PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**I**N pursuance of the Winter Assizes Acts, 1876 and 1877, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

1. The County of Oxford and the County of Berks shall, for the purpose of the next Winter Assizes, be united together and form one county, under the name of the Winter Assize County, No. 11.

2. The said Winter Assizes for the said Winter Assize County shall be held at Oxford.

3. The Court at the said Winter Assizes at Oxford shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said Section "the Sheriff of the county for which such Assizes were held" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the County of Oxford shall alone act for the purpose of the said Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Oxford, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. 7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into execution outside the County of Oxford, or to levy outside the said County fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for either of the counties comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority, and be under the same obligation to attend at the said Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriff of the County of Berks.

10. In all indictments and presentments at the said Winter Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 11."

11. Any person who, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol

Delivery, to be holden for either of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Oxford, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Oxford, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Oxford.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to Her Majesty's Gaol at Oxford, for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the County where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, may, upon the application of such person, direct the Treasurer of the county or place where such

person was committed to advance to such person a sum not exceeding 20*l.* to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts and this Order; and every such Treasurer or some known agent on his behalf shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assize for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1884.

10. In all indictments and presentments at the said Winter Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 18."

11. Any person who, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol

Delivery, to be holden for any of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in any of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Swansea, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Glamorgan, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Swansea.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to Her Majesty's Gaol at Swansea for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed to advance to such person a sum not exceeding 20*l.* to enable him to defray the

travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly without any Writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1884.

C. L. Peel.

At the Court at *Osborne House, Isle of Wight*, the 11th day of *August*, 1884.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

IN pursuance of the Winter Assizes Acts, 1876 and 1877, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

1. The County of Northumberland and the City and County of the City of Newcastle-upon-Tyne shall, for the purpose of the next Winter Assizes, be united together under the name of the Winter Assize County, No. 19.

2. The said Winter Assizes for the said Winter Assize County shall be held at the Moot Hall at Newcastle-upon-Tyne.

3. The Court at the said Winter Assizes at Newcastle-upon-Tyne shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned: provided that the expression in the said Section "the Sheriff of the County for which such Assizes were held" shall mean the Sheriff of the County in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the County of Northumberland shall alone act for the purpose of the said Winter Assizes for the said Winter Assize

County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Northumberland; and the Jurors so summoned shall be deemed to be good and lawful men of the body of each of the counties constituting the said Winter Assize County; and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. The precepts of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Winter Assize County who under the provisions of this Order will have to be tried at Newcastle-upon-Tyne, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any Writ of Habeas Corpus.

7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into execution outside the County of Northumberland, or to levy outside the said County fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for either of the counties comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize or the proper officer thereof any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority, and be under the same obligation to attend at the same Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize or the proper officer thereof such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriff of the County of the City of Newcastle-upon-Tyne.

10. In all indictments and presentments at the said Winter Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 19."

11. Any person who after the date of this Order and before the said Winter Assizes enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, to be holden for any of the counties constituting the said Winter Assize County, shall

be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in any of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Newcastle-upon-Tyne, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Northumberland, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Newcastle-upon-Tyne.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to Her Majesty's Gaol at Newcastle-upon-Tyne for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, may, upon the application of such person direct the Treasurer of the county or place where such person was committed to advance to such person a sum not exceeding 20*l.* to enable him to defray the

travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly without any Writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1884.

*C. L. Peel.*

At the Court at *Osborne House, Isle of Wight*,  
the 11th day of *August*, 1884.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS by Order in Council made in pursuance of the Merchant Shipping Act Amendment Act, 1862, and dated the fourteenth day of August, One thousand eight hundred and seventy-nine, Her Majesty, on the joint recommendation of the Admiralty and the Board of Trade, was pleased to direct that on and after the first day of September, one thousand eight hundred and eighty, the Regulations for preventing Collisions at Sea contained in an Order in Council dated the ninth day of January, one thousand eight hundred and sixty-three, and the additions by an Order in Council dated the thirtieth day of June, one thousand eight hundred and sixty-eight, made thereto, should be annulled, and that there should be substituted therefor the new Regulations contained in the first schedule to the said first-named Order in Council, and that the same should, from and after the first day of September, one thousand eight hundred and eighty, apply to ships of the countries mentioned in the said second schedule thereto, whether within British jurisdiction or not.

