No. 1673-A, dated Simla, 28th April, 1886.

From Major-General Sir T. D. Baker, K.C.B., Adjutant-General in India, to the Secretary to the Government of India, Military Department.

With reference to this office No. 1465-Camp of 3rd February, 1886, submitting a despatch from Lieutenant-General Sir Harry Prendergast, relative to the military operations in Upper Burma, and to the report of Major-General Buck, with regard to the operations in Lower Burma, received under Military Department No. 352-B-B, dated 5th March, 1886, I am now directed by the Commander-in-Chief to forward, for submission to the Government of India, the accompanying despatch from Lieutenant-General Sir Harry Prendergast, in which the services of the officers and troops engaged in the campaign are brought to notice.

2. The Commander-in-Chief considers that the eminent success which attended this expedition is attributable to the able manner in which the General Officer Commanding carried out his instructions, to the gallant and good service of the officers and troops engaged, and to the efficient organization of the force.

3. The Commander-in-Chief has much pleasure in bringing to the notice of Government the excellent service rendered by the Royal Navy and Royal Marines, and their cordial co-operation, which tended greatly to the success of the expedition.

4. In conclusion, I am directed to state, for the information of Government, that in a supplementary despatch received from General Prendergast, dated 31st ultimo, the following officers have been brought to notice:—

Captain V. A. Schalch, 11th Bengal Infantry, for good service rendered as Brigade-Major.

Lieutenant C. P. Fendall, Royal Artillery.

Lieutenant W. H. Dobbie, 26th Madras Infantry.

Dated Rangoon, 26th March, 1886.

From Lieutenant-General Sir H. N. D. Prendergast, K.C.B., V.C., Commanding Forces in Burma, to the Adjutant-General in India.

1. In continuation of my despatch, dated 14th January, 1886, reporting the operations of the Burma Expeditionary Force from their commencement to the surrender of Mandalay on 29th November, 1885, I have the honour to solicit a reference to my journal of operations since that date, from which it will appear that the important towns of Mogoung, Bhamo, and Shwebo have been occupied to the north of Mandalay, and the stations of Ningyan, Yemethien, Mahline, and Kyouksai established to the eastward towards the Shan frontier; Ava, Sagain, Along, and Toungdwingyee being fur-
