**A**T the Court at Windsor, the 3rd day of May, 1888.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by an Act passed in the forty-fifth and forty-sixth years of Her Majesty's reign, intituled "The Militia Act, 1882," it is amongst other things enacted that, save as therein otherwise provided, the Militia shall be trained and exercised for not less than twenty-one days and not more than twenty-eight days in every year, at such times and at such places in every part of the United Kingdom, as Her Majesty may appoint, and also that Her Majesty may, from time to time, with the advice of Her Privy Council, order that the period of training and exercise, in any year, of all or any part of the Militia be extended, but so that the whole period of training and exercise be not more than fifty-six days.

And whereas it is expedient that the training of the 2nd Brigade, Lancashire Division, Royal Artillery (formerly the Royal Lancashire Artillery Militia), and the 6th Brigade, Scottish Division, Royal Artillery (formerly the Argyll and Bute Artillery Militia), and also of the Royal Anglesey Engineer Militia, the Royal Monmouthshire Engineer Militia, and the Southern Submarine Mining Militia, should be extended beyond the period of twenty-eight days for the year one thousand eight hundred and eighty-eight.

Now therefore, Her Majesty, with the advice of Her Privy Council, is pleased to order and direct that the period of training and exercise of the before-specified regiments and brigades of Militia shall, for the year one thousand eight hundred and eighty-eight, be extended, under the provisions of the before-cited Act, from twenty-eight days to the number of days in each case hereinafter mentioned; that is to say:—

2nd Brigade, Lancashire Division, Royal Artillery, thirty-four (34) days.

6th Brigade, Scottish Division, Royal Artillery, thirty-four (34) days.

Royal Anglesey Engineer Militia forty-one (41) days.

Royal Monmouthshire Engineer Militia forty-one (41) days.

Southern Submarine Mining Militia fifty-six (56) days.

**A**T the Court at Windsor, the 3rd day of May, 1888.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by an Act made and passed in the session of Parliament holden in the seventh and eighth years of the reign of Her present Majesty intituled "An Act to amend the law respecting the Office of County Coroner," it was, amongst other things, enacted that when and as often as it should seem expedient to the Justices of any county that any alteration should

be made of any division of such county into two or more districts for the purposes of that Act theretofore made under that Act it should be lawful for the said Justices in General or Quarter Sessions assembled to resolve that a petition should be presented to Her Majesty praying that such alteration be made, and thereupon to adjourn the further consideration of such petition until notice thereof should be given to the Coroner or Coroners of such county as thereafter provided:

And whereas it was by the same Act also enacted that the Clerk of the Peace should give notice of any such resolution to every Coroner for such county and of the time when the petition would be taken by the said Justices into consideration, and that the Justices should confer with every such Coroner who should attend the meeting of the Justices for that purpose touching such petition; and that such petition with the reasons upon which the petition was founded should be certified to Her Majesty under the hands and seals of two or more of the Justices present when such petition should be agreed to, and that the Clerk of the Peace for such county should forthwith give or send a true copy of such petition, certified under his hand, to every Coroner for such county:

And whereas it was by the same Act further enacted that it should be lawful for Her Majesty, if She should think fit with the advice of Her Privy Council, after taking into consideration any such petition and also any petition which might be presented to Her by any Coroner of the same county concerning any such proposed alteration, to order that such county should be divided into such and so many districts for the purposes of that Act as to Her Majesty with the advice aforesaid should seem expedient, and to give a name to each of such districts, and to determine at what place within each district the Court for the Election of Coroner for such district should be holden as thereafter provided, and that every such Order should be published in the London Gazette:

And whereas that part of the county of Middlesex for which Coroners are elected under Writs de Coronatore eligendo had been customarily divided into two districts for the purpose of holding inquests during the space of seven years and upwards before the passing of the said in part recited Act:

And whereas by an Order in Council duly made at a Court holden at Windsor on the seventh day of June one thousand eight hundred and sixty-two under and in accordance with the said in part recited Act those parts of the said county for which Coroners are elected under Writs de Coronatore eligendo were divided into three districts for the purposes of the said Act respectively named "The Eastern District," "The Central District" and "The Western District," and such districts were by the said Order respectively to comprise the several parishes, places and boundaries in the Schedule to the said Order respectively in that behalf mentioned and set forth:

And whereas the said parts of the said county have ever since been divided accordingly:

