**THE** following Statute, passed on the 18th day of April, 1884, by the Governing Body of Oriel College, Oxford, and sealed on the 1st day of May, 1884, has been submitted for the approval of Her Majesty in Council, and

notice of its having been so submitted is published in accordance with the provisions contained in the Universities of Oxford and Cambridge Act, 1877:—

Exparte the Provost and Scholars of the House of the Blessed Mary the Virgin in Oxford commonly called Oriel College of the foundation of Edward the Second of famous memory sometime King of England.

A STATUTE to amend certain Statutes made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1877 (40 and 41 Vict., c. 48), and approved by the Queen in Council on the 3rd day of May 1882 in relation to Oriel College in the University of Oxford duly made at a General Meeting of the Provost and Fellows of the said College, specially summoned for this purpose, held on the 18th day of April, 1884, and passed at such meeting by the votes of the whole number of persons present and voting, and submitted to Her Majesty the Queen in Council.

WHEREAS by Statute III, 17, made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1877, and approved by the Queen in Council on the 3rd day of May 1882 in relation to Oriel College in the University of Oxford it was enacted as follows:—

17. *Each ordinary Fellow shall be entitled to receive the annual stipend of £200 out of the Corporate Revenues clear of income tax, but inclusive of all allowances save as hereinafter mentioned.*

And whereas it appears to us the Provost and Fellows of the said College that the revenues of the College are not at present sufficient to provide such annual stipends without unduly prejudicing the interest of the persons elected before the passing of the said Act, being interests intended to be saved by the said Act, and that it is therefore desirable to provide that the Fellows holding Fellowships under the said Statutes shall not be entitled to receive greater emoluments than the Fellows elected before the passing of the said Act, but that if the revenues of the College should hereafter increase, the emoluments of such first-mentioned Fellows, should so far as possible be augmented to an amount not exceeding an average stipend of £200 a year.

We, the said Provost and Fellows of the said College being the Governing body thereof, do hereby in exercise of the power given to us by the 54th section of the said Act alter the 17th clause of Statute III of the said Statutes by substituting for the clause as hereinbefore set out the following clause:—

17. *Each ordinary Fellow shall be entitled to receive out of the Corporate Revenues such share of the divisible income of the year as is hereinafter provided such share to be clear of income tax but inclusive of all allowances save as hereinafter mentioned.*

And we do further alter Statute XI of the said Statutes by adding the following clause numbered 1 and by renumbering the succeeding clauses accordingly.

1. *The Provost and Fellows shall in or as soon as may be after the close of each year declare so much of the clear surplus income of the College as they shall think fit to be the divisible income for that year: and the same shall be apportioned among the Fellows for that year (including any Fellowships which may be suspended or vacant) in equal shares: Provided that no Fellow shall receive more in respect of such share for any one year than the sum of £200, unless the average amount received by him in each of the preceding*

*years, not exceeding six, during which he has held his Fellowship, has been less than £200, in which case he may receive in respect of such share any sum not greater than the amount which would with the amounts previously received by him bring his average receipts for that year and for each of such preceding years up to £200.*

Given under our Common  
Seal this first day of May,  
1884.

L. S.

Privy Council Office, May 19, 1884.

We alter and amend Statute iii by inserting in Clause 11(a) after the word "Tutor" the word "Bursar" and by substituting in the last paragraph of Clause 11 for the words "or Tutor" the words "Tutor or Bursar."

And by inserting in Clause 16 after the words "every Fellow elected under Clause 10 or Clause 11(a) of this Statute," the words "except as hereinafter provided in the case of the Bursar and by inserting between the first paragraph of the same clause (ending with the words "shall not vacate his Fellowship") and the second paragraph of the same clause (beginning with the words "Every Fellow elected under Clause 11(b)" the words "The Bursar if elected to a Fellowship under Clause 11(a) of this Statute shall vacate his Fellowship upon failing or ceasing to hold the office of Bursar or upon failing to reside in such manner as the Master and Fellows may

The following information on Marion (Paget) Reef, has been published by the German Government:—

Marion Reef—about 110 miles southward of Lihou Reef,—the eastern extreme is in lat. 19° 3' S., long. 152° 26' E., extending thence in a W.N.W. direction for a distance of about 8 miles; and to the southward for about 5 miles, then apparently trending to the westward.

From this, in connection with the original report by Mr. Paget, Master of the schooner "Marion Renny" in 1868, it is assumed the reef extends (decreasing gradually in breadth) to its western extreme, in about lat. 19° 10' S., 152° 0' E.; the western limit must however be considered undefined.

In December, 1883, H.M.S. "Diamond" passed about 10 miles eastward of the above position of

Marion Reef, without sighting it; and no bottom was obtained, with 130 fathoms of line.

(3.) *Reef Southward of Osprey Reef.*

The Queensland Government has given notice of the existence of a reef lying about 100 miles southward of Osprey Reef:—

This reef (Heath Reef) is stated to extend about 3 miles in a W.N.W. and E.S.E. direction, with a breadth of 2½ miles; except on the north-west extreme, where some dry rocks were seen, and at an opening on the northern side, the outer edge of the reef was awash.

Position as given, lat. 15° 28' S., long. 147° 6' E.

NOTE.—The existence of these islets and reefs, and the possible existence of others, within the western margin of the Outer "Route," points to the desirability of vessels navigating this part of the Coral Sea, keeping eastward of Libou, Frederick, Kenn, and Osprey Reefs.

The Russian Government has published the following particulars concerning the light (re-exhibited on 3rd April, 1884, after temporary discontinuance):—

The light is visible through an arc of 309°, showing a fixed red light through an arc of 200°, or approximately between the bearings of N.E. by E. ½ E. and W. ½ S.; a single red flash of one second duration followed by an eclipse of four seconds, through an arc of 50°, or approximately from N.E. by E. ½ E. to N. by E. ½ E.; a fixed white light (leading clear of all shoals) through an arc of 9°, or approximately from N. by E. ½ E. to N. ½ E.; and two successive white flashes, each of one second duration, followed by an eclipse of four seconds, through an arc of 50°, or approximately from N. ½ E. to N.W. ½ N. A faint light is seen through the remaining portion of arc (51°), or approximately from N.W. ½ N. to W. ½ S.

On each side of the arc of 9°, through which the fixed white light is shown, there is a sector of 1½°, within which both the fixed white light and the flashing light may be seen, but vessels must not pass beyond the limits of the fixed white light.

The light is elevated 55 feet above the sea, and should be visible in clear weather from a distance of 12 miles. The illuminating apparatus is dioptric, or by lenses, of the third order.

The lighthouse, of iron, circular in shape and painted red, stands on a granite base; the lantern roof and cupola are of copper unpainted.

Position, lat. 60° 6' 20" N., long. 24° 59' 45" E.

NOTE.—Vessels proceeding from Gröhara Holm to Sveaborg must be guided by the light shown from Gustafsvärd Castle, western side of Gustaf Sound (see Notice to Mariners, No. 27 (4), of 28th January, 1884.)
