(H. 8950.)

*Board of Trade (Harbour Department),
December 31, 1885.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs a copy of a Despatch from Her Majesty's Representative in Japan, enclosing the following notification respecting quarantine, viz. :—With reference to the notifications issued by me or under my authority on the 28th of August, 2nd of September, 5th of September, and 7th of September last, respecting the prevalence of cholera at the port of Nagasaki, and the consequent enforcement, as against vessels clearing therefrom or calling thereat, of the Medical Inspection Regulations issued by the Imperial Japanese Government on the 23rd of June, 1882, I hereby make known to British subjects residing in or resorting to Japan, that I have received a communication from His Excellency the Japanese Minister for Foreign Affairs stating that, as cholera has now ceased at the port of Nagasaki, the enforcement as against vessels arriving therefrom of the Medical Inspection Regulations aforesaid, has from this date been discontinued at all the ports of Japan; and that, inasmuch as the port of Nagasaki is now declared to be free of disease, the said Medical Inspection Regulations will, henceforth, be enforced thereat in the same manner as at other Japanese ports, as against all arriving vessels which may have cleared from any port in the districts of Osaka city or Hyogo Prefecture, or which may have touched at any such port, or which, after leaving such port, may have touched at any intermediate port.

Given under my hand at Her Britannic Majesty's Legation, this 11th day of November, 1885.

F. R. PLUNKETT,

Her Britannic Majesty's Envoy Extraordinary and Minister Plenipotentiary in Japan.

(H. 8.)

*Board of Trade (Harbour Department),
January 1, 1886.*
