Exparte the Provost and Scholars of the House of the Blessed Mary the Virgin in Oxford commonly called Oriel College of the foundation of Edward the Second of famous memory sometime King of England.

A STATUTE to amend certain Statutes made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1877 (40 and 41 Vict., c. 48), and approved by the Queen in Council on the 3rd day of May 1882 in relation to Oriel College in the University of Oxford duly made at a General Meeting of the Provost and Fellows of the said College, specially summoned for this purpose, held on the 18th day of April, 1884, and passed at such meeting by the votes of the whole number of persons present and voting, and submitted to Her Majesty the Queen in Council.

WHEREAS by Statute III, 17, made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1877, and approved by the Queen in Council on the 3rd day of May 1882 in relation to Oriel College in the University of Oxford it was enacted as follows:—

17. *Each ordinary Fellow shall be entitled to receive the annual stipend of £200 out of the Corporate Revenues clear of income tax, but inclusive of all allowances save as hereinafter mentioned.*

And whereas it appears to us the Provost and Fellows of the said College that the revenues of the College are not at present sufficient to provide such annual stipends without unduly prejudicing the interest of the persons elected before the passing of the said Act, being interests intended to be saved by the said Act, and that it is therefore desirable to provide that the Fellows holding Fellowships under the said Statutes shall not be entitled to receive greater emoluments than the Fellows elected before the passing of the said Act, but that if the revenues of the College should hereafter increase, the emoluments of such first-mentioned Fellows, should so far as possible be augmented to an amount not exceeding an average stipend of £200 a year.

We, the said Provost and Fellows of the said College being the Governing body thereof, do hereby in exercise of the power given to us by the 54th section of the said Act alter the 17th clause of Statute III of the said Statutes by substituting for the clause as hereinbefore set out the following clause:—

17. *Each ordinary Fellow shall be entitled to receive out of the Corporate Revenues such share of the divisible income of the year as is hereinafter provided such share to be clear of income tax but inclusive of all allowances save as hereinafter mentioned.*

And we do further alter Statute XI of the said Statutes by adding the following clause numbered 1 and by renumbering the succeeding clauses accordingly.

1. *The Provost and Fellows shall in or as soon as may be after the close of each year declare so much of the clear surplus income of the College as they shall think fit to be the divisible income for that year: and the same shall be apportioned among the Fellows for that year (including any Fellowships which may be suspended or vacant) in equal shares: Provided that no Fellow shall receive more in respect of such share for any one year than the sum of £200, unless the average amount received by him in each of the preceding*

years, not exceeding six, during which he has held his Fellowship, has been less than £200, in which case he may receive in respect of such share any sum not greater than the amount which would with the amounts previously received by him bring his average receipts for that year and for each of such preceding years up to £200.

Given under our Common
Seal this first day of May,
1884.
