GOD save the QUEEN.

AT the Court at *Osborne House, Isle of Wight*, the 31st day of *December*, 1886.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

IT is this day ordered by Her Majesty in Council that the Convocations of the Provinces of Canterbury and York be prorogued from the day to which the same now stand prorogued to Friday, the twenty-eighth day of January, one thousand eight hundred and eighty-seven; and then Right Honourable the Lord High Chancellor of

that part of the United Kingdom called Great Britain is to cause Writs to be prepared and issued in the usual manner for proroguing the Convocations accordingly.

Privy Council Office, December 31, 1886.

THE following Statute, made by the Governing Body of St. John's College, Cambridge, on the sixth day of November, one thousand eight hundred and eighty-six, and sealed with the Common Seal of the College, on the tenth day of December, one thousand eight hundred and eighty-six, has been submitted for the approval of Her Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions contained in the Universities of Oxford and Cambridge Act, 1877:—

A Statute to amend the Statutes framed by the Commissioners appointed under the Universities of Oxford and Cambridge Act 1877 (40 and 41 Vict. c. 48) in relation to the College of St. John the Evangelist in the University of Cambridge duly made at a general meeting of the Governing Body of the said College specially summoned for this purpose, held on the sixth day of November, 1886, and passed at such meeting by the votes of the whole number of persons present and voting save one and submitted for the approval of Her Majesty the Queen in Council.

WHEREAS the Governing Body of the said College in exercise of the powers conferred on it by the fifty-fourth section of the said Universities of Oxford and Cambridge Act 1877 (hereinafter called the said Act) did on the fourth day of December, 1883 make two Statutes to amend the Statutes framed by the Commissioners appointed under the said Act, namely Statute XXX, *The Foundation Scholars* and Statute XLIII, *Distribution of Revenues*.

And whereas the said amended Statutes were approved by the Queen in Council on the eleventh day of August, 1884.

And whereas it is enacted by the fifty-fifth section of the said Act that every Statute so made as aforesaid shall have effect as if it were a Statute made by the Commissioners.

And whereas it appears to us the Master and Fellows of the said College that the falling off in the revenues of our said College arising from the serious diminution of agricultural rents combined with the increasing burden of the Contribution of the College for University purposes directed to be paid by our said Statutes has so reduced the

sum annually at the disposal of the College after making all payments which by the said amended Statute XLIII have priority to payments made to the Master and Fellows that it is no longer possible to provide for each Fellow a sufficient Dividend.

And whereas the Statutes made for our said College by His late Majesty Henry the Eighth in the year 1545 contained the following Statute providing for a diminution in the number of Fellowships in case of decrease of revenue or other great misfortune.

“Præter peculiare fundationes aliorum quæ in collegio sunt benefactorum, quanquam nos in charta licentiæ nostræ quam Domine Margaretae aviæ nostræ concessimus, mentionem de quinquaginta sociis et scholaribus pro ea fecimus, quoniam hic numerus e bonis ipsius expleri non potest ob subtractionem annuorum reddituum ad valorem quadringentarum librarum, quantum ad præsentem ordinationem spectat, non pauciores quam duo supra triginta deputari volumus et ordinamus. Nisi (id quod Deus avertat) contigerit ex collegium inopia premi ex subtractione reddituum, aut aliquo alio magno infortunio, ut hic triginta duo sociorum numerus ex iudicio et sententia magistri præsidis, duodecim seniorum, thesaurariorum, aut maioris istorum partis necessario secundum ipsorum conscientias diminuendus esse videatur. Secundum enim decrementum aut incrementum bonorum collegii sociorum aut discipulorum numerum etiam decrescere aut augeri æquum est.”

And whereas the Statutes made for our said College by Her late Majesty Queen Elizabeth in the year 1576 and also the Statutes made for our said College by Her Majesty the Queen on the twenty-eighth day of April 1849 conferred a like power on the Master and eight Senior Fellows.

And whereas under the Statutes of our said College the number of Fellowships is fixed and the Dividend of any Fellowship if such Fellowship be not filled up at the first annual election after it becomes vacant is paid to the capital of a fund called the Pension Fund.

And whereas it appears to us the Master and Fellows of the said College (being the Governing Body thereof) that it will be for the advantage of our said College to have restored to us the power of temporarily reducing the number of Fellowships in the College in order that by increasing the value of the remaining Fellowships we may encourage those to remain members of our body who are best fitted to promote the interest of our said College as a place of education religion learning and research we the Master and Fellows of the said College do hereby in exercise of the powers given us by the fifty-fourth section of the said Act alter and amend the Statutes of our said College by adding thereto the Statute following that is to say.

STATUTE LIV.

Power of suspending vacant Fellowships.

