THE Board of Trade have received through the Secretary of State for Foreign Affairs the following copy of a Despatch, dated 7th September last, from Her Majesty's Representative at Quito, respecting quarantine observation in Ecuador:—

In consequence of there having been cases of cholera in ports south of Valparaiso, the Port of Guayaquil is closed for vessels which have touched at the Chilian ports of Tome and Talcabuano later than the 23rd ultimo.

The Sanitary Board of Guayaquil decreed 40 days' quarantine for vessels which had touched at those ports previous to the 13th ultimo, that passengers from the south must be provided with certified passports to the effect that they did not proceed from infected ports, a similar certificate being required for all Chilian cargo. The Governor of Guayaquil, however, resolved not to put these regulations in force.
