

affecting the London and South Western Railway Company.

And notice is hereby given, that on or before the 30th day of November in the present year, duplicate plans and sections of the intended railway and works, showing the lines and levels thereof, and the lands and houses to be taken for the purposes thereof, with a book of reference to such plans, and an Ordnance map with the general course and direction of the intended railway delineated thereon, and a copy of this notice as published in the London Gazette, will be deposited with the Clerk of the Peace for the county of Cornwall, at his office at Bodmin, and with the Clerk of the Peace for the county of Devon, at his office at Exeter, and that on or before the same day a copy of so much of the said plans, sections, and book of reference as relates to each parish in or through which the intended railway or works will be made or pass, with a copy of the said notice, will be deposited with the parish clerk of each such parish at his residence, and in the case of any extra-parochial places with the parish clerk of some parish adjoining thereto at his residence. And on or before the 21st day of December next printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons.

Dated this 15th day of November, 1882.

Mark Shephard, Solicitor, 27, College-street, College-hill, London, E.C.

John Jordan, 3, Westminster-chambers, Victoria-street, Westminster, Parliamentary Agent.

Board of Trade—Session 1883.

"Electric Lighting Act, 1882."

West Bromwich Electric Lighting.

(Power to the South Staffordshire Electric Lighting Company, Limited, to produce, supply, and store Electricity for Lighting and other Purposes, and for those Purposes to break up public and private Streets and other Places in the Borough of West Bromwich, in the County of Stafford; and to erect, lay down, provide, and maintain Wires and other Apparatus and Works; Acquire Land and other Rights, and supply Lamps, Meters, and Fittings; Powers to the Local Authority and others, and Agreements with them; Power to demand and recover Rents and Charges, &c., and to make Regulations as to Fittings, &c.; Incorporation of Acts.)

NOTICE is hereby given, that application is intended to be made by the South Staffordshire Electric Lighting Company, Limited, of 33, Waterloo-street, Birmingham, in the county of Warwick (hereinfter called "the Company"), to the Board of Trade, on or before the 21st day of December next, under the provisions of the "Electric Lighting Act, 1882," for a Provisional Order for the following purposes:—

To authorise and empower the Company to supply and store electricity as defined by the said Act, for all or some of the public and private purposes as defined by the said Act, within the area hereinafter mentioned, and for those purposes to enter upon, break up, and interfere with all streets, roads, and public places, ways, footpaths, railways, tramways, canals, towing-paths, bridges, culverts, sewers, gas and water mains and pipes, and telegraph and pneumatic tubes and pipes in the said area, and to lay down, set up, maintain, renew, or remove either above or under ground or otherwise, pipes, tubes, wires, posts, apparatus, or other works or

things required for enabling the Company to supply, produce, store, convey, transmit, or distribute electricity for the several private and public purposes aforesaid, within the said area, and all other works to carry into effect the objects of the proposed undertaking.

To enable the Company to purchase, hold, acquire, or take on lease any lands or interests, or easements in land, and to erect, maintain, use, and work upon such land all necessary stations, together with all storehouses, engines, machinery, apparatus, works, and appliances for the production, storage, and distribution of electricity.

To authorise the Company to manufacture, hire, sell, and let all necessary machines, lamps, accumulators, fittings, plant, machinery, and other matters or things of whatever description required for the purposes aforesaid.

To authorise the Company to enter upon any houses, buildings, lands, and premises supplied by them for any purpose relative to such supply.

To enable the Company on the one hand, and the local authority on the other hand, to enter into agreements as to the supply of electricity, and as to the breaking up and interfering with any streets, roads, ways, public footpaths, and public places as aforesaid, and if necessary to authorise such local authority to exercise the powers with respect to the breaking up of streets and other places, and all or any of the other powers proposed by the intended Order to be conferred upon the Company.

To incorporate with the Provisional Order, and extend and apply to the proposed undertaking and works, and to the Company as undertakers of the same, all or some of the provisions of the "Electric Lighting Act, 1882," and of the Acts or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply hereinafter mentioned, that by the "Electric Lighting Act, 1882," are conferred upon undertakers as defined by such Act, and so far as may be necessary for the purposes of the Provisional Order, or as may be deemed expedient, to alter, amend, repeal, or extend all or some of the provisions of those Acts, and to confirm or give effect to any agreement with any local authority or other Corporation or person relative to the said Order or the undertaking proposed to be authorised thereby, and to make all such other regulations and conditions as the said Act authorises or requires, or the Board of Trade may prescribe, with respect to all or any matters in connection with the proposed undertaking.

To authorise the Company to take, collect, and recover rates, rents, and charges, and to prescribe the same, and to enable the same to be from time to time revised.

The area of supply within which it is proposed that the provisions of the said Order shall be in force and have effect is the borough of West Bromwich, in the county of Stafford.

The streets and other places in, over, or along which it is proposed to place any electric lines or other works, are all the streets and other places within the said area of supply, and among such streets and places, it is more particularly proposed to place electric lines and works in, over, or along the following streets and places (but not to the exclusion of the other streets and places within the said area), that is to say:—

The street or streets called High-street, otherwise Holyhead-road, from the junction
