

ARTICLE 1.—Subject to the provisions of the General Order of the Poor Law Commissioners, dated the twenty-first day of December, one thousand eight hundred and forty-four, in force in the Union, every able-bodied male pauper who receives relief within the Union, and is relieved out of the Workhouse, shall be relieved in the following manner; that is to say:—

Half at least of the relief given to such pauper shall be given in food, clothing, and other articles of necessity.

No such pauper shall receive relief from the Guardians, or any of their officers, or any Overseer of any Parish or Place in the Union, while he is employed for wages or other hire or remuneration by any person; but every such pauper so relieved shall be set to work by the Guardians.

ARTICLE 2.—The Guardians shall, within fourteen days after the day when this Order comes into force, and from time to time afterwards as the Local Government Board may require, report to the Local Government Board the place or places at which able-bodied male paupers shall be so set to work in the Union, the sort or sorts of work in which they or any of them shall be employed, the times and mode of work, and all such other matters relating to the employment of such able-bodied paupers as the said Guardians shall deem material to be communicated to the Local Government Board, or as the Local Government Board shall require.

ARTICLE 3.—If the Guardians shall depart, in any particulars instance, from any of the regulations hereinbefore contained, and shall, within fifteen days after such departure, report the same and the grounds thereof to the Local Government Board, and if the Local Government Board shall approve of such departure, then the relief granted in such particular instance shall, if otherwise lawful, not be deemed to be unlawful, or be subject to be disallowed.

And whereas provision is made in a General Order of the Poor Law Commissioners, bearing date the twenty-fourth day of July, one thousand eight hundred and forty-seven, in force in the said Union, for the appointment of an officer, to be termed a Superintendent of Out-door Labour, and for the continuance in office of such officer, and it is expedient that further provision should be made as hereinafter mentioned;

We therefore further Order, that if at any time the number of able-bodied male paupers requiring relief shall be so small as to render the services of a Superintendent of Out-door Labour unnecessary, the Guardians may dispense with the services of such an officer.

Given under the Seal of Office of the Local Government Board, this eighteenth day of November, in the year one thousand eight hundred and eighty-six.
