1. The Northern and Salford Divisions (as defined by the Order in Council of the 4th day of May, 1864) of the County of Lancaster shall, for the purpose of the next Spring Assizes, be united together under the name of the Spring Assize County, No. 2.

2. The said Spring Assizes for the said Spring Assize County shall be held at Manchester.

3. The Court at the said Spring Assizes at Manchester shall have jurisdiction to try any prisoner committed in the said Spring Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Spring Assizes Act, 1879, such prisoner would have been tried.

The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said section "the Sheriff of the county for which such Assizes were held" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried if the Spring Assizes Act, 1879, had not been passed.

4. The Sheriff of the County of Lancaster shall act for the purpose of the said Spring Assizes for the said Spring Assize County.

5. The precepts of the Judges to the said

Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Lancaster.

6. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Spring Assize County who under the provisions of this Order will have to be tried at Manchester, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any Writ of Habeas Corpus.

7. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for either Division comprised in the said Spring Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority, and be under the same obligation to attend at the said Spring Assizes held for the said Spring Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document.

8. In all indictments and presentments at the said Spring Assizes the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Spring Assize County, No. 2."

9. Any person who after the date of this Order and before the said Spring Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery to be holden for either of the Divisions constituting the said Spring Assize County, shall be bound to attend at the said Spring Assizes for the said Spring Assize County.

10. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the Divisions constituting the said Spring Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Spring Assizes for the said Spring Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Spring Assizes or forfeit his recognizance.

11. Ten days before the day fixed for the opening of the Commission at Manchester, a list of the prisoners to be removed for trial at the said Spring Assizes for the said Spring Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Lancaster, and the said Sheriff shall cause to be inserted in one or more newspapers in the Spring Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Manchester.

12. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Spring Assizes for the said Spring Assize County shall be in custody, three days before the day upon which the said Spring Assizes for the said Spring Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to Her Majesty's Gaol at

Strangeways, Manchester, in the county of Lancaster, for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

13. The Clerk of Assize at the said Spring Assizes for the said Spring Assize County, shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Spring Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.* to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

14. In any case where money is ordered by the Court at the said Spring Assizes for the said Spring Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Spring Assizes Act, 1879, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Spring Assizes during the sitting of the Court to pay all such orders.

15. Where the Court at the said Spring Assizes for the said Spring Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

16. Except where the context otherwise re-

13. Ten days before the day fixed for the opening of the Commission at Leeds, a list of the prisoners to be removed for trial at the said Spring Assizes for the said Spring Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of York, and the said Sheriff shall cause to be inserted in one or more newspapers in the Spring Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Leeds.

If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Spring Assizes for the said Spring Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Spring Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.*, to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the first session of the Parliament holden in the first and second years of the reign of Her present Majesty, intituled "An Act to abridge the holding of benefices in plurality, and to make better provision for the residence of the clergy," after reciting that "Whereas in some instances tithings, hamlets, chapeltries, and other places or districts may be separated from the parishes or mother churches to which they belong, with great advantage, and places altogether extra-parochial may in some instances with advantage be annexed to parishes or districts to which they are contiguous, or be constituted separate parishes for ecclesiastical purposes," it is, amongst other things, enacted, "That when with respect to his own diocese it shall appear to the Archbishop of the Province, or when the Bishop of any diocese shall represent to the said Archbishop that any such tithing, hamlet, chapelry, place, or district within the diocese of such Archbishop, or the diocese of such Bishop, as the case may be, may be advantageously separated from any parish or mother church, and either be constituted a separate benefice by itself or be united to any other parish to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelry, place, or district, parochial or extra-parochial, so as to form a separate parish or benefice, or that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous, or be constituted a separate parish for ecclesiastical

purposes; and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration) describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent-charges, and other ecclesiastical dues, rates, and payments, and in respect to patronage and rights to pews, may be made with justice to all parties interested; and if the patron or patrons of the benefice or benefices to be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and inquiry, be satisfied with any such scheme, or modification thereof, and shall certify the same and such consent as aforesaid, by his report to Her Majesty in Council, it shall be lawful for Her Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect."

