

ing Act, 1882, and in accordance with the following particulars:—

1. The objects of the application are to authorise the Corporation, subject and according to the conditions contained in the said Act or Order, to supply electricity for public and private purposes, as defined by the said Act, within the area hereinafter described; to empower the Corporation to open and break up streets and bridges, to alter the position of gas and water mains, pipes and wires, sewers and drains, under the same; to acquire lands, to appropriate lands (whether devoted to any special public purpose or not); to construct such works, acquire such licenses for the use of any patented or protected processes, invention, machinery, apparatus, methods, materials, or things; to enter into such contracts and to do all such acts and things as may be necessary and incidental to such supply; to empower the Corporation to make and recover charges for the supply of electricity, apparatus, meters, lamps, machinery, and works, and to make regulations for securing the payment of the same, and for the continuance and proper use of the electricity supplied, with power to discontinue the supply in case of default; to make provision for the prevention of accidents; to provide for the payment of the expenses incurred under the Act or Order, with power to borrow, and to charge such expenses and borrowed monies on the local rates; to empower the Corporation to prescribe the form and nature of meters, fittings, and fixtures; to enable the Corporation to supply, examine, test, and stamp the same; and to license fitters and workmen, and to prohibit others from executing works in relation thereto, and to make and enforce bye-laws and regulations in respect of all or some of the matters aforesaid; to make special provision with reference to the breaking up of footways of public streets and interference with property under such footways, and for laying down under the pavement or kerb of such footways electric lines and works; to relieve the Corporation from all liability arising from the acts or defaults of any company or person with whom they may contract, and whether in respect of the construction of works or supply of electricity; to authorise the Corporation from time to time to define by Order separate parts of the area of supply, to revoke or alter any such Order, and to charge differential rates within such several parts; to provide for the keeping of accounts, the formation of a reserve fund, and the application thereof, and also as to the application of the revenue arising from the undertaking.

2. The address and description of the applicants are: The Mayor, Aldermen, and Citizens of the City of Manchester (the Local Authority within the meaning of the said Act), at the Town Hall, Manchester.

3. A general description of the nature of the proposed works is as follows, namely:—Such works, engines, batteries, materials, and things as are authorised by the said Act, or necessary for generating, storing, supplying and distributing electricity, and otherwise for the purposes of the undertaking.

4. The area of supply for the purposes of the intended order is the whole of the City of Manchester, as constituted under the provisions of the Acts relating to Municipal Corporations, and of any local Acts relating to the City.

5. Subject to the conditions of supply, it is proposed to place electric lines or other works in over, and along all streets and other places repairable by the Corporation within the City of Manchester.

6. It is not intended to take powers in the

Order to break up any streets not repairable by the Corporation, or railways, but it is intended to cross the several lines of tramway within the City.

7. It is not intended to take power by the Order to cross any canal or navigable river.

8. And notice is hereby further given, that the draft of the proposed Provisional Order will be deposited at the office of the Board of Trade on or before the 21st day of December, 1882, and printed copies of the draft Order, when deposited, and of the Order, when made, may be obtained (at the price of one shilling for each copy) at the offices of the Town Clerk, at the Town Hall, Manchester, and of Messrs. Sharpe, Parkers, Pritchard, and Sharpe, Parliamentary Agents, at 9, Bridge Street, Westminster, S.W.

9. And notice is hereby further given, that a published map showing the boundaries of the proposed area of supply, and a copy of this advertisement as published in the "London Gazette," will be deposited on or before the 30th November instant, for public inspection, at the office of the Clerk of the Peace for the County Palatine of Lancaster, at Preston, and at the Town Hall (Town Clerk's Office) in Albert Square, Manchester.

10. And notice is hereby further given, that every local or other public authority, company, or person desirous of making any representation to the Board of Trade, or of bringing before them any objection respecting this application, may do so by letter addressed to the Board of Trade marked on the outside of the cover enclosing it, "Electric Lighting Act," within two months from the date of this notice.

And notice is further given, that application will be made for the confirmation of the Order by Parliament in the ensuing session.

Dated this 23rd day of November, 1882.

Joseph Heron, Town Clerk.

Sharpe, Parkers, Pritchard, and Sharpe,
9, Bridge Street, Westminster, Parliamentary Agents.
