THE Board of Trade have received through the Secretary of State for Foreign Affairs the following Translation of an Ordinance of the Italian Government:—

Ordinance of Maritime Health.—No. 6.

The Minister of the Interior, with reference to the Law of March 20, 1865, on the public health and the Ministerial Instructions of December 26, 1871, in view of the constantly increasing diffusion and virulence of the cholera in Spain, decrees:—

The quarantine of observation prescribed by Ordinance No. 5 of the 5th of July last, for vessels arriving without a case of illness from all the ports on the coast of Spain and the Spanish Islands is from to-day's date raised to seven days.

This treatment is also applicable to ships which are at present in quarantine.

The Prefects of the Maritime Provinces of Italy are charged with the execution of this Ordinance.

For the Minister,

Rome, August 1, 1885. MORANA.