And whereas the Right Reverend Edward, Lord Bishop of Lincoln, hath, pursuant to the enactment aforesaid, represented in a writing dated the nineteenth January one thousand eight hundred and eighty-nine to the Right Honourable and Most Reverend Edward White, Lord Archbishop of Canterbury, as follows:—

"To the Most Reverend Edward White, Lord Archbishop of Canterbury.

"I, the Right Reverend Edward, Lord Bishop of Lincoln do hereby represent to your Grace that there is in the county and diocese of Lincoln the rectory and parish church of Fishtoft.

"That the population of the parish of Fishtoft aforesaid according to the census of one thousand eight hundred and eighty-one amounts to nine hundred and sixteen persons.

"That the incumbent of Fishtoft shall have exclusive cure of souls within the limits of the said portions of the parish of Boston so to be annexed to the said parish of Fishtoft.

"That baptisms, churchings, marriages, and burials in respect of the inhabitants of the said portions of the said parish of Boston shall be performed and take place in the parish church of

Fishtoft and in the burial-ground thereto belonging and that the fees for all such and other ecclesiastical offices and all ecclesiastical dues and offerings arising from or in respect of the said portions of the said parish of Boston so to be annexed to the said parish of Fishtoft and usually payable to the incumbent of a benefice shall belong and be paid to the incumbent of the said parish and benefice of Fishtoft.

"That the inhabitants of the same portions of the said parish of Boston shall be exonerated from all liability to repair the said parish church of Boston or any other church or chapel now or hereafter to be erected in the said parish of Boston but shall be liable subject to the provisions of 'The Compulsory Church Rate Abolition Act 1868' to repair the said parish church of Fishtoft.

CANADA AND THE UNITED KINGDOM.

TREASURY WARRANT.

WE, the Commissioners of Her Majesty's Treasury, in pursuance of the Acts relating to Her Majesty's Post Office, and in exercise of all powers enabling us in this behalf, do, by this Warrant, made on the representation of Her Majesty's Postmaster-General (testified by his signing the same), and under the hands of two of us, the said Commissioners, order, direct, and declare as follows:—

Repeal.

1. The Warrant of the Commissioners of Her Majesty's Treasury, dated the 29th day of February, 1888, and relating to the transmission by post of Parcels between the United Kingdom and the Dominion of Canada, shall be repealed, revoked, and annulled on and as from the day on which this Warrant comes into operation.

Definitions.

2. In this Warrant:—

(1.) The expression "Parcel" means a Postal Packet, which is posted as a Parcel, in accordance with the provisions of this

Warrant, or any Warrant amending the same.

(2.) The expression "United Kingdom" includes the Channel Islands and the Isle of Man.

Places between which Parcels may be transmitted.

3. From and after the date when this Warrant comes into operation Parcels may, subject to the provisions of this Warrant, be transmitted by post between the United Kingdom and the Dominion of Canada.

Rates of Postage.

4. On all Parcels transmitted by Post under this Warrant between the United Kingdom and the said Dominion there shall be charged and paid the rates of postage respectively specified in the schedule hereto.

Maximum Dimensions and Weight.

5. No parcel the dimensions of which shall exceed in length two feet, or in width or depth one foot, or which shall exceed in weight five pounds, shall be conveyed or tendered for conveyance by post under this Warrant.

Prepayment.

6. The postage chargeable according to the respective rates specified in the said schedule shall in all cases (except as otherwise provided in this Warrant) be prepaid at the time of posting, and such prepayment shall in the United Kingdom be effected by means of adhesive postage stamps. Provided that any Parcel posted in the United Kingdom addressed to the said Dominion insufficiently prepaid, which is prepaid to an amount equal to the postage which would have been payable thereon if the same had been addressed to Nova Scotia, shall be forwarded, charged with the amount of the deficient postage, together with an additional postage of one penny.

Times of Posting.

7. Parcels intended to be transmitted by post may, in the United Kingdom, be posted on any day of the week except Sunday, but shall not be posted on Sundays, or in England or Ireland on Christmas Day or Good Friday, and in Scotland on either of the two Sacramental Fast Days, except in the cases next hereinafter mentioned, that is to say:—

Where the delivery of Parcels on Sundays, or any of the other days aforesaid, at certain Post Offices, to addressees calling for the same, may hereafter be specially authorized by the Postmaster-General, the posting of Parcels on Sundays, or such other days as aforesaid, at such offices respectively, shall also be permitted within such times and in such manner as may be directed by the Postmaster-General.