And whereas by the Orders in Council dated respectively the twenty-fourth day of March, one thousand eight hundred and eighty, the twenty-sixth day of August, one thousand eight hundred and eighty-one, the eighteenth day of August, one thousand eight hundred and eighty-two, the twenty-third day of August, one thousand eight hundred and eighty-three, and the second day of February, one thousand eight hundred and eighty-four, Her Majesty was pleased to direct that the operation of the

Article numbered 10 of the New Regulations contained in the first Schedule of the said Order in Council of the fourteenth day of August, one thousand eight hundred and seventy-nine, should be suspended from time to time.

And whereas the Admiralty and the Board of Trade have jointly recommended to Her Majesty that, so far as regards British ships and boats, the regulations hereinafter set forth shall be substituted for the regulations contained in the first schedule to the said Order in Council of the fourteenth day of August, one thousand eight hundred and seventy-nine.

Now, therefore, Her Majesty, by virtue of the powers vested in Her by the said recited Act, and by and with the advice of Her Privy Council is pleased to direct that, on and after the first day of September, one thousand eight hundred and eighty-four, the regulations contained in the schedule hereto shall, so far as regards British ships and boats be substituted for the regulations contained in the first schedule to the said Order in Council of the fourteenth day of August, one thousand eight hundred and seventy-nine.

*SCHEDULE referred to in this Order.*

*Regulations for Preventing Collisions at Sea.*

Art. 1. In the following rules every steam ship which is under sail and not under steam is to be considered a sailing ship; and every steam ship which is under steam, whether under sail or not, is to be considered a ship under steam.

*Rules concerning Lights.*

Art. 2. The lights mentioned in the following Articles, numbered 3, 4, 5, 6, 7, 8, 9, 10, and 11, and no others, shall be carried in all weathers, from sunset to sunrise.

Art. 3. A seagoing steam ship when under way shall carry—

- (a.) On or in front of the foremast, at a height above the hull of not less than 20 feet, and if the breadth of the ship exceeds 20 feet, then at a height above the hull not less than such breadth, a bright white light, so constructed as to show an uniform and unbroken light over an arc of the horizon of 20 points of the compass, so fixed as to throw the light 10 points on each side of the ship, viz., from right ahead to two points abaft the beam on either side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least five miles.
- (b.) On the starboard side a green light, so constructed as to show an uniform and unbroken light over an arc of the horizon of 10 points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the starboard side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least two miles.
- (c.) On the port side a red light, so constructed as to show an uniform and unbroken light over an arc of the horizon of 10 points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the port side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least two miles.
- (d.) The said green and red side lights shall be fitted with inboard screens projecting at least 3 feet forward from the light, so as to prevent these lights from being seen across the bow.

Art. 4. A steam ship, when towing another ship, shall, in addition to her side lights, carry

two bright white lights in a vertical line one over the other, not less than 3 feet apart, so as to distinguish her from other steam ships. Each of these lights shall be of the same construction and character, and shall be carried in the same position, as the white light which other steam ships are required to carry.

Art. 5 (a.) A ship, whether a steam ship or a sailing ship, which from any accident is not under command, shall at night carry, in the same position as the white light which steam ships are required to carry, and, if a steam ship, in place of that light, three red lights in globular lanterns, each not less than 10 inches in diameter, in a vertical line one over the other, not less than three feet apart, and of such a character as to be visible on a dark night with a clear atmosphere at a distance of at least two miles; and shall by day carry in a vertical line one over the other, not less than three feet apart, in front of but not lower than her foremast head, three black balls or shapes, each two feet in diameter.

