

To empower the Corporation to construct all such works, engines, batteries, materials, and things necessary for generating, storing, supplying, and distributing electricity, and otherwise, for the purposes of the Provisional Order.

The area of supply for the purposes of the Provisional Order will be the whole of the city of Truro, in the county of Cornwall.

Power will be sought under the said Order to place electric lines, wires, and other works for the supply of electricity in, under, over, and along all streets and other places repairable by the Corporation within the city of Truro, and for that purpose to empower the Corporation to open and break up streets and bridges, and to alter the position of sewers, drains, pipes, and wires under the same.

To authorise the Corporation to appropriate any lands for the time being belonging to them, and not specifically appropriated to any other purpose, and also to purchase by agreement, and take on lease other lands, and to erect and maintain on lands so appropriated or acquired such buildings and machinery as may be required for the purposes of the Order.

To enable the Corporation to purchase or rent any materials or things required for the purposes of the Order, and to sell or let to any Company or person any engines, meters, electric lines, or other works, appliances, or fittings.

To enable the Corporation, for the purpose of supplying electricity, to construct such works, acquire such licences for the use of any patented or protected processes, inventions, machinery, apparatus, methods, materials, and other things, to enter into such contracts, and generally to do all such acts and things as may be necessary or incidental to such supply.

To authorise the Corporation to demand, collect, and recover rates, rents, and charges for the supply of electricity, apparatus, meters, lamps, machinery and works.

To empower the Corporation to apply to the purposes of the Provisional Order the borough fund, and the borough rate of the borough, or any other funds, rates, and revenues which they are empowered to levy, and over which they have control, and any moneys they are now authorised to borrow, and to borrow further moneys by debentures, mortgages, debenture stock, or annuities, and to charge such moneys on all or any of the before-mentioned funds, rates, and revenues.

To empower the Corporation from time to time to make, alter, and rescind regulations and bye-laws for or relating to the payment for and the use, misuse, or waste of electricity, and to impose and recover penalties for the breach of any such regulations or bye-laws.

And notice is hereby given, that a published map, showing the boundaries of the proposed area of supply, and the streets and other places in, over, or along which it is proposed to place any electric lines or other works, and a copy of this advertisement, as published in the London Gazette, will be deposited, on or before the 30th November instant, for public inspection, at the office of the Clerk of the Peace for the county of Cornwall, at his office at Bodmin, in the said county, and at the Town Clerk's office in Truro.

On and after the 21st day of December next, printed copies of the draft Provisional Order as it will be deposited at the Board of Trade on that date, and printed copies of the said Order when made, may be obtained on application at the office of the Town Clerk at Truro, and of Messrs. Lewin, Gregory, and Anderson, 23, King-street, Parliament-street, Westminster, at the price of one shilling each.

Every local or other public authority, company, or person desirous of making any representation to the Board of Trade, or of bringing before them any objection respecting this application may do so by letter, addressed to the Board of Trade, marked on the outside of the cover enclosing it "Electric Lighting Act," within two months from the 23rd day of November, 1882.

Dated this 22nd day of November, 1882.

*F. Hearle Cock*, Town Clerk, Truro.

*Lewin, Gregory, and Anderson*, 23, King-street, Parliament-street, Westminster, Parliamentary Agents.

Board of Trade.—Session 1883.

Tottenham, Edmonton, and Leyton Electric Lighting.

(Power to produce, supply, and store Electricity for lighting and other purposes, and for those purposes to break up public and private streets, and other places in the districts of the Tottenham and Edmonton Local Boards of Health, in the County of Middlesex, and of the Leyton Local Board of Health, in the County of Essex, and to erect, lay down, provide and maintain wires and other apparatus and works, acquire land and other rights, and supply lamps, meters, and fittings. Powers to the Local Authorities and others, and agreements with them. Power to demand and recover rents and charges, and to make regulations as to fittings. Incorporation of Acts).

NOTICE is hereby given, that application is intended to be made by The Metropolitan (Brush) Electric Light and Power Company, Limited, whose registered office is situate at No. 110, Cannon-street, in the City of London (hereinafter called "the Company"), to the Board of Trade, on or before the 21st day of December next, under the provisions of the "Electric Lighting Act, 1882," for a Provisional Order for the following purposes:—

To authorise and empower the Company to supply and store electricity as defined by the said Act, for all or some of the public and private purposes as defined by the said Act, within the area hereinafter mentioned, and for those purposes to enter upon, break up, and interfere with all streets, roads, and public places, ways, footpaths, railways, tramways, canals, towing paths, bridges, culverts, sewers, gas and water mains and pipes, and telegraph and pneumatic tubes and pipes in the said area, and to lay down, set up, maintain, renew, or remove, either above or under ground, or otherwise, pipes, tubes, wires, posts, apparatus, or other works, or things required for enabling the Company to supply produce, store, convey, transmit, or distribute electricity for the several private and public purposes aforesaid, within the said area, and all other works, to carry into effect the objects of the proposed undertaking.

To enable the Company to purchase, hold, acquire, or take on lease any lands or interests, or easements in land, and to erect, maintain, use and work upon such land all necessary stations, together with all storehouses, engines, machinery, apparatus, works, and appliances for the production, storage, and distribution of electricity.

To authorise the Company to manufacture, hire, sell, and let all necessary machines, lamps, accumulators, fittings, plant, machinery, and other matters or things of whatever description required for the purposes aforesaid.

To authorise the Company to enter upon any houses, buildings, lands, and premises supplied by them for any purpose relative to such supply.

To enable the Company on the one hand, and