“If it shall at any time appear to the Council that the revenues of the College do not produce the amount required to afford to every Fellow an income of two hundred pounds a year (exclusive of rooms and commons but inclusive of other allowances) they may by a resolution in which not less than nine votes shall have concurred declare that a Fellowship then vacant is suspended. And the dividend of any vacant Fellowship so suspended shall not be paid to the capital of the Pension Fund but shall in each year be wholly assigned to the payment or

“part payment to the University of the sum authorized and directed by the Statutes of the University to be charged upon the College. The Council may at any time by a resolution in which not less than nine votes shall have concurred declare that a suspended vacant Fellowship is no longer suspended and it shall thereupon be dealt with in the manner provided by the Statutes of the College.”

Given under our Common Seal
this tenth day of December
one thousand eight hundred
and eighty-six.

L. S.

Privy Council Office, December 31, 1886.

THE following Statute, made by the Governing Body of Brasenose College, Oxford, on the fifteenth day of December, one thousand eight hundred and eighty-six, has been submitted for the approval of Her Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions contained in the Universities of Oxford and Cambridge Act, 1877:—

ALTERATION OF STATUTE 16, made at a General Meeting of the Governing Body of the Principal and Scholars of the King's Hall and College of Brasenose, in Oxford, specially summoned for the purpose, by the votes of not less than two-thirds of the number of persons present and voting on the 15th day of December, 1886.

This alteration, if approved, will be by the insertion in addition to and after paragraphs A, B, and C, of Clause 8 of the existing Statute 16 of the Brasenose College Statutes as altered by a Statute made on the 22nd day of January, 1885, of the following paragraph, namely:—

8. (C) A. The Principal and Fellows may, if they think fit, by loan or accumulation, or out of the monies which with the consent of the Land Commissioners for England might under the Universities and College Estates Amendment Act, 1880, be applied for such purpose, raise a sum or sums not exceeding in the whole the further sum of £15,000 for the erection of new buildings in connection with the College, or the enlargement or improvement of the existing College buildings, as soon as they consider that the finances of the College will admit thereof, having due regard to the existing obligations of the College.

B. The sum to be appropriated out of corporate revenue to such accumulation or to the repayment with interest of money so borrowed shall not in any year exceed £2,000.

The Common Seal of the Principal and Scholars of the King's Hall and College of Brasenose, in Oxford.

Collection of Parcels.

9. The Postmaster-General may, if he think fit, from time to time authorize such officers as he may direct to receive Parcels for the Post under such regulations and conditions as he may from time to time prescribe.

Irregular Posting of Parcels.

10. Any Packet transmissible by Parcel Post from the United Kingdom which, from any words or marks thereon, or other external evidence, appears to have been intended for transmission as a Parcel, but which has not been tendered for transmission as a Parcel, but has been posted in a Post Office Letter Box, or otherwise than according to the manner hereinbefore prescribed for the posting of Parcels, may, in the discretion of the Postmaster-General, either be detained

and returned or given up to the sender, or be dealt with as follows, that is to say:—

- (1.) If the said Packet is fully prepaid with the Letter or Book Packet rate of postage, and otherwise conforms to the regulations as to the Letter or Book Post, the same may be forwarded as a Letter or Book Packet (as the case may be).
- (2.) If the said Packet is not fully prepaid with the Letter or Book Packet rate of postage, the same may be forwarded to its destination as a Parcel charged with the sum of one penny in addition to all other postage payable upon such Packet as a Parcel. Provided that the postage prepaid upon any such Packet shall be allowed in part payment of any postage or other sum charged under this clause.

Return and Disposal of Undelivered Parcels.

11. With regard to—

- (a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for, or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and
- (b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason;

The following provisions shall apply, that is to say:—

- (1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.
- (2.) Where the name and address of the sender cannot be ascertained from the parcel, or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of the place in which the parcel was posted, that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender, or his agent, upon personal application at such place as aforesaid, or, at the request of the sender, will be forwarded to a corrected address, or returned to him by post in either case upon the conditions hereinafter mentioned.
- (3.) Where the name and address of the sender cannot be ascertained from the Parcel, notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of the place in which the Parcel was posted, that the Parcel will in default of any claim on the part of the addressee, and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender, or his agent, or be returned to the sender by post.
- (4.) In any case the notice shall state that in default of the receipt by the Postmaster-General of an application for the Parcel, during a period to be specified in such notice, from some person who, in the Postmaster-

General's judgment, is entitled to receive the Parcel, it will be disposed of in such manner as the Postmaster-General may direct.

- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.
- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—
 - (a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not, at the time of such correction, lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
 - (b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for redirection or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rates fixed by this Warrant, and in such case the said rate of postage, and all other charges to which the Parcel has become liable, if not prepaid by the sender, shall be collected on the delivery of the Parcel to him.
- (9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.
- (10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may, in his discretion direct or authorize.
- (11.) If at any time while a Parcel remains in the possession of the Postmaster-General, it becomes offensive or injurious to any Officer of the Post Office or other person, or to other Parcels, it may forthwith be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize, notwithstanding that the provisions of this Warrant as to the return of such Parcel have not been or have only partially been complied with.

Re-direction of Parcels.

