mentary Agents.

Board of Trade—Session 1883.

"Electric Lighting Act, 1882."

Bath Local Authority Electric Lighting.

(Power to the Mayor, Aldermen, and Burgesses of the City and Borough of Bath, Acting as the Urban Sanitary Authority for the said City and Borough, to Produce, Supply, and Store Electricity for Lighting and other Purposes, and for those Purposes to Break up Public and Private Streets and other Places in the City and Borough of Bath, in the County of Somerset, and to Erect, Lay Down, Provide and Maintain Wires and other Apparatus and Works, Acquire Land and other Rights, and Supply Lamps, Meters, and Fittings; Power to Demand and Recover Rents and Charges, &c., and to Make Regulations as to Fittings, &c.; Incorporation of Acts.)

NOTICE is hereby given, that application is intended to be made by the Mayor, Aldermen, and Burgesses of the city and borough of Bath, acting as the Urban Sanitary Authority for the said city and borough, and hereinafter referred to as the Local Authority, to the Board of Trade, on or before the 21st day of December next, under the provisions of the "Electric

Lighting Act, 1882," for a Provisional Order for the following purposes:—

To authorise and empower the Local Authority to supply and store electricity, as defined by the said Act, for all or some of the public and private purposes as defined by the said Act, within the area hereinafter mentioned, and for those purposes to enter upon, break up, and interfere with all streets, roads, and public places, ways, footpaths, railways, tramways, canals, towing-paths, bridges, culverts, sewers, gas, and water mains and pipes, and telegraph and pneumatic tubes and pipes, in the said area, and to lay down, set up, maintain, renew or remove, either above or under ground, or otherwise, pipes, tubes, wires, posts, apparatus, or other works or things, required for enabling the Local Authority to supply, produce, store, convey, transmit, or distribute electricity for the several private and public purposes aforesaid, within the said area, and all other works, to carry into effect the objects of the proposed undertaking.

To enable the Local Authority to purchase, hold, acquire, or take on lease, any lands, or interests, or easements in land, and to erect, maintain, use, and work upon such land all necessary stations, together with all storehouses, engines, machinery, apparatus, works, and appliances, for the production, storage, and distribution of electricity.

To authorise the Local Authority to manufacture, hire, sell, and let, all necessary machines, lamps, accumulators, fittings, plant, machinery, and other matters or things of whatever description, required for the purposes aforesaid.

To authorise the Local Authority to enter upon any houses, buildings, lands, and premises supplied by them, for any purpose relative to such supply.

To incorporate with the Provisional Order and extend and apply to the proposed undertaking and works, and to the Local Authority as undertakers of the same, all or some of the provisions of the "Electric Lighting Act, 1882," and of the Acts or portions of Acts incorporated therewith, and to confer upon the Local Authority all or some of the powers within the area of supply, hereinafter mentioned, that by the Electric Lighting Act, 1882, are conferred upon undertakers as defined by such Act, and so far as may be necessary for the purposes of the Provisional Order, or as may be deemed expedient to alter, amend, repeal, or extend, all or some of the provisions of those Acts, and to confirm or give effect to any agreement with any corporation or person relative to the said Order or the undertaking proposed to be authorised thereby, and to make all such other regulations and conditions as the said Act authorises or requires, or the Board of Trade may prescribe with respect to all or any matters in connection with the proposed undertaking.

To authorise the local authority to take, collect, and recover rates, rents, and charges, and to prescribe the same, and to enable the same to be from time to time revised.

The said city and borough shall be the area of supply within which it is proposed that the provisions of the said Order shall be in force and have effect.

The names of the streets, roads, or places not repairable by the local authority which the local authority propose to take power to break up, are as follows:—

Approaches to Great Western Railway Station, approaches to Midland Railway Station, back of Oxford-terrace, back of Pulteney-
