1. All Treasury Warrants at any time heretofore made relating to the conveyance by post of postal packets (which term in this Warrant means and includes all letters, post cards, newspapers, packets of commercial papers, packets of printed papers, and pattern or sample packets) between the United Kingdom and the Republic of Bolivia, and also between any British Colony or Foreign Country and the Republic of Bolivia, are hereby annulled to the extent to which such Warrants respectively relate to the several matters comprised in this Warrant as aforesaid.

2. 3. This Warrant shall come into operation on the first day of April, one thousand eight hundred and eighty-six.

GENERAL ORDER of the Local Government Board: Altering Consolidated Order. Outdoor Labour Test:—

Cookham Union.

To the Guardians of the Poor of the Cookham Union, in the county of Berks;—

To the Churchwardens and Overseers of the Poor of the several parishes comprised in the said Union;—

And to all others whom it may concern.

WE, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, hereby Order, with respect to the relief of the Poor in the said Cookham Union, as follows:—

ARTICLE 1.—Subject to the provisions of the General Order of the Poor Law Commissioners, dated the twenty-first day of December, one thousand eight hundred and forty-four, in force in the Union, every able-bodied male pauper who receives relief within the Union, and is relieved out of the Workhouse, shall be relieved in the following manner; that is to say:—

Half at least of the relief given to such pauper shall be given in food, clothing, and other articles of necessity.

No such pauper shall receive relief from the Guardians, or any of their officers, or any Overseer of any Parish in the Union, while he is employed for wages or other hire or remuneration by any person; but every such pauper so relieved shall be set to work by the Guardians.

ARTICLE 2.—The Guardians shall, within fourteen days after the day when this Order comes into force, and from time to time afterwards as the Local Government Board may require, report to the Local Government Board the place or places at which able-bodied male paupers shall be so set to work in the Union, the sort or sorts of work in which they or any of them shall be employed, the times and mode of work, and all such other matters relating to the employment of such able-bodied paupers as the said Guardians shall deem material to be communicated to the Local Government Board, or as the Local Government Board shall require.

ARTICLE 3.—If the Guardians shall depart, in any particular instance, from any of the regulations hereinbefore contained, and shall, within fifteen days after such departure, report the same and the grounds thereof to the Local Government Board, and if the Local Government Board shall approve of such departure, then the relief granted in such particular instance shall, if otherwise lawful, not be deemed to be unlawful, or be subject to be disallowed.

And whereas provision is made in a General Order of the Poor Law Commissioners, bearing date the twenty-fourth day of July, one thousand eight hundred and forty-seven, in force in the said Union, for the appointment of an officer, to be termed a Superintendent of Outdoor Labour, and for the continuance in office of such officer, and it is expedient that further provision should be made as hereinafter mentioned;

We therefore further Order, that if at any time the number of able-bodied male paupers requiring relief shall be so small as to render the services of a Superintendent of Outdoor Labour unnecessary, the Guardians may dispense with the services of such an officer.

Given under the Seal of Office of the Local Government Board, this fourth day of March, in the year one thousand eight hundred and eighty-six.

S. B. Provis, Assistant Secretary.

NOTICE is hereby given, that application is intended to be made to Parliament in the session thereof of 1886 for leave to bring in a Bill to effect the objects, or some of the objects following, namely:—

1. To authorize the trustee or trustees for the time being of the settled family estates of the Marquess of Anglesey and the Right Honourable Henry, Marquess of Anglesey, being the Undertakers under the Stapenhill Bridge Act, 1880, or some or one of them, or some other person or persons to be specified in that behalf in the Bill (in this notice referred to as and respectively included in the expression "the Undertakers"), to make and maintain the following works, or some or one of them, or some part or parts thereof respectively, that is to say:—

A footbridge over the River Trent, commencing in the township of Burton Extra, in the parish of Burton-upon-Trent, in the county of Stafford, at a point in the public footway leading from Burton-upon-Trent to Stapenhill Ferry, 25 yards, or thereabouts, from the south-eastern end of the landing-place on the Staffordshire side of the said ferry, and terminating in the township and parish of Stapenhill, in the county of Derby, at a point seven yards, or thereabouts, to the north-west of the front door of the Ferry House there.

2. To authorize the Undertakers to construct and maintain all necessary and convenient ways from and out of the said new bridge in the several townships and parishes aforesaid, to communicate with buildings and lands adjoining or lying near thereto, and all proper piers, abutment walls, embankments, and other works and conveniences in connection with or for the purposes of the proposed bridge, and other objects of the Bill.

