NOTICE is hereby given, that the Lancashire and Yorkshire Railway Company (hereinafter called the Company) intend to apply for leave to introduce into the above-named Bill now pending in the House of Commons, additional provisions (hereinafter referred to as the Additional Provision), in order to effect the following or some of the following, among other purposes, that is to say:—

1. To enable the Company at Thornhill Lees, in the West Riding of the county of York, to execute the following works, or some part or parts thereof, and to exercise all or some of the following powers, that is to say:—

(a.) To divert a portion of Dewsbury-road, such diversion commencing in the township of Dewsbury, in the parish and borough of Dewsbury, at the northern end of Cleggford Bridge, and terminating in the township of Thornhill, in the parish of Thornhill, by a junction with, and in the said road at a point about 113 yards south-east of the centre of the level crossing of Dewsbury-road aforesaid, over the Company's main line of railway. The said work will be wholly situate in the said two townships and parishes; and in connection with and as a part of the said diversion to widen the said bridge; and by reason or in consequence of such work the

additional provision will enable the Company in the said townships and parishes to alter the levels of so much of their said main line of railway as extends from a point about 530 yards west of the said level crossing to a point about 200 yards east of that crossing.

(b.) To construct wholly in the said township of Thornhill a new road commencing in and out of the last-mentioned diverted road, at a point about 66 yards south-east of the centre of the said level crossing, and terminating in Brewery-street, at a point about 130 yards south-west of the centre of the said crossing measured along that street.

The two foregoing works will be in lieu of the works at Thornhill Lees, described in the said Bill.

(c.) To alter wholly in the said township and parish of Thornhill, the level of so much of Savile-road as extends from its junction with the said Dewsbury-road, for a distance of about 200 yards.

(d.) To alter wholly in the said townships and parishes the levels of so much of Dewsbury-road as extends for a distance of about 160 yards from and south of the junction therewith of Forge-lane.

(e.) To make such alterations in the levels of the roads and other accesses communicating with the proposed diversion and new road respectively as may be rendered necessary by the execution of the foregoing works.

2. To authorize and require the Company upon the request of the Mayor, Aldermen, and Burgesses of the Borough of Dewsbury (hereinafter called the Corporation), or the owner for the time being of Forge-lane, to widen the bridge carrying the railway of the Company over Forge-lane, the expense of such widening to be in all respects at the cost of the body or person requesting the same to be made.

3. To provide for the future maintenance and repair of the roads, the levels of which will or may be made or altered under the powers of the Additional Provision.

4. To enable the Company to purchase or acquire compulsorily, or by agreement, lands, houses, and other property, for all or any of the before-mentioned Works.

5. To authorize the Company to deviate laterally and vertically from the lines and levels of the proposed works to any extent to be shown on the plans to be deposited as hereinafter mentioned or prescribed by the said Additional Provision.

6. To transfer to the Corporation the bridge which carries the Dewsbury-road across the River Calder, and known as Cleggford Bridge, and the approaches thereto, or to provide for the transfer thereof to the Corporation upon such terms and conditions as may have been or may be agreed to between the Corporation and the Justices of the Peace for the West Riding of Yorkshire, or other the County Authority for the time being of that Riding (hereinafter referred to as the Justices), or as may be prescribed by Parliament, and to relieve the Justices and the inhabitants of that Riding from all future liability with respect to the said bridge and approaches.

7. To empower the Justices and the Corporation to enter into and fulfil contracts and agreements with respect to the widening and improving of the said bridge and approaches and to empower the Justices to contribute towards the widening and future maintenance thereof out of the county or other rates.

8. To enable the Company, and the Corporation, the Justices, the Local Board for the District

of Thornhill, in the said Riding, and all other bodies and persons, or any one or more of those bodies or persons, with the concurrence of the other of them and at their joint expense, or in such proportion as shall already have been or may hereafter be agreed on, to execute all or any part or parts of the before mentioned works and to exercise all or any of the before mentioned powers and to enter into and fulfil contracts and agreements for and in relation to the before-mentioned matters or any of them and to confirm any such agreement or agreements as may already have been or during the progress of the Bill may be so entered into.

9. To extend the existing borrowing powers of the Corporation, and of the Thornhill Local Board, and of the Justices, and to authorize them respectively to borrow additional moneys on the securities of their respective funds, and rates, and to levy new or increased rates, and to apply the moneys so to be raised, and the said rates respectively towards the various purposes in this Notice specified or any of them.

10. To authorize the Company to apply to the foregoing purposes any moneys they are already authorized to raise, or which they propose to raise under the powers of the said Bill.

11. The Additional Provision will vary and extinguish all existing rights and privileges which will interfere with its objects.

Duplicate plans and sections describing the lines, situations, and levels of the proposed roads and other works, and the lands, houses, and other property-in or through which they will be made, together with a book of reference to such plans, containing the names of the owners and lessees, or reputed owners and lessees, and of the occupiers of such lands, houses, and other property, and a copy of this Notice will, on or before the 23rd day of April instant, be deposited for public inspection with the Clerk of the Peace for the West Riding of the county of York, at his office at Wakefield, and on or before the same day a copy of so much of the said plans, sections, and book of reference as relates to each parish in or through which the intended roads and works will be made and a copy of this notice will be deposited with the parish clerk of each such parish, at his residence.
