Privy Council Office, November 10, 1886.

THE following Statute, passed on the 14th day of October, 1886, by the Governing Body of Oriel College, Oxford, and sealed on the 27th day of October, 1886, has been submitted for

the approval of Her Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions contained in the Universities of Oxford and Cambridge Act, 1877 :—

A STATUTE to amend a Statute, made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1877 (40 and 41 Vict., c. 48), and approved by the Queen in Council on the 3rd day of May, 1882, in relation to Oriel College, in the University of Oxford, duly made at a General Meeting of the Provost and Fellows of the said College specially summoned for this purpose, held on the 14th day of October, 1886, and passed at such meeting by the votes of two-thirds of the number of persons present and voting, and submitted to Her Majesty the Queen in Council.

Whereas by Statute IV, 11, made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1877, and approved by the Queen in Council on the 3rd day of May, 1882, in relation to Oriel College, in the University of Oxford, it was enacted as follow :—

" 11. *The Exhibitions on the foundation of Bishop Robinson shall be two in number, and shall be tenable for two years. Each Exhibitioner shall receive annually half the net income of Bishop Robinson's benefaction, together with such a sum from the Corporate Revenues as will make up £100 at least. These Exhibitions shall be open to all Bachelors of Arts of the University who shall not have exceeded the twenty-seventh Term from their matriculation. These Exhibitioners shall be elected by the Provost and Fellows, after an examination in such subjects and conducted in such manner as the electors shall deem best adapted to encourage mature study and research.*

" *Bishop Robinson's Exhibitioners shall be or become members of the College, and shall pursue the study of some branch of learning, either in the University or in some place approved of by the Provost and Fellows as being better suited for the pursuit of a particular branch of learning. They shall have the same privileges in respect of dining at the High Table as are enjoyed by Members of the College who are Masters of Arts.*"

And by Statute XIV, 4, made as above, it was further enacted as follows :—

" 4. *The provisions of these Statutes with respect to the Exhibitions of Bishop Robinson shall come into effect at such time as the Provost and Fellows shall by Bylaw determine. Until that time the regulations in force before the making of these Statutes shall continue to be observed.*"

And whereas the Provost and Fellows are of opinion that in the existing circumstances of the College it is expedient to apply the Robinson Fund to the establishment of additional Scholarships of the same nature and conditions as those already existing in the College rather than to the immediate creation of such Exhibitions as by the clause hereinbefore set forth are directed to be created.

We, the said Provost and Fellows of the said College, being the Governing Body thereof, do hereby, in exercise of the powers given to us by the 54th section of the said Act, alter Statute XIV, 4, and by adding thereto after the words "to be observed," the following words :—

" *Provided nevertheless that it shall be lawful for the Provost and Fellows from time to time, if they shall think fit so to do, to apply the income of the benefaction of Bishop Robinson to the maintenance of one or more Scholarships under the same conditions and in all respects as those*

"of the Scholarships directed to be established
"under Statute IV, clause 12."

Given under our Common Seal this twenty-seventh day of October, 1886.

And whereas on the twenty-fourth day of June, one thousand eight hundred and eighty-six, it was resolved by the Governing Body of the said School that it was expedient to alter the form and effect of the said Statute.

Now, therefore, we, the Governing Body of Charterhouse School aforesaid, do hereby alter the form and effect of the said Statute.

THE Board of Trade have received through the Secretary of State for Foreign Affairs a copy of the accompanying Notice, extracted from the Russian Official Gazette, announcing the modification which has now been made in the Russian Customs Regulations respecting bags imported temporarily for the purpose of being filled with grain for export from Russia.

THE Russian Official Gazette of October 8-20, 1886, contains the following Notification:—

The Committee of Ministers having taken into consideration a Minute of the Acting Minister of Finances, respecting the exemption from certain Customs' formalities of grain bags brought by sea from abroad for the purpose of being filled with grain destined for exportation, determined on the adoption of the following temporary measure:—

I. On the importation of foreign bags destined to be filled with grain or flour on board the same vessel which has imported them, the shipmaster shall, in his report, declare the purpose for which they have been brought, and specify the number and weight of the bags. This Declaration shall be as binding on the shipmaster as that required by the General Customs Regulations respecting foreign goods imported and re-exported by vessels, and for all errors in the Declaration the shipmaster shall be responsible in the same way as for inaccuracies contained in his Declaration of goods on board.

II. The bags so declared shall, until the ship is ready for loading, be left on board under leaden Customs' seals, for the integrity of which the shipmaster shall be responsible according to general law. When ready to put grain into the bags, the shipmaster shall give notice of such readiness to the Custom House, so as to enable it to issue timely orders for the gradual removal of the leaden seals, as necessity for the bags may arise, and for watching that the bags liberated from the seals be not taken away from the ship while she is being laden.

III. Detailed rules for the exercise of due

control by the Custom House over the bags specified in points 1 and 2 shall be established by the Minister of Finance in preliminary agreement with the Controller of the Empire.

His Imperial Majesty was pleased, on the 15-27 August, 1886, to approve the conclusions of the Minister of Finances.