And whereas a petition praying for the alteration of the said division by dividing the said Eastern District into two but leaving the said Western and Central Districts to continue respectively to comprise the several parishes places and boundaries aforesaid was on the third day of March one thousand eight hundred and eighty-seven presented to Her Majesty by the Justices for the county of Middlesex in General Sessions assembled which petition sets forth that by an Order made

by Her Majesty in Council on the seventh day of June one thousand eight hundred and sixty-two, under the provisions of the Act of the seventh and eighth years of the reign of Her Majesty chapter ninety-two, intituled "An Act to amend the law respecting the office of County Coroner," the county of Middlesex was divided into three districts for the purposes of the Act, named respectively the Eastern District, the Central District, and the Western District; that it seemed expedient to the petitioners that an alteration should be made in the Eastern District of the county; that the Eastern District should, in the judgment of the petitioners, be divided into two districts to be named respectively the North-Eastern District and the South-Eastern District; and the said petition after setting forth a description of the proposed districts and of the boundaries thereof, and of the size and nature of each proposed district, and of the number of inhabitants and the nature of their employments sets forth further:—That in the judgment of the petitioners the Court for the election of a Coroner for the North-Eastern District should be held at Hackney in that district; that in the judgment of the petitioners the Court for the election of a Coroner for the South-Eastern District should be held at Limehouse in that district; that the reasons for dividing the present Eastern District into two districts were as follows:—That the present district was too large in extent being 9 miles in length by  $4\frac{1}{2}$  miles in breadth; that the population of the district had increased from 722,224 in the census of 1861 to 969,310 in the census of 1881, and had largely increased in the five years since 1881, and might be expected to continue to increase; that the number of inquests held in the district had increased from 1,297 in the year ending thirty-first December one thousand eight hundred and sixty-one to 1,889 in the year ending fourth November one thousand eight hundred and eighty-six, that was, upwards of 45 per cent; that the average number of inquests held per day (excluding Sundays) during the five years ended thirty-first December one thousand eight hundred and eighty-five was  $5\frac{1}{3}\frac{1}{3}$ ; that the average held per day during the year ended fourth November one thousand eight hundred and eighty-six was  $6\frac{1}{3}\frac{1}{3}$ ; that in addition to the actual holding of inquests, the Coroner had much other necessary work to transact in virtue of his office; that the great distances which the Coroner had to travel, the number of inquests to be held every day, added to the other duties incident to the office, constituted more work than could be efficiently performed by one person; that it was a hardship upon jurors (who were not paid for their services), and upon witnesses to be kept waiting for the Coroner, who might be necessarily detained at an inquest being held elsewhere; that the present salary of £2,207 14s. 8d. a year was sufficient to remunerate two Coroners; the petitioners therefore most humbly prayed that Her Majesty would be graciously pleased to take their petition into consideration, and to order that the Eastern District of the said county should be forthwith divided into two districts for the purposes of the Act of the seventh and eighth years of Her Majesty's reign chapter ninety-two; such districts to be respectively named "the North-Eastern District" and "the South-Eastern District" and to comprise the several parishes, places and boundaries therein set forth; and that Her Majesty would also be graciously pleased to determine and order that the Court for the election of a Coroner for the said North-Eastern District be holden at Hackney in the same district, and that the Court

for the election of a Coroner for the South-Eastern District be holden at Limehouse, in the same district:

And whereas the said petition was certified to Her Majesty under the hands and seals of two of the Justices present at the General Quarter Sessions of the Peace holden in and for the county of Middlesex, on the twenty-fourth day of February one thousand eight hundred and eighty-seven when such petition was agreed to:

And whereas all the hereinbefore recited provisions of the said Act have been strictly complied with in relation to the said petition:

And whereas certain petitions were presented to Her Majesty by Coroners of the said county concerning the said proposed alterations:

And whereas Her Majesty has with the advice of Her Privy Council taken into consideration the hereinbefore recited petition, and also the said petitions so presented to Her Majesty by the said Coroners of the said county.

Now therefore Her Majesty, by and with the advice of Her Privy Council, is pleased to order as it is hereby ordered that the said Eastern District of the said county of Middlesex shall, from and after the date hereof, be divided into two districts for the purposes of the hereinbefore in part recited Act, and that such districts shall be respectively named "The North Eastern District" and "The South Eastern District," and that such districts shall comprise the several parishes, places and boundaries respectively mentioned in connexion with the name of the said districts and set forth in the schedule hereto, and that the said Western and Central Districts shall continue as heretofore respectively, to comprise the several parishes, places and boundaries in the said schedule to the said Order in Council made the seventh day of June one thousand eight hundred and sixty-two in that behalf respectively mentioned and set forth, and it is hereby ordered, by and with the advice aforesaid, that the said division heretofore made as aforesaid shall be, and the same is hereby altered accordingly.