Mode of Posting.

8. Except as otherwise provided in this Warrant, all Parcels shall in the United Kingdom be posted by being handed in at a Post Office in the manner hereinafter provided, within the hours during which such office shall be open to the public for the posting of Parcels.

Posting at Post Offices.

9. The following provisions shall apply to the posting of Parcels at any Post Office in the United Kingdom, that is to say:—

(1.) It shall be the duty of a person bringing a Parcel to hand it to an officer on duty at the counter in such office.

(2.) Such Parcel must be accompanied by or have affixed to it a declaration of such kind, and stating the contents of the Parcel in such manner and form and with such other

particulars as the Commissioners of Customs and the Postmaster-General may prescribe.

- (3.) Such Parcel shall be measured and weighed by such officer, and (if such Parcel do not exceed the limits of measurement or weight hereinbefore mentioned) the postage thereof, according to the rates specified in the said schedule shall, subject as hereinbefore mentioned, be paid by means of postage stamps affixed to such Parcel, and shall be verified by such officer, and no such Parcel shall be forwarded by the post without being accompanied by or having affixed thereto such declaration as aforesaid, and until such Parcel has been so measured and weighed, and the postage chargeable thereon shall, subject as hereinbefore provided, have been properly paid, and if any such Parcel shall be left at a Post Office without being accompanied by or having affixed thereto such declaration, and without being so measured and weighed, and the postage chargeable thereon properly paid as aforesaid, such Parcel shall be detained, and may be returned or given up to the sender thereof or otherwise dealt with or disposed of in any manner authorized by this Warrant.

Collection of Parcels.

10. The Postmaster-General may, if he think fit, from time to time authorize such officers as he may direct to receive Parcels for the Post under such regulations and conditions as he may from time to time prescribe.

Irregular Posting of Parcels.

11. Any Packet transmissible by Parcel Post from the United Kingdom which, from any words or marks thereon, or other external evidence, appears to have been intended for transmission as a Parcel, but which has not been tendered for transmission as a Parcel, but has been posted in a Post Office letter-box, or otherwise than according to the manner hereinbefore prescribed for the posting of Parcels, may, in the discretion of the Postmaster-General, either be detained and returned or given up to the sender, or if the said Packet is fully prepaid with the Letter or Book Packet rate of postage, and otherwise conforms to the Regulations as to the Letter or Book Post, the same may be forwarded as a Letter or Book Packet (as the case may be).

Return and Disposal of Undelivered Parcels.

12. With regard to—

- (a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for, or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and
- (b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason,

The following provisions shall (subject to the provisions of the Warrant of the 12th day of December, 1888, relating to Foreign and Colonial Parcels) apply (that is to say):—

- (1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from

time to time appoint, and may, if necessary, be there opened and examined.

- (2.) Where the name and address of the sender can be ascertained from the Parcel or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of Canada, that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent upon personal application at such place as aforesaid, or at the request of the sender will be forwarded to a corrected address or returned to him by post in either case upon the conditions hereinafter mentioned.
- (3.) Where the name and address of the sender cannot be ascertained from the Parcel, notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of Canada, that the Parcel will, in default of any claim on the part of the addressee, and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender or his agent, or be returned to the sender by post.
- (4.) In any case the notice shall state that, in default of the receipt by the Postmaster-General of an application for the Parcel during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such manner as the Postmaster-General may direct.
- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.
- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—
- (a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
- (b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for re-direction or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rates fixed by

this Warrant, and in such case the said rate of postage and all other charges to which the Parcel has become liable, shall be prepaid by the sender in stamps before the return of the Parcel to him.

(9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.

(10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Re-direction of Parcels.

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom or Canada is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

14. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland parcel.

Remission of Re-direction Rates.

15. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

Prohibitions.

