*Return and Disposal of Undelivered Parcels.*

11. With regard to—

- (a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and
- (b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason;

The following provisions shall apply, that is to say:—

- (1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.
- (2.) Where the name and address of the sender can be ascertained from the Parcel or the Declaration accompanying the same, notice shall be given, by Post, to the sender through the Post Office of Newfoundland that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent, upon personal application at such place as aforesaid, or, at the request of the sender, will be forwarded to a corrected address or returned to him by post in either case upon the conditions hereinafter mentioned.
- (3.) Where the name and address of the sender cannot be ascertained from the Parcel notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of Newfoundland that the Parcel will, in default of any claim on the part of the addressee and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender or his agent, or be returned to the sender by post.
- (4.) In any case the notice shall state that in default of the receipt by the Postmaster-General of an application for the Parcel during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such manner as the Postmaster-General may direct.
- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.
- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction the sender corrects the address of the Parcel, the Parcel shall be forwarded to

the corrected address, subject to the following conditions:—

- (a.) Where the sender's name and address appear outside the Parcel and the corrected address of the Parcel is within the same free delivery as the original address and the Parcel is not, at the time of such correction, lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
- (b.) Where the sender's name and address do not appear outside the Parcel, or where such name and address do appear, but the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel, at the time of such correction, is lying at a Returned Letter Office, the sender shall pay a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for redirection or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of the "Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rates fixed by this Warrant, and in such case the said rate of postage and all other charges to which the parcel has become liable shall be prepaid by the sender in stamps before the return of the parcel to him.
- (9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.
- (10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.
- (11.) If at any time while a Parcel remains in the possession of the Postmaster-General, it becomes offensive or injurious to any Officer of the Post Office or other person, or to other Parcels, it may forthwith be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize, notwithstanding that the provisions of this Warrant as to the return of such Parcel have not been or have only partially been complied with.

*Re-direction of Parcels.*

- 12. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom or Newfoundland is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which

it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland Parcel.

*Remission of Re-direction Rates.*

14. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

*Prohibitions.*

15. There shall not be posted or conveyed or delivered by post any Parcel—

- (1.) Consisting of or containing any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any indecent or obscene article whether similar to the above or not; or
- (2.) Having thereon or on the cover thereof any words, marks, or designs of an indecent, obscene, or grossly offensive character.

Any such Parcel, if posted or tendered for conveyance by post may be detained, and either returned or given up to the sender thereof or dealt with or disposed of in such other manner as may be authorized by the Postmaster-General.

16. (1.) There shall not be posted or conveyed or delivered by post any Parcel consisting of or containing two or more Parcels or other Postal Packets (of the same or of different descriptions) addressed to different persons at different addresses.

(2.) If any such Parcel be posted or tendered for conveyance by post the contents thereof, so far as the same consist of Parcels, may be forwarded to the addressees of such Parcels charged with new and distinct rates of postage according to the rates fixed by this Warrant, and so far as the same consist of other Postal Packets, may be treated and charged as unpaid Postal Packets, or such Parcel may be otherwise dealt with or disposed of as the Postmaster-General may authorize.

*Non-compliance with Regulations.*

17. In any case not in this Warrant expressly provided for, where any Parcel shall be posted or

tendered for conveyance by post which in any respect infringes or fails to comply with the Regulations in this Warrant contained, or any of them, such Parcel may, at the option of the Postmaster-General, either be dealt with as in this Warrant provided, with reference to Parcels which cannot be delivered, or be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

*Provision for safety of Parcels.*

18. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

*Parcels not to interfere with Letter Post.*

19. Where the despatch or delivery from a Post Office in the United Kingdom of letters would be delayed by the despatch or delivery therefrom at the same time of Parcels, such Parcels, or any of them, may be detained in the Post Office until the despatch or delivery next following that by which they would ordinarily be despatched or delivered.

*Postmaster-General not liable for Loss or Damage.*

20. Nothing contained in or done under or in pursuance of this Warrant shall render the Postmaster-General liable, either personally or in his official capacity, to any action or other legal proceeding in respect of or in consequence of any loss or damage of any Parcel, whether such loss or damage be occasioned by or arise from any act or neglect of any officer of the Post Office or any other person.

*Customs Regulations.*

21. Parcels intended to be transmitted by post under the provisions of this Warrant shall not be posted, forwarded, conveyed, or delivered, except subject to such Regulations as are referred to in section 14 of the Post Office (Parcels) Act, 1882.

THE Government of Victoria has given notice, that from the 1st of September, 1886, fog signals will be established and warnings given during thick or foggy weather from the following light-house stations:—

Port Phillip Entrance, Point Lonsdale.—Siren apparatus, producing a high pitched note of about four seconds' duration every two minutes, which sound should be heard under favourable circumstances from a distance of 3 to 4 miles.

Bass Strait, Cape Otway Station.—One explosive rocket, at intervals of five minutes. Clifty Island Station.—One explosive rocket, at intervals of five minutes.

*Sunken Danger North of Santa Magdalena Island.*

INFORMATION has been received from H.B.M. Consul at Sandy Point, of the existence of a sunken danger about a mile distant from the north-west side of Santa Magdalena Island:—

The German steam ship "Setos" is reported to have struck at 4h. 25m. on the morning of the 22nd May last, on a shoal which, from bearings taken at the time, but of objects that leave a con-

siderable doubt as to the exact position, lies with the south-west extreme of Santa Magdalena Island bearing S.  $\frac{1}{2}$  E., approximate, distant about  $1\frac{1}{2}$  miles. The danger is probably of small extent, as immediately after striking (the vessel heeling over), soundings of  $9\frac{1}{2}$  fathoms were obtained.

CAUTION.—The tides does not run fairly through the channel between Santa Magdalena and Santa Marta Islands, and as rocky heads may exist on the banks surrounding both the islands bordering it, on which much kelp at times grows, it should never be used at night.

#### NOTICE TO MARINERS.

(No. 182.)—CHINA.—EAST COAST.

*Wusung River Entrance.—Alteration in Inner  
Bar Tidal Signals.*

THE Chinese Government has given notice, that on 1st September, 1886, the following code of signals for indicating the depth of water on the Inner Bar of Wusung River, from 8 to 25 feet, will be substituted for the code now in use:—

These signals show the same when approaching the signal station, both from seaward and from Shanghai, that is, the north yard-arm always appears to the right of the staff, and the south yard-arm to the left.

A ball hoisted at the masthead indicates that the tide is rising; one at the gaff end adds half a foot to the depth corresponding to the signal at the yard-arm.

When there are greater or less depths of water on the bar than provided for in the new code, the number of feet will be signalled by the universal

code of signals at the masthead and the half feet by a ball at the gaff end.
