NORWEGIAN COASTS.

System of Beacons and Buoyage.

THE Norwegian Government has given notice, that the following system of beacons and buoyage is and will be adopted, in marking the channels and shoals on and near the coasts of Norway:—

A.—Fixed beacons near the fairway will be provided with an arm indicating on which side the fairway lies. When vessels may pass on either side, the beacons will have two arms, one on each side.

Beacons marking shoals in open Norwegian waters will be without arms.

B.—Floating beacons and buoys from the Swedish boundary to Lister (about 17 miles north-westward of the Naze) will be surmounted by topmarks in accordance with the following system:—

1. A white perch with broom turned upwards, signifies that the shoal is situated northward or eastward of the mark.

2. A black perch with broom turned downwards, signifies that the shoal is situated southward or westward of the mark.

NOTE.—In fairways, the direction of which is northerly and southerly, vessels should pass westward of the white perches, and eastward of the black perches; and in fairways, trending easterly and westerly, vessels should keep to southward of the white perches, and northward of the black perches.

3. Perches painted white and black in horizontal stripes, and with ball, signify that in the direction of the fairway they may be passed on either side.

Buoys are painted red as heretofore, with staff of colour and character similar to the perches above described.

NOTE.—During the winter season the floating buoys and beacons in the inner channels are removed, and those in the fairways between the Swedish boundary and Lister, in which there is danger of ice, have their topmarks (brooms and balls) removed in the month of December, and replaced in the following spring, after the disappearance of ice.

To the Holders of India £4 per Cent. Stock, and India £4 per Cent. Stock Certificates.

India Office, April 19, 1887.

THE Secretary of State for India in Council hereby gives notice, that, with reference to the Indian £4 per Cent. Stock and India £4 per Cent. Stock Certificates becoming redeemable at par on or after the 10th October, 1888, as specified in the advertisements under which the Stock and Stock Certificates have been issued, he is willing to grant a like amount of India £3 10s. per Cent. Stock and India £3 10s. per Cent. Stock Certificates respectively, in exchange for such India £4 per Cent. Stock and £4 per Cent. Stock Certificates.

The holders of India £4 per Cent. Stock or Stock Certificates, who avail themselves of this offer, will receive on the 6th July, 1887, a payment of £1 12s. 6d. per Cent. on the amount of India £4 per Cent. Stock or Stock Certificates surrendered, being a quarter's interest at £4 per Cent. per annum to that date, and ten shillings per Cent. per annum for a year and a quarter to October, 1888, paid in advance; and subsequently interest will be due quarterly on the 5th October, 5th January, 5th April, and 5th July in each year, at the rate of £3 10s. per Cent. per annum.

The Stock and Stock Certificates granted in exchange will be consolidated with the India £3 10s. per Cent. Stock now existing, which is not redeemable until the 5th January, 1931, but will be redeemable at par on or after that day, upon one year's previous notice having been given in the London Gazette by the Secretary of State for India in Council.

The Books of the Stock are kept at the Bank of England, where all Assignments and Transfers are made. All Transfers and Stock Certificates are free of Stamp Duty.

The same facilities are given in respect of this Stock for the transmission of Dividend Warrants by post, and for the exchange of Stock into Stock Certificates with Coupons annexed payable to bearer, as are given in the case of Consols and India Four and Three per Cent. Stocks. Trustees are empowered to invest Trust Funds in this Stock, unless expressly forbidden by the Instrument creating the Trust.

The holders of India £4 per Cent. Stock or Stock Certificates, who may desire to convert their Stock or Certificates upon the terms above-mentioned, are hereby required to signify their assent to the Secretary of State for India in Council, in a form to be obtained at the Chief Accountant's Office at the Bank of England; and such assents must be delivered at the Chief Accountant's Office at the Bank of England, on or before Wednesday, the 1st June, 1887. From the time of the delivery of such assents, the holders of the India £4 per Cent. Stock thereby affected will be precluded from dealing with their respective shares of that Stock; but on the 8th June, or, in the case of assents sent in on or before the 26th May, on the 2nd June, their share of India £4 per Cent. Stock having been cancelled, corresponding amounts of India £3 10s. per Cent. Stock will be inscribed in their names, and may from that date be dealt in. The assents of holders of India £4 per Cent. India Stock Certificates must be accompanied by the Stock Certificates therein referred to, for which a receipt will be given, that will be exchangeable for the new India £3 10s. per Cent. Stock Certificates after the expiration of seven days from the date of surrender.

In the case of Stock transferable at the Bank of Ireland, and of Certificates issued in respect thereof, the forms must be obtained from the Accountant-General's Office at the Bank of Ireland, and the assents must be delivered at that Office on or before the 1st June, 1887, as aforesaid.

A Bill will be introduced into Parliament to make Powers of Attorney and Requests for transmission of Dividend Warrants by post, relating to India £4 per Cent. Stock surrendered as above, applicable to India £3 10s. per Cent. Stock.

It is the intention of the Secretary of State in Council, that all holders of India £4 per Cent. Stock, or India £4 per Cent. Stock Certificates who do not, on or before Wednesday, the 1st

June, 1887, signify in the manner above prescribed, their assent to accept India £3 10s. per Cent. Stock, or India £3 10s. per Cent. Stock Certificates in lieu thereof, shall be paid off at par on the 10th October, 1888, due notice of the repayment being in that case given in October, 1887.
