AT the Court at *Osborne House, Isle of Wight*, the 16th day of *April*, 1886.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty chapter thirty-seven sections six and eight duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-fifth day of March, in the year one thousand eight hundred and eighty-six, in the words following, that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of an Act of the sixth and seventh of Your Majesty chapter thirty-seven, sections six and eight have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Sub-Chanter and Vicars Choral of the Cathedral Church of Saint David's and now vested in us.

“Whereas under an Act of the twenty-seventh and twenty-eighth years of Your Majesty chapter seventy and by virtue of an Order of Your Majesty in Council made under the provisions of the same Act and bearing date the twenty-first day of July in the year one thousand eight hundred and seventy-six and duly published in the London Gazette on the twenty-fifth day of the same month certain lands and other hereditaments then belonging to the said sub-chanter and vicars choral became absolutely vested in us for

the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas a considerable part of the lands and hereditaments aforesaid are demised by beneficial leases for terms of years and produce during the subsistence of such leases only a small annual revenue, and on that account and in some instances on account of the character or situation of the property are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed."

"And whereas by an Act of the twenty-third and twenty-fourth years of Your Majesty chapter one hundred and twenty-four power is given to lessees holding under us in the event of our declining to enter into a treaty for the sale of our reversions or the purchase of the leasehold interests to require us to purchase such leasehold interests at a valuation.

"And whereas with a view to the advantageous appropriation of the said lands and hereditaments or of the proceeds thereof for the ultimate improvement of our common fund it is expedient that the said lands and hereditaments or such part or parts thereof as we shall at any time and from time to time think fit should be sold or disposed of and accordingly that we should be empowered to dispose of our interest therein or in any part or parts thereof in such manner as shall appear to us advisable.

"Now therefore we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of and duly to convey according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign with the consent of the respective holders (if any) to be testified by their being made parties to such instruments all or any of the said lands and hereditaments heretofore belonging to the said sub-chanter and vicars-choral and so vested in us as aforesaid with their appurtenances and all our estate right title and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same and his her or their heirs executors administrators or assigns or otherwise as he she or they shall direct or appoint and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands tithes rent-charges, tenements or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid and in the meantime to invest the proceeds in some Government or Parliamentary stock or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her

Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of St. David's.

C. L. Peel.

AT the Court at *Osborne House, Isle of Wight*, the 16th day of *April*, 1886.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

"Now therefore with the consent of the Right Reverend George Bishop of the said diocese of Southwell (testified by his having signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent, that it would, in our opinion, be expedient that all that part of the said parish of Matlock which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, should be assigned as a district chapelry to the said church of All Saints, situate at Matlock Bank as aforesaid, and that the same should be named 'The District Chapelry of All Saints Matlock Bank.'

"And with the like consent of the said George Bishop of the said diocese of Southwell (testified as aforesaid), we, the said Ecclesiastical Commissioners, further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at the said church of All Saints situate at Matlock Bank as aforesaid, and that the fees to be received in respect of the publication of such banns and of the solemnization or performance of the said offices should be paid and belong to the minister of the same church for the time being: Provided always, that so long as the Reverend William Rylance Melville now the rector or incumbent of the rectory of the said parish of Matlock shall continue to be such rector or incumbent all the fees which may be received in respect of such publication solemnization or performance at the said church of All Saints shall be paid over by the minister thereof

to the said William Rylance Melville; and provided also, that nothing herein contained shall be construed as expressing any intention on the part of us the said Commissioners to concur in or approve the taking of any fee for the performance of the said office of baptism or for the registration thereof.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of All Saints Matlock Bank, being:—

"All that part of the parish of Matlock in the county of Derby and in the diocese of Southwell, wherein the present incumbent of such parish still possesses the exclusive cure of souls, which is bounded upon the south-east by the new parish of Tansley, upon the north-east by the parish of Ashover upon the north-west by the parish of Darley, all in the county and diocese aforesaid, and upon the remaining side that is to say upon the south partly by the new parish of South Darley in the same county and diocese, and partly by an imaginary line commencing upon the boundary which divides the said new parish of South Darley from the parish of Matlock aforesaid at a point in the middle of the River Derwent distant six chains or thereabouts to the north-west of the centre of the bridge which carries the line of the Midland Railway over the same river, at which point the said boundary diverges from the said river in a southerly direction, and extending thence that is from the said point, south-eastward along the middle of the said river for a distance of fifty-four chains or thereabouts thereby passing under the railway bridge aforesaid, to the centre of Matlock Bridge which carries the high road from Snitterton to Chesterfield over the same river and extending thence that is from the last-mentioned bridge first north-eastward, then eastward and then again north-eastward along the middle of the said high road for a distance of forty-eight chains or thereabouts to its junction on the northern side of Yew Tree House with the road and footpath which leads past the northern side of Chesterfield House and past the northern side of Hurst Farm House, into the lane which leads from the said farm house towards the Duke of Wellington Inn, and extending thence that is from the said high road along the middle of the said road and footpath for a distance of twenty chains or thereabouts to the boundary at the junction of the same road and footpath with the last-described lane, which boundary divides the said parish of Matlock from the new parish of Tansley aforesaid."