(b.) A ship, whether a steam ship or a sailing ship employed in laying or in picking up a telegraph cable, shall at night carry in the same position as the white light which steam ships are required to carry, and, if a steam ship, in place of that light, three lights in globular lanterns each not less than 10 inches in diameter, in a vertical line over one another, not less than 6 feet apart; the highest and lowest of these lights shall be red, and the middle light shall be white, and they shall be of such a character that the red lights shall be visible at the same distance as the white light. By day she shall carry in a vertical line one over the other not less than six feet apart, in front of but not lower than her foremast head, three shapes not less than two feet in diameter, of which the top and bottom shall be globular in shape and red in colour, and the middle one diamond in shape and white.

(c.) The ships referred to in this Article, when not making any way through the water, shall not carry the side lights, but when making way shall carry them.

(d.) The lights and shapes required to be shown by this Article are to be taken by other ships as signals that the ship showing them is not under command, and cannot therefore get out of the way. The signals to be made by ships in distress and requiring assistance are contained in Article 27.

Art. 6. A sailing ship under way, or being towed, shall carry the same lights as are provided by Article 3 for a steam ship under way, with the exception of the white light, which she shall never carry.

Art. 7. Whenever, as in the case of small vessels during bad weather, the green and red side lights cannot be fixed, these lights shall be kept on deck, on their respective sides of the vessel, ready for use; and shall, on the approach of or to other vessels, be exhibited on their respective sides in sufficient time to prevent collision, in such manner as to make them most visible, and so that the green light shall not be seen on the port side nor the red light on the starboard side.

To make the use of these portable lights more certain and easy, the lanterns containing them shall each be painted outside with the colour of the light they respectively contain, and shall be provided with proper screens.

Art. 8. A ship, whether a steam ship or a sailing ship, when at anchor, shall carry, where it can best be seen, but at a height not exceeding 20 feet above the hull, a white light, in a globular lantern of not less than 8 inches in diameter, and so constructed as to show a clear uniform and

unbroken light visible all round the horizon, at a distance of at least one mile.

Art. 9. A pilot vessel, when engaged on her station on pilotage duty, shall not carry the lights required for other vessels, but shall carry a white light at the masthead, visible all round the horizon, and shall also exhibit a flare-up light or flare-up lights at short intervals, which shall never exceed fifteen minutes.

A pilot vessel, when not engaged on her station on pilotage duty, shall carry lights similar to those of other ships.

Art. 10. Open boats and fishing vessels of less than 20 tons net registered tonnage, when under way and when not having their nets, trawls, dredges, or lines in the water, shall not be obliged to carry the coloured side lights; but every such boat and vessel shall in lieu thereof have ready at hand a lantern with a green glass on the one side, and a red glass on the other side, and on approaching to or being approached by another vessel such lantern shall be exhibited in sufficient time to prevent collision, so that the green light shall not be seen on the port side nor the red light on the starboard side.

The following portion of this Article applies only to fishing vessels and boats when in the sea off the coast of Europe lying north of Cape Finisterre:—

(a.) All fishing vessels and fishing boats of 20 tons net registered tonnage, or upwards, when under way and when not required by the following regulations in this Article to carry and show the lights therein named, shall carry and show the same lights as other vessels under way.

(b.) All vessels when engaged in fishing with drift nets shall exhibit two white lights from any part of the vessel where they can be best seen. Such lights shall be placed so that the vertical distance between them shall be not less than 6 feet and not more than 10 feet; and so that the horizontal distance between them measured in a line with the keel of the vessel shall be not less than 5 feet and not more than 10 feet. The lower of these two lights shall be the more forward, and both of them shall be of such a character, and contained in lanterns of such construction as to show all round the horizon, on a dark night with a clear atmosphere, for a distance of not less than three miles.

(c.) A vessel employed in line fishing with her lines out shall carry the same lights as a vessel when engaged in fishing with drift nets.

(d.) If a vessel when fishing becomes stationary in consequence of her gear getting fast to a rock or other obstruction, she shall show the light and make the fog signal for a vessel at anchor.

