Oucen at Valledalid, where the Marriage was celebrated the fame day. The publick Rejoycings, feaths, and other folendid and diverting Entertainments, prepared for this occation, were continued till the 11th; when their Majesties parted from theme. On the 15th their Majesties arrived at the Pardo, within a Leagues of this piace; and came this Evening to the Burn Revivo. On the 18th there is to be a Bull-Feath, and on the 20th the Queen will make her publick Entry. The Prince Paletting of Newborg Great Mafter of the Tentonick Order, the Queen's Beather, took his Leave of her Majesty at St. Jago de Compileda, and went towards Lisbon, to wifit the Queen of Portagal his Sifter. We have advice, that the French have drawn together 1900 Foot and 2000 Horse on the Frontiers of Citaloma, upon which a supply of Mency has been fent to the Duke de Villa Harmola Vicerou of that Kingdom, with Orders to haften into the Field with the Forces under his command, which will contill of 1 acoo Men. The last week was published an Order, by which, all persons are required to discover whatever French Goods they shall know to lye any where comessled; and the Magistrates are empowered to leize the fame, and so take them away even out of Mornifeeries and Religious Houles.

Rome, May 13. Don Antonio Ortobom went on Tuesday last to Civita Vecclas, to see the Troops Embark, which are deligned for the Athitance of the Venesians. The 11th arrived here an Express hom Turin, with dispatches for the Religious Houles.

Penice, May 19. The Baffa of Erzegauina, who was lately taken Prificaer in Dalmaria, is ordered to be brought lither; he is about 72 years old, and in great Reputation with the Turks, having been engaged in many Actions with the Christians, and always fuccessful till this last. We have the confirmation by the way or Orranto, of the loss of two of our Ships, the St. Mark, and the St. Joseph. They being separated from the fleet, met with 14 Turkish Men of War, commanded by Mezzoniarte, and after a Figlir of 2 hours, the St. Mark was blown up; The other continued notwithstanding to defend her sels, but at last being quite disabled, and Capain Alexander Valler with most of the Men killed, the few that were left alive yielded; but the Ship was so shattered, that the Turks sink her, after having taken out the Men.

Milan, May 17. On Saturday last there were found posted up in several places of this City, certain Papers or Fickers, summoning the People of this Durchy to fend to Casan about Contributions, and threatening, them if they do not with Military Execution. Our Covernor in the mean time has very well provided all our frontier Garians, and will have very speedily a good Army in the Field. It's said, the Figuch demand passage through the State of Geneva, which very much Emburrasses that Republick.
