Brighton and Dyke Railway (Deviation).
Certificate of the Board of Trade for Construction of a Deviation Railway.

WHEREAS the Brighton and Dyke Railway Company, incorporated by the Brighton and Dyke Railway Act, 1877, as Promoters, and for the purpose of constructing the deviation railway hereinafter described, have contracted to purchase the lands required for such deviation, and the approach roads, and works in connection therewith, and have complied with the requirements of the Railway Companies Powers Act, 1864, and of the Railways Construction Facilities Act, 1864, and the Railways (Powers and Construction) Acts, 1864, Amendment Act, 1870 :

Now, therefore, the Board of Trade do by this, their Certificate, in pursuance of the said Acts, and by virtue and in exercise of the powers thereby in them vested, and of every other power enabling them in this behalf, certify as follows :—

1. This Certificate may be cited as "The Brighton and Dyke Railway (Deviation) Certificate, 1885."

2. In this Certificate the expression "the Company" means the Brighton and Dyke Railway Company.

3. Subject to the provisions of this Certificate the Company may, on the lands contracted to be purchased by them as aforesaid, make and maintain the deviation railway and approach roads shown on the deposited plans and sections, in the lines, and according to the levels, and within the limits of deviation shown on such plans and sections, with all proper stations, approaches, sidings, works, and conveniences connected therewith.

The deviation railway and approach roads authorized by this Certificate will be situated in the county of Sussex, and are as follows :—

(1.) A railway commencing in the parish of Hangleton by a junction with the authorized Brighton and Dyke Railway now in course of construction, at a point 15 chains or thereabouts in a north-westerly direction from the building or shed known as "Skeleton Hovel," and terminating in the parish of Poynings at a point 2 chains or thereabouts in a south-easterly direction from the cow-house adjacent to the Dyke Cottages on Poynings Place Farm.

(2.) An approach road in the said parish of Poynings, commencing at or near the termination of the deviation railway hereinbefore described, and terminating by a junction with the public highway known as the Dyke-road, at a point 22 chains or thereabouts in a southerly direction from the south-west corner of the stables of the Dyke Hotel.

(3.) An approach road or footway in the same parish, commencing at or near the termination of the said deviation railway, and terminating by a junction with the Dyke-road at a point on the eastern fence of the Dyke Cottages, belonging to and forming part of Poynings Place Farm.

4. If the railway is not completed within two years from the passing of this Certificate, then, on the expiration of that period, the powers by this Certificate granted to the Company for making and completing the railway, or otherwise in relation thereto, shall cease to be exercised, except as to so much thereof as is then completed.

5. The railway by this Certificate authorized shall, for the purposes of tolls and charges, and all purposes whatsoever, be part of the undertaking of the Company.

6. The Company shall abandon the construction of so much of their railway authorized by the Brighton and Dyke Railway Act, 1877, as was proposed to be situated between the commencement of the deviation railway hereinbefore described and the termination of the said authorized railway in the parish of Poynings.

7. The abandonment by the Company, under the authority of this Certificate, of any portion of any railway or works, shall not prejudice or affect the right of the owner or occupier of any land to receive compensation for any damage occasioned by the entry of the Company on such land for the purpose of surveying and taking levels, or probing or boring to ascertain the nature of the soil, or setting out the line of railway; and shall not prejudice or affect the right of the owner or occupier of any land which may have been temporarily occupied by the Company to receive compensation in accordance with the provisions of the Railways Clauses Consolidation Act, 1845, for such temporary occupation, or for any loss, damage, or injury which may have been sustained by such owner or occupier by reason thereof, or of the exercise, as regards such lands, of any of the powers of the Company.

8. Where, before the passing of this Certificate, any contract may have been entered into, or notice given by the Company for the purchasing of any land for the purposes of or in relation to any portion of the railway or works authorized to be abandoned by this Certificate, the Company shall be released from all liability to purchase or to complete the purchase of any such lands, but, notwithstanding, full compensation shall be made by the Company to the owners and occupiers or other persons interested in such lands, for all injury or damage sustained by them respectively, by reason of the purchase not being completed pursuant to the contract or notice, and the amount and application of the compensation shall be determined in manner provided by the Lands Clauses Consolidation Act, 1845, as amended by any subsequent Act, for determining the amount and application of compensation paid for lands taken under the provisions thereof.

9. The Company, on the one hand, and the London, Brighton, and South Coast Railway Company on the other hand, may, subject to the provisions of Part III. of the Railways Clauses Act, 1863, as amended or varied by the Regulation of Railways Act, 1873, from time to time enter into and carry into effect contracts and agreements for and with respect to the following purposes, or any of them (that is to say) :—

The working, use, maintenance, and management of the railway of the Company, or any part or parts thereof :

The supply of rolling and working stock and plant necessary for and during the continuance of any agreement for the working and use of the railway of the Company by the London, Brighton, and South Coast Railway Company, and the employment of officers and servants for the conduct of the traffic on the railway :

The payments to be made and the conditions to be performed with respect to such working, use, management, and maintenance :

The interchange, accommodation, transmission, conveyance, and delivery of traffic from, to, and over the undertakings of the contracting Companies :

The fixing, collection, payment, division, and appropriation of the tolls, charges, and other revenues arising from such traffic :

The payments, allowances, and rebates to be paid, made, or allowed by either of the contracting Companies to the other of them.

10. During the continuance of any agreement to be entered into under the provisions of this Certificate for the working or use of the railway, or any part thereof, the railway of the Company, and the London, Brighton, and South Coast Railway, shall, for the purposes of short distance tolls and charges, be considered as one railway, and in estimating the amount of tolls and charges in respect of traffic conveyed partly on the railway of the Company and partly on the London, Brighton, and South Coast Railway for a less distance than three miles, tolls and charges may only be charged as for three miles, and in respect of passengers, for every mile, or fraction of a mile, beyond three miles tolls and charges as for one mile only, and in respect of animals and goods, for every quarter of a mile, or fraction of a quarter of a mile, beyond three miles, tolls and charges as for a quarter of a mile only, and no other short distance charge shall be made for the conveyance of passengers, animals, or goods partly on the railway of the Company and partly on the London, Brighton, and South Coast Railway.

11. Nothing in this Certificate contained shall exempt the Company or the railway from the provisions of any general Act relating to railways, or the better and more impartial audit of the accounts of railway companies now in force, or which may hereafter pass during this or any future session of Parliament, or from any future revision or alteration under the authority of Parliament of the maximum rates of fares and charges, or of the rates for small parcels.

12. All costs, charges, and expenses of and incidental to the preparing for obtaining and passing of this Certificate, or otherwise in relation thereto, shall be paid by the Company.
