AT the Court at Windsor, the 19th day of March, 1883.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by the "Merchant Shipping Act Amendment Act, 1862," it is enacted, that, whenever it is made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships, for the time being in force under the principal Act; have been adopted by the Government of any foreign country, and are in force in that country, it shall be lawful, for Her Majesty, by Order in Council, to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry, or other national papers; and, thereupon, it shall no longer be necessary for such ships to be remeasured in any port or place in Her Majesty's dominions, but such ships shall be deemed to be of the tonnage denoted in their certificates of registry, or other papers, in the same manner, to the same extent, and for the same purposes, in, to, and for which the tonnage, denoted in the certificates of registry of British ships, is to be deemed the tonnage of such ships.

And whereas it was made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships, for the time being in force under the principal Act had been, with certain exceptions, adopted by the Government of the United States of America, and Her Majesty by Order in Council, dated the 30th day of July, 1868, was pleased to direct that the merchant ships of the said United States of America, the measurement whereof should, after the 1st of January, 1865, have been ascertained and denoted on the registers, and other national papers of such ships, testified by the dates thereof, should be deemed to be of the tonnage denoted in such registers or other national papers, in the same manner, and to the same extent, and for the same purpose, in, to, and for which the tonnage denoted in the certificates of registry of British ships is deemed to be the tonnage of such ships, after making therefrom the same deductions, in respect of crew space and engine room, as would, if such ships were British, be made from their gross tonnage, under the laws relating to British ships.

And whereas the Government of the said United States of America have provided that, on and after the 5th day of August, 1882, a deduction from the gross tonnage of every vessel of the United States, shall, on measurement or remeasurement thereof, be made for crew space in sailing ships, and for crew and engine space in steam ships.

And whereas it has been made to appear to Her Majesty that, in consequence of such last recited provision, the rules concerning the measurement of tonnage of merchant ships, now in force under "The Merchant Shipping Act, 1854," have been adopted by the Government of the United States of America, with the exception of a difference in the mode, in certain steamers, of estimating the allowance for engine room, and such rules are now in force in that country, having come into operation on the 5th day of August, 1882, and that it is desirable that the ships of the said United States, measured or remeasured as aforesaid, on or after the said 5th day of August, 1882, shall, instead of requiring remeasurement in the United Kingdom for crew space in sailing ships, or for crew and engine space in steam ships, be deemed to be of the tonnage denoted in their certificates of registry, or other national papers.

Now, therefore, Her Majesty is hereby pleased, by, and with the advice of Her Privy Council, to direct as follows:—

1. As regards sailing ships: that merchant sailing ships of the said United States of America, the measurement whereof after the said 5th day of August, 1882, has been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, shall be deemed to be of the tonnage denoted in such registers, and other national papers, in the same manner, and to the same extent, and for the same purpose in, to, and for which the tonnage denoted in the certificate of registry of British sailing ships, is deemed to be the tonnage of such ships.

2. As regards steam ships: that merchant ships belonging to the said United States of America, which are propelled by steam or any other power requiring engine room, the measurement whereof shall, after the said 5th day of August, 1882, have been ascertained and denoted in the registers and other national papers of such steam ships, testified by the dates thereof, shall be deemed to be of the tonnage denoted in such registers or other national papers in the same manner, and to the same extent, and for the same purpose in, to, and for which the tonnage denoted in the certificates of registry of British ships is deemed to be the tonnage of such ships. Provided, nevertheless, that if the owner or master of any such American steam ship desires the deduction for engine room in his ships to be estimated under the rules for engine room measurement and deduction applicable to British ships, instead of under the American rule, the engine room shall be measured, and the deduction calculated, according to the British rules.

SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the Next of Kin or others entitled, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the London Gazette, and the "Army List," and is also to be seen at the Regimental Districts and at the Quarters of the several Staff Officers for the Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as Next of Kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—EFFECTS, 1882-83.

By order of the said Principal Secretary,
RALPH THOMPSON.

NOTE.—A copy of this Notice is to be seen at the Regimental Districts and at the Quarters of the several Staff Officers for the Pension Service throughout the United Kingdom.

Mann v. Teasdale.

WHEREAS Thomas Davidson, late of Hexham aforesaid (who died on the 5th September, 1856), by his will, dated 26th October, 1846, devised his freehold hereditaments to (amongst others) the several persons above named, or their lawful issue (hereinafter described as the devisees). And whereas it appears, on prosecuting the inquiries as to the persons entitled to or interested in the said hereditaments directed by the Judgment in the above action, dated the 23rd July, 1881, that the said several persons many years ago went to Melbourne, and by reason of it not being known whether they are living or dead, or who are the persons entitled to or interested in the shares of the said hereditaments so devised to them, service of notice of the said Judgment on the said devisees was dispensed with by an Order in the said Action, dated 16th February, 1883. Pursuant to the said Judgment and the provisions of the Partition Act, 1576, the said several persons if living, or in the event of their being dead, then their real representatives or lawful issue, are, by their Solicitors, on or before the 30th day of July, 1883, to come in at the chambers of the Honourable Mr. Justice Kay, at the Royal Courts of Justice, London, and establish their respective claims to the shares in the said hereditaments so devised by the said will to the said devisees, or in default thereof they will be bound by the said Judgment of the 23rd July, 1881, as if on the said 16th February, 1883, they had been served with notice of the said Judgment. Tuesday the 7th day of August, 1883, at twelve o'clock at noon, at the said chambers, is the time appointed for hearing and adjudicating upon the claims.—Dated this 14th day of March, 1883.