And Her Majesty, by and with the advice of Her said Council is also pleased to determine and order, and it is hereby ordered, that the Court for the election of Coroner for the said North-Eastern District shall be holden at such place within such district as the Sheriffs of and for the said county shall appoint pursuant to the Coroners Act 1887, and that the Court for the election of Coroner for the said South-Eastern District shall be holden at such place within such district as the Sheriffs of and for the said county shall appoint pursuant to the Coroners Act 1887, and the several Courts for the election of Coroners for the said districts shall be respectively holden at the places aforesaid as by the hereinbefore mentioned Acts and by law is provided.

And further to declare, order, and direct that this Order shall be published in the London Gazette.

C. L. Peel.

Her Majesty that the Rules concerning the measurement of tonnage of Merchant Ships for the time being in force under the principal Act have been adopted by the Government of any foreign country and are in force in that country, it shall be lawful for Her Majesty by Order in Council to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be remeasured in any port or place in Her Majesty's Dominions, but such ships shall be deemed to be of the tonnage denoted in their certificates of registry or other papers in the same manner, to the same extent, and for the same purposes, in, to and for which the tonnage denoted in the certificates of registry of British ships is to be deemed the tonnage of such ships.

And whereas by "The Merchant Shipping Act, 1876," it is enacted that "Where Her Majesty has "power under the Merchant Shipping Act, 1854, "or any Act passed or hereafter to be passed "amending the same, to make an Order in "Council, it shall be lawful for Her Majesty "from time to time to make such Order in "Council, and by Order in Council to revoke, "alter, or add to any Order so made."

And whereas it was made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships in force under "The Merchant Shipping Act, 1854," had been adopted by the Government of His Majesty the King of the Netherlands, with the exception of a difference in the mode in certain steamers of estimating the allowance for engine room, and such rules were in force in that country, and came into operation on the first day of January, one thousand eight hundred and seventy-six.

And whereas by Order in Council dated the twenty-sixth day of October, one thousand eight hundred and seventy-five, Her Majesty was pleased to direct as follows:

1. As regards sailing ships, that merchant sailing ships of the said Kingdom of the Netherlands, the measurement whereof should, after the said first day of January, one thousand eight hundred and seventy-six, have been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, should be deemed to be of the tonnage denoted in such registers and other national papers in the same manner, and to the same extent, and for the same purpose, in, to and for which the tonnage denoted in the Certificate of Registry of British sailing ships is deemed to be the tonnage of such ships;

2. As regards steam ships, that merchant ships belonging to the said Kingdom of the Netherlands which are propelled by steam or any other power requiring engine room, the measurement whereof should, after the said first day of January, one thousand eight hundred and seventy-six, have been ascertained and denoted in the registers and other national papers of such steam ships, testified by the dates thereof, should be deemed to be of the tonnage denoted on such registers or other national papers in the same manner, and to the same extent, and for the same purpose, in, to and for which the tonnage denoted in the Certificate of Registry of British ships is deemed to be the tonnage of such ships. PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by "The Merchant Shipping Act Amendment Act, 1862," it is enacted that whenever it is made to appear to

Dutch rule, the engine room should be measured and the deduction calculated according to the British rules.

And whereas it has been made to appear to Her Majesty that a new Royal Ordinance which came into operation on the sixth day of January, one thousand eight hundred and eighty-eight, stipulates that the owners of Dutch steam ships may have the net tonnage of their vessels calculated according to British as well as according to Dutch rules, and shall have issued to them a separate certificate to be used in foreign countries showing the net tonnage calculated according to British rules.

And whereas it has been made to appear desirable to Her Majesty that the provisions of the said recited Order in Council of the twenty-sixth day of October, one thousand eight hundred and seventy-five should be revoked, and a new Order in Council made and substituted in lieu thereof.

Now therefore Her Majesty, in virtue of the powers vested in Her by the said recited Acts, and by and with the advice of Her Privy Council, is pleased to direct that the said recited Order of the twenty-sixth day of October, one thousand eight hundred and seventy-five, shall be, and the same is hereby revoked, and in lieu thereof, and in substitution therefor, Her Majesty is hereby pleased by and with the advice of Her Privy Council to direct as follows :

1. As regards sailing ships, that merchant sailing ships of the said Kingdom of the Netherlands, the measurement whereof after the said first day of January, one thousand eight hundred and seventy-six, has been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, shall be deemed to be of the tonnage denoted in such registers and other national papers in the same manner, and to the same extent, and for the same purpose, in, to and for which the tonnage denoted in the Certificate of Registry of British sailing ships is deemed to be the tonnage of such ships :

