In Parliament.—Session 1886.

Solihull Gas.

(Dissolution of the Solihull Gas Company Limited; Incorporation of New Company; Additional Capital; Borrowing Powers; Limits of Gas Supply; Purchase of Lands; Manufacture and Storage of Gas on certain lands; Purchase of Gas in bulk; Power to deal in Coal Residuals; Gas Fittings; and to levy Rates, Rents, and Charges; Agreements with Sanitary Authorities and others; Power to acquire Patent Rights; Laying Down and Renewal of Gas Mains, Pipes, and Apparatus; Amendment and Incorporation of Acts.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing session by the Solihull Gas Company Limited (hereinafter referred to as the Limited Company), for leave to bring in a Bill for an Act for all or some of the following purposes, that is to say:—

To dissolve the Limited Company and to cancel and annul their Memorandum and Articles of Association, and to provide for the winding-up of the Limited Company, and to incorporate the shareholders of the Limited Company with other persons or corporations into a Company by the name of the Solihull Gas Company, or by some other name (hereinafter referred to as the Company), and to confer upon the Company all necessary powers and authorities for carrying into effect the objects of the intended Act.

To vest in the Company all the undertaking, works, lands, buildings, mains, pipes, machinery, property, stock, plant, interests, rights, powers, privileges, easements, licences, contracts, and agreements of the Limited Company.

To declare, define, and regulate the undertaking, capital, and borrowing powers, and to make provision for the regulation and management of the affairs of the Company, and to authorize them to raise additional capital by the creation and issue of shares and stock (ordinary or preferential or both), and by borrowing on

mortgage, or otherwise, and to issue and create debenture stock.

To confer upon the Company all necessary and proper powers for lighting with gas, for public or private purposes, the parish of Solihull, in the county of Warwick, or some part or parts thereof.

To authorize the Company to hold the lands and to maintain the existing works of the limited Company, and to alter, improve, enlarge, renew or discontinue those works, and to erect new or additional works for the manufacture and storage of gas thereon, and also to erect houses, offices, and buildings on the said lands.

To empower the Company to hold and use, for the manufacture and storage of gas, and for gas works, and for works for the manufacture and conversion of the residual products arising from the manufacture of gas, or of the materials used therein, the following lands, that is to say:—

All that piece of land situate in the parish of Solihull, in the county of Warwick, containing four thousand six hundred and thirteen square yards, or thereabouts, upon which the existing works of the Limited Company are erected, and which piece of land is bounded on the western side thereof by the occupation-road leading from the Solihull main-road to the coal wharf in the occupation of Mrs. Briscoe, on the northern side thereof by the said wharf, on the eastern side thereof partly by the said wharf and partly by land belonging, or reputed to belong to W. C. Alston, Esq., and on the southern side thereof by other land belonging or reputed to belong to the said W. C. Alston, Esq.

To empower any Local Authority or Company manufacturing or supplying gas in or near the parish of Solihull to sell to and the Company to buy gas in bulk, and for that purpose to authorize the laying down and execution of all necessary and proper mains, pipes, meters, apparatus, and works, and to authorize and carry into effect agreements relating to the matters aforesaid.

To authorize the Company to purchase or take on lease, and to hold lands, houses, and hereditaments for purposes other than the manufacture or storage of gas, or to acquire easements or rights over or under any such lands and hereditaments, and to sell or lease any lands, works, and property from time to time vested in or purchased by the Company, or to exchange any such land.

To empower the Company to manufacture, sell, supply, and deal in gas, coal, coke, lime, tar, pitch, asphaltum, ammoniacal liquor, and other products or residue of any materials employed in or resulting from the manufacture of gas, and to manufacture, supply, sell, let for hire, and deal in, gas fittings, pipes, meters, engines, stoves, and lighting, heating, and cooking apparatus, and do all other acts and things in any way connected with gasworks, or with the supply of gas, as they may think fit.

To enable the Company to levy, demand, and recover rates, rents, and charges for the supply of gas, and of meters, pipes, stoves, fittings, and other apparatus of any description, or of any other articles or things, or for work done by the Company, and to enforce payment of rates, rents, and charges, and to vary or extinguish exemptions from the payment of rates, rents, or charges; also to provide for the deposit of security for the payment of rates, rents, and charges, and for making rebates or allowances to consumers of gas.

To authorize the Company and any sanitary authority, lighting authority, highway board, companies, trustees, or other public bodies, or any persons within or adjoining the limits of supply of the Company, to enter into and carry in