(e.) Fishing vessels and open boats may at any time use a flare-up in addition to the lights which they are by this Article required to carry and show. All flare-up lights exhibited by a vessel when trawling, dredging, or fishing with any kind of drag net shall be shown at the after part of the vessel, excepting that, if the vessel is hanging by the stern to her trawl, dredge, or drag net, they shall be exhibited from the bow.

(f.) Every fishing vessel and every open boat when at anchor between sunset and sunrise shall exhibit a white light visible all round the horizon at a distance of at least one mile.

(g.) In fog, mist, or falling snow, a drift net vessel attached to her nets and a vessel

when trawling, dredging, or fishing with any kind of drag net, and a vessel employed in line fishing with her lines out, shall at intervals of not more than two minutes make a blast with her fog horn and ring her bell alternately.

Art. 11. A ship which is being overtaken by another shall show from her stern to such last-mentioned ship a white light or a flare-up light.

#### *Sound Signals for Fog, &c.*

Art. 12. A steam ship shall be provided with a steam whistle or other efficient steam sound signal, so placed that the sound may not be intercepted by any obstructions, and with an efficient fog horn to be sounded by a bellows or other mechanical means, and also with an efficient bell.\* A sailing ship shall be provided with a similar fog horn and bell.

In fog, mist, or falling snow, whether by day or night, the signals described in this Article shall be used as follows; that is to say,—

(a.) A steam ship under way shall make with her steam whistle, or other steam sound signal, at intervals of not more than two minutes, a prolonged blast.

(b.) A sailing ship under way shall make with her fog horn, at intervals of not more than two minutes, when on the starboard tack one blast, when on the port tack two blasts in succession, and when with the wind abaft the beam three blasts in succession.

(c.) A steam ship and a sailing ship, when not under way, shall at intervals of not more than two minutes ring the bell.

#### *Speed of Ships to be moderate in Fog, &c.*

Art. 13. Every ship, whether a sailing ship or steam ship, shall, in a fog, mist, or falling snow, go at a moderate speed.

#### *Steering and Sailing Rules.*

Art. 14. When two sailing ships are approaching one another, so as to involve risk of collision, one of them shall keep out of the way of the other, as follows, viz.:

(a.) A ship which is running free shall keep out of the way of a ship which is close-hauled.

(b.) A ship which is close-hauled on the port tack shall keep out of the way of a ship which is close-hauled on the starboard tack.

(c.) When both are running free with the wind on different sides, the ship which has the wind on the port side shall keep out of the way of the other.

(d.) When both are running free with the wind on the same side, the ship which is to windward shall keep out of the way of the ship which is to leeward.

(e.) A ship which has the wind aft shall keep out of the way of the other ship.

Art. 15. If two ships under steam are meeting end on, or nearly end on, so as to involve risk of collision, each shall alter her course to starboard, so that each may pass on the port side of the other.

This Article only applies to cases where ships are meeting end on, or nearly end on, in such a manner as to involve risk of collision, and does not apply to two ships which must, if both keep on their respective courses, pass clear of each other.

The only cases to which it does apply are, when each of the two ships is end on, or nearly end on, to the other; in other words, to cases in which, by day, each ship sees

\* In all cases where the Regulations require a bell to be used, a drum will be substituted on board Turkish vessels.

the masts of the other in a line, or nearly in a line, with her own; and by night, to cases in which each ship is in such a position as to see both the side lights of the other.

It does not apply by day to cases in which a ship sees another ahead crossing her own course; or by night to cases where the red light of one ship is opposed to the red light of the other, or where the green light of one ship is opposed to the green light of the other, or where a red light without a green light, or a green light without a red light, is seen ahead, or where both green and red lights are seen anywhere but ahead.

Art. 16. If two ships under steam are crossing, so as to involve risk of collision, the ship which has the other on her own starboard side shall keep out of the way of the other.

