(C. 2905.) Board of Trade, Whitehall Gardens, August 14, 1883.

THE Board of Trade have received from the Secretary of State for Foreign Affairs the following translation of a Spanish Law, dated the 13th ultimo, modifying the duties on certain raw materials imported into Spain from the 1st

LAW for the Reduction of Custom-house Duties on certain Articles considered as Raw Materials.

ART. 1. From the 1st of August next the articles below mentioned, considered as raw materials for industrial purposes, shall, on their importation into Spain and the Balearic Islands, pay, instead of the present duties, the duties fixed in the accompanying Tariff:—

ART. 2. These duties shall be levied on the products of all nations, whether they have treaties or not, but, in so far as regards nations with treaties, it is understood that they are not to affect the rights acquired by such treaties.

ART. 3. The extraordinary (additional) duty of 20 pesetas per 100 kilogrammes established by the Law of the 21st of July, 1878, on liquid vegetable oils shall, with the exception of olive oil, be suppressed.

The duties established by virtue of Article 1st on vegetable oils shall be subject to the reductions hereafter to be made in accordance with the Law of the 6th of July, 1882, for the application of the fifth base.

ART. 4. The consular dues established by virtue of the Royal Order of the 18th of October, 1876,

49, 50, and 51 of the Consular Tariffs of the 15th of July, 1874, then annulled, are suppressed in so far as they refer to merchandise included in Article 1st.

ART. 5. Navigation dues for the loading and unloading of coal and coke in connexion with foreign trade are fixed at 25 centimes per ton of 1,000 kilogrammes, and at 10 centimes on coal, coke, and iron ore for the coasting trade.

ART. 6. The duties fixed on the articles mentioned in Article 1st shall be paid on the gross weight, excepting phosphorus, and combed and carded wool, and combed and carded waste silk, which shall pay on the nett weight.

Empty vessels for containing acids, whether common or ordinary hollow glassware, dark glass in substitution of the dues fixed in Articles 48, or earthenware (No. 10), as well as the baskets