12. Any Parcel may be re-directed from its

original address or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom or Zanzibar, or any of the other places hereinbefore mentioned or referred to, is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland Parcel.

Remission of Re-direction Rates.

14. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

Any such Parcel, if posted or tendered for conveyance by post may be detained, and either returned or given up to the sender thereof or dealt with or disposed of in such other manner as may be authorized by the Postmaster-General.

16.—(1.) There shall not be posted or conveyed or delivered by post any Parcel consisting of or containing two or more Parcels or other Postal Packets (of the same or of different descriptions) addressed to different persons at different addresses.

(2.) If any such Parcel be posted or tendered for conveyance by post the contents thereof, so far as the same consist of Parcels, may be forwarded to the addressees of such Parcels charged with new and distinct rates of postage according to the rates fixed by this Warrant, and so far as the same consist of other Postal Packets may be treated and charged as unpaid Postal Packets, or such Parcel may be otherwise dealt with or disposed of as the Postmaster-General may authorize.

17. In any case not in this Warrant expressly provided for, where any Parcel shall be posted or tendered for conveyance by post which in any respect infringes or fails to comply with the Regulations in this Warrant contained, or any of them, such Parcel may, at the option of the Postmaster-General, either be dealt with as in this Warrant provided, with reference to Parcels which cannot be delivered, or be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Provision for safety of Parcels.

18. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

Parcels not to interfere with Letter Post.

19. Where the despatch or delivery from a Post Office in the United Kingdom of letters would be delayed by the despatch or delivery therefrom at the same time of Parcels, such Parcels, or any of them, may be detained in the Post Office until the despatch or delivery next following that by which they would ordinarily be despatched or delivered.

Postmaster-General not liable for Loss or Damage.

20. Nothing contained in or done under or in pursuance of this Warrant shall render the Postmaster-General liable, either personally or in his official capacity, to any action or other legal proceeding in respect or in consequence of any loss or damage of any Parcel, whether such loss or damage be occasioned by or arise from any act or neglect of any officer of the Post Office or any other person.

Customs Regulations.

To all to whom these presents shall come, the Ecclesiastical Commissioners for England send greeting:

WHEREAS a new church has lately been built within the new parish of Saint Paul, in the city of Worcester, and in the diocese of Worcester, and has been consecrated and dedicated to Saint Paul.

And whereas the Right Reverend Henry, Bishop of the said diocese of Worcester, and as such Bishop the patron of the said new parish of Saint Paul, Worcester, and the Honourable and Reverend Henry Douglas, Clerk in Holy Orders, the Vicar or Incumbent of the same new parish, have, by an instrument under their hands, bearing date on or about the fourth day of December, in the year one thousand eight hundred and eighty-six, certified to us, the said Ecclesiastical Commissioners for England, that it would be for the convenience of the said new parish of Saint Paul, Worcester, that the said new church of Saint Paul, situate within such new parish, should be substi-

tuted for the old parish church (also dedicated to Saint Paul) of the same new parish.

Now, therefore, we, the said Ecclesiastical Commissioners for England, in exercise and execution of the power or authority in that behalf contained in the Act of the eighth and ninth years of the reign of Her present Majesty, chapter seventy, and in the Act of the nineteenth and twentieth years of Her said Majesty, chapter fifty-five, and of all other powers or authorities in anywise enabling us in the same behalf, do, by this instrument under our common seal, with the consents (testified as hereinafter mentioned) of the said Henry, Bishop of the said diocese of Worcester, as such Bishop and as such patron as aforesaid, and of the said Henry Douglas, as such Vicar or Incumbent as aforesaid, hereby declare that the said new church of Saint Paul, situate within the said new parish of Saint Paul, Worcester, and duly consecrated as aforesaid, shall be, and the same is hereby, substituted for the said old parish church (dedicated to Saint Paul as aforesaid) of the same new parish, and that such new church shall henceforth be the parish church of the said new parish of Saint Paul, Worcester, in lieu of the said old parish church of the same new parish, as fully in all respects as if the said new church of Saint Paul, so hereby substituted, had been originally the parish church of the same new parish.

And we, the said Ecclesiastical Commissioners for England, in further pursuance and exercise of the powers and authorities aforesaid, and with such consents as aforesaid (testified as hereinafter mentioned), do hereby transfer all the endowments, emoluments, and rights of or belonging to the said old parish church (dedicated to Saint Paul as aforesaid) of the said new parish of Saint Paul, Worcester, or of or belonging to the Vicar or Incumbent thereof, to the said new church of Saint Paul (now being by virtue of these presents the parish church of the said new parish of Saint Paul, Worcester), and to the Vicar or Incumbent thereof and his successors for ever.

In witness whereof to these presents we the said Ecclesiastical Commissioners for England have set our common seal, and the said Henry, Bishop of the said diocese of Worcester, has set his hand and affixed his episcopal seal, and the said Henry Douglas has set his hand and seal this sixteenth day of December, in the year one thousand eight hundred and eighty-six.