16. There shall not be posted or conveyed or delivered by post any Parcel—

- (1.) Consisting of or containing any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any indecent or obscene article whether similar to the above or not; or
- (2.) Having thereon or on the cover thereof any words, marks, or designs of an indecent, obscene, or grossly offensive character.

 - (f.) Except with the special permission of the Postmaster-General any living creature.

(g.) Any article or thing whatsoever which is likely to injure other Parcels in course of conveyance or any receptacle in which the same are conveyed or an officer of the Post Office or other person who may deal with such Parcel.

Any such Parcel, if posted or tendered for conveyance by post, may be detained, and either returned or given up to the sender thereof or dealt with or disposed of in such manner as may be authorized by the Postmaster-General.

17. There shall not be posted or conveyed or delivered by post any Parcel consisting of or containing two or more Parcels or other Postal Packets (of the same or of different descriptions) addressed to different persons at different addresses, and any such Parcel, if posted or tendered for conveyance by post, may be detained and either returned or given up to the sender thereof, or dealt with or disposed of as the Postmaster-General may authorize.

Non-compliance with Regulations.

18. In any case not in this Warrant expressly provided for, where any Parcel shall be posted or tendered for conveyance by post which in any respect infringes or fails to comply with the regulations in this Warrant contained, or any of them, such Parcel may, at the option of the Postmaster-General, either be dealt with as in this Warrant provided, with reference to Parcels which cannot be delivered, or be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Provision for Safety of Parcels.

19. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

Parcels not to interfere with Letter Post.

20. Where the despatch or delivery from a Post Office in the United Kingdom of letters would be delayed by the despatch or delivery therefrom at the same time of Parcels, such Parcels, or any of them, may be detained in the Post Office until the despatch or delivery next following that by which they would ordinarily be despatched or delivered.

Postmaster-General not liable for Loss or Damage.

21. Nothing contained in or done under or in pursuance of this Warrant shall render the Postmaster-General liable, either personally or in his official capacity, to any action or other legal proceeding in respect of or in consequence of any loss or damage of any Parcel, whether such loss or damage be occasioned by or arise from any act or neglect of any officer of the Post Office or any other person.

Customs Regulations.

22. Parcels intended to be transmitted by post under the provisions of this Warrant shall not be posted, forwarded, conveyed, or delivered, except subject to such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."

Remission of Postage.

23. The Postmaster-General may, in any case in which he may consider it just or reasonable so to do, remit any postage or any sum made payable under this Warrant.

Particulars of St. Lazarus Bank.

THE following information relating to St. Lazarus Bank has been received from Commander T. F. Pullen, being the result of an examination made by H.M. Surveying Vessel "Stork" and her boats, extending over six days, from 3rd to 8th February, 1889 :—

The area of the bank within the depths of 100 fathoms is of oblong shape, 11 miles long north and south, with an extreme breadth of six miles, and is included between the parallels of 12° 12' and 12° 22' S., and long. 41° 20' and 41° 26½' E.

The general depth was found to be under 20 fathoms, the nature of the bottom being sand and coral. The shoalest part within the depth of 10 fathoms is near the northern end of the bank, and

is about four miles long in a north-west direction and two miles broad; the least depth found of $3\frac{1}{2}$ fathoms being confined to a small coral patch in lat. $12^{\circ} 13' S.$, long. $41^{\circ} 21\frac{1}{2}' E.$

Beyond the depth of 100 fathoms the soundings increase rapidly; at six miles north-east of the shoalest part, 1,080 fathoms was found, and at 14 and 25 miles eastward of the shoal part 1,308 and 1,131 fathoms were obtained.

A regular tide was observed when at anchor on the bank, the flood setting E.S.E. about four hours, and the ebb W.N.W. about seven hours, with about half an hour slack water; the strength at springs was two knots; the rise and fall approximately 12 feet. It is probable that at a little distance from the bank, and when out of the influence of the tidal streams that exist upon it, the currents vary in direction and velocity at different times of the year.

Fish in abundance were caught on the bank.

Having regard to the nature of this examination as detailed by Commander Pullen, it is considered that the several shoal soundings hitherto reported on or near St. Lazarus Bank, fall within the area assigned to it by H.M.S. "Stork."