And whereas the said representation has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Southwell.

Whitehall, April 17, 1886.

REGULATIONS as to Claims for Compensation under the Metropolitan Police (Compensation) Act, 1886, as approved by the Secretary of State, and ordered by him to be published in the London Gazette in terms of above Statute.

As to Claims.

ALL claims shall be made in writing and delivered to the Receiver for the Metropolitan Police District, at No. 4, Whitehall-place, S.W., before the 31st day of May, 1886, and shall be on the forms prepared for the purpose, and obtainable at No. 4, Whitehall-place.

The claim shall specify separately the sums claimed for (a) Injury done to premises (including therein windows, fittings, and fixtures), (b) Injury done to property, (c) Property stolen or destroyed; and shall state the premises which have been injured or wherein the property was injured, stolen, or destroyed, and distinguish property of the claimant from that in his care belonging to other persons.

In cases of injury to premises or property, the claim shall state shortly the nature of the injury, and where it has been repaired the cost of repairs, and the claimant shall send with the claim the bill for such repairs, and where the injury has not been made good he shall send a specification of the repairs required and an estimate by a competent person of their cost.

Where property has been injured, stolen, or destroyed the claim shall, where practicable (except in the case of articles of the same nature and of small value, and where the cost of repairs only is claimed), specify each article separately, and the sum claimed for it or the injury thereto; and where practicable the claimant shall send with his claim vouchers or copies of vouchers for the sums paid by him for the property.

The claim shall state generally the evidence the claimant is prepared to offer in support of it, and where such documents as he proposes to put in evidence may be inspected, and whether the claimant has received or is entitled to or may receive any compensation from any (and if so what) source for any loss included in his claim and the amount thereof.

The claim must be confined to injury done to houses or shops in the Metropolitan Police District, or in the City, occupied by the claimant, or if they were empty owned by him, and to property in such houses or shops occupied by the claimant injured, stolen, or destroyed by persons taking part in a riot on the 8th February last. No other claims can be entertained. No claim

can be entertained which is received after the said 31st May, 1886, or which is not in accordance with these regulations.

The claimant shall make such a statutory declaration as the receiver may require, and procure and furnish to the receiver such other statutory declaration as the receiver may require, verifying the claim, and he shall produce to the receiver and to any person nominated by him all documents under his control needed to support his claim, and deliver to the receiver copies thereof or extracts therefrom as he may require, and the claimant shall give access to the premises and produce the property for injury to which he makes a claim to the receiver and any person nominated by him.

As to Appeal.

If the claimant is dissatisfied with the receiver's decision in respect of his claim, he shall, within 10 days after its being notified to him, intimate to the receiver in writing his desire to appeal, and the receiver shall thereupon transmit such notice to the arbitrator.

Generally.

The receiver may make separate awards as regards property of the claimant and property not belonging to him. Where an award includes compensation for property in the care of but not belonging to the claimant, it may provide that prior to payment the claimant shall either produce receipts from the owners for the sums payable to them, or their authority to him to receive the same, or that the claimant or some other person, to be approved of by the receiver, shall enter into a bond with the receiver for such sum as the award shall name for securing payment to the owners of such property of the sums due to them; and where an award includes compensation for stolen property, it may provide for a similar bond for securing repayment to the receiver of the compensation paid for any stolen property which may be subsequently recovered.

No costs will be allowed to any claimant other than such costs of an appeal as may be allowed by the arbitrator.

These regulations may from time to time be varied and further regulations may be made by the receiver, with the approval of one of Her Majesty's Principal Secretaries of State.

Alfred Richard Pennefather, Receiver for the Metropolitan Police District.

Approved—*Hugh C. E. Childers*,
Secretary of State.