Art. 17. If two ships, one of which is a sailing ship and the other a steam ship, are proceeding in such directions as to involve risk of collision, the steam ship shall keep out of the way of the sailing ship.

Art. 18. Every steam ship, when approaching another ship, so as to involve risk of collision, shall slacken her speed or stop and reverse, if necessary.

Art. 19. In taking any course authorised or required by these regulations, a steam ship under way may indicate that course to any other ship which she has in sight by the following signals on her steam whistle, viz.:—

One short blast to mean "I am directing my course to starboard."

Two short blasts to mean "I am directing my course to port."

Three short blasts to mean "I am going full speed astern."

The use of these signals is optional, but if they are used the course of the ship must be in accordance with the signal made.

Art. 20. Notwithstanding anything contained in any preceding Article, every ship, whether a sailing ship or a steam ship, overtaking any other, shall keep out of the way of the overtaken ship.

Art. 21. In narrow channels every steam ship shall, when it is safe and practicable, keep to that side of the fairway or mid-channel which lies on the starboard side of such ship.

Art. 22. Where by the above rules one of two ships is to keep out of the way, the other shall keep her course.

Art. 23. In obeying and construing these rules due regard shall be had to all dangers of navigation, and to any special circumstances which may render a departure from the above rules necessary in order to avoid immediate danger.

*No Ship, under any Circumstances, to neglect proper Precautions.*

Art. 24. Nothing in these rules shall exonerate any ship, or the owner, or master, or crew thereof, from the consequences of any neglect to carry lights or signals, or of any neglect to keep a proper look out, or of the neglect of any precaution which may be required by the ordinary practice of seamen, or by the special circumstances of the case.

*Reservation of Rules for Harbours and Inland Navigation.*

Art. 25. Nothing in these rules shall interfere with the operation of a special rule, duly made by local authority, relative to the navigation of any harbour, river, or inland navigation.

*Special Lights for Squadrons and Convoys.*

Art. 26. Nothing in these rules shall interfere with the operation of any special rules made by

the Government of any nation with respect to additional station and signal lights for two or more ships of war or for ships sailing under convoy.

Art. 27. When a ship is in distress and requires assistance from other ships or from the shore, the following shall be the signals to be used or displayed by her, either together or separately, that is to say:

In the daytime—

1. A gun fired at intervals of about a minute;
2. The International Code signal of distress indicated by N C;
3. The distant signal, consisting of a square flag, having either above or below it a ball, or anything resembling a ball.

At night—

1. A gun fired at intervals of about a minute;
2. Flames on the ship (as from a burning tar barrel, oil barrel, &c.);
3. Rockets or shells, throwing stars of any colour or description, fired one at a time, at short intervals.

#### NOTICE TO MARINERS.

(No. 148.)—UNITED STATES.—DELAWARE RIVER ENTRANCE.

*Cape Henlopen—Dangerous Condition of Beacon Lighthouse.*

THE United States Government has given notice, dated 15th July, 1884, that owing to the encroachment of the sea, the beacon or northern lighthouse on Cape Henlopen south side of Delaware River Entrance, stands about 25 yards outside the high water line, and is consequently in imminent danger of being washed away.

NOTE.—Should Mariners, when approaching the river entrance, be unable to see the beacon light, they should not attempt to enter unless with a pilot on board, or should at least when nearing

the cape, keep northward of the breakwater range lights in line.

Lewes—Life-saving Station.—A life-saving station has recently been erected about 25 yards within the beach, and about 500 yards eastward of the railway pier at Lewes, westward of Cape Henlopen.

CAUTION.—It is intended to immediately begin filling in the channel between the eastern end of the Ice-breaker and the western extremity of the breakwater, on the south side of Delaware River Entrance by sinking "mattresses" by brush and branches preparatory to closing the opening by a continuous wall of stone. Mariners should not use this passage, as it will become more shallow day by day, and an attempt to pass through would be dangerous.

By command of their Lordships,

W. J. L. Wharton, Hydrographer.
