NOTICE is hereby given, that His Royal Highness The Prince of Wales will, by command of The Queen, hold a Levee at St. James's Palace, on behalf of Her Majesty, on Friday, the 25th instant, at two o'clock.

It is The Queen's pleasure that Presentations to His Royal Highness at the Levee shall be considered as equivalent to Presentations to Her Majesty.

REGULATIONS

TO BE OBSERVED AT THE QUEEN'S LEVEE TO BE HELD BY HIS ROYAL HIGHNESS THE PRINCE OF WALES, ON BEHALF OF HER MAJESTY, AT ST. JAMES'S PALACE.

By Her Majesty's Command,

The Noblemen and Gentlemen who propose to attend Her Majesty's Levee, at St. James's Palace, are requested to bring with them two large cards, with their names *clearly written* thereon, one to be left with The Queen's Page in attendance in the Corridor, and the other to be delivered to the Lord Chamberlain, who will announce the name to His Royal Highness.

PRESENTATIONS.

Any Nobleman or Gentleman who proposes to be presented, must leave at the Lord Chamberlain's Office, St. James's Palace, *before twelve o'clock*, two clear days before the Levee, a card with his name written thereon, and with the name of the Nobleman or Gentleman by whom he is to be presented. In order to carry out the existing regulations that no presentation can be made at a Levee excepting by a person actually attending that Levee, it is also necessary that an intimation from the Nobleman or Gentleman who is to make the presentation, of his intention to be present, should accompany the presentation card above referred to, which will be submitted to The Queen for Her Majesty's approbation. It is Her Majesty's command that no presentations shall be made at Levees, except in accordance with the above regulations.

It is particularly requested, that in every case the names be *very distinctly written* upon the cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to His Royal Highness.

The State Apartments will be open for the reception of Company coming to Court at half-past one o'clock.

KENMARE,

Lord Chamberlain.

India Office, June 21, 1886.

THE following General Order and Despatches relative to the recent field operations in Burmah have been received from the Government of India:—

GENERAL ORDER.

MILITARY DEPARTMENT.

Simla, the 14th May, 1886.

FIELD OPERATIONS.

No. 295.—THE Governor-General in Council, in directing the publication of the despatches regarding the recent operations in Upper Burma, which resulted in the capture of Mandalay and the overthrow of King Theebaw, desires to place on record his cordial recognition of the admirable manner in which Lieutenant-General Sir H. N. D. Prendergast, K.C.B., V.C., and the troops under his orders carried out the task set before them.

By rapidity of movement, by skilful strategy, and by the exercise of humane forbearance, Sir Harry Prendergast has succeeded, with comparatively little loss to the force under his command, and without unnecessary bloodshed or undue severity towards the enemy, in occupying Mandalay, in capturing its King, and taking possession of the whole of Upper Burma.

For these services the warmest thanks of the Government of India are due to Sir Harry Prendergast, to the officers and men of the Naval Brigade, the British and Native Forces, the Volunteers, and the Indian Marine. They are specially due to Brigadiers-General F. B. Norman, C.B., G. S. White, C.B., V.C., and H. H. Foord, Commanding the Infantry Brigades, to Captain R. Woodward, R.N., Commanding the Naval Brigade, to Colonel W. Carey, Commanding Royal Artillery, Colonel G. E. L. S. Sanford, Commanding Royal Engineers, Commander A. Carpenter, R.N., Indian Marine Survey, and Captain A. Campbell, the senior officer of the Indian Marine.

The Governor-General in Council also desires to record his approbation of the manner in which the various departments of the force have carried out their duties during the campaign. The Medical Department under Deputy Surgeon-General J. McN. Donnelly, M.D., the Commissariat and Transport Departments under Lieutenant-Colonel A. F. Laughton and Major R. H. T. Hill, and the Ordnance Department under Major V. C. Fisher, have proved the complete efficiency of those departments under circumstances of considerably difficulty. Lieutenant-Colonel E. W.
