines, lamps, accumulators, fittings, plant, machinery, and other matters or things of whatever description required for the purposes aforesaid.

To authorise the Company to enter upon any houses, buildings, lands, and premises supplied by them for any purpose relative to such supply.

To enable the Company on the one hand, and the Local Authority on the other hand, to enter into agreements as to the supply of electricity, and as to the breaking-up and interfering with any streets, roads, ways, public footpaths, and public places as aforesaid, and if necessary to authorise such Local Authority to exercise the powers with respect to the breaking-up of streets and other places, and all or any of the other powers proposed by the intended Order to be conferred upon the Company.

To incorporate with the Provisional Order, and extend and apply to the proposed Undertaking and works, and to the Company as Undertakers of the same, all or some of the provisions of the "Electric Lighting Act, 1882," and of the Acts or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply hereinafter mentioned, that by the Electric Lighting Act, 1882, are conferred upon Undertakers as defined by such Act, and so far as may be necessary for the purposes of the Provisional Order, or as may be deemed expedient to alter, amend, repeal, or extend all or some of the provisions of those Acts, and to confirm or give effect to any agreement with any Local Authority, or other Corporation or person, relative to the said Order, or the Undertaking proposed to be authorised thereby, and to make all such other regulations and conditions as the said Act authorises or requires, or the Board of Trade may prescribe, with respect to all or any matters in connection with the proposed Undertaking.

To authorise the Company to take, collect, and recover rates, rents, and charges, and to prescribe the same, and to enable the same to be from time to time revised.

The area of supply within which it is proposed that the provisions of the said Order shall be in force and have effect is the borough of Walsall, in the county of Stafford.

The streets and other places in, over, or along which it is proposed to place any electric lines or other works, are all the streets and other places within the said area of supply, and among such streets and places it is more particularly proposed to place electric lines and works in, over, or along the following streets and places (but not to the exclusion of the other streets and places within the said area) that is to say:—

Park-street; the Square known as the Bridge Digbeth; High-street, and so much of Bridge-street as is contained between the bridge and the junction of Frere-street with the said street called Bridge-street, and so much of Station-street as is contained

between Park-street and the entrance to the London and North Western Railway Station in the said street called Station-street.

The Company do not propose to take power to break up any streets, roads, or places not repairable by the Local Authority.

The railways and tramways which the Company propose to take power to break up are as follows:—

The roadway upon the Park-street Bridge over the London and North Western Railway.

The tramways authorised to be constructed by the Walsall and District Tramways Orders, 1880 and 1882, and particularly Tramways numbered 1, 2, and 3 in the Order of 1880.

The Company do not propose to take power to cross any canals or navigable rivers.

The draft of the proposed Provisional Order will be deposited at the Office of the Board of Trade, on or before the 21st day of December next, and printed copies of the Draft Provisional Order, when applied for, and of the Provisional Order, when made, will be furnished at the price of one shilling for each copy, to all persons applying for the same, at the office of the undersigned, Walter Webb and Co., 23, Queen Victoria-street, in the city of London, and at the office of the Walsall Free Press Company, Limited, The Bridge, Walsall, in the county of Stafford.

Every local or other public authority, Company, or person desirous of making any representation to the Board of Trade, or of bringing before them any objection respecting the application, may do so by letter, addressed to the Board of Trade, marked on the outside of the cover enclosing it, "Electric Lighting Act," within two months from the date hereof.

Dated this 15th day of November, 1882.