3. To authorize the Undertakers to deviate laterally from the lines of the intended works to the extent shown on the plans hereinafter mentioned, and to deviate vertically from the levels shown in the sections hereinafter mentioned, to such an extent as may be provided by the Bill.

4. To authorize the Undertakers to cross, divert, alter, or stop up, either temporarily or permanently, any streets, roads, highways, ap-

proaches, ways, footpaths, streams, waters, waterways, watercourses, drains, sewers, pipes, and telegraphic, electric, and telephonic apparatus within the respective parishes, townships, or places aforesaid, which it may be necessary or convenient to cross, divert, alter, or stop up for the purposes of the intended works or of the Bill.

5. To authorize the Undertakers to purchase and take by compulsion, and also by agreement, for the purposes of the intended works and of the Bill, lands, houses, tenements, and hereditaments, and easements or rights in, over, or affecting lands, tenements, and hereditaments in the said several parishes, townships, and places, and to vary or extinguish any rights and privileges connected with the lands, houses, tenements, and hereditaments so purchased or taken, and all other rights and privileges which would interfere with the objects of the Bill.

6. To authorize the Undertakers to demand, levy, and recover tolls, rates, and charges upon or in respect of the said bridge and works, and to confer, vary, or extinguish exemptions from the payment thereof.

7. To make provision, if thought fit, for the discontinuance, temporarily or permanently, of the Stapenhill Ferry.

8. To empower the Marquess of Anglesey and his sequels in estate, and the trustee or trustees of his family settled estates, or any of them jointly or severally, or either of them alone, to provide, contribute, and apply trust or other funds in their hands, or any trust moneys invested in their names or forming part of the settled estates, for all or any of the purposes of the Bill, and to raise funds by sale or mortgage of parts of the settled estates for those purposes, or any of them, and, if thought fit, to extend to the proposed bridge and works connected therewith, with or without modification, all or some of the provisions of the Marquess of Anglesey's Estate Acts, 1867 and 1877, with respect to the payment of the expenses of the construction of the works authorized by the Stapenhill Bridge Act, 1865, and otherwise in relation to such works.

9. To authorize and empower the Undertakers from time to time to sell, let, or otherwise dispose of the tolls, rates, and charges to be taken under the Bill to the Corporation of Burton-upon-Trent, or such other person or persons, and for such period or periods, and upon and subject to such terms and conditions, pecuniary or otherwise, as they think fit, or as the Bill may prescribe.

10. To empower the Undertakers on the one hand, and the Corporation of Burton-upon-Trent on the other hand, to enter into and carry into effect agreements or contracts for the sale or leasing to the said Corporation of the said bridge,

and all rights of the Undertakers therein, together with the existing Stapenhill Ferry, and all rights connected therewith, and to make all necessary provisions with reference to the said bridge and ferry in that behalf, and, if necessary, to empower the said Corporation to apply any funds for the time being in their hands, or any rates which they have power to raise for any purposes of such agreements, and for such purposes to borrow money on the security of the rates leviable by them within the borough of Burton-upon-Trent, and of any property of the Corporation.

11. To confer, vary, or extinguish other rights and privileges. And the Bill will, so far as may be necessary or thought expedient, amend or repeal the Marquess of Anglesey's Estate Acts, 1867 and 1877, and any other Act or Acts relating to the settled estates of the Marquess of Anglesey, the Stapenhill Bridge Act, 1870, the Stapenhill Bridge Act, 1875, and the Stapenhill Bridge Act, 1880, the Burton-upon-Trent Improvement Act, 1878, and the Burton-upon-Trent Corporation Act, 1880, and any other Act relating to the Mayor, Aldermen, and Burgesses of Burton-upon-Trent.

12. And notice is hereby further given, that on or before the 8th day of March, 1886, plans and sections of the proposed works, together with a book of reference to such plans, and a copy of this notice as published in the London Gazette, will be deposited for public inspection with the Clerk of the Peace for the county of Stafford, at his office, at Stafford, and with the Clerk of the Peace for the county of Derby, at his office, at Derby; and that on or before the said 8th day of March, 1886, a copy of so much of the said plans, sections, and book of reference as relates to each parish in or through which the said works, or any part thereof, will be made, with a copy of this notice as published in the London Gazette, will be deposited for public inspection, in the case of each such parish, with the parish clerk thereof, at his residence.
