*Board of Trade (Harbour Department),
London, May 3, 1886.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs from Her Majesty's Ambassador at Paris copies of Notices issued by the French Government respecting quarantine, of which the following is a translation:—

A decision of the 24th April places arrivals from Sicily on the same footing as those from continental Italy as regards quarantine measures in French ports.

The sanitary measures taken in French ports against arrivals from Italy, Sicily, and Sardinia, have been adopted for Algeria since the 23rd April.

By a decision of the 23rd April, the quarantine of observation imposed in ports of Tunis on arrivals from Brindisi and its neighbourhood has been increased from three to five days. For arrivals from other Italian ports the observation is raised from twenty-four hours to three days, with the exception of arrivals from Sardinia, which will undergo an observation of twenty-four hours only.

*Board of Trade (Harbour Department),
London, May 4, 1886.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs a Despatch from Her Majesty's Minister at The Hague, reporting that the Netherlands Government have issued a notification cancelling the order dated the 19th ultimo by which the port of Brindisi was declared to be infected with Asiatic cholera, and declaring as infected all the ports on the Adriatic coast of Italy, from the Austro-Hungarian frontier to Cape Santa Maria di Leuca.

(H. 3079.)

*Board of Trade (Harbour Department),
London, May 4, 1886.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs a Despatch from Her Majesty's Representative at Stockholm, reporting that by an official announcement of the Swedish Board of Trade, dated the 27th ultimo, Bombay, Calcutta, Bassein, Rangoon, and Singapore, in Asia, and Australia are declared infected with cholera.

(H. 3080.)

*Board of Trade, (Harbour Department),
London, May 4, 1886.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs the following translations of Notices issued by the Portuguese Government:—

Maritime Health Notice, No. 315.

In view of official information received, and the opinion of the Consultative Board of Public Health having been taken, all the ports of the south of Spain on the (Atlantic) Ocean, as well as the port of Gibraltar, are hereby declared free from cholera morbus.

Secretary of State's Office for the Home Department, April 24, 1886.

(Signed) ARTHUR FEVEIREIRO.

Maritime Health Notice, No. 316.

In view of official information received, and the opinion of the Consultative Board of Public Health having been taken, the ports of the

Empire of Morocco are hereby declared free from cholera morbus.

Office of the Secretary of State for the Home Department, April 27, 1886.

(Signed) ARTHUR FEVEIREIRO.

(H. 3081.)

*Board of Trade (Harbour Department),
London, May 4, 1886.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs information to the effect that the Austro-Hungarian Government have ordered a quarantine of seven days on arrivals from all Italian ports of the Adriatic as far as Cape Santa Maria di Leuca. Arrivals from other Italian ports are subject to a medical examination and the disinfection of the effects of the crews and passengers.

Admiralty, 1st May, 1886.

In accordance with the provisions of Her Majesty's Order in Council of 30th April, 1877—Engineer William Hair has been placed on the Retired List of his rank. Dated 1st May, 1886.

The following notice is to be substituted for that dated 8th April, 1886, which appeared in the London Gazette of the 9th April, 1886:—

In accordance with the provisions of Her Majesty's Order in Council of 1st April, 1881—Fleet Surgeon William Connolly, M.D., has been placed on the Retired List, with permission to assume the rank of Deputy Inspector-General of Hospitals and Fleets. Dated 11th April, 1886.

Royal Marine Artillery.

Mr. Frederick Napier Templer to be Lieutenant. To take rank on the list of Officers, Royal Marine Artillery, next below Lieutenant Whiffin. Dated 1st September, 1883.

In the notice in the London Gazette of the 30th April, 1886, as to the advancement of Paymasters to be Fleet Paymasters, the name of Paymaster Isaac William Rufus Brooks Galsworthy erroneously appears as two names.

Admiralty, 3rd May, 1886.

Engineer George Arthur Haddy has been promoted to the rank of Chief Engineer in Her Majesty's Fleet. Dated 21st April, 1886.
