*Board of Trade (Harbour Department),
November 3, 1885.*

THE Board of Trade have received through the Secretary of State for the Colonies a copy of a Proclamation by the Governor of Gibraltar to the following effect:—

Proclamation.

THAT the Proclamations of the 25th September and 1st October be cancelled; and that all arrivals from Spanish and Italian ports, and French ports in the Mediterranean be admitted to pratique, provided they bring clean bills of health viséd by a British Consular Authority.

That all arrivals from such ports with foul bills of health, but with perfect health on board, be subjected to seven days quarantine.

Given at Gibraltar, the 22nd day of October, 1885.

(H. 7659.)

*Board of Trade (Harbour Department),
November 3, 1885.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs a Despatch from Her Majesty's Vice-Consul at Christiania, transmitting a Circular issued by the Norwegian Government, of which the following is a translation:—

From the Department of Justice and Police,
Royal Norwegian Government.

THE following places will, until further notice, be considered as infected with cholera:—

In France, harbours on the Mediterranean and in the department of Finisterre: Spain, Sicily, Japan, Cochin China, East India Island, East Indies, Harbours in the Red Sea, Syria, Uruguayana, in Brazil.

Vessels with cholera patients on board and destined for Norwegian ports must be directed by the pilots to the quarantine depôt at Christiansand; in other harbours captains expose themselves to keeping the patients on board and remaining in quarantine themselves.

This notice takes the place of the Order from this Department, dated last September 14 (No. 6, 1885), and is forwarded to whom it may concern.

Christiania, October 26, 1885.

A. SÖRENSEN.