As regards steam ships, that merchant ships belonging to the said Kingdom of the Netherlands which are propelled by steam or any other power requiring engine room, the measurement whereof shall, after the said first day of January, one thousand eight hundred and seventy-six, have been ascertained and denoted in the registers and other national papers of such steam ships, testified by the dates thereof, shall be deemed to be of the tonnage denoted on such registers or other national papers in the same manner, and to the same extent, and for the same purpose, in, to and for which the tonnage denoted in the Certificate of Registry of British ships is deemed to be the tonnage of such ships. Provided nevertheless that, if the owner or master of any such Dutch steam ship desires the deduction for engine room in his ship to be estimated under the rules for engine room measurement and deduction applicable to British ships instead of under the Dutch rule, the engine room shall be measured and the deduction calculated according to the British rules, and that, in the event of any such steam ship possessing a certificate of tonnage or other national paper issued as aforesaid on or after the sixth day of January, one thousand eight hundred and eighty-eight, denoting the net registered tonnage of such ship under the British rules, the ship shall be deemed to be of the tonnage so denoted thereon.

AT the Court at Windsor, the 3rd day of May, 1888.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by "The Merchant Shipping Act, 1854," it is enacted that Her Majesty may, by and with the advice of Her Privy Council, from time to time reduce all or any of the dues for the time being payable in respect of existing or future lighthouses, buoys, or beacons under the management of the General Lighthouse Authorities ; and may also, by and with the like advice, from time to time increase or vary such dues :

And whereas, by Order in Council dated the twenty-fourth day of October, one thousand eight hundred and seventy, Her Majesty was pleased to approve certain revised and amended New Consolidated Tables of Light Duties (Oversea Section) levied by the said General Lighthouse Authorities respectively in the form thereunto annexed, together with the several reductions, variations, abatements, regulations, and exemptions therein contained :

And whereas, by Order in Council dated the sixteenth day of May, one thousand eight hundred and seventy-one, Her Majesty was pleased to approve certain New Consolidated Tables of Light Duties (Coast Section) levied as aforesaid in the form thereunto annexed, together with the several reductions, variations, abatements, regulations, and exemptions therein contained :

And whereas, by various Orders in Council since made in pursuance of the said Act, in respect of certain new lights, certain tolls have been directed to be paid for oversea vessels and for coasting vessels respectively, subject to a certain abatement or discount, and the regulations and exemptions mentioned in the said New Consolidated Tables of Light Duties :

And whereas, by Order in Council dated the sixth day of September one thousand eight hundred and eighty, Her Majesty was pleased to direct that on and after the first day of October, one thousand eight hundred and eighty, Home Trade Ships (as there defined) should be treated in the matter of light duties as coasting vessels :

And whereas by Order in Council dated the fourth day of March, one thousand eight hundred and eighty-four, the abatement or discount to be allowed upon the amount of light duties was fixed at seventy per centum, and no more :

And whereas it has been made to appear to Her Majesty that it is expedient that the said abatement or discount of seventy per centum on the amount of all the tolls hereinbefore referred to should be varied in manner hereinafter mentioned :

Now therefore Her Majesty, by virtue of the powers vested in Her by the said recited Act, by and with the advice of Her Privy Council, is pleased to direct that on and after the first day of June, one thousand eight hundred and eighty-eight, the abatement or discount to be allowed upon the amount of tolls specified in the said New Consolidated Tables of Light Duties mentioned in the said Orders in Council of the twenty-fourth day of October, one thousand eight hundred and seventy, and the sixteenth day of May, one thousand eight hundred and seventy-one, and upon the amount of tolls specified in the said other Orders in Council hereinbefore referred to, shall, in the case of every oversea vessel, and of every coasting vessel, be sixty-five per centum, and no more.

And whereas the said Mersey Docks and Harbour Board have applied to Her Majesty in Council to make, and have submitted for approval, certain new rules concerning the lights or signals to be carried, and concerning the steps for avoiding collision to be taken by vessels navigating the River Mersey, to be submitted for and in lieu of the rules set forth in the schedule to the said recited Order in Council of the twenty-fourth day of June, one thousand eight hundred and eighty-five; and in such new rules there are embodied, subject to certain exceptions and additions therein mentioned, the "Regulations for Preventing Collisions at Sea," sanctioned by an Order in Council dated the eleventh day of August, one thousand eight hundred and eighty-four, made in pursuance of "The Merchant Shipping Act Amendment Act, 1862," and set forth in the schedule to the said last-mentioned Order in Council.

And whereas the new rules so submitted as aforesaid appear to be reasonable and proper:
